

Department of Planning and Budget 2010 Fiscal Impact Statement

1. Bill Number: SB491-S1

House of Origin ☐ Introduced ☒ Substitute ☐ Engrossed
Second House ☐ In Committee ☐ Substitute ☐ Enrolled

2. Patron: Hurt

3. Committee: General Laws and Technology

4. Title: **Sale of used building fixtures; penalty.**

5. Summary: Requires dealers in secondhand building fixtures to retain records of identifying information about the seller or purchaser of such materials and to obtain documentation establishing that the person lawfully possesses any article being sold. Dealers are required to keep the records for five years. If the dealer buys copper gutters, downspouts, or similar copper materials, he is required to hold the articles for not less than 15 days following the date he gives the required notice of the transaction to the chief of police or sheriff. The measure also increases the penalty for a first violation to a Class 3 misdemeanor and for a second or subsequent violation to a Class 1 misdemeanor.

6. Fiscal Impact Estimates: Preliminary; see Item 8 below.

7. Budget Amendment Necessary: No.

8. Fiscal Implications: Although insufficient data exists to determine the fiscal impact due to the substitute proposal at this time, the legislation could result in an increase in the jail population since a Class 1 misdemeanor can result in a sentence of up to 12 months in jail (and \$2,500 fine). Any increase in jail population will increase costs to the state. The Commonwealth presently pays the localities \$8.00 a day for each misdemeanant or otherwise local responsible prisoner held in a jail. It also funds most of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's FY2008 Jail Cost Report (November 1, 2009), the estimated total state support for local and regional jails averaged \$32.66 per state inmate, per day in FY 2008.

9. Specific Agency or Political Subdivisions Affected: Law enforcement agencies statewide, local and regional jails.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
