CHAPTER 154

An Act to amend and reenact §§ 16.1-281 and 22.1-3.4 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 63.2-900.3, relating to school placement of foster care children.

[S 1038]

Approved March 15, 2011

Be it enacted by the General Assembly of Virginia:

1. That §§ 16.1-281 and 22.1-3.4 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding a section numbered 63.2-900.3 as follows:

§ 16.1-281. Foster care plan.

A. In any case in which (i) a local board of social services places a child through an agreement with the parents or guardians where legal custody remains with the parents or guardian, or (ii) legal custody of a child is given to a local board of social services or a child welfare agency, the local department of social services or child welfare agency shall prepare a foster care plan for such child, as described hereinafter. The individual family service plan developed by the family assessment and planning team pursuant to § 2.2-5208 may be accepted by the court as the foster care plan if it meets the requirements of this section.

The representatives of such department or agency shall involve the child's parent(s) in the development of the plan, except when parental rights have been terminated or the local department of social services or child welfare agency has made diligent efforts to locate the parent(s) and such parent(s) cannot be located, and any other person or persons standing in loco parentis at the time the board or child welfare agency obtained custody or the board placed the child. The representatives of such department or agency shall involve the child in the development of the plan, if such involvement is consistent with the best interests of the child. In cases where either the parent(s) or child is not involved in the development of the plan, the department or agency shall include in the plan a full description of the reasons therefor.

The department or child welfare agency shall file the plan with the juvenile and domestic relations district court within 60 days following the transfer of custody or the board's placement of the child unless the court, for good cause shown, allows an extension of time, which shall not exceed an additional 60 days. However, a foster care plan shall be filed in accordance with the provisions of § 16.1-277.01 with a petition for approval of an entrustment agreement. A foster care plan need not be prepared if the child is returned to his prior family or placed in an adoptive home within 60 days following transfer of custody to the board or agency or the board's placement of the child.

B. The foster care plan shall describe in writing (i) the programs, care, services and other support which will be offered to the child and his parents and other prior custodians; (ii) the participation and conduct which will be sought from the child's parents and other prior custodians; (iii) the visitation and other contacts which will be permitted between the child and his parents and other prior custodians, and between the child and his siblings; (iv) the nature of the placement or placements which will be provided for the child; (v) *for school-age children, the school placement of the child*; (vi) for children 14 years of age and older, the child's needs and goals in the areas of counseling, education, housing, employment, and money management skills development, along with specific independent living services that will be provided to the child to help him reach these goals; and (vii) where appropriate for children age 16 or over, the programs and services which will help the child prepare for the transition from foster care to independent living. If consistent with the child's health and safety, the plan shall be designed to support reasonable efforts which lead to the return of the child to his parents or other prior custodians within the shortest practicable time which shall be specified in the plan. The child's health and safety shall be the paramount concern of the court and the agency throughout the placement, case planning, service provision and review process.

If the department or child welfare agency concludes that it is not reasonably likely that the child can be returned to his prior family within a practicable time, consistent with the best interests of the child, in a separate section of the plan the department, child welfare agency or team shall (a) include a full description of the reasons for this conclusion; (b) provide information on the opportunities for placing the child with a relative or in an adoptive home; (c) design the plan to lead to the child's successful placement with a relative if a subsequent transfer of custody to the relative is planned, or in an adoptive home within the shortest practicable time, and if neither of such placements is feasible; (d) explain why permanent foster care or independent living for a child 16 years of age or older is the plan for the child. "Independent living" as used in this section has the meaning set forth in § 63.2-100.

The local board or other child welfare agency having custody of the child shall not be required by

the court to make reasonable efforts to reunite the child with a parent if the court finds that (1) the residual parental rights of the parent regarding a sibling of the child have previously been involuntarily terminated; (2) the parent has been convicted of an offense under the laws of the Commonwealth or a substantially similar law of any other state, the United States or any foreign jurisdiction that constitutes murder or voluntary manslaughter, or a felony attempt, conspiracy or solicitation to commit any such offense, if the victim of the offense was a child of the parent, a child with whom the parent resided at the time such offense occurred or the other parent of the child; (3) the parent has been convicted of an offense under the laws of the Commonwealth or a substantially similar law of any other state, the United States or any foreign jurisdiction that constitutes felony assault resulting in serious bodily injury or felony bodily wounding resulting in serious bodily injury or felony sexual assault, if the victim of the offense was a child of the parent or a child with whom the parent resided at the time of such offense; or (4) based on clear and convincing evidence, the parent has subjected any child to aggravated circumstances, or abandoned a child under circumstances which would justify the termination of residual parental rights pursuant to subsection D of § 16.1-283.

As used in this section:

"Aggravated circumstances" means torture, chronic or severe abuse, or chronic or severe sexual abuse, if the victim of such conduct was a child of the parent or child with whom the parent resided at the time such conduct occurred, including the failure to protect such a child from such conduct, which conduct or failure to protect: (i) evinces a wanton or depraved indifference to human life, or (ii) has resulted in the death of such a child or in serious bodily injury to such a child.

"Chronic abuse" or "chronic sexual abuse" means recurring acts of physical abuse that place the child's health, safety and well-being at risk.

"Serious bodily injury" means bodily injury that involves substantial risk of death, extreme physical pain, protracted and obvious disfigurement, or protracted loss or impairment of the function of a bodily member, organ or mental faculty.

"Severe abuse" or "severe sexual abuse" may include an act or omission that occurred only once, but otherwise meets the definition of "aggravated circumstances."

Within 30 days of making a determination that reasonable efforts to reunite the child with the parents are not required, the court shall hold a permanency planning hearing pursuant to § 16.1-282.1.

C. A copy of the entire foster care plan shall be sent by the court to the child, if he is 12 years of age or older; the guardian ad litem for the child, the attorney for the child's parents or for any other person standing in loco parentis at the time the board or child welfare agency obtained custody or the board placed the child, to the parents or other person standing in loco parentis, and such other persons as appear to the court to have a proper interest in the plan. However, a copy of the plan shall not be sent to a parent whose parental rights regarding the child have been terminated. A copy of the plan, excluding the section of the plan describing the reasons why the child cannot be returned home and the alternative chosen, shall be sent by the court to the foster parents. A hearing shall be held for the purpose of reviewing and approving the foster care plan. The hearing shall be held within 75 days of (i) the child's initial foster care placement, if the child was placed through an agreement between the parents or guardians and the local department of social services or a child welfare agency; (ii) the original preliminary removal order hearing, if the child was placed in foster care pursuant to § 16.1-252; (iii) the hearing on the petition for relief of custody, if the child was placed in foster care pursuant to § 16.1-277.02; or (iv) the dispositional hearing at which the child was placed in foster care and an order was entered pursuant to § 16.1-278.2, 16.1-278.3, 16.1-278.4, 16.1-278.5, 16.1-278.6, or 16.1-278.8. However, the hearing shall be held in accordance with the provisions of § 16.1-277.01 with a petition for approval of an entrustment agreement. If the judge makes any revision in any part of the foster care plan, a copy of the changes shall be sent by the court to all persons who received a copy of the original of that part of the plan.

C1. Any order transferring custody of the child to a relative other than the child's prior family shall be entered only upon a finding, based upon a preponderance of the evidence, that the relative is one who, after an investigation as directed by the court, (i) is found by the court to be willing and qualified to receive and care for the child; (ii) is willing to have a positive, continuous relationship with the child; (iii) is committed to providing a permanent, suitable home for the child; and (iv) is willing and has the ability to protect the child from abuse and neglect; and the order shall so state. The court's order transferring custody to a relative should further provide for, as appropriate, any terms or conditions which would promote the child's interest and welfare; ongoing provision of social services to the child and the child's custodian; and court review of the child's placement.

C2. Any order entered at the conclusion of the hearing that has the effect of achieving a permanent goal for the child by terminating residual parental rights pursuant to § 16.1-277.01, 16.1-277.02, 16.1-278.3, or 16.1-283; by placing the child in permanent foster care pursuant to clause (iv) of subsection A of § 16.1-282.1; or by directing the board or agency to provide the child with services to achieve independent living status, if the child has attained the age of 16 years, pursuant to clause (v) of subsection A of § 16.1-282.1 shall state whether reasonable efforts have been made to place the child in a timely manner in accordance with the foster care plan and to complete the steps necessary to finalize

the permanent placement of the child.

D. The court in which the foster care plan is filed shall be notified immediately if the child is returned to his parents or other persons standing in loco parentis at the time the board or agency obtained custody or the board placed the child.

E. At the conclusion of the hearing at which the initial foster care plan is reviewed, the court shall schedule a foster care review hearing to be held within six months in accordance with § 16.1-282. However, if an order is entered pursuant to subsection C2, the court shall schedule a foster care review hearing to be held within 12 months of the entry of such order in accordance with the provisions of § 16.1-282.2. Parties who are present at the hearing at which the initial foster care plan is reviewed shall be given notice of the date set for the foster care review hearing and parties who are not present shall be summoned as provided in § 16.1-263.

F. Nothing in this section shall limit the authority of the juvenile judge or the staff of the juvenile court, upon order of the judge, to review the status of children in the custody of local boards of social services or placed by local boards of social services on its own motion. The court shall appoint an attorney to act as guardian ad litem to represent the child any time a hearing is held to review the foster care plan filed for the child or to review the child's status in foster care.

§ 22.1-3.4. Enrollment of certain children placed in foster care.

A. Whenever a student has been placed in foster care by a local social services agency and the placing social services agency is unable to produce any of the documents required for enrollment pursuant to § 22.1-3.1, 22.1-270, or 22.1-271.2, the student shall immediately be enrolled; however, the person enrolling the student shall provide a written statement that, to the best of his knowledge, sets forth (i) the student's age (ii) compliance with the requirements of § 22.1-3.2, and (iii) that the student is in good health and is free from communicable or contagious disease.

B. The sending and receiving school divisions shall cooperate in facilitating the enrollment of any child placed in foster care across jurisdictional lines for the purpose of enhancing continuity of instruction. ~~The sending school division and the receiving school division may agree to allow the child~~ *shall be allowed* to continue to attend the school in which he was enrolled prior to the most recent foster care placement, upon the ~~agreement~~ *joint determination* of the placing social services agency and the local school division that such attendance is in the best interest of the child.

C. In the event the student is ~~allowed to continue~~ *continues* to attend the school in which he was enrolled prior to the most recent foster care placement, the receiving school division shall be accorded foster children education payments pursuant to § 22.1-101.1; further, the receiving school division may enter into financial arrangements with the sending school division pursuant to subsection C of § 22.1-5. Under no circumstances shall a child placed in foster care be charged tuition regardless of whether such child is attending the school in which he was enrolled prior to the most recent foster care placement or attending a school in the receiving school division.

D. For the purposes of subsections A, B, and C:

"A child or student placed in foster care" means a pupil who is the subject of a foster care placement through an entrustment or commitment of such child to the local social services board or licensed child-placing agency pursuant to clause (ii) of the definition of "foster care placement" as set forth in § 63.2-100.

For the purposes of this section:

"Receiving school division" means the school division in which the residence of the student's foster care placement is located.

"Sending school division" means the school division in which the student last attended school.

E. Notwithstanding the provisions of subsections A, B, and C or § 22.1-3 or 22.1-5, no person of school age who is the subject of a foster care placement, as such term is defined in § 63.2-100, shall be charged tuition.

§ 63.2-900.3. School placement of children in foster care.

Before placing a child of school age in a foster care placement, as defined in § 63.2-100, the local social services agency making such placement shall, in writing, determine jointly with the local school division whether it is in the child's best interests to remain enrolled at the school in which he was enrolled prior to the most recent foster care placement, pursuant to § 22.1-3.4.
