

VIRGINIA ACTS OF ASSEMBLY -- 2011 SESSION

CHAPTER 162

An Act to amend and reenact § 56-484.17 of the Code of Virginia, relating to the E-911 surcharge.

[S 1123]

Approved March 15, 2011

Be it enacted by the General Assembly of Virginia:

1. That § 56-484.17 of the Code of Virginia is amended and reenacted as follows:

§ 56-484.17. Wireless E-911 Fund; uses of Fund; enforcement; audit required.

A. There is hereby created in the state treasury a special nonreverting fund to be known as the Wireless E-911 Fund (the Fund). The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Except as provided in § 2.2-2031, moneys in the Fund shall be used for the purposes stated in subsections C through D. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Chief Information Officer of the Commonwealth.

B. Each CMRS provider and each CMRS reseller shall collect a wireless E-911 surcharge from each of its customers whose place of primary use is within the Commonwealth. However, no surcharge shall be imposed on federal, state and local government agencies. A payment equal to all wireless E-911 surcharges shall be remitted within 30 days to the Board for deposit in the Fund *Department of Taxation. The Department of Taxation, after subtracting its direct costs of administration, shall deposit all remitted wireless E-911 surcharges into the state treasury. The Comptroller shall as soon as practicable deposit such moneys into the Fund.* Each CMRS provider and CMRS reseller may retain an amount equal to three percent of the wireless E-911 surcharges collected to defray the costs of collecting the surcharges. State and local taxes shall not apply to any wireless E-911 surcharge collected from customers. Surcharges collected from customers shall be subject to the provisions of the federal Mobile Telecommunications Sourcing Act (4 U.S.C. § 116 et seq., as amended).

The CMRS provider and CMRS reseller shall collect the surcharge through regular periodic billing.

C. Sixty percent of the Wireless E-911 Fund shall be distributed on a monthly basis to the PSAPs according to the percentage of recurring wireless E-911 funding received by the PSAP as determined by the Board. The Board shall calculate the distribution percentage for each PSAP at the start of each fiscal year based on the cost and call load data from the previous fiscal year and implement this percentage by October 1 of the current year. Using 30% of the Wireless E-911 Fund, the Board shall provide full payment to CMRS providers of all wireless E-911 CMRS costs. For these purposes each CMRS provider shall submit to the Board on or before December 31 of each year an estimate of wireless E-911 CMRS costs it expects to incur during the next fiscal year of counties and municipalities in whose jurisdiction it operates. The Board shall review such estimates and advise each CMRS provider on or before the following March 1 whether its estimate qualifies for payment hereunder and whether the Wireless E-911 Fund is expected to be sufficient for such payment during said fiscal year. The remaining 10% of the Fund and any remaining funds for the previous fiscal year from the 30% for CMRS providers shall be distributed to PSAPs or on behalf of PSAPs based on grant requests received by the Board each fiscal year. The Board shall establish criteria for receiving and making grants from the Fund, including procedures for determining the amount of a grant and payment schedule; however, the grants must be to the benefit of wireless E-911. Any grant funding that has not been committed by the Board by the end of the fiscal year shall be distributed to the PSAPs based on the same distribution percentage used during the fiscal year in which the funding was collected; however, the Board may retain some or all of this uncommitted funding for an identified funding need in the next fiscal year.

D. After the end of each fiscal year, on a schedule adopted by the Board, the Board shall audit the grant funding received by all recipients to ensure it was utilized in accordance with the grant requirements. For the fiscal year ending June 30, 2005, the Board shall determine whether qualifying payments to PSAP operators and CMRS providers during the preceding fiscal year exceeded or were less than the actual wireless E-911 PSAP costs or wireless E-911 CMRS costs of any PSAP operator or CMRS provider. Each funding recipient shall provide such verification of such costs as may be requested by the Board. Any overpayment shall be refunded to the Board or credited to payments during the then current fiscal year, on such schedule as the Board shall determine. If payments are less than the actual costs reported, the Board may include the additional funding in the then current fiscal year.

E. The Auditor of Public Accounts, or his legally authorized representatives, shall annually audit the Wireless E-911 Fund. The cost of such audit shall be borne by the Board and be payable from the Wireless E-911 Fund, as appropriate. The Board shall furnish copies of the audits to the Governor, the

Public Safety Subcommittees of the Senate Committee on Finance and the House Committee on Appropriations, and the Virginia State Crime Commission.

F. The special tax authorized by § 58.1-1730 shall not be imposed on consumers of CMRS.
