

VIRGINIA ACTS OF ASSEMBLY -- 2011 RECONVENED SESSION

CHAPTER 816

An Act to amend and reenact §§ 2.2-2220, 2.2-2221, 2.2-2233.1, and 2.2-3711 of the Code of Virginia; to amend the Code of Virginia by adding sections numbered 2.2-2220.1 and 2.2-2221.2; and to repeal § 2.2-2233.2 of the Code of Virginia, relating to investment in research and technology in the Commonwealth.

[H 2324]

Approved April 6, 2011

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.2-2220, 2.2-2221, 2.2-2233.1, and 2.2-3711 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding sections numbered 2.2-2220.1 and 2.2-2221.2 as follows:

§ 2.2-2220. Board of directors; members; President.

The Authority shall be governed by a board of directors consisting of ~~13~~ 15 members appointed as follows: (i) two presidents of the major research state institutions of higher education, and one president representing the other state institutions of higher education, appointed by the Governor; (ii) three nonlegislative citizen members appointed by the Governor; (iii) six nonlegislative citizen members appointed by the General Assembly as follows: three nonlegislative citizen members appointed by the Speaker of the House from a list recommended by the House Committee on Science and Technology and the Joint Commission on Technology and Science; three nonlegislative citizen members appointed by the Senate Committee on Rules from a list recommended by the Senate Committee on General Laws and Technology and the Joint Commission on Technology and Science; and (iv) the Secretary of Technology, *the Secretary of Commerce and Trade, and the Secretary of Education*, who shall serve ex officio with full voting privileges.

One nonlegislative citizen member appointed by the Governor, one nonlegislative citizen member appointed by the Speaker of the House, and one nonlegislative citizen member appointed by the Senate Committee on Rules shall each have experience as a founding member of a technology company based upon intellectual property that has successfully secured a minimum of \$5 million of institutional venture capital. One nonlegislative citizen member appointed by the Governor, one nonlegislative citizen member appointed by the Speaker of the House, and one nonlegislative citizen member appointed by the Senate Committee on Rules shall each have experience as an institutional venture capital investment partner in a fund with a minimum of \$250 million of limited partner investment and a minimum of five years of fund operations. One nonlegislative citizen member appointed by the Governor, one nonlegislative citizen member appointed by the Speaker of the House, and one nonlegislative citizen member appointed by the Senate Committee on Rules shall each have experience as a senior executive in a technology or scientific research and development company with annual revenues in excess of \$50 million.

The Secretary of Technology, *Secretary of Commerce and Trade, and Secretary of Education* shall serve a ~~term~~ terms coincident with ~~his term~~ their terms of office. After the initial staggering of terms, nonlegislative citizen members and presidents shall be appointed for terms of two years. Vacancies in the membership of the Board shall be filled in the same manner as the original appointments for the unexpired portion of the term. No nonlegislative citizen member or president shall be eligible to serve for more than three successive two-year terms; however, after the expiration of a term of one year, or after the expiration of the remainder of a term to which appointed to fill a vacancy, three additional terms may be served by such member if appointed thereto. Members of the Board shall be subject to removal from office in like manner as are state, county, town and district officers under the provisions of §§ 24.2-230 through 24.2-238. Immediately after appointment, the members of the Board shall enter upon the performance of their duties.

The Board shall annually elect from among its members a chairman and a vice-chairman. The Board shall also elect annually a secretary, who need not be a member of the Board, and may also elect such other subordinate officers who need not be members of the Board, as it deems proper. The chairman, or in his absence, the vice-chairman, shall preside at all meetings of the Board. In the absence of both the chairman and vice-chairman, the Board shall appoint a chairman pro tempore, who shall preside at such meetings.

The Board shall employ a President of the Authority, who shall serve at the pleasure of the Board, to direct the day-to-day operations and activities of the Authority and carry out such of the powers and duties conferred upon him by the Board. The President and employees of the Authority shall be compensated in the manner provided by the Board and shall not be subject to the provisions of the Virginia Personnel Act (§ 2.2-2900 et seq.) of this title.

§ 2.2-2220.1. Research and Technology Investment Advisory Committee.

A. The Authority shall be advised by the Research and Technology Investment Advisory Committee (the Advisory Committee). The Advisory Committee shall consist of 10 members as follows: the four vice-provosts of research at major state institutions of higher education from the state institutions of higher education not represented on the Authority, the president and chief executive officer of the Virginia Economic Development Partnership, and five citizen members appointed by the Authority. The citizen members shall be appointed as follows: two citizens shall be representatives of venture capital firms or other capital market participants with experience in financing emerging technology businesses, one citizen shall be a representative of an engineering firm with experience in the development of facilities for emerging technology companies, one citizen shall represent an independent or federal research facility in the Commonwealth, and one citizen shall represent a technology company with significant operations in the Commonwealth. A vice-provost of a state institution shall serve until the president of the institution that he represents is appointed to serve on the Authority, at which time the vice-provost of the state institution no longer represented on the Authority shall become a member of the Advisory Committee. Citizen members shall be appointed for terms of four years. A citizen member may be appointed for successive terms.

B. The Advisory Committee shall assist the Authority in reviewing applications for awards from the Commonwealth Research Commercialization Fund pursuant to § 2.2-2233.1 and make recommendations to the Authority concerning the awards. In reviewing the applications, the Advisory Committee shall only recommend for award those applications that, based upon the Commonwealth Research and Technology Strategic Roadmap and in the opinion of the Advisory Committee, (i) are based upon sound scientific principles and present an opportunity for valid research, (ii) relate to a key industry sector identified in the Commonwealth Research and Technology Strategic Roadmap as an area of focus for technology investment in the Commonwealth, and (iii) present a significant potential for commercialization in the Commonwealth. In the case of an application for an award from the eminent researcher recruitment program pursuant to subdivision D 6 of § 2.2-2233.1, the Advisory Committee shall only consider researchers who conduct viable research with significant potential for commercialization in an area related to a key industry sector identified in the Strategic Roadmap as an area of focus for technology investment in the Commonwealth.

§ 2.2-2221. Powers of the Authority.

The Authority is granted all powers necessary or convenient for the carrying out of its statutory purposes, including, but not limited to, the following rights and powers to:

1. Sue and be sued, implead and be impleaded, complain and defend in all courts.
2. Adopt, use, and alter at will a corporate seal.
3. Acquire, purchase, hold, use, lease or otherwise dispose of any project and property, real, personal or mixed, tangible or intangible, or any interest therein necessary or desirable for carrying out the purposes of the Authority, and, without limitation of the foregoing, to lease as lessee, any project and any property, real, personal or mixed, or any interest therein, at such annual rental and on such terms and conditions as may be determined by the Board and to lease as lessor to any person, any project and any property, real, personal or mixed, tangible or intangible, or any interest therein, at any time acquired by the Authority, whether wholly or partially completed, at such annual rental and on such terms and conditions as may be determined by the Board, and to sell, transfer or convey any property, real, personal or mixed, tangible or intangible or any interest therein, at any time acquired or held by the Authority on such terms and conditions as may be determined by the board of the Authority.
4. Plan, develop, undertake, carry out, construct, improve, rehabilitate, repair, furnish, maintain, and operate projects.
5. Adopt bylaws for the management and regulation of its affairs.
6. Establish and maintain satellite offices within the Commonwealth.
7. Fix, alter, charge, and collect rates, rentals, and other charges for the use of projects of, or for the sale of products of or for the services rendered by, the Authority, at rates to be determined by it for the purpose of providing for the payment of the expenses of the Authority, the planning, development, construction, improvement, rehabilitation, repair, furnishing, maintenance, and operation of its projects and properties, the payment of the costs accomplishing its purposes set forth in § 2.2-2219, the payment of the principal of and interest on its obligations, and to fulfill the terms and provisions of any agreements made with the purchasers or holders of any such obligations.
8. Borrow money, make and issue bonds including bonds as the Authority may determine to issue for the purpose of accomplishing the purposes set forth in § 2.2-2219 or of refunding bonds previously issued by the Authority, and to secure the payment of all bonds, or any part thereof, by pledge or deed of trust of all or any of its revenues, rentals, and receipts or of any project or property, real, personal or mixed, tangible or intangible, or any interest therein, and to make agreements with the purchasers or holders of such bonds or with others in connection with any such bonds, whether issued or to be issued, as the Authority deems advisable, and in general to provide for the security for the bonds and the rights of holders thereof.
9. Make and enter into all contracts and agreements necessary or incidental to the performance of its

duties, the furtherance of its purposes and the execution of its powers under this article, including agreements with any person or federal agency.

10. Employ, in its discretion, consultants, attorneys, architects, engineers, accountants, financial experts, investment bankers, superintendents, managers and such other employees and agents as may be necessary, and to fix their compensation to be payable from funds made available to the Authority.

11. Receive and accept from any federal or private agency, foundation, corporation, association or person grants to be expended in accomplishing the objectives of the Authority, and to receive and accept from the Commonwealth or any state, and any municipality, county or other political subdivision thereof and from any other source, aid or contributions of either money, property, or other things of value, to be held, used and applied only for the purposes for which such grants and contributions may be made.

12. Render advice and assistance, and to provide services, to institutions of higher education and to other persons providing services or facilities for scientific and technological research or graduate education, provided that credit towards a degree, certificate or diploma shall be granted only if such education is provided in conjunction with an institution of higher education authorized to operate in Virginia.

13. Develop, undertake and provide programs, alone or in conjunction with any person or federal agency, for scientific and technological research, technology management, continuing education and in-service training, provided that credit towards a degree, certificate or diploma shall be granted only if such education is provided in conjunction with an institution of higher education authorized to operate in Virginia; to foster the utilization of scientific and technological research information, discoveries and data and to obtain patents, copyrights and trademarks thereon; to coordinate the scientific and technological research efforts of public institutions and private industry and to collect and maintain data on the development and utilization of scientific and technological research capabilities. The universities set forth in § 2.2-2220 shall be the principal leading universities in the research institutes.

14. Pledge or otherwise encumber all or any of the revenues or receipts of the Authority as security for all or any of the obligations of the Authority.

15. Receive, administer, and market any interest in patents, copyrights and materials that were potentially patentable or copyrightable developed by or for state agencies, public institutions of higher education and political subdivisions of the Commonwealth. The Authority shall return to the agency, institution or political subdivision any revenue in excess of its administrative and marketing costs. When general funds are used to develop the patent or copyright or material that was potentially patentable or copyrightable, any state agency, except a public institution of higher education in Virginia, shall return any revenues it receives from the Authority to the general fund unless the Governor authorizes a percentage of the net royalties to be shared with the developer of the patented, copyrighted, or potentially patentable or copyrightable property.

16. Develop a ~~comprehensive research and development strategic roadmap~~ *the Commonwealth Research and Technology Strategic Roadmap, pursuant to § 2.2-2221.2 for the Commonwealth to use to identify research areas worthy of institutional focus and Commonwealth investment in order to promote commercialization and economic development efforts in the Commonwealth. Such a roadmap shall incorporate the strategic plan for each research university in the Commonwealth, identify common themes, and make recommendations for alignment of research and development and economic growth in the Commonwealth. In developing the strategic roadmap, the Authority shall solicit feedback from both public and private institutions of higher education in the Commonwealth, as well as the private sector. The Authority shall review and update the roadmap at least once every three years. The Authority shall submit the roadmap, and any subsequent updates, to the Governor and the chairmen of the Senate Finance Committee, the House Appropriations Committee, the Senate Committee on General Laws and Technology, the House Committee on Science and Technology, and the Joint Commission on Technology and Science.*

17. Foster innovative partnerships and relationships among the Commonwealth, the Commonwealth's state institutions of higher education, the private sector, federal labs, and not-for-profit organizations to improve research and development commercialization efforts.

18. Receive and review annual reports from state institutions of higher education regarding the progress of projects funded through the Commonwealth Research Initiative or the Commonwealth Research and Commercialization Fund. The Authority shall develop guidelines, methodologies, and criteria for the reports. The Authority shall aggregate the reports and submit an annual omnibus report on the status of research and development initiatives in the Commonwealth to the Governor and the chairmen of the Senate Finance Committee, the House Appropriations Committee, the Senate Committee on General Laws and Technology, the House Committee on Science and Technology, and the Joint Commission on Technology and Science.

19. Develop guidelines for the *application, review, and award of funds from the Commonwealth Research and Commercialization Fund pursuant to § 2.2-2233.1. These guidelines shall address, at a minimum, the application process and shall give special emphasis to fostering collaboration between institutions of higher education and partnerships between institutions of higher education and business and industry.*

20. Appoint the citizen members of the Research and Technology Investment Advisory Committee pursuant to § 2.2-2220.1.

21. Do all acts and things necessary or convenient to carry out the powers granted to it by law.

§ 2.2-2221.2. *Commonwealth Research and Technology Strategic Roadmap.*

A. The Authority shall develop the Commonwealth Research and Technology Strategic Roadmap (the Roadmap), a comprehensive research and technology strategic roadmap for the Commonwealth to identify research areas worthy of economic development and institutional focus. The goal of the Roadmap shall be to develop a cohesive and comprehensive framework through which to encourage collaboration between the Commonwealth's institutions of higher education, private sector industries, and economic development entities in order to focus on the complete life cycle of research, development, and commercialization. The framework shall serve as a means to (i) identify the Commonwealth's key industry sectors in which investments in technology should be made by the Commonwealth, which may include but are not limited to the fields of energy, conservation, environment, microelectronics, robotics and unmanned vehicle systems, advanced shipbuilding, or lifespan biology and medicine, (ii) identify basic and applied research opportunities in these sectors that exhibit commercial promise, (iii) encourage commercialization and economic development activities in the Commonwealth in these sectors, and (iv) help ensure that investments in basic and applied research are made prudently in focused areas for projects with significant potential for commercialization and economic growth in the Commonwealth. In developing the Roadmap, the Authority shall:

1. Review the strategic plan for each research university in the Commonwealth to identify common themes;

2. Catalog the Commonwealth's assets in order to identify the areas of research and development in which the Commonwealth has a great likelihood of excelling in applied research and commercialization;

3. Make recommendations for the alignment of research and development and economic growth in the Commonwealth, identifying the industry sectors in which the Commonwealth should focus its research, development, investment, and economic development efforts;

4. Establish a process for maintaining an inventory of the Commonwealth's current research and development endeavors in both the public and private sector that can be used to attract research and commercialization excellence in the Commonwealth;

5. Make recommendations to the Six-Year Capital Outlay Plan Advisory Committee established pursuant to § 2.2-1516 regarding capital construction needs at state institutions of higher education necessary to excel in basic and applied research in identified industry sectors; and

6. Develop a policy regarding the ownership and licensing of intellectual property developed through the use of awards from the Commonwealth Research Commercialization Fund.

B. In developing the Roadmap, the Authority shall solicit feedback from the Research and Technology Investment Advisory Committee; public and private institutions of higher education in the Commonwealth; federal research and development assets in the Commonwealth including but not limited to NASA Langley Research Center, the Naval Surface Warfare Center, Dahlgren Division, and the Thomas Jefferson National Accelerator Facility (Jefferson Lab); regional technology councils in the Commonwealth; and the private sector.

C. The Authority shall review and update the Roadmap at least once every three years.

D. The Authority shall submit the Roadmap, and any subsequent updates, to the Governor and the chairmen of the Senate Finance Committee, the House Appropriations Committee, the Senate Committee on General Laws and Technology, the House Committee on Science and Technology, and the Joint Commission on Technology and Science.

§ 2.2-2233.1. Commonwealth Research Commercialization Fund; continued; purposes; report.

A. For purposes of this section:

"Guidelines" means guidelines developed and published by the Authority regarding the administration of the Commonwealth Research Commercialization Fund.

"Qualified research and technologies" means research programs or technologies ~~substantially focused in the following fields:~~ identified in the Commonwealth Research and Technology Strategic Roadmap as areas of focus for technology investment in the Commonwealth, which may include but are not limited to the fields of energy, conservation, environment, microelectronics, robotics and unmanned vehicle systems, advanced shipbuilding, or lifespan biology and medicine.

"Qualifying institution" means a public or private institution of higher education in the Commonwealth or its associated intellectual property foundation that adopts a policy regarding the ownership, protection, assignment, and use of intellectual property pursuant to § 23-4.3.

"SBIR" means the Small Business Innovation Research Program authorized under 15 U.S.C. § 638.

"STTR" means the Small Business Technology Transfer Program authorized under 15 U.S.C. § 638.

B. From such funds as may be appropriated by the General Assembly and any gifts, grants, or donations from public or private sources, there is created in the state treasury a special nonreverting, permanent fund, to be known as the Commonwealth Research Commercialization Fund (the Fund), to be administered by the Authority pursuant to the guidelines. The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it.

Any moneys remaining in the Fund at the end of each fiscal year, including interest thereon, shall not revert to the general fund but shall remain in the Fund. Expenditures and disbursements from the Fund, which may consist of grants or loans, shall be made by the State Treasurer on warrants issued by the Comptroller upon written request bearing the signature of the chairman or the vice-chairman of the Authority, or, if so authorized by the Authority, bearing his facsimile signature, and the official seal of the Authority.

C. Awards from the Fund shall be made by the Authority, *pursuant to the guidelines and upon the recommendation of the Research and Technology Investment Advisory Committee.* ~~The chairman of the Authority shall coordinate the evaluation of proposals and may form review panels with the appropriate science and technology expertise to assist in reviewing applicants for grants or loans from the Fund. Awards from the Fund shall only be made to applications that further the goals set forth in the Commonwealth Research and Technology Strategic Roadmap.~~

~~Specific guidelines for the award of funds from this program shall be established and maintained by the Authority, in consultation with the Virginia Economic Development Partnership and the State Council of Higher Education. These guidelines shall address, at a minimum, the application process and the composition and operation of proposal review panels, and shall give special emphasis to fostering collaboration between institutions of higher education and partnerships between institutions of higher education and business and industry.~~

D. Awards from the Fund may be granted for the following programs:

1. For fiscal years beginning with a Fund balance of less than \$7 million, an SBIR matching funds program for Virginia-based technology businesses. Businesses meeting the following criteria shall be eligible to apply for an award:

- a. The applicant has received a Phase I SBIR award from the National Institute of Health targeted at the development of qualified research or technologies;
- b. The applicant employs fewer than 12 full-time employees;
- c. At least 51 percent of the applicant's employees reside in Virginia; and
- d. At least 51 percent of the applicant's property is located in Virginia.

Applicants shall be eligible for matching grants of up to \$50,000 of the Phase I award. All applicants shall be required to submit a commercialization plan with their application.

2. For fiscal years beginning with a Fund balance of \$7 million or greater, an SBIR and STTR matching funds program for Virginia-based technology businesses. Businesses meeting the following criteria shall be eligible to apply for an award:

- a. The applicant has received an SBIR or STTR award targeted at the development of qualified research or technologies;
- b. The applicant employs fewer than 12 full-time employees;
- c. At least 51 percent of the applicant's employees reside in Virginia; and
- d. At least 51 percent of the applicant's property is located in Virginia.

Applicants shall be eligible for matching grants of up to \$100,000 for Phase I awards and up to \$500,000 for Phase II awards. All applicants shall be required to submit a commercialization plan with their application.

3. A matching funds program to assist qualifying institutions *and other research institutions* in leveraging federal and private funds designated for the commercialization of qualified research or technologies. The chairman of the Authority is authorized to issue letters of financial commitment to assist applicants in leveraging federal and private funds.

4. A facilities enhancement loan program for qualifying institutions and political subdivisions to provide lease or credit guarantees to assist in financing facilities utilized for commercializing qualified research or technologies developed at qualifying institutions. The facilities enhancement loan program shall have the following parameters:

- a. Qualifying institutions and political subdivisions may apply to the Fund for loans to the extent that such institution's or political subdivision's outstanding principal balance at any one time does not exceed \$500,000. Loan applications shall include business plans that detail and explain the anticipated uses of funds received and the proposed repayment schedule.

- b. Loans from the Fund shall take the form of a contractual commitment to the recipient qualifying institution or political subdivision for a line of credit for up to five years, along with an approved schedule of repayment. During the contractual period the recipient qualifying institution or political subdivision may draw upon the line of credit for any expense for which the loan was made, not to exceed the stated amount of the loan award. At the end of the contractual period, the line of credit shall terminate and the outstanding balance of the withdrawals on that line of credit shall become the established basis for that loan.

- c. During the contractual period, deferred interest shall accumulate on the outstanding balance at a rate of three percent compounded annually. Borrowing institutions or political subdivisions may prepay part or all of any loan received from the Fund without penalty, and, if repayment is completed within the contractual period of the line of credit, the accumulated interest obligation shall be forgiven.

- d. Repayment of the established basis shall consist of a maximum of 84 equal monthly payments of

principal and compounded interest at the determined rate beginning on the first day of the month following the end of the contractual period.

5. *A commercialization program to incentivize the commercialization of a product or service related to a qualifying technology. An eligible applicant shall have operations in the Commonwealth, and the project proposed by the applicant shall:*

- a. Commercialize a product or service related to a qualifying technology;*
- b. Have a demonstrable economic development benefit to the Commonwealth;*
- c. Match the award, on at least a one-to-one basis, from other available funds, including funds from an institution of higher education collaborating on the project; and*
- d. Have a reasonable probability of enhancing the Commonwealth's national and global competitiveness.*

Priority shall be given to those applications that propose projects that (i) are collaborative between private and nonprofit entities, public or private agencies, and qualifying institutions or research institutions; (ii) project a short time to commercialization, although transformative projects with a longer projected time to commercialization shall not be discounted; (iii) have active third-party equity holders; (iv) have technology and management in place that are likely to successfully bring the product or service to the marketplace; or (v) are from applicants who have a history of successful projects funded by the Fund.

6. *An eminent researcher recruitment program to acquire and enhance research superiority at public qualifying institutions. For purposes of applications pursuant to this subdivision, the applicant shall be a state institution of higher education. In order to qualify for an award, the applicant shall:*

- a. Demonstrate that the researcher being recruited would create research superiority at the institution;*
- b. Demonstrate that the institution making the application has sufficient technology transfer processes and other research capabilities in place to meet the needs of the researcher being recruited;*
- c. Involve a private sector partner with business operations in the Commonwealth;*
- d. Demonstrate that the research conducted by the researcher is in a qualifying technology; and*
- e. Match the award, on at least a one-to-one basis, with 50 percent of the match from the applicant and 50 percent of the match from the private sector partner.*

E. Any application for an award from the Fund shall include a strategic plan that, at a minimum, identifies (i) how the proposed project fits into the Commonwealth Research and Technology Strategic Roadmap, (ii) other funds that may be reasonably expected from other sources as a result of an award from the Fund, (iii) the potential for commercialization of the research or technology underlying the application, and (iv) opportunities for public and private collaboration.

F. No award shall be made from the Fund until a performance agreement or memorandum of understanding is agreed to by the Authority and the recipient of the award memorializing the terms and conditions of the award. Such agreement or memorandum of understanding shall set forth any conditions for receipt of the award, any dates certain for the completion of certain acts by the recipient, and provisions for the repayment of any award, including the rate of interest to be charged if any, if the recipient does not meet the terms of the agreement. In the event that an award is to be made over a multi-year period, the performance agreement or memorandum of understanding shall establish certain benchmarks or performance standards against which to measure the interim success of the project before additional funds are disbursed from the Fund.

G. The chairman of the Authority shall provide the Governor and the General Assembly with an annual report to include a detailed list of awards and loans committed, the amount of each approved award or loan, a description of the approved proposals, and the amount of federal or private matching funds anticipated where applicable, a statement concerning how the approved proposals further the goals of the Commonwealth Research and Technology Strategic Roadmap, and an assessment of the effectiveness of the Fund.

H. Administrative expenses related to implementing the guidelines and review process may be reimbursed from the Fund.

§ 2.2-3711. Closed meetings authorized for certain limited purposes.

A. Public bodies may hold closed meetings only for the following purposes:

1. Discussion, consideration, or interviews of prospective candidates for employment; assignment, appointment, promotion, performance, demotion, salaries, disciplining, or resignation of specific public officers, appointees, or employees of any public body; and evaluation of performance of departments or schools of public institutions of higher education where such evaluation will necessarily involve discussion of the performance of specific individuals. Any teacher shall be permitted to be present during a closed meeting in which there is a discussion or consideration of a disciplinary matter that involves the teacher and some student and the student involved in the matter is present, provided the teacher makes a written request to be present to the presiding officer of the appropriate board.

2. Discussion or consideration of admission or disciplinary matters or any other matters that would involve the disclosure of information contained in a scholastic record concerning any student of any Virginia public institution of higher education or any state school system. However, any such student,

legal counsel and, if the student is a minor, the student's parents or legal guardians shall be permitted to be present during the taking of testimony or presentation of evidence at a closed meeting, if such student, parents, or guardians so request in writing and such request is submitted to the presiding officer of the appropriate board.

3. Discussion or consideration of the acquisition of real property for a public purpose, or of the disposition of publicly held real property, where discussion in an open meeting would adversely affect the bargaining position or negotiating strategy of the public body.

4. The protection of the privacy of individuals in personal matters not related to public business.

5. Discussion concerning a prospective business or industry or the expansion of an existing business or industry where no previous announcement has been made of the business' or industry's interest in locating or expanding its facilities in the community.

6. Discussion or consideration of the investment of public funds where competition or bargaining is involved, where, if made public initially, the financial interest of the governmental unit would be adversely affected.

7. Consultation with legal counsel and briefings by staff members or consultants pertaining to actual or probable litigation, where such consultation or briefing in open meeting would adversely affect the negotiating or litigating posture of the public body; and consultation with legal counsel employed or retained by a public body regarding specific legal matters requiring the provision of legal advice by such counsel. For the purposes of this subdivision, "probable litigation" means litigation that has been specifically threatened or on which the public body or its legal counsel has a reasonable basis to believe will be commenced by or against a known party. Nothing in this subdivision shall be construed to permit the closure of a meeting merely because an attorney representing the public body is in attendance or is consulted on a matter.

8. In the case of boards of visitors of public institutions of higher education, discussion or consideration of matters relating to gifts, bequests and fund-raising activities, and grants and contracts for services or work to be performed by such institution. However, the terms and conditions of any such gifts, bequests, grants, and contracts made by a foreign government, a foreign legal entity, or a foreign person and accepted by a public institution of higher education in Virginia shall be subject to public disclosure upon written request to the appropriate board of visitors. For the purpose of this subdivision, (i) "foreign government" means any government other than the United States government or the government of a state or a political subdivision thereof; (ii) "foreign legal entity" means any legal entity created under the laws of the United States or of any state thereof if a majority of the ownership of the stock of such legal entity is owned by foreign governments or foreign persons or if a majority of the membership of any such entity is composed of foreign persons or foreign legal entities, or any legal entity created under the laws of a foreign government; and (iii) "foreign person" means any individual who is not a citizen or national of the United States or a trust territory or protectorate thereof.

9. In the case of the boards of trustees of the Virginia Museum of Fine Arts, the Virginia Museum of Natural History, and The Science Museum of Virginia, discussion or consideration of matters relating to specific gifts, bequests, and grants.

10. Discussion or consideration of honorary degrees or special awards.

11. Discussion or consideration of tests, examinations, or other records excluded from this chapter pursuant to subdivision 4 of § 2.2-3705.1.

12. Discussion, consideration, or review by the appropriate House or Senate committees of possible disciplinary action against a member arising out of the possible inadequacy of the disclosure statement filed by the member, provided the member may request in writing that the committee meeting not be conducted in a closed meeting.

13. Discussion of strategy with respect to the negotiation of a hazardous waste siting agreement or to consider the terms, conditions, and provisions of a hazardous waste siting agreement if the governing body in open meeting finds that an open meeting will have an adverse effect upon the negotiating position of the governing body or the establishment of the terms, conditions and provisions of the siting agreement, or both. All discussions with the applicant or its representatives may be conducted in a closed meeting.

14. Discussion by the Governor and any economic advisory board reviewing forecasts of economic activity and estimating general and nongeneral fund revenues.

15. Discussion or consideration of medical and mental records excluded from this chapter pursuant to subdivision 1 of § 2.2-3705.5.

16. Deliberations of the State Lottery Board in a licensing appeal action conducted pursuant to subsection D of § 58.1-4007 regarding the denial or revocation of a license of a lottery sales agent; and discussion, consideration or review of State Lottery Department matters related to proprietary lottery game information and studies or investigations exempted from disclosure under subdivision 6 of § 2.2-3705.3 and subdivision 11 of § 2.2-3705.7.

17. Those portions of meetings by local government crime commissions where the identity of, or information tending to identify, individuals providing information about crimes or criminal activities under a promise of anonymity is discussed or disclosed.

18. Those portions of meetings in which the Board of Corrections discusses or discloses the identity of, or information tending to identify, any prisoner who (i) provides information about crimes or criminal activities, (ii) renders assistance in preventing the escape of another prisoner or in the apprehension of an escaped prisoner, or (iii) voluntarily or at the instance of a prison official renders other extraordinary services, the disclosure of which is likely to jeopardize the prisoner's life or safety.

19. Discussion of plans to protect public safety as it relates to terrorist activity and briefings by staff members, legal counsel, or law-enforcement or emergency service officials concerning actions taken to respond to such activity or a related threat to public safety; or discussion of reports or plans related to the security of any governmental facility, building or structure, or the safety of persons using such facility, building or structure.

20.
