59 accounts of the Authority, and the cost of such audit services as shall be required shall be borne by the  
60 Authority. The audit shall be performed at least each fiscal year, in accordance with generally accepted  
61 auditing standards and, accordingly, include such tests of the accounting records and such auditing  
62 procedures as are considered necessary under the circumstances. The Authority shall furnish copies of  
63 such audit to the Governor.

64 § 15.2-2434. Collection of money due Fund.

65 The Authority is empowered to collect, or to authorize others to collect on its behalf, amounts due to  
66 the Fund under any loan to a local government, including, if appropriate, taking the action required by  
67 § 15.2-2659 to obtain payment of any amounts in default. Proceedings to recover amounts due to the  
68 Fund may be instituted by the Authority in the name of the Fund in the appropriate circuit court.

69 § 15.2-2435. Loans to local governments.

70 Except as otherwise provided in this chapter, money in the Fund shall be used solely to make loans  
71 to local governments to finance or refinance the cost of any project. No loan from the Fund shall  
72 exceed the total cost of the project to be financed or the outstanding principal amount of indebtedness  
73 to be refinanced plus reasonable financing expenses.

74 The Authority shall determine the terms and conditions of any loan from the Fund, which may vary  
75 between local governments. Each loan shall be evidenced by appropriate bonds or notes of the local  
76 government payable to the Fund. The bonds or notes shall have been duly authorized by the local  
77 government and executed by its authorized legal representatives. The Authority is authorized to require  
78 in connection with any loan from the Fund such documents, instruments, certificates, legal opinions, and  
79 other information as it may deem necessary or convenient. In addition to any other terms or conditions  
80 that the Authority may establish, the Authority may require, as a condition to making any loan from the  
81 Fund, that the local government receiving the loan covenant perform any of the following:

82 1. Establish and collect rents, rates, fees, and charges to produce revenue sufficient to pay all or a  
83 specified portion of (i) the costs of operation, maintenance, replacement, renewal, and repairs of the  
84 project; (ii) any outstanding indebtedness incurred for the purposes of the project, including the  
85 principal and premium, if any, and interest on the loan from the Fund to the local government; and (iii)  
86 any amounts necessary to create and maintain any required reserve, including any rate stabilization  
87 fund deemed necessary or appropriate by the Authority to offset the need, in whole or in part, for future  
88 increases in rents, rates, fees, or charges;

89 2. Levy and collect ad valorem taxes on all property within the jurisdiction of the local government  
90 subject to local taxation sufficient to pay the principal and premium, if any, and interest on the loan  
91 from the Fund to the local government;

92 3. Create and maintain a special fund or funds for the payment of the principal and premium, if any,  
93 and interest on the loan from the Fund to the local government and any other amounts becoming due  
94 under any agreement entered into in connection with the loan, or for the operation, maintenance, repair,  
95 or replacement of the project or any portions thereof or other property of the local government, and  
96 deposit into any fund or funds amounts sufficient to make any payments on the loan as they become due  
97 and payable;

98 4. Create and maintain other special funds as required by the Authority; and

99 5. Perform other acts, including the conveyance of, or the granting of liens on or security interests  
100 in, real and personal property, together with all rights, title and interest therein, to the Fund, or to take  
101 other actions as may be deemed necessary or desirable by the Authority to secure payment of the  
102 principal and premium, if any, and interest on the loan from the Fund to the local government and to  
103 provide for the remedies of the Fund in the event of any default by the local government in the payment  
104 of the loan, including, without limitation, any of the following:

105 a. The procurement of insurance, guarantees, letters of credit, and other forms of collateral, security,  
106 liquidity arrangements or credit supports for the loan from any source, public or private, and the  
107 payment therefor of premiums, fees, or other charges;

108 b. The combination of one or more projects, or the combination of one or more projects with one or  
109 more other undertakings, facilities, utilities, or systems, for the purpose of operations and financing, and  
110 the pledging of the revenues from such combined projects, undertakings, facilities, utilities, and systems  
111 to secure the loan from the Fund to the local government made in connection with such combination or  
112 any part or parts thereof;

113 c. The maintenance, replacement, renewal, and repair of the project; and

114 d. The procurement of casualty and liability insurance.

115 All local governments borrowing money from the Fund are authorized to perform any acts, take any  
116 action, adopt any proceedings, and make and carry out any contracts that are contemplated by this  
117 chapter. Such contracts need not be identical among all local governments, but may be structured as  
118 determined by the Authority according to the needs of the contracting local governments and the Fund.

119 Subject to the rights, if any, of the registered owners of any of the bonds of the Authority, the  
120 Authority may consent to and approve any modification in the terms of any loan to any local

121 government subject to the guidelines adopted by the Board.

122 § 15.2-2436. Prioritization of loans.

123 In approving loans, the Authority shall give preference to loans for projects that will serve two or  
124 more local governments to encourage regional cooperation.

125 § 15.2-2437. Pledge of loans to secure bonds of Authority.

126 The Authority is empowered at any time and from time to time to transfer from the Fund to banks or  
127 trust companies designated by the Authority any or all assets of the Fund to be held in trust as security  
128 for the payment of the principal and premium, if any, and interest on any or all of the bonds (as defined  
129 in § 62.1-199) of the Authority. The interests of the Fund in any obligations so transferred shall be  
130 subordinate to the rights of the trustee under the pledge. To the extent funds are not available from  
131 other sources pledged for such purpose, any payments of principal and interest received on the assets  
132 transferred or held in trust may be applied by the trustee thereof to the payment of the principal and  
133 premium, if any, and interest on such bonds of the Authority to which the obligations have been  
134 pledged, and, if such payments are insufficient for such purpose, the trustee is empowered to sell any or  
135 all of such assets and apply the net proceeds from the sale to the payment of the principal and  
136 premium, if any, and interest on such bonds of the Authority. Any assets of the Fund transferred in trust  
137 as set forth above and any payments of principal, interest, or earnings received thereon shall remain  
138 part of the Fund but shall be subject to the pledge to secure the bonds of the Authority and shall be  
139 held by the trustee to which they are pledged until no longer required for such purpose by the terms of  
140 the pledge. On or before January 10 each year, the Authority shall transfer, or shall cause the trustee to  
141 transfer, to the Fund any assets transferred or held in trust as set forth above that are no longer  
142 required to be held in trust pursuant to the terms of the pledge.

143 § 15.2-2438. Sale of loans.

144 The Authority is empowered at any time and from time to time to sell, upon such terms and  
145 conditions as the Authority shall deem appropriate, any loan, or interest therein, made pursuant to this  
146 chapter. The net proceeds of sale remaining after payment of the costs and expenses of the sale shall be  
147 designated for deposit to, and become part of, the Fund.

148 § 15.2-2439. Powers of the Authority.

149 The Authority is authorized to do any act necessary or convenient to the exercise of the powers  
150 granted in this chapter or reasonably implied thereby.

151 § 15.2-2440. Liberal construction of chapter.

152 The provisions of this chapter shall be liberally construed to the end that its beneficial purposes may  
153 be effectuated. Insofar as the provisions of this chapter are inconsistent with the provisions of any other  
154 law, general, special, or local, the provisions of this chapter shall be controlling.
