

1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 *An Act to amend and reenact § 15.2-2239 of the Code of Virginia, relating to local capital improvement*
3 *programs.*

4 [H 1965]

5 Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 15.2-2239 of the Code of Virginia is amended and reenacted as follows:**8 § 15.2-2239. Local planning commissions to prepare and submit annually capital improvement
9 programs to governing body or official charged with preparation of budget.

10 A local planning commission may, and at the direction of the governing body shall, prepare and
11 revise annually a capital improvement program based on the comprehensive plan of the locality for a
12 period not to exceed the ensuing five years. The commission shall submit the program annually to the
13 governing body, or to the chief administrative officer or other official charged with preparation of the
14 budget for the locality, at such time as it or he shall direct. The capital improvement program shall
15 include the commission's recommendations, and estimates of cost of the facilities *and life cycle costs*,
16 including any road improvement and any transportation improvement the locality chooses to include in
17 its capital improvement plan and as provided for in the comprehensive plan, and the means of financing
18 them, to be undertaken in the ensuing fiscal year and in a period not to exceed the next four years, as
19 the basis of the capital budget for the locality. In the preparation of its capital budget recommendations,
20 the commission shall consult with the chief administrative officer or other executive head of the
21 government of the locality, the heads of departments and interested citizens and organizations and shall
22 hold such public hearings as it deems necessary.

23 Localities may use value engineering for any capital project. For purposes of this section, "value
24 engineering" has the same meaning as that in § 2.2-1133.
