27 All law-enforcement officers appointed by the Commissioner may administer oaths and take
 28 acknowledgments and affidavits incidental to the administration and enforcement of this title and all
 29 other laws relating to the operation of motor vehicles, applications for driver's licenses, and the
 30 collection and refunding of taxes levied on gasoline. They shall receive no compensation for
 31 administering oaths or taking acknowledgments.

32 § 46.2-388. Uniform summons to be used for reportable motor vehicle law violations; citations.

33 A. The Attorney General, after consultation with the Committee on District Courts, the

 38 charged on a summons pursuant to § 19.2-74. The commencement and termination date for the use of
 39 the form and each revised version of the form shall be made by the Attorney General after consultation

 42 format.

43 The form of the summons shall include multiple copies with the original to be used for court records

 49 used for violations of §§ 46.2-1122 through 46.2-1127 and 46.2-1130. The citation shall be directed to
 50 the owner, operator or other person responsible for the overweight violation, and shall advise him of:

- 51 1. The nature of the violation charged against him;
- 52 2. The amount of monetary fees, penalties, and damages that may be assessed for violations;
- 53 3. The requirement that he either pay the fees, penalties, and damages in full or deliver a notice of
 54 his intent to contest the charge to the Department;
- 55 4. The procedures and time limits for making the payments or contesting such charge, which shall
 56 include the trial date, which shall in no event be earlier than 60 days after the violation; and

58 C. A separate citation that has been approved in the manner prescribed in subsection A shall be
59 used for violations of § 46.2-613.1. The citation shall be directed to the owner, operator, or other
60 person responsible for the violation and shall advise him of:

61 1. The nature of the violation charged against him;

62 2. The amount of monetary fees and penalties that may be assessed for violations;

63 3. The requirement that he either pay the fee and penalties in full or deliver a notice of his intent to
64 contest the charge to the Department;

65 4. The procedures and time limits for making the payments or contesting such charge which shall
66 include the trial date, which shall in no event be earlier than 60 days after the violation; and

67 5. The consequences of a failure to timely pay or contest the charge.

68 § 46.2-613.1. Civil penalty for violation of license, registration, and tax requirements and vehicle size
69 limitations.

70 A. A civil penalty of \$250 and a processing fee of \$20 shall be levied against any person who while
71 at a permanent weighing station:

72 1. Operates or permits the operation of a truck or tractor truck with a gross weight greater than
73 7,500 pounds, a trailer, or a semitrailer owned, leased, or otherwise controlled by him on any highway
74 in the Commonwealth unless (i) it is registered, (ii) a certificate of title therefor has been issued, and
75 (iii) it has displayed on it the license plate or plates and decal or decals required by this title.

76 2. Operates or causes to be operated on any highway in the Commonwealth any motor vehicle that
77 is not in compliance with the Unified Carrier Registration System authorized under 49 U.S.C. § 14504a,
78 enacted pursuant to the Unified Carrier Registration Act of 2005, and the federal regulations
79 promulgated thereunder.

80 3. Operates or permits the operation of any truck or tractor truck for which the fee for registration
81 is prescribed by § 46.2-697 on any highway in the Commonwealth (i) without first having paid the
82 registration fee hereinabove prescribed or (ii) if at the time of operation the gross weight of the vehicle
83 or of the combination of vehicles of which it is a part is in excess of the gross weight on the basis of
84 which it is registered. In any case where a pickup truck is used in combination with another vehicle, the
85 civil penalty and processing fee shall be assessed only if the combined gross weight exceeds the
86 combined gross weight on the basis of which each vehicle is registered.

87 4. Fails to obtain a proper registration card, identification marker, or other evidence of registration
88 as required by Chapter 21 (§ 46.2-2100 et seq.).

89 5. Operates or causes to be operated on any highway in the Commonwealth any truck or tractor
90 truck that does not carry the proper registration and identification marker required by Chapter 21
91 (§ 46.2-2100 et seq.) or any motor vehicle that does not display (i) an identification marker in such
92 manner as is prescribed by the Department or (ii) other identifying information required by this title.

93 6. Operates or causes to be operated on any highway in the Commonwealth any truck or tractor
94 truck requiring registration from the Department under Chapter 21 (§ 46.2-2100 et seq.) after such
95 registration cards or identification markers have been revoked, canceled, or suspended.

96 7. Operates or causes to be operated on any highway in the Commonwealth any truck or tractor
97 truck or combination of vehicles exceeding the size limitations of Articles 14 (§ 46.2-1101 et seq.), 15
98 (§ 46.2-1105 et seq.), 16 (§ 46.2-1112 et seq.), and 18 (§ 46.2-1139 et seq.) of Chapter 10.

99 B. Upon collection by the Department, civil penalties levied pursuant to subdivisions A 1 and A 3
100 through A 6 shall be paid into the Commonwealth Transportation Fund, but civil penalties levied
101 pursuant to subdivisions A 2 and A 7 and all processing fees levied pursuant to this section shall be
102 paid into the state treasury and shall be set aside as a special fund to meet the expenses of the
103 Department of Motor Vehicles.

104 C. The penalties and fees specified in this section shall be in addition to any other penalty, fee, tax,
105 or liability that may be imposed by law.

106 § 46.2-613.2. Service of process in civil penalty cases for violation of license, registration, and tax
107 requirements and vehicle size limitations.

108 Any person, whether resident or nonresident, who permits the operation of a motor vehicle in the
109 Commonwealth by his agent or employee shall be deemed to have appointed the operator of such motor
110 vehicle his statutory agent for the purpose of service of process in any proceeding against such person
111 growing out of any violation under § 46.2-613.1. Acceptance by a nonresident of the rights and
112 privileges conferred by Article 5 (§ 46.2-655 et seq.) of Chapter 6 shall have the same effect under this
113 section as operation of such motor vehicle by such nonresident, his agent, or his employee.

114 § 46.2-613.3. Special processing provisions for civil penalties levied for violation of license,
115 registration, and tax requirements and vehicle size limitations.

116 Notwithstanding any other provision of law, all civil penalties levied pursuant to § 46.2-613.1 shall
117 be processed in the following manner:

118 1. The size and weight compliance agent charging the violation shall serve a citation on the operator
119 of the vehicle. The citation shall be directed to the owner, operator, or other person responsible for the
120 violation as determined by the size and weight compliance agent. Service of the citation on the vehicle
121 operator shall constitute service of process upon the owner, operator, or other person charged with the
122 violation as provided in § 46.2-613.5.

123 2. The size and weight compliance agent charging the violation shall cause the citation to be
124 delivered or sent by first-class mail to the Department within 24 hours after it is served.

125 3. The owner, operator, or other person charged with the violation shall, within 21 days after the
126 citation is served upon the vehicle operator, either make full payment to the Department of the civil
127 penalty and processing fee as stated on the citation or deliver to the Department a written notice of his
128 election to contest the charges in court.

129 4. Failure of the owner, operator, or other person charged with the violation to timely deliver to the
130 Department either payment in full of the uncontested civil penalty and processing fee or a notice of
131 contest of the violation shall cause the Department to issue an administrative order of assessment
132 against such person. A copy of the order shall be sent by first-class mail to the person charged with the
133 violation. Any such administrative order shall have the same effect as a judgment entered by a general
134 district court.

135 5. Upon timely receipt of a notice of contest of a violation under § 46.2-613.1, the Department shall:

136 a. Forward the citation to the general district court named in the citation; and

137 b. Send by first-class mail to the person charged with the violation and to the size and weight
138 compliance agent who issued the citation confirmation that the citation has been forwarded to the court
139 for trial.

140 6. Notices and pleadings may be served by first-class mail to the address shown on the citation as
141 the address of the person charged with the weight violation or, if none is shown, to the address of
142 record for the person to whom the vehicle is registered.

143 7. An alleged violation that is contested shall be tried as a civil case. The attorney for the
144 Commonwealth shall represent the interests of the Commonwealth. The disposition of the case shall be
145 recorded in an appropriate order, a copy of which shall be sent to the Department in lieu of any record
146 that may be otherwise required by § 46.2-383. If judgment is for the Commonwealth, payment shall be
147 made to the Department.

148 8. Notwithstanding any other provisions of this section, any and all citations and notices required by
149 this section to be provided to the person charged with a violation or received from the person charged
150 with a violation, with the exclusion of the citation as set out in subdivision 1, may be served or
151 provided in an electronic manner if the Department and the person charged with the violation have
152 agreed to utilize electronic notification.

153 § 46.2-613.4. Special seizure provisions for unpaid fees and penalties.

154 Any size and weight compliance agent authorized to serve process under the provisions of this
155 chapter may hold a vehicle without an attachment summons or court order, but only for such time as is
156 reasonably necessary to promptly petition for an attachment summons to attach the vehicle.

157 After finding reasonable cause for the issuance of an attachment summons, the judicial officer
158 conducting the hearing shall inform the operator of the vehicle of his option to either pay the previously
159 assessed fees and penalties due the Commonwealth or contest the charge through the attachment
160 proceeding. If the operator chooses to make payment, he shall do so to the judicial officer, who shall
161 transmit the citation along with the fees and penalties to the Department for distribution in accordance
162 with subsection B of § 46.2-613.1.

163 The Commonwealth shall not be required to post bond in order to attach a vehicle pursuant to this
164 section. The size and weight compliance agent authorized to hold the vehicle pending a hearing on the
165 attachment petition shall also be empowered to execute the attachment summons if issued. Any bond for
166 the retention of the vehicle or for release of the attachment shall be given in accordance with
167 § 8.01-553 except that the bond shall be taken by a judicial officer. The judicial officer shall return the
168 bond to the clerk of the appropriate court in place of the officer serving the attachment as otherwise
169 provided in § 8.01-554.

170 In the event the fees and penalties are not paid in full, or no bond is given by, or for the person
171 charged with the violation, the vehicle involved in the violation shall be stored in a secure place, as
172 may be designated by the owner or operator of the vehicle. If no place is designated, the officer or size
173 and weight compliance agent executing the attachment summons shall designate the place of storage.
174 The owner or operator shall be afforded the right of unloading and removing the cargo from the
175 vehicle. The risk and cost of the storage shall be borne by the owner or operator of the vehicle.

176 Whenever an attachment summons is issued for unpaid fees and penalties the court shall forward to
177 the Department both a copy of the order disposing of the case and the citation prepared by the size and
178 weight compliance agent but not served.

179 Upon notification of the judgment or administrative order entered for such unpaid fees and penalties
180 and notification of the failure of such person to satisfy the judgment or order, the Department, the
181 Department of State Police, or any law-enforcement officer or size and weight compliance agent shall
182 thereafter deny the offending person the right to operate a motor vehicle or vehicles on any highway of
183 the Commonwealth until the judgment or order has been satisfied and a reinstatement fee of \$50 has
184 been paid to the Department. Reinstatement fees collected under the provisions of this section shall be
185 paid by the Commissioner into the state treasury and shall be set aside as a special fund to be used to
186 meet the expenses of the Department.

187 When informed that the right to operate the motor vehicle has been denied, the driver shall drive the
188 motor vehicle to a nearby location off the public highways and not move it or permit it to be moved
189 until such judgment or order has been satisfied. Failure by the driver to comply with this provision shall
190 constitute a Class 4 misdemeanor.

191 All costs incurred by the Commonwealth and all judgments, if any, against the Commonwealth due to
192 action taken pursuant to this section shall be paid from the fund into which the civil penalties levied
193 pursuant to § 46.2-613.1 are paid.

194 Officers of the Department of State Police and all other law-enforcement officers are vested with the
195 same powers with respect to the enforcement of this chapter as they have with respect to the
196 enforcement of the criminal laws of the Commonwealth.

197 § 46.2-613.5. Procedures for issuing and serving process in civil penalty cases.

198 Any size and weight compliance agent authorized to enforce the provisions of § 46.2-613.1 may issue
199 a citation for a violation of such provisions. Such size and weight compliance agent may also serve an
200 attachment summons issued by a judge or magistrate in connection with a violation of § 46.2-613.1.

201 Service of any such citation shall be made upon the driver of the motor vehicle involved in the
202 violation. Such service on the driver shall have the same legal force and validity as if served within the
203 Commonwealth personally upon the owner, operator, or other person charged with the violation,
204 whether such owner, operator, or other person charged is a resident or nonresident.

205 § 46.2-703. Reciprocal agreement with other states; assessment and collection of fees on an
206 apportionment or allocation basis; registration of vehicles and reporting of road tax; violations; vehicle
207 seizures; penalties.

208 A. Notwithstanding any other provision of this title, the Governor may, on the advice of the
209 Department, enter into reciprocal agreements on behalf of the Commonwealth with the appropriate
210 authorities of any state of the United States or a state or province of a country providing for the
211 assessing and collecting of license fees for motor vehicles, tractor trucks, trucks, trailers, and semitrailers
212 on an apportionment or allocation basis, as outlined in the International Registration Plan developed by
213 the International Registration Plan, Inc.

214 The Commissioner is authorized to audit the records of any owner, lessor, or lessee to verify the
215 accuracy of any information required by any jurisdiction to determine the registration fees due. Based on
216 this audit, the Commissioner may assess any owner, lessor, or lessee for any license fees due this
217 Commonwealth, including interest and penalties as provided in this section. In addition to any other
218 penalties prescribed by law, the Commissioner or the Reciprocity Board may deny the owner, lessor, or
219 lessee the right to operate any motor vehicle on the highways in the Commonwealth until the assessment
220 has been paid.

221 Trip permit registration may be issued for any vehicle or combination of vehicles that could be
222 lawfully operated in the jurisdiction if full registration or proportional registration were obtained. The
223 fee for this permit shall be \$15 and the permit shall be valid for 10 days.

224 Any person who operates or permits the operation of any motor vehicle, trailer, or semitrailer over
225 any highway in the Commonwealth without first having paid to the Commissioner the fees prescribed
226 and payable under this section shall be guilty of a Class 2 misdemeanor. Failure to display a license
227 plate indicating that the vehicle is registered on an apportionment or allocation basis or carry a trip
228 permit, as outlined in the International Registration Plan, shall constitute prima facie evidence the
229 apportioned or allocated fee has not been paid.

230 If the Commissioner ascertains that any fees that he is authorized to assess any owner, lessor, or
231 lessee for any license year have not been assessed or have been assessed for less than the law required
232 for the year because of failure or refusal of any owner, lessor, or lessee to make his records available
233 for audit as provided herein, or if any owner, lessor, or lessee misrepresents, falsifies, or conceals any of
234 these records, the Commissioner shall determine from any information obtainable the lawful fees at the
235 rate prescribed for that year, plus a penalty of five percent and interest at the rate of six percent per
236 year, which shall be computed on the fees and penalty from the date the fees became due to the date of
237 assessment, and is authorized to make an assessment therefor against the owner, lessor, or lessee. If the
238 assessment is not paid within 30 days after its date, interest at the rate of six percent per year shall
239 accrue thereon from the date of such assessment until the fees and penalty are paid. The notice of the

240 assessment shall be forthwith sent to the owner, lessor, or lessee by registered or certified mail to the
 241 address of the owner, lessor, or lessee as it appears on the records in the office of the Department. The
 242 notice, when sent in accordance with these requirements, shall be sufficient regardless of whether it was
 243 received.

244 If any owner, lessor, or lessee fails to pay the fees, penalty, and interest, or any portion thereof,
 245 assessed pursuant to this section, in addition to any other provision of law, the Attorney General or the
 246 Commissioner shall bring an appropriate action before the Circuit Court of the City of Richmond for the
 247 recovery of the fees, penalty, and interest, and judgment shall be rendered for the amount found to be
 248 due together with costs. If it is found that the failure to pay was willful on the part of the owner, lessor
 249 or lessee, judgment shall be rendered for double the amount of the fees found to be due, plus costs.

250 B. Notwithstanding any other provision of this title or Chapter 27 (§ 58.1-2700 et seq.) of Title 58.1,
 251 the Governor, on the advice of the Department, may enter into reciprocal agreements on behalf of the
 252 Commonwealth with the duly authorized representatives of other jurisdictions providing for the road tax
 253 registration of vehicles, establishing periodic road tax reporting and road tax payment requirements from
 254 owners of such vehicles, and disbursement of funds collected due to other jurisdictions based on mileage
 255 traveled and fuel used in those jurisdictions as outlined in the International Fuels Tax Agreement.

256 Notwithstanding any statute contrary to the provisions of any reciprocal agreement entered into by
 257 the Governor or his duly authorized representative as authorized by this title, the provisions of the
 258 reciprocal agreement shall govern and apply to all matters relating to administration and enforcement of
 259 the road tax. In the event the language of any reciprocal agreement entered into by the Governor as
 260 authorized by this title is later amended so that it conflicts with or is contrary to any statute, the
 261 Department shall consider the amended language of the reciprocal agreement controlling and shall
 262 administer and enforce the road tax in accordance with the amended language of the reciprocal
 263 agreement.

264 An agreement may provide for determining the base state for motor carriers, records requirements,
 265 audit procedures, exchange of information, persons eligible for tax licensing, defining qualified motor
 266 vehicles, determining if bonding is required, specifying reporting requirements and periods, including
 267 defining uniform penalties and interest rates for late reporting, determining methods for collecting and
 268 forwarding of motor fuel taxes and penalties to another jurisdiction, and other provisions as will
 269 facilitate the administration of the agreement.

270 The Governor may, as required by the terms of the agreement, forward to officers of another member
 271 jurisdiction any information in the Department's possession relative to the use of motor fuels by any
 272 motor carrier. The Department may disclose to officers of another state the location of offices, motor
 273 vehicles, and other real and personal property of motor carriers.

274 An agreement may provide for each state to audit the records of motor carriers based in the state to
 275 determine if the road taxes due each member jurisdiction are properly reported and paid. Each member
 276 jurisdiction shall forward the findings of the audits performed on motor carriers based in the member
 277 jurisdiction to each jurisdiction in which the carrier has taxable use of motor fuels. For motor carriers
 278 not based in the Commonwealth and which have taxable use of motor fuel in the Commonwealth, the
 279 Department may serve the audit findings received from another jurisdiction, in the form of an
 280 assessment, on the carrier as though an audit had been conducted by the Department.

281 Any agreement entered into pursuant to this chapter does not preclude the Department from auditing
 282 the records of any motor carrier covered by the provisions of this chapter.

283 The Department shall not enter into any agreement that would affect the motor fuel road tax rate.

284 The Department may adopt and promulgate such rules, regulations, and procedures as may be
 285 necessary to effectuate and administer this title. Nothing in this title shall be construed to affect the tax
 286 rate provisions found in Chapter 27 (§ 58.1-2700 et seq.) of Title 58.1.

287 C. Notwithstanding any other provision in this title or Title 56, the Governor, on the advice of the
 288 Department, may participate in the single state registration system as authorized under 49 U.S.C.
 289 § 14504 and 49 C.F.R. Part 367, and the Unified Carrier Registration System authorized under 49
 290 U.S.C. § 14504a, enacted pursuant to the Unified Carrier Registration Act of 2005, and the federal
 291 regulations promulgated thereunder.

292 D. Notwithstanding any other provision of this title or Title 58.1, the following violations of laws
 293 shall be punished as follows:

294 1. Any person who operates or causes to be operated on any highway in the Commonwealth any
 295 motor vehicle that is not in compliance with the Unified Carrier Registration System authorized under
 296 49 U.S.C. § 14504a, enacted pursuant to the Unified Carrier Registration Act of 2005, and the federal
 297 regulations promulgated thereunder shall be guilty of a Class 4 misdemeanor.

298 2. Any person who knowingly displays or uses on any vehicle operated by him any identification
 299 marker or other identification that has not been issued to the owner or operator thereof for such vehicle
 300 and any person who knowingly assists him to do so shall be guilty of a Class 3 misdemeanor.

301 E. An officer charging a violation under subsection D shall serve a citation on the operator of the
 302 vehicle in violation. Such citation shall be directed to the owner, operator or other person responsible for
 303 the violation as determined by the officer. Service of the citation on the vehicle operator shall constitute
 304 service of process upon the owner, operator, or other person charged with the violation under this
 305 article, and shall have the same legal force as if served within the Commonwealth personally upon the
 306 owner, operator, or other person charged with the violation, whether such owner, operator, or other
 307 person charged is a resident or nonresident.

308 F. Any police officer *or size and weight compliance agent* of the Commonwealth authorized to serve
 309 process may hold a motor vehicle owned *or operated* by a person against whom an order or penalty has
 310 been entered *pursuant to this section, the International Registration Plan, the International Fuel Tax*
 311 *Agreement, or the Unified Carrier Registration System authorized under 49 U.S.C. § 14504a, enacted*
 312 *pursuant to the Unified Carrier Registration Act of 2005, and the federal regulations promulgated*
 313 *thereunder*, but only for such time as is reasonably necessary to promptly petition for a writ of fieri
 314 facias. The Commonwealth shall not be required to post bond in order to hold and levy upon any
 315 vehicle held pursuant to this section. Upon notification of the *order*, judgment, or penalty entered
 316 against the ~~owner of the vehicle~~ *offending person* and notice to such person of the failure to satisfy the
 317 *order*, judgment or penalty, any investigator, special agent, ~~or~~ officer, *or size and weight compliance*
 318 *agent* of the Commonwealth shall thereafter deny the offending person the right to operate ~~the~~ a motor
 319 vehicle *or vehicles* on the highways of the Commonwealth *until the order, judgment, or penalty has*
 320 *been satisfied and a reinstatement fee of \$50 has been paid to the Department. Reinstatement fees*
 321 *collected under the provisions of this section shall be paid by the Commissioner into the state treasury*
 322 *and shall be set aside as a special fund to be used to meet the expenses of the Department.*

323 § 46.2-1133. Special processing provisions for overweight violations.

324 Notwithstanding any other provision of law, all violations of any weight limit as provided in this
 325 article or any permit issued by either the Department or its designee or by local authorities pursuant to
 326 this chapter shall be processed in the following manner:

327 1. The officer *or size and weight compliance agent* charging the violation shall serve a citation on
 328 the operator of the overweight vehicle. The citation shall be directed to the owner, operator, or other
 329 person responsible for the overweight violation as determined by the officer *or size and weight*
 330 *compliance agent*. Service of the citation on the vehicle operator shall constitute service of process upon
 331 the owner, operator, or other person charged with the weight violation as provided in § 46.2-1136.

332 2. The officer *or size and weight compliance agent* charging the violation shall cause the citation to
 333 be delivered or mailed by first-class mail to the Department within 24 hours after it is served.

334 3. The owner, operator, or other person charged with the weight violation shall, within 21 days after
 335 the citation is served upon the vehicle operator, either make full payment to the Department of the civil
 336 penalty, liquidated damages, weighing fee, and processing fee as stated on the citation, or deliver to the
 337 Department a written notice of his election to contest the overweight charge in court.

338 4. Failure of the owner, operator, or other person charged with the weight violation to timely deliver
 339 to the Department either payment in full of the uncontested civil penalty, liquidated damages, weighing
 340 fee, and processing fee or a notice of contest of the weight violation shall cause the Department to issue
 341 an administrative order of assessment against such person. A copy of the order shall be sent by
 342 first-class mail to the person charged with the weight violation. Any such administrative order shall have
 343 the same effect as a judgment for liquidated damages entered by a general district court.

344 5. Upon timely receipt of a notice of contest of an overweight charge, the Department shall:

345 a. Forward the citation to the general district court named in the citation, and

346 b. Send by first-class mail to the person charged with the weight violation, and to the officer *or size*
 347 *and weight compliance agent* who issued the citation, confirmation that the citation has been forwarded
 348 to the court for trial.

349 6. Notices and pleadings may be served by first-class mail sent to the address shown on the citation
 350 as the address of the person charged with the weight violation or, if none is shown, to the address of
 351 record for the person to whom the vehicle is registered.

352 7. An alleged weight violation which is contested shall be tried as a civil case. The attorney for the
 353 Commonwealth shall represent the interests of the Commonwealth. The disposition of the case shall be
 354 recorded in an appropriate order, a copy of which shall be sent to the Department in lieu of any record
 355 which may be otherwise required by § 46.2-383. If judgment is for the Commonwealth, payment shall
 356 be made to the Department.

357 8. *Notwithstanding any other provisions of this section, any and all citations and notices required by*
 358 *this section to be provided to the person charged with a violation or received from the person charged*
 359 *with a violation, with the exclusion of the citation as set out in subdivision 1, may be served or*
 360 *provided in an electronic manner if the Department and the person charged with the violation have*
 361 *agreed to utilize electronic notification.*

362 § 46.2-1134. Special overweight seizure provisions; penalty.

363 Any officer *or size and weight compliance agent* authorized to serve process or weigh vehicles under
 364 the provisions of this chapter may hold an overweight vehicle without an attachment summons or court
 365 order, but only for such time as is reasonably necessary to promptly petition for an attachment summons
 366 to attach the vehicle.

367 After finding reasonable cause for the issuance of an attachment summons, the judicial officer
 368 conducting the hearing shall inform the operator of the vehicle of his option to either pay the liquidated
 369 damages, civil penalty, weighing fee, and processing fee, or contest the charge through the attachment
 370 proceeding. If the operator chooses to make payment, he shall do so to the judicial officer who shall
 371 transmit the citation, liquidated damages, civil penalty, weighing fee, and processing fee to the
 372 Department for distribution in accordance with § 46.2-1131.

373 The Commonwealth shall not be required to post bond in order to attach a vehicle pursuant to this
 374 section. The officer *or size and weight compliance agent* authorized to hold the overweight vehicle
 375 pending a hearing on the attachment petition shall also be empowered to execute the attachment
 376 summons if issued. Any bond for the retention of the vehicle or for release of the attachment shall be
 377 given in accordance with § 8.01-553 except that the bond shall be taken by a judicial officer. The
 378 judicial officer shall return the bond to the clerk of the appropriate court in place of the officer serving
 379 the attachment as otherwise provided in § 8.01-554.

380 In the event the civil penalty, liquidated damages, weighing fee, and processing fee are not paid in
 381 full, or no bond is given by or for the person charged with the weight violation, the vehicle involved in
 382 the weight violation shall be stored in a secure place, as may be designated by the owner or operator of
 383 the vehicle. If no place is designated, the officer *or size and weight compliance agent* executing the
 384 attachment summons shall designate the place of storage. The owner or operator shall be afforded the
 385 right of unloading and removing the cargo from the vehicle. The risk and cost of the storage shall be
 386 borne by the owner or operator of the vehicle.

387 Whenever an attachment summons is issued for a weight violation, the court shall forward to the
 388 Department both a copy of the order disposing of the case and the weight violation citation prepared by
 389 the officer *or size and weight compliance agent* but not served.

390 Upon notification of the judgment or administrative order entered for such weight violation and
 391 notification of the failure of such person to satisfy the judgment or order, the Department or the
 392 Department of State Police or any law-enforcement officer *or size and weight compliance agent* shall
 393 thereafter deny the offending person the right to operate a motor vehicle or vehicles upon the highways
 394 of the Commonwealth until the judgment or order has been satisfied *and a reinstatement fee of \$50 has*
 395 *been paid to the Department. Reinstatement fees collected under the provisions of this section shall be*
 396 *paid by the Commissioner into the state treasury and shall be set aside as a special fund to be used to*
 397 *meet the expenses of the Department.*

398 When informed that the right to operate the motor vehicle has been denied, the driver shall drive the
 399 motor vehicle to a nearby location off the public highways and not move it or permit it to be moved
 400 until such judgment or order has been satisfied. Failure by the driver to comply with this provision shall
 401 constitute a Class 4 misdemeanor.

402 All costs incurred by the Commonwealth and all judgments, if any, against the Commonwealth due
 403 to action taken pursuant to this section shall be paid from the fund into which liquidated damages are
 404 paid.

405 Police officers of the Department of State Police and all other law-enforcement officers are vested
 406 with the same powers with respect to the enforcement of this chapter as they have with respect to the
 407 enforcement of the criminal laws of the Commonwealth.

408 § 46.2-1136. Procedures for issuing and serving process in overweight vehicle cases.

409 Any officer *or size and weight compliance agent* authorized to enforce overweight vehicle laws may
 410 issue a citation for a violation of such laws. Such officer may also serve an attachment summons issued
 411 by a judge or magistrate in connection with a weight violation.

412 Service of any such citation shall be made upon the driver of the motor vehicle involved in the
 413 violation. Such service on the driver shall have the same legal force and validity as if served within the
 414 Commonwealth personally upon the owner, operator, or other person charged with the weight violation,
 415 whether such owner, operator, or other person charged is a resident or nonresident.

416 § 46.2-1137. Weighing vehicles; procedure; shifting loads; unloading excess load; weighing fee;
 417 certificate as to accuracy of scales admissible in evidence; penalties.

418 Any officer *or size and weight compliance agent* authorized to enforce the law under this title,
 419 having reason to believe that the weight of a vehicle and load is unlawful, is authorized to weigh the
 420 load and the vehicle. If the place where the vehicle is stopped is ~~ten~~ 10 road miles or less from a
 421 permanent weighing station, the officer may, and upon demand of the driver shall, require the vehicle to
 422 proceed to such station. If the distance to the nearest permanent weighing station is more than ~~ten~~ 10

423 road miles such vehicle may be weighed by wheel load weighers. Any driver who fails or unreasonably
 424 refuses to drive his vehicle to such permanent weighing station or such scales or wheel load weighers
 425 upon the request and direction of the officer to do so shall be guilty of a Class 4 misdemeanor. The
 426 penalty for such violation shall be in addition to any other penalties prescribed for exceeding the
 427 maximum weight permitted or for any other violation.

428 In the event of such failure or unreasonable refusal, where the officer has reason to believe the
 429 vehicle is overweight, the officer may use whatever reasonable means are available to have the vehicle
 430 weighed, including the employment of a tow truck to move the vehicle to the weighing area. He may
 431 also use whatever means are necessary to reload the vehicle if the load is intentionally dumped. In such
 432 a case, any expenses incurred in having the vehicle weighed may be taxed as costs to be imposed upon
 433 the operator who failed or unreasonably refused to drive his vehicle to such weighing area, when he has
 434 been convicted of such failure or refusal and an overweight violation. In all cases where such failure or
 435 refusal or overweight charges are dismissed, payment shall be made from highway funds.

436 Should the officer *or size and weight compliance agent* find that the weight of any vehicle and its
 437 load is greater than that permitted by this title or that the weight of the load carried in or on such
 438 vehicle is greater than that which the vehicle is licensed to carry under the provisions of this title, he
 439 may require the driver to unload, at the nearest place where the property unloaded may be stored or
 440 transferred to another vehicle, such portion of the load as may be necessary to decrease the gross weight
 441 of the vehicle to the maximum therefor permitted by this title. Any property so unloaded shall be stored
 442 or cared for by the owner or operator of the overweight vehicle at the risk of such owner or operator.

443 However, notwithstanding the provisions of §§ 46.2-1122 through 46.2-1127, should the officer *or*
 444 *size and weight compliance agent* find that the gross weight of the vehicle and its load is within limits
 445 permitted under this title and does not exceed the limit for which the vehicle is registered, but that the
 446 axle weight of any axle or axles of the vehicle exceeds that permitted under this title, the driver shall be
 447 allowed one hour to shift his load within or on that same vehicle in order to bring the axle weight or
 448 axle weights within proper limits. However, liquidated damages shall be assessed under § 46.2-1135
 449 based on the weight prior to shifting the load, unless the load can be successfully shifted to bring the
 450 vehicle's axle weight within limits permitted under this title by (i) sliding the axle or axles of the
 451 semitrailer or the fifth wheel of the tractor truck, (ii) repositioning the load if the motor vehicle is
 452 transporting off-the-road mobile construction equipment, or (iii) adjusting the load if the vehicle is
 453 operating on non-interstate highways and qualifies for weight extensions pursuant to § 46.2-1129. Such
 454 load shifting shall be performed at the site where the vehicle was weighed and found to exceed
 455 allowable axle weight limits. No such load shifting shall be allowed if such load is required to be
 456 placarded as defined in § 10.1-1450 and consists of hazardous material as defined in § 10.1-1400.

457 If the driver of an overloaded vehicle is convicted, forfeits bail, or purchases an increased license as
 458 a result of such weighing, the court in addition to all other penalties shall assess and collect a weighing
 459 fee of two dollars from the owner or operator of the vehicle and shall forward such fee to the State
 460 Treasurer. Upon receipt of the fee, the State Treasurer shall allocate the same to the fund appropriated
 461 for the administration and maintenance of the Department of State Police.

462 In any court or legal proceedings in which any question arises as to the calibration or accuracy of
 463 any such scales at permanent weighing stations or wheel load weighers, a certificate, executed and
 464 signed under oath by the inspector calibrating or testing such device as to its accuracy as well as to the
 465 accuracy of the test weights used in such test, and stating the date of such test, type of test and results
 466 of testing, shall be admissible when attested by one such inspector who executed and signed it as
 467 evidence of the facts therein stated and the results of such testing.

468 § 46.2-1139. Permits for excessive size and weight generally; penalty.

469 A. The Commissioner and local authorities of cities and towns, in their respective jurisdictions, may,
 470 upon written application and good cause being shown, issue a permit authorizing the applicant to operate
 471 on a highway a vehicle of a size or weight exceeding the maximum specified in this title. Any such
 472 permit may designate the route to be traversed and contain any other restrictions or conditions deemed
 473 necessary by the body granting the permit.

474 B. Except for permits issued under § 46.2-1141 for overweight vehicles transporting containerized
 475 freight and permits issued for overweight vehicles transporting irreducible loads, no overweight permit
 476 issued by the Commissioner or any local authority under any provision of this article shall be valid for
 477 the operation of any vehicle on an interstate highway if the vehicle has:

- 478 1. A single axle weight in excess of 20,000 pounds; or
- 479 2. A tandem axle weight in excess of 34,000 pounds; or
- 480 3. A gross weight, based on axle spacing, greater than that permitted in § 46.2-1127; or
- 481 4. A gross weight, regardless of axle spacing, in excess of 80,000 pounds.

482 C. The Commissioner may issue permits to operate or tow one or more travel trailers as defined in
 483 § 46.2-1900 or motor homes when any of such vehicles exceed the maximum width specified by law,

484 provided the movement of the vehicle is prior to its retail sale and it complies with the provisions of
485 § 46.2-1105. A copy of each such permit shall be carried in the vehicle for which it is issued.

486 D. Every permit issued under this article for the operation of oversize or overweight vehicles shall be
487 carried in the vehicle to which it refers and may be inspected by any officer *or size and weight*
488 *compliance agent*. Violation of any term of any permit issued under this article shall constitute a Class 1
489 misdemeanor. Violation of terms and conditions of any permit issued under this article shall not
490 invalidate the weight allowed on such permit unless (i) the permit vehicle is operating off the route
491 listed on the permit, (ii) the vehicle has fewer axles than required by the permit, (iii) the vehicle has less
492 axle spacing than required by the permit when measured longitudinally from the center of the axle to
493 center axle with any fraction of a foot rounded to the next highest foot, or (iv) the vehicle is
494 transporting multiple items not allowed by the permit.

495 E. Any permit issued by the Commissioner or local authorities of cities and towns pursuant to state
496 law may be restricted so as to prevent travel on any federal-aid highway if the continuation of travel on
497 such highway would result in a loss of federal-aid funds. Before any such permit is restricted by the
498 Commissioner, or local authority, written notice shall be given to the permittee.

499 F. When application is made for permits issued by the Commissioner as well as local authorities of
500 one or more cities and towns, any fees imposed therefor by the Commissioner as well as all affected
501 local authorities may be paid by the applicant, at the applicant's option, to the Commissioner, who shall
502 promptly transmit the local portion of the total fee to the appropriate locality or localities.

503 G. Engineering analysis, performed by the Virginia Department of Transportation, shall be conducted
504 of a proposed routing before the Commissioner issues any permit under this section when such analysis
505 is required to promote safety and preserve the capacity and structural integrity of highways and bridges.
506 The Commissioner shall not issue a permit when the Virginia Department of Transportation determines
507 that the roadway and bridges to be traversed cannot sustain the vehicles' size and weight.
