567 materials for which protection is sought, and (iii) state the reason why protection is necessary.

568 No bidder, applicant, or franchisee may invoke the exclusion provided by this subdivision if the

- 1013 31. To law-enforcement officials if the health care entity believes in good faith that the information
- 1014 disclosed constitutes evidence of a crime that occurred on its premises;
- 1015 32. To the State Health Commissioner pursuant to § 32.1-48.015 when such records are those of a
- 1016 person or persons who are subject to an order of quarantine or an order of isolation pursuant to Article
- 1017 3.02 (§ 32.1-48.05 et seq.) of Chapter 2;
- 1018 33. To the Commissioner of the Department of Labor and Industry or his designee by each licensed
- 1019 emergency medical services agency when the records consist of the prehospital patient care report
- 1020 required by § 32.1-116.1 and the patient has suffered an injury or death on a work site while performing
- 1021 duties or tasks that are within the scope of his employment;
- 1022 34. To notify a family member or personal representative of an individual who is the subject of a
- 1023 proceeding pursuant to Article 16 (§ 16.1-335 et seq.) of Chapter 11 of Title 16.1 or Chapter 8
- 1024 (§ 37.2-800 et seq.) of Title 37.2 of information that is directly relevant to such person's involvement
- 1025 with the individual's health care, which may include the individual's location and general condition,
- 1026 when the individual has the capacity to make health care decisions and (i) the individual has agreed to
- 1027 the notification, (ii) the individual has been provided an opportunity to object to the notification and
- 1028 does not express an objection, or (iii) the health care provider can, on the basis of his professional
- 1029 judgment, reasonably infer from the circumstances that the individual does not object to the notification.
- 1030 If the opportunity to agree or object to the notification cannot practicably be provided because of the
- 1031 individual's incapacity or an emergency circumstance, the health care provider may notify a family
- 1032 member or personal representative of the individual of information that is directly relevant to such

1033 person's involvement with the individual's health care, which may include the individual's location and
 1034 general condition if the health care provider, in the exercise of his professional judgment, determines
 1035 that the notification is in the best interests of the individual. Such notification shall not be made if the
 1036 provider has actual knowledge the family member or personal representative is currently prohibited by
 1037 court order from contacting the individual; and

1038 35. To a threat assessment team established by a public institution of higher education pursuant to
 1039 § 23-9.2:10 when such records concern a student at the public institution of higher education, including
 1040 a student who is a minor.

1041 Notwithstanding the provisions of subdivisions 1 through 35, a health care entity shall obtain an
 1042 individual's written authorization for any disclosure of psychotherapy notes, except when disclosure by
 1043 the health care entity is (i) for its own training programs in which students, trainees, or practitioners in
 1044 mental health are being taught under supervision to practice or to improve their skills in group, joint,
 1045 family, or individual counseling; (ii) to defend itself or its employees or staff against any accusation of
 1046 wrongful conduct; (iii) in the discharge of the duty, in accordance with subsection B of § 54.1-2400.1,
 1047 to take precautions to protect third parties from violent behavior or other serious harm; (iv) required in
 1048 the course of an investigation, audit, review, or proceeding regarding a health care entity's conduct by a
 1049 duly authorized law-enforcement, licensure, accreditation, or professional review entity; or (v) otherwise
 1050 required by law.

1051 E. Requests for copies of health records shall (i) be in writing, dated and signed by the requester; (ii)
 1052 identify the nature of the information requested; and (iii) include evidence of the authority of the
 1053 requester to receive such copies and identification of the person to whom the information is to be
 1054 disclosed. The health care entity shall accept a photocopy, facsimile, or other copy of the original signed
 1055 by the requestor as if it were an original. Within 15 days of receipt of a request for copies of health
 1056 records, the health care entity shall do one of the following: (i) furnish such copies to any requester
 1057 authorized to receive them; (ii) inform the requester if the information does not exist or cannot be
 1058 found; (iii) if the health care entity does not maintain a record of the information, so inform the
 1059 requester and provide the name and address, if known, of the health care entity who maintains the
 1060 record; or (iv) deny the request (a) under subsection F, (b) on the grounds that the requester has not
 1061 established his authority to receive such health records or proof of his identity, or (c) as otherwise
 1062 provided by law. Procedures set forth in this section shall apply only to requests for health records not
 1063 specifically governed by other provisions of state law.

1064 F. Except as provided in subsection B of § 8.01-413, copies of an individual's health records shall
 1065 not be furnished to such individual or anyone authorized to act on the individual's behalf when the
 1066 individual's treating physician or the individual's treating clinical psychologist has made a part of the
 1067 individual's record a written statement that, in the exercise of his professional judgment, the furnishing
 1068 to or review by the individual of such health records would be reasonably likely to endanger the life or
 1069 physical safety of the individual or another person, or that such health record makes reference to a
 1070 person other than a health care provider and the access requested would be reasonably likely to cause
 1071 substantial harm to such referenced person. If any health care entity denies a request for copies of health
 1072 records based on such statement, the health care entity shall inform the individual of the individual's
 1073 right to designate, in writing, at his own expense, another reviewing physician or clinical psychologist,
 1074 whose licensure, training and experience relative to the individual's condition are at least equivalent to
 1075 that of the physician or clinical psychologist upon whose opinion the denial is based. The designated
 1076 reviewing physician or clinical psychologist shall make a judgment as to whether to make the health
 1077 record available to the individual.

1078 The health care entity denying the request shall also inform the individual of the individual's right to
 1079 request in writing that such health care entity designate, at its own expense, a physician or clinical
 1080 psychologist, whose licensure, training, and experience relative to the individual's condition are at least
 1081 equivalent to that of the physician or clinical psychologist upon whose professional judgment the denial
 1082 is based and who did not participate in the original decision to deny the health records, who shall make
 1083 a judgment as to whether to make the health record available to the individual. The health care entity
 1084 shall comply with the judgment of the reviewing physician or clinical psychologist. The health care
 1085 entity shall permit copying and examination of the health record by such other physician or clinical
 1086 psychologist designated by either the individual at his own expense or by the health care entity at its
 1087 expense.

1088 Any health record copied for review by any such designated physician or clinical psychologist shall
 1089 be accompanied by a statement from the custodian of the health record that the individual's treating
 1090 physician or clinical psychologist determined that the individual's review of his health record would be
 1091 reasonably likely to endanger the life or physical safety of the individual or would be reasonably likely
 1092 to cause substantial harm to a person referenced in the health record who is not a health care provider.

1093 Further, nothing herein shall be construed as giving, or interpreted to bestow the right to receive

1094 copies of, or otherwise obtain access to, psychotherapy notes to any individual or any person authorized
1095 to act on his behalf.

1096 G. A written authorization to allow release of an individual's health records shall substantially include
1097 the following information:

1098 AUTHORIZATION TO RELEASE CONFIDENTIAL HEALTH RECORDS

1099 Individual's Name

1100 Health Care Entity's Name

1102 be made

1103 Information or Health Records to be disclosed

1104 Purpose of Disclosure or at the Request of the Individual

1105 As the person signing this authorization, I understand that I am giving
1106 my permission to the above-named health care entity for disclosure of
1107 confidential health records. I understand that the health care entity
1108 may not condition treatment or payment on my willingness to sign this
1109 authorization unless the specific circumstances under which such
1110 conditioning is permitted by law are applicable and are set forth in
1111 this authorization. I also understand that I have the right to revoke
1112 this authorization at any time, but that my revocation is not effective
1113 until delivered in writing to the person who is in possession of my
1114 health records and is not effective as to health records already
1115 disclosed under this authorization. A copy of this authorization and a
1116 notation concerning the persons or agencies to whom disclosure was made
1117 shall be included with my original health records. I understand that
1118 health information disclosed under this authorization might be
1119 redisclosed by a recipient and may, as a result of such disclosure, no
1120 longer be protected to the same extent as such health information was
1121 protected by law while solely in the possession of the health care
1122 entity.

1123 This authorization expires on (date) or (event)

1124 Signature of Individual or Individual's Legal Representative if

1125 Individual is Unable to Sign

1128 H. Pursuant to this subsection:

1129 1. Unless excepted from these provisions in subdivision 9, no party to a civil, criminal or
1130 administrative action or proceeding shall request the issuance of a subpoena duces tecum for another
1131 party's health records or cause a subpoena duces tecum to be issued by an attorney unless a copy of the
1132 request for the subpoena or a copy of the attorney-issued subpoena is provided to the other party's
1133 counsel or to the other party if pro se, simultaneously with filing the request or issuance of the
1134 subpoena. No party to an action or proceeding shall request or cause the issuance of a subpoena duces
1135 tecum for the health records of a nonparty witness unless a copy of the request for the subpoena or a
1136 copy of the attorney-issued subpoena is provided to the nonparty witness simultaneously with filing the
1137 request or issuance of the attorney-issued subpoena.

1138 No subpoena duces tecum for health records shall set a return date earlier than 15 days from the date
1139 of the subpoena except by order of a court or administrative agency for good cause shown. When a
1140 court or administrative agency directs that health records be disclosed pursuant to a subpoena duces
1141 tecum earlier than 15 days from the date of the subpoena, a copy of the order shall accompany the
1142 subpoena.

1143 Any party requesting a subpoena duces tecum for health records or on whose behalf the subpoena
1144 duces tecum is being issued shall have the duty to determine whether the individual whose health
1145 records are being sought is pro se or a nonparty.

1146 In instances where health records being subpoenaed are those of a pro se party or nonparty witness,
1147 the party requesting or issuing the subpoena shall deliver to the pro se party or nonparty witness
1148 together with the copy of the request for subpoena, or a copy of the subpoena in the case of an
1149 attorney-issued subpoena, a statement informing them of their rights and remedies. The statement shall
1150 include the following language and the heading shall be in boldface capital letters:

1151 NOTICE TO INDIVIDUAL

1152 The attached document means that (insert name of party requesting or causing issuance of the

1153 subpoena) has either asked the court or administrative agency to issue a subpoena or a subpoena has
1154 been issued by the other party's attorney to your doctor, other health care providers (names of health
1155 care providers inserted here) or other health care entity (name of health care entity to be inserted here)
1156 requiring them to produce your health records. Your doctor, other health care provider or other health
1157 care entity is required to respond by providing a copy of your health records. If you believe your health
1158 records should not be disclosed and object to their disclosure, you have the right to file a motion with
1159 the clerk of the court or the administrative agency to quash the subpoena. If you elect to file a motion
1160 to quash, such motion must be filed within 15 days of the date of the request or of the attorney-issued
1161 subpoena. You may contact the clerk's office or the administrative agency to determine the requirements
1162 that must be satisfied when filing a motion to quash and you may elect to contact an attorney to
1163 represent your interest. If you elect to file a motion to quash, you must notify your doctor, other health
1164 care provider(s), or other health care entity, that you are filing the motion so that the health care
1165 provider or health care entity knows to send the health records to the clerk of court or administrative
1166 agency in a sealed envelope or package for safekeeping while your motion is decided.

1167 2. Any party filing a request for a subpoena duces tecum or causing such a subpoena to be issued
1168 for an individual's health records shall include a Notice in the same part of the request in which the
1169 recipient of the subpoena duces tecum is directed where and when to return the health records. Such
1170 notice shall be in boldface capital letters and shall include the following language:

1171 NOTICE TO HEALTH CARE ENTITIES

1172 A COPY OF THIS SUBPOENA DUCES TECUM HAS BEEN PROVIDED TO THE INDIVIDUAL
1173 WHOSE HEALTH RECORDS ARE BEING REQUESTED OR HIS COUNSEL. YOU OR THAT
1174 INDIVIDUAL HAS THE RIGHT TO FILE A MOTION TO QUASH (OBJECT TO) THE ATTACHED
1175 SUBPOENA. IF YOU ELECT TO FILE A MOTION TO QUASH, YOU MUST FILE THE MOTION
1176 WITHIN 15 DAYS OF THE DATE OF THIS SUBPOENA.

1177 YOU MUST NOT RESPOND TO THIS SUBPOENA UNTIL YOU HAVE RECEIVED WRITTEN
1178 CERTIFICATION FROM THE PARTY ON WHOSE BEHALF THE SUBPOENA WAS ISSUED
1179 THAT THE TIME FOR FILING A MOTION TO QUASH HAS ELAPSED AND THAT:

1180 NO MOTION TO QUASH WAS FILED; OR

1181 ANY MOTION TO QUASH HAS BEEN RESOLVED BY THE COURT OR THE
1182 ADMINISTRATIVE AGENCY AND THE DISCLOSURES SOUGHT ARE CONSISTENT WITH
1183 SUCH RESOLUTION.

1184 IF YOU RECEIVE NOTICE THAT THE INDIVIDUAL WHOSE HEALTH RECORDS ARE
1185 BEING REQUESTED HAS FILED A MOTION TO QUASH THIS SUBPOENA, OR IF YOU FILE A
1186 MOTION TO QUASH THIS SUBPOENA, YOU MUST SEND THE HEALTH RECORDS ONLY TO
1187 THE CLERK OF THE COURT OR ADMINISTRATIVE AGENCY THAT ISSUED THE SUBPOENA
1188 OR IN WHICH THE ACTION IS PENDING AS SHOWN ON THE SUBPOENA USING THE
1189 FOLLOWING PROCEDURE:

1190 PLACE THE HEALTH RECORDS IN A SEALED ENVELOPE AND ATTACH TO THE SEALED
1191 ENVELOPE A COVER LETTER TO THE CLERK OF COURT OR ADMINISTRATIVE AGENCY
1192 WHICH STATES THAT CONFIDENTIAL HEALTH RECORDS ARE ENCLOSED AND ARE TO BE
1193 HELD UNDER SEAL PENDING A RULING ON THE MOTION TO QUASH THE SUBPOENA.
1194 THE SEALED ENVELOPE AND THE COVER LETTER SHALL BE PLACED IN AN OUTER
1195 ENVELOPE OR PACKAGE FOR TRANSMITTAL TO THE COURT OR ADMINISTRATIVE
1196 AGENCY.

1197 3. Upon receiving a valid subpoena duces tecum for health records, health care entities shall have the
1198 duty to respond to the subpoena in accordance with the provisions of subdivisions 4, 5, 6, 7, and 8.

1199 4. Except to deliver to a clerk of the court or administrative agency subpoenaed health records in a
1200 sealed envelope as set forth, health care entities shall not respond to a subpoena duces tecum for such
1201 health records until they have received a certification as set forth in subdivision 5 or 8 from the party on
1202 whose behalf the subpoena duces tecum was issued.

1203 If the health care entity has actual receipt of notice that a motion to quash the subpoena has been
1204 filed or if the health care entity files a motion to quash the subpoena for health records, then the health
1205 care entity shall produce the health records, in a securely sealed envelope, to the clerk of the court or
1206 administrative agency issuing the subpoena or in whose court or administrative agency the action is
1207 pending. The court or administrative agency shall place the health records under seal until a
1208 determination is made regarding the motion to quash. The securely sealed envelope shall only be opened
1209 on order of the judge or administrative agency. In the event the court or administrative agency grants
1210 the motion to quash, the health records shall be returned to the health care entity in the same sealed
1211 envelope in which they were delivered to the court or administrative agency. In the event that a judge or
1212 administrative agency orders the sealed envelope to be opened to review the health records in camera, a
1213 copy of the order shall accompany any health records returned to the health care entity. The health

1214 records returned to the health care entity shall be in a securely sealed envelope.

1215 5. If no motion to quash is filed within 15 days of the date of the request or of the attorney-issued
 1216 subpoena, the party on whose behalf the subpoena was issued shall have the duty to certify to the
 1217 subpoenaed health care entity that the time for filing a motion to quash has elapsed and that no motion
 1218 to quash was filed. Any health care entity receiving such certification shall have the duty to comply
 1219 with the subpoena duces tecum by returning the specified health records by either the return date on the
 1220 subpoena or five days after receipt of the certification, whichever is later.

1221 6. In the event that the individual whose health records are being sought files a motion to quash the
 1222 subpoena, the court or administrative agency shall decide whether good cause has been shown by the
 1223 discovering party to compel disclosure of the individual's health records over the individual's objections.
 1224 In determining whether good cause has been shown, the court or administrative agency shall consider (i)
 1225 the particular purpose for which the information was collected; (ii) the degree to which the disclosure of
 1226 the records would embarrass, injure, or invade the privacy of the individual; (iii) the effect of the
 1227 disclosure on the individual's future health care; (iv) the importance of the information to the lawsuit or
 1228 proceeding; and (v) any other relevant factor.

1229 7. Concurrent with the court or administrative agency's resolution of a motion to quash, if
 1230 subpoenaed health records have been submitted by a health care entity to the court or administrative
 1231 agency in a sealed envelope, the court or administrative agency shall: (i) upon determining that no
 1232 submitted health records should be disclosed, return all submitted health records to the health care entity
 1233 in a sealed envelope; (ii) upon determining that all submitted health records should be disclosed, provide
 1234 all the submitted health records to the party on whose behalf the subpoena was issued; or (iii) upon
 1235 determining that only a portion of the submitted health records should be disclosed, provide such portion
 1236 to the party on whose behalf the subpoena was issued and return the remaining health records to the
 1237 health care entity in a sealed envelope.

1238 8. Following the court or administrative agency's resolution of a motion to quash, the party on whose
 1239 behalf the subpoena duces tecum was issued shall have the duty to certify in writing to the subpoenaed
 1240 health care entity a statement of one of the following:

1241 a. All filed motions to quash have been resolved by the court or administrative agency and the
 1242 disclosures sought in the subpoena duces tecum are consistent with such resolution; and, therefore, the
 1243 health records previously delivered in a sealed envelope to the clerk of the court or administrative
 1244 agency will not be returned to the health care entity;

1245 b. All filed motions to quash have been resolved by the court or administrative agency and the
 1246 disclosures sought in the subpoena duces tecum are consistent with such resolution and that, since no
 1247 health records have previously been delivered to the court or administrative agency by the health care
 1248 entity, the health care entity shall comply with the subpoena duces tecum by returning the health records
 1249 designated in the subpoena by the return date on the subpoena or five days after receipt of certification,
 1250 whichever is later;

1251 c. All filed motions to quash have been resolved by the court or administrative agency and the
 1252 disclosures sought in the subpoena duces tecum are not consistent with such resolution; therefore, no
 1253 health records shall be disclosed and all health records previously delivered in a sealed envelope to the
 1254 clerk of the court or administrative agency will be returned to the health care entity;

1255 d. All filed motions to quash have been resolved by the court or administrative agency and the
 1256 disclosures sought in the subpoena duces tecum are not consistent with such resolution and that only
 1257 limited disclosure has been authorized. The certification shall state that only the portion of the health
 1258 records as set forth in the certification, consistent with the court or administrative agency's ruling, shall
 1259 be disclosed. The certification shall also state that health records that were previously delivered to the
 1260 court or administrative agency for which disclosure has been authorized will not be returned to the
 1261 health care entity; however, all health records for which disclosure has not been authorized will be
 1262 returned to the health care entity; or

1263 e. All filed motions to quash have been resolved by the court or administrative agency and the
 1264 disclosures sought in the subpoena duces tecum are not consistent with such resolution and, since no
 1265 health records have previously been delivered to the court or administrative agency by the health care
 1266 entity, the health care entity shall return only those health records specified in the certification,
 1267 consistent with the court or administrative agency's ruling, by the return date on the subpoena or five
 1268 days after receipt of the certification, whichever is later.

1269 A copy of the court or administrative agency's ruling shall accompany any certification made
 1270 pursuant to this subdivision.

1271 9. The provisions of this subsection have no application to subpoenas for health records requested
 1272 under § 8.01-413, or issued by a duly authorized administrative agency conducting an investigation,
 1273 audit, review or proceedings regarding a health care entity's conduct.

1274 The provisions of this subsection shall apply to subpoenas for the health records of both minors and

1275 adults.

1276 Nothing in this subsection shall have any effect on the existing authority of a court or administrative
1277 agency to issue a protective order regarding health records, including, but not limited to, ordering the
1278 return of health records to a health care entity, after the period for filing a motion to quash has passed.

1279 A subpoena for substance abuse records must conform to the requirements of federal law found in 42
1280 C.F.R. Part 2, Subpart E.

1281 I. Health care entities may testify about the health records of an individual in compliance with
1282 §§ 8.01-399 and 8.01-400.2.

1283 J. If an individual requests a copy of his health record from a health care entity, the health care
1284 entity may impose a reasonable cost-based fee, which shall include only the cost of supplies for and
1285 labor of copying the requested information, postage when the individual requests that such information
1286 be mailed, and preparation of an explanation or summary of such information as agreed to by the
1287 individual. For the purposes of this section, "individual" shall subsume a person with authority to act on
1288 behalf of the individual who is the subject of the health record in making decisions related to his health
1289 care.

1290 § 32.1-283. Investigation of deaths; obtaining consent to removal of organs, etc.; fees.

1291 A. Upon the death of any person from trauma, injury, violence, poisoning, accident, suicide or
1292 homicide, or suddenly when in apparent good health, or when unattended by a physician, or in jail,
1293 prison, other correctional institution or in police custody, or who is a patient or resident of a state
1294 mental health or mental retardation facility, or suddenly as an apparent result of fire, or in any
1295 suspicious, unusual or unnatural manner, or the sudden death of any infant less than eighteen months of
1296 age whose death is suspected to be attributable to Sudden Infant Death Syndrome (SIDS), the medical
1297 examiner of the county or city in which death occurs shall be notified by the physician in attendance,
1298 hospital, law-enforcement officer, funeral director or any other person having knowledge of such death.
1299 Good faith efforts shall be made by such person or institution having custody of the dead body to
1300 identify and to notify the next of kin of the decedent. Notification shall include informing the person
1301 presumed to be the next of kin that he has a right to have identification of the decedent confirmed
1302 without due delay and without being held financially responsible for any procedures performed for the
1303 purpose of the identification. Identity of the next of kin, if determined, shall be provided to the Chief
1304 Medical Examiner upon transfer of the dead body.

1305 B. Upon being notified of a death as provided in subsection A, the medical examiner shall take
1306 charge of the dead body, make an investigation into the cause and manner of death, reduce his findings
1307 to writing, and promptly make a full report to the Chief Medical Examiner. In order to facilitate his
1308 investigation, the medical examiner is authorized to inspect and copy the pertinent medical records of
1309 the decedent whose death he is investigating. Full directions as to the nature, character and extent of the
1310 investigation to be made in such cases shall be furnished each medical examiner by the Chief Medical
1311 Examiner, together with appropriate forms for the required reports and instructions for their use. The
1312 facilities and personnel under the Chief Medical Examiner shall be made available to medical examiners
1313 in such investigations. Reports and findings of the Medical Examiner shall be confidential and shall not
1314 under any circumstance be disclosed or made available for discovery pursuant to a court subpoena or
1315 otherwise, except as provided in this chapter. Nothing in this subsection shall prohibit the Chief Medical
1316 Examiner from releasing the cause or manner of death, or prohibit disclosure of reports or findings to
1317 the parties in a criminal case.

1318 C. A copy of each report pursuant to this section shall be delivered to the appropriate attorney for
1319 the Commonwealth and to the appropriate law-enforcement agency investigating the death. A copy of
1320 any such report regarding the death of a victim of a traffic accident shall be furnished upon request to
1321 the State Police and the Highway Safety Commission. In addition, a copy of any autopsy report
1322 concerning a patient or resident of a state mental health or mental retardation facility shall be delivered
1323 to the Commissioner of Behavioral Health and Developmental Services and to the *State* Inspector
1324 General for Behavioral Health and Developmental Services. A copy of any autopsy report concerning a
1325 prisoner committed to the custody of the Director of the Department of Corrections shall, upon request
1326 of the Director of the Department of Corrections, be delivered to the Director of the Department of
1327 Corrections. A copy of any autopsy report concerning a prisoner committed to any local correctional
1328 facility shall be delivered to the local sheriff or superintendent. Upon request, the Chief Medical
1329 Examiner shall release such autopsy report to the decedent's attending physician and to the personal
1330 representative or executor of the decedent or, if no personal representative or executor is appointed, then
1331 at the discretion of the Chief Medical Examiner, to the following persons in the following order of
1332 priority: (i) the spouse of the decedent, (ii) an adult son or daughter of the decedent, (iii) either parent
1333 of the decedent, (iv) an adult sibling of the decedent, (v) any other adult relative of the decedent in
1334 order of blood relationship, or (vi) any appropriate health facility quality assurance program.

1335 D. For each investigation under this article, including the making of the required reports, the medical

1336 examiner shall receive a fee established by the Board within the limitations of appropriations for the
 1337 purpose. Such fee shall be paid by the Commonwealth, if the deceased is not a legal resident of the
 1338 county or city in which his death occurred. In the event the deceased is a legal resident of the county or
 1339 city in which his death occurred, such county or city shall be responsible for the fee up to \$20. If the
 1340 deceased is a patient or resident of a state mental health or mental retardation facility, the fee shall be
 1341 paid by the Department of Behavioral Health and Developmental Services.

1342 E. Nothing herein shall be construed to interfere with the autopsy procedure or with the routine
 1343 obtaining of consent for removal of organs as conducted by surgical teams or others.

1344 § 58.1-202.2. Public-private partnerships; Public Private Partnership Oversight Committee.

1345 A. The Tax Commissioner is hereby authorized through the Department of General Services in
 1346 accordance with the Virginia Public Procurement Act to enter into public-private partnership contracts to
 1347 finance agency technology needs. The Tax Commissioner may issue a request for information to seek
 1348 out potential private partners interested in providing programs pursuant to an agreement under this
 1349 section. The compensation for such services shall be computed with reference to and paid from the
 1350 increased revenue attributable to the successful implementation of the technology program for the period
 1351 specified in the contract.
