HOUSE BILL NO. 2420

Offered January 18, 2011

A BILL to amend and reenact § 46.2-1077 of the Code of Virginia, relating to televisions in motor vehicles.

Patron—Villanueva

Referred to Committee on Transportation

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-1077 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-1077. Motor vehicles not to be equipped with television within view of driver; viewing motion pictures or similar displays while driving.

A. No motor vehicle registered in the Commonwealth of Virginia shall be equipped with, nor shall there be used therein, a television receiver forward of the driver's seat or where the screen of which would otherwise be visible to the driver while driving the vehicle. The operator of a motor vehicle which is not required to be registered in Virginia shall not operate a television receiver which violates the provisions of this section while driving in the Commonwealth.

The prohibitions contained in this subsection shall not, however, include:

1. Electronic displays used in conjunction with vehicle navigation systems;
2. Closed circuit video monitors designed to operate only in conjunction with dedicated video cameras and used in rear-view systems on trucks, motor homes, and other motor vehicles;

3. Television receivers or monitors used in government-owned vehicles by law-enforcement officers and employees of the Virginia Department of Transportation in the course of their official duties; and

4. Visual displays used to enhance or supplement the driver's view forward, behind, or to the sides of a motor vehicle for the purpose of maneuvering the vehicle.

B. Except for displays explicitly authorized in subsection A, no driver of any motor vehicle shall view any motion picture or similar video display while driving.
