Patron—Keam

Referred to Committee on Agriculture, Chesapeake and Natural Resources

Be it enacted by the General Assembly of Virginia:

1. That § 29.1-521 of the Code of Virginia is amended and reenacted as follows:

§ 29.1-521. Unlawful to hunt, trap, possess, sell or transport wild birds and wild animals except as permitted; exception; penalty.

A. The following shall be unlawful:

1. To hunt or kill any wild bird or wild animal, including any nuisance species, with a gun, firearm or other weapon on Sunday, which is hereby declared a rest day for all species of wild bird and wild animal life, except raccoons, which may be hunted until 2:00 a.m. on Sunday mornings. However, a person lawfully carrying a gun, firearm or other weapon on Sunday in an area that could be used for hunting shall not be presumed to be hunting on Sunday, absent evidence to the contrary. *In an effort to protect public health and safety, the environment, and private property, the provision of this subdivision that prohibits the hunting or killing of any wild animal on Sunday shall not apply to any person who hunts or kills deer with a bow and arrow or crossbow on private lands located in the Planning District 8.*

2. To destroy or molest the nest, eggs, dens or young of any wild bird or wild animal, except nuisance species, at any time without a permit as required by law.

3. To hunt or attempt to kill or trap any species of wild bird or wild animal after having obtained the daily bag or season limit during such day or season. However, any properly licensed person, or a person exempt from having to obtain a license, who has obtained such daily bag or season limit while hunting may assist others who are hunting game by calling game, retrieving game, handling dogs, or conducting drives if the weapon in his possession is an unloaded firearm, a bow without a nocked arrow or an unloaded crossbow. Any properly licensed person, or person exempt from having to obtain a license, who has obtained such season limit prior to commencement of the hunt may assist others who are hunting game by calling game, retrieving game, handling dogs, or conducting drives, provided he does not have a firearm, bow or crossbow in his possession.

4. To knowingly occupy any baited blind or other baited place for the purpose of taking or attempting to take any wild bird or wild animal or to put out bait or salt for any wild bird or wild animal for the purpose of taking or killing them. There shall be a rebuttable presumption that a person charged with violating this subdivision knows that he is occupying a baited blind or other baited place for the purpose of taking or attempting to take any wild bird or wild animal. However, this shall not apply to baiting nuisance species of animals and birds, or to baiting traps for the purpose of taking fur-bearing animals that may be lawfully trapped.

5. To kill or capture any wild bird or wild animal adjacent to any area while a field or forest fire is in progress.

6. To shoot or attempt to take any wild bird or wild animal from an automobile or other vehicle, except as provided in § 29.1-521.3.

7. To set a trap of any kind on the lands or waters of another without attaching to the trap: (i) the name and address of the trapper; or (ii) an identification number issued by the Department.

8. To set a trap where it would be likely to injure persons, dogs, stock or fowl.

9. To fail to visit all traps once each day and remove all animals caught, and immediately report to the landowner as to stock, dogs or fowl that are caught and the date. However, the Director or his designee may authorize employees of federal, state, and local government agencies, and persons holding a valid Commercial Nuisance Animal Permit issued by the Department, to visit conibear-style body-gripping traps that are completely submerged at least once every 72 hours and the Board may adopt regulations permitting trappers to visit traps less frequently under specified conditions.

10. To hunt, trap, take, capture, kill, attempt to take, capture or kill, possess, deliver for transportation, transport, cause to be transported, by any means whatever, receive for transportation or export, or import, at any time or in any manner, any wild bird or wild animal or the carcass or any part thereof, except as specifically permitted by law and only by the manner or means and within the numbers stated. However, the provisions of this section shall not be construed to prohibit the (i) use or
