65 § 38.2-6402. Certificate of authority to do business as a foreign health insurer.

66 A. A foreign health insurer may apply for a certificate that authorizes the foreign health insurer to
67 do business as a foreign health insurer in the Commonwealth, using a form prescribed by the
68 Commission. Upon application, the Commission shall issue such a certificate to the foreign health
69 insurer unless the Commission determines that the foreign health insurer:

70 1. Will not provide a health benefits plan in compliance with the provisions of this chapter;

71 2. Is in a hazardous financial condition, as determined by an examination by the Commissioner
72 conducted in accordance with the Financial Analysis Handbook of the National Association of Insurance

77 date of issuance by the Commission.

78 C. The Commission shall establish by regulation:

79 1. Procedures for a foreign health insurer to renew a certificate of authority, pursuant to and
80 consistent with the provisions of this chapter; and

81 2. Certificate of authority application and renewal fees, the amount of which shall be no greater
82 than is reasonably necessary to enable the Bureau to carry out the provisions of this chapter.

83 § 38.2-6403. Required disclosure.

84 A. Each health benefits plan provided by a foreign health insurer to a resident of the
85 Commonwealth, and each application for the plan, shall disclose in plain language the following:

86 1. The differences between the health benefits plan issued by the foreign health insurer and a policy
87 in accordance with the requirements of this title applicable to an accident and sickness insurance policy
88 issued by a domestic health insurer pursuant to Chapter 34 (§ 38.2-3400 et seq.), using at least 14-point
89 bold type to describe the differences that relate to underwriting standards, premium rating, preexisting

92 benefits plan offered under this chapter.

93 B. A foreign health insurer shall not offer a health benefits plan to a resident of the Commonwealth
94 until the Commission determines that the disclosures required by subsection A are provided.

95 § 38.2-6404. Revocation of certificate of authority; marketing materials.

96 A. The Commission may deny, revoke, or suspend, after notice and opportunity to be heard, a
97 certificate of authority issued to a foreign health insurer pursuant to this chapter for a violation of the
98 provisions of this chapter, including any finding by the Commission that a foreign health insurer is no
99 longer in compliance with any of the conditions for issuance of a certificate of authority set forth in
100 § 38.2-6402, or the regulations adopted pursuant to this chapter. The Commission shall provide for an
101 appropriate and timely right of appeal for the foreign health insurer whose certificate is denied,
102 revoked, or suspended.

103 B. The Commission shall establish fair marketing standards for marketing materials used by foreign
104 health insurers to market health benefits plans to residents in the Commonwealth, which standards shall
105 be consistent with those applicable to health benefits plans offered by a domestic health insurer
106 pursuant to Chapter 34 (§ 38.2-3400 et seq.).

107 C. The procedures and standards established under subsection B shall be applied on a
108 nondiscriminatory basis so as not to place greater responsibilities on foreign health insurers than the
109 responsibilities placed on domestic health insurers doing business in the Commonwealth.

110 § 38.2-6405. Applicability of certain requirements.

111 A foreign health insurer offering health benefits plans pursuant to this chapter shall comply with:

112 1. Protections for covered persons from unfair trade practices applicable to accident and sickness
113 insurance pursuant to Chapter 5 (§ 38.2-500 et seq.);

114 2. Applicable provisions of Chapter 17 (§ 38.2-1700 et seq.);

121 *the Commonwealth and the maintenance of a registered office and registered agent.*

122 *§ 38.2-6406. Regulations.*

123 *The Commission shall adopt regulations to effectuate the purposes of this chapter, provided,*
124 *however, that the regulations shall not:*

125 *1. Directly or indirectly require a foreign health insurer to, directly or indirectly, modify coverage or*
126 *benefit requirements, or restrict underwriting requirements or premium ratings, in any way that conflicts*
127 *with the insurer's domiciliary state's laws or regulations;*

128 *2. Provide for regulatory requirements that are more stringent than those applicable to carriers that*
129 *are licensed by the Commissioner to provide health benefits plans in the Commonwealth; or*

130 *3. Require any health benefits plan issued by the foreign health insurer to be countersigned by an*
131 *insurance agent or broker residing in the Commonwealth.*

132 **2. That the provisions of this act shall become effective on January 1, 2011.**
