**Be it enacted by the General Assembly of Virginia:****1. That § 51.1-124.3 of the Code of Virginia is amended and reenacted as follows:****§ 51.1-124.3. Definitions.**

As used in this chapter, unless the context requires a different meaning:

"Abolished system" means the Virginia Retirement Act, §§ 51-30 through 51-111, repealed by Chapter 1 of the Acts of Assembly of 1952.

"Accumulated contributions" means the sum of all amounts deducted from the compensation of a member and credited to his individual account in the member's contribution account, all amounts the member may contribute to purchase creditable service, all member contributions contributed by the employer on behalf of the employee, on or after July 1, 1980, except those amounts contributed on behalf of members of the General Assembly who are otherwise retired under the provisions of this chapter, and all interest accruing to these funds. If a member is retired for disability from a cause which is compensable under the Virginia Workers' Compensation Act (§ 65.2-100 et seq.), dies in service prior to retirement, or requests a refund of contributions in accordance with § 51.1-161, "accumulated contributions" shall include all member contributions paid by the employer on behalf of the member on and after July 1, 1980, and all interest which would have accrued to these funds.

"Actuarial equivalent" means a benefit of equal value when computed upon the basis of actuarial tables adopted by the Board.

"Average final compensation" means the average annual creditable compensation of a member during his 36 highest consecutive months of creditable service or during the entire period of his creditable service if less than 36 months. However, for any person who becomes a member on or after July 1, 2010, "average final compensation" means the average annual creditable compensation of a member during his 60 highest consecutive months of creditable service or during the entire period of his creditable service if less than 60 months.

For any state employee of a public institution of higher education or a teaching hospital affiliated with a public institution of higher education who is (i) compensated on a salaried basis, and (ii) working full time in a covered position pursuant to a contract of employment for a period of at least nine months, creditable compensation means the full compensation payable over the term of any contract entered into between the employee and the employer, without regard to whether or not the term of the contract coincides with the normal scholastic year. However, if the contract is for more than one year, creditable compensation means that compensation paid for the current year of the contract.

Remuneration received by members of the General Assembly not otherwise retired under the provisions of this chapter pursuant to §§ 30-19.11 and 30-19.12 shall be deemed creditable compensation. In addition, for any member of the General Assembly, creditable compensation shall include the full amount of salaries payable to such member for working in covered positions, regardless of whether a contractual salary is reduced and not paid to such member because of service in the General Assembly.

*The creditable compensation of a teacher shall equal the full compensation payable annually to such teacher by his county, city, or other local public school board, whether or not such compensation is paid pursuant to a contract for teaching.*

"Creditable service" means prior service as set forth in § 51.1-142.2 plus membership service for which credit is allowable.
