Senate Amendments in [] — February 4, 2011

A *BILL to amend and reenact § 24.2-518 of the Code of Virginia, relating to elections; costs of primaries.*

Patron Prior to Engrossment—Senator Barker

Referred to Committee on Privileges and Elections

Be it enacted by the General Assembly of Virginia:

1. That § 24.2-518 of the Code of Virginia is amended and reenacted as follows:

§ 24.2-518. County and city treasurers to pay primary expenses; reimbursement by state; certain uses of machinery by party.

The treasurer of the county or city in which the elections are held shall pay the costs of primary elections. *Each county and city shall be reimbursed for the costs of primary elections [held after January 1, 2013,] for statewide and federal offices as provided in the general appropriation act.*

A political party may hold an election to select the members of its party committee at the same time and in the same places as a primary election without fee or charge for making use of the electoral machinery, provided that a primary to nominate the party's candidate for an office is in fact conducted on that primary date. Such elections for party committee members may be conducted by paper ballots or by voting machines in the discretion of the local electoral board.

The proper political party committee shall pay the costs of using the election machinery at any other time for the purpose of conducting other nominating procedures adopted pursuant to the rules of that party, if such use is authorized by the officials having custody of the machinery.
