[S 1400]

Approved

Be it enacted by the General Assembly of Virginia:
1. That the Code of Virginia is amended by adding in Chapter 22 of Title 2.2 an article numbered 10, consisting of sections numbered 2.2-2336 through 2.2-2350, as follows:

Article 10.

Fort Monroe Authority Act.

§ 2.2-2336. *Short title; declaration of public purpose; Fort Monroe Authority created; successor in interest to Fort Monroe Federal Area Development Authority.*

A. This article shall be known and may be cited as the Fort Monroe Authority Act.

B. The General Assembly finds and declares that:

1. Fort Monroe, located on a barrier spit at Hampton Roads Harbor and the southern end of Chesapeake Bay where the Old Point Comfort lighthouse has been welcoming ships since 1802, is one of the Commonwealth's most important cultural treasures. Strategically located near Virginia's Historic Triangle of Williamsburg, Yorktown, and Jamestown, the 565-acre site has been designated a National Historic Landmark District;

2. As a result of decisions made by the federal Defense Base Closure and Realignment Commission (known as the BRAC Commission), Fort Monroe will cease to be an army base in 2011, and at that time most of the site will revert to the Commonwealth;

3. The planning phase of Fort Monroe's transition from use as a United States Army base was managed by the Fort Monroe Federal Area Development Authority (FMFADA), originally established by the City of Hampton pursuant to legislation enacted by the General Assembly in 2007. The Fort Monroe Federal Area Development Authority, a partnership between the City and the Commonwealth, has fulfilled its primary purpose of formulating a reuse plan for Fort Monroe;

4. It is the policy of the Commonwealth to protect the historic resources at Fort Monroe, provide public access to the Fort's historic resources and recreational opportunities, exercise exemplary stewardship of the Fort's natural resources, and maintain Fort Monroe in perpetuity as a place that is a desirable one in which to reside, do business, and visit, all in a way that is economically sustainable;

5. Fort Monroe's status is unique. Municipal services will need to be provided to Fort Monroe's visitors, residents, and businesses. Both the Commonwealth and the FMFADA are signatories to a Programmatic Agreement under Section 106 of the National Historic Preservation Act that requires several specific actions be taken, including the enforcement of design standards to be adopted by the FMFADA or its successor to govern any new development or building restoration or renovation at Fort Monroe. There exists a need for an entity that can manage the property for the Commonwealth and ensure adherence to the findings, declarations, and policies set forth in this section; and

6. The creation of an authority for this purpose is in the public interest, serves a public purpose, and will promote the health, safety, welfare, convenience, and prosperity of the people of the Commonwealth.

C. The Fort Monroe Authority is created, with the duties and powers set forth in this article, as a public body corporate and as a political subdivision of the Commonwealth. The Authority is constituted as a public instrumentality exercising public functions, and the exercise by the Authority of the duties and powers conferred by this article shall be deemed and held to be the performance of an essential governmental function of the Commonwealth. The exercise of the powers granted by this article and its public purpose shall be in all respects for the benefit of the inhabitants of the Commonwealth.

D. The Fort Monroe Authority is the successor in interest to that political subdivision formerly known as the Fort Monroe Federal Area Development Authority. As such, the Authority stands in the place and stead of, and assumes all rights and duties formerly of, the Fort Monroe Federal Area Development Authority, including but not limited to all leases, contracts, grants-in-aid, and all other agreements of whatsoever nature; holds title to all realty and personalty formerly held by the Fort Monroe Federal Area Development Authority; and may exercise all powers that might at any time past have been exercised by the Fort Monroe Federal Area Development Authority, including the powers and authorities of a Local Redevelopment Authority under the provisions of any and all applicable federal laws, including the Defense Base Closure and Realignment Act of 2005.

57 *E. The Fort Monroe Authority shall be subject to the Virginia Public Procurement Act (§ 2.2-4300 et*

 309 by § 2.2-4355, determined by the City of Hampton until such time as the overdue payment and interest
 310 are paid. Unpaid fees and interest thereon shall rank in parity with liens for unpaid taxes and may be
 311 collected by the City of Hampton as taxes are collected; however, no real property of the
 312 Commonwealth or the Authority may be sold in such collection efforts.

313 C. The Authority shall have the right to contest the assessments made on property at Fort Monroe
