1023 duties or tasks that are within the scope of his employment;

1024 34. To notify a family member or personal representative of an individual who is the subject of a
1025 proceeding pursuant to Article 16 (§ 16.1-335 et seq.) of Chapter 11 of Title 16.1 or Chapter 8
1026 (§ 37.2-800 et seq.) of Title 37.2 of information that is directly relevant to such person's involvement
1027 with the individual's health care, which may include the individual's location and general condition,
1028 when the individual has the capacity to make health care decisions and (i) the individual has agreed to
1029 the notification, (ii) the individual has been provided an opportunity to object to the notification and
1030 does not express an objection, or (iii) the health care provider can, on the basis of his professional
1031 judgment, reasonably infer from the circumstances that the individual does not object to the notification.
1032 If the opportunity to agree or object to the notification cannot practicably be provided because of the
1033 individual's incapacity or an emergency circumstance, the health care provider may notify a family
1034 member or personal representative of the individual of information that is directly relevant to such
1035 person's involvement with the individual's health care, which may include the individual's location and
1036 general condition if the health care provider, in the exercise of his professional judgment, determines
1037 that the notification is in the best interests of the individual. Such notification shall not be made if the
1038 provider has actual knowledge the family member or personal representative is currently prohibited by
1039 court order from contacting the individual; and

1040 35. To a threat assessment team established by a public institution of higher education pursuant to
1041 § 23-9.2:10 when such records concern a student at the public institution of higher education, including
1042 a student who is a minor.

1043 Notwithstanding the provisions of subdivisions 1 through 35, a health care entity shall obtain an

1044 individual's written authorization for any disclosure of psychotherapy notes, except when disclosure by
 1045 the health care entity is (i) for its own training programs in which students, trainees, or practitioners in
 1046 mental health are being taught under supervision to practice or to improve their skills in group, joint,
 1047 family, or individual counseling; (ii) to defend itself or its employees or staff against any accusation of
 1048 wrongful conduct; (iii) in the discharge of the duty, in accordance with subsection B of § 54.1-2400.1,
 1049 to take precautions to protect third parties from violent behavior or other serious harm; (iv) required in
 1050 the course of an investigation, audit, review, or proceeding regarding a health care entity's conduct by a
 1051 duly authorized law-enforcement, licensure, accreditation, or professional review entity; or (v) otherwise
 1052 required by law.

1053 E. Requests for copies of health records shall (i) be in writing, dated and signed by the requester; (ii)
 1054 identify the nature of the information requested; and (iii) include evidence of the authority of the
 1055 requester to receive such copies and identification of the person to whom the information is to be
 1056 disclosed. The health care entity shall accept a photocopy, facsimile, or other copy of the original signed
 1057 by the requestor as if it were an original. Within 15 days of receipt of a request for copies of health
 1058 records, the health care entity shall do one of the following: (i) furnish such copies to any requester
 1059 authorized to receive them; (ii) inform the requester if the information does not exist or cannot be
 1060 found; (iii) if the health care entity does not maintain a record of the information, so inform the
 1061 requester and provide the name and address, if known, of the health care entity who maintains the
 1062 record; or (iv) deny the request (a) under subsection F, (b) on the grounds that the requester has not
 1063 established his authority to receive such health records or proof of his identity, or (c) as otherwise
 1064 provided by law. Procedures set forth in this section shall apply only to requests for health records not
 1065 specifically governed by other provisions of state law.

1066 F. Except as provided in subsection B of § 8.01-413, copies of an individual's health records shall
 1067 not be furnished to such individual or anyone authorized to act on the individual's behalf when the
 1068 individual's treating physician or the individual's treating clinical psychologist has made a part of the
 1069 individual's record a written statement that, in the exercise of his professional judgment, the furnishing
 1070 to or review by the individual of such health records would be reasonably likely to endanger the life or
 1071 physical safety of the individual or another person, or that such health record makes reference to a
 1072 person other than a health care provider and the access requested would be reasonably likely to cause
 1073 substantial harm to such referenced person. If any health care entity denies a request for copies of health
 1074 records based on such statement, the health care entity shall inform the individual of the individual's
 1075 right to designate, in writing, at his own expense, another reviewing physician or clinical psychologist,
 1076 whose licensure, training and experience relative to the individual's condition are at least equivalent to
 1077 that of the physician or clinical psychologist upon whose opinion the denial is based. The designated
 1078 reviewing physician or clinical psychologist shall make a judgment as to whether to make the health
 1079 record available to the individual.

1080 The health care entity denying the request shall also inform the individual of the individual's right to
 1081 request in writing that such health care entity designate, at its own expense, a physician or clinical
 1082 psychologist, whose licensure, training, and experience relative to the individual's condition are at least
 1083 equivalent to that of the physician or clinical psychologist upon whose professional judgment the denial
 1084 is based and who did not participate in the original decision to deny the health records, who shall make
 1085 a judgment as to whether to make the health record available to the individual. The health care entity
 1086 shall comply with the judgment of the reviewing physician or clinical psychologist. The health care
 1087 entity shall permit copying and examination of the health record by such other physician or clinical
 1088 psychologist designated by either the individual at his own expense or by the health care entity at its
 1089 expense.

1090 Any health record copied for review by any such designated physician or clinical psychologist shall
 1091 be accompanied by a statement from the custodian of the health record that the individual's treating
 1092 physician or clinical psychologist determined that the individual's review of his health record would be
 1093 reasonably likely to endanger the life or physical safety of the individual or would be reasonably likely
 1094 to cause substantial harm to a person referenced in the health record who is not a health care provider.

1095 Further, nothing herein shall be construed as giving, or interpreted to bestow the right to receive
 1096 copies of, or otherwise obtain access to, psychotherapy notes to any individual or any person authorized
 1097 to act on his behalf.

1098 G. A written authorization to allow release of an individual's health records shall substantially include
 1099 the following information:

- 1100 AUTHORIZATION TO RELEASE CONFIDENTIAL HEALTH RECORDS
- 1101 Individual's Name

1106 Purpose of Disclosure or at the Request of the Individual

1107 As the person signing this authorization, I understand that I am giving

1108 my permission to the above-named health care entity for disclosure of

1109 confidential health records. I understand that the health care entity

1110 may not condition treatment or payment on my willingness to sign this

1111 authorization unless the specific circumstances under which such

1112 conditioning is permitted by law are applicable and are set forth in

1113 this authorization. I also understand that I have the right to revoke

1114 This authorization at any time, but that my revocation is not effective

1115 until delivered in writing to the person who is in possession of my

1116 health records and is not effective as to health records already

1117 disclosed under this authorization. A copy of this authorization and a

1118 notation concerning the persons or agencies to whom disclosure was made

1119 shall be included with my original health records. I understand that

1120 health information disclosed under this authorization might be

1121 redisclosed by a recipient and may, as a result of such disclosure, no

1122 longer be protected to the same extent as such health information was

1123 protected by law while solely in the possession of the health care

1124 entity.

1125 This authorization expires on (date) or (event)

1130 H. Pursuant to this subsection:

1131 1. Unless excepted from these provisions in subdivision 9, no party to a civil, criminal or

1132 administrative action or proceeding shall request the issuance of a subpoena duces tecum for another

1133 party's health records or cause a subpoena duces tecum to be issued by an attorney unless a copy of the

1134 request for the subpoena or a copy of the attorney-issued subpoena is provided to the other party's

1135 counsel or to the other party if pro se, simultaneously with filing the request or issuance of the

1136 subpoena. No party to an action or proceeding shall request or cause the issuance of a subpoena duces

1137 tecum for the health records of a nonparty witness unless a copy of the request for the subpoena or a

1138 copy of the attorney-issued subpoena is provided to the nonparty witness simultaneously with filing the

1139 request or issuance of the attorney-issued subpoena.

1140 No subpoena duces tecum for health records shall set a return date earlier than 15 days from the date

1141 of the subpoena except by order of a court or administrative agency for good cause shown. When a

1142 court or administrative agency directs that health records be disclosed pursuant to a subpoena duces

1143 tecum earlier than 15 days from the date of the subpoena, a copy of the order shall accompany the

1144 subpoena.

1145 Any party requesting a subpoena duces tecum for health records or on whose behalf the subpoena

1146 duces tecum is being issued shall have the duty to determine whether the individual whose health

1147 records are being sought is pro se or a nonparty.

1148 In instances where health records being subpoenaed are those of a pro se party or nonparty witness,

1149 the party requesting or issuing the subpoena shall deliver to the pro se party or nonparty witness

1150 together with the copy of the request for subpoena, or a copy of the subpoena in the case of an

1151 attorney-issued subpoena, a statement informing them of their rights and remedies. The statement shall

1152 include the following language and the heading shall be in boldface capital letters:

1153 NOTICE TO INDIVIDUAL

1154 The attached document means that (insert name of party requesting or causing issuance of the

1155 subpoena) has either asked the court or administrative agency to issue a subpoena or a subpoena has

1156 been issued by the other party's attorney to your doctor, other health care providers (names of health

1157 care providers inserted here) or other health care entity (name of health care entity to be inserted here)

1158 requiring them to produce your health records. Your doctor, other health care provider or other health

1159 care entity is required to respond by providing a copy of your health records. If you believe your health

1160 records should not be disclosed and object to their disclosure, you have the right to file a motion with

1161 the clerk of the court or the administrative agency to quash the subpoena. If you elect to file a motion

1162 to quash, such motion must be filed within 15 days of the date of the request or of the attorney-issued

1163 subpoena. You may contact the clerk's office or the administrative agency to determine the requirements

1164 that must be satisfied when filing a motion to quash and you may elect to contact an attorney to
1165 represent your interest. If you elect to file a motion to quash, you must notify your doctor, other health
1166 care provider(s), or other health care entity, that you are filing the motion so that the health care
1167 provider or health care entity knows to send the health records to the clerk of court or administrative
1168 agency in a sealed envelope or package for safekeeping while your motion is decided.

1169 2. Any party filing a request for a subpoena duces tecum or causing such a subpoena to be issued
1170 for an individual's health records shall include a Notice in the same part of the request in which the
1171 recipient of the subpoena duces tecum is directed where and when to return the health records. Such
1172 notice shall be in boldface capital letters and shall include the following language:

1173 NOTICE TO HEALTH CARE ENTITIES

1174 A COPY OF THIS SUBPOENA DUCES TECUM HAS BEEN PROVIDED TO THE INDIVIDUAL
1175 WHOSE HEALTH RECORDS ARE BEING REQUESTED OR HIS COUNSEL. YOU OR THAT
1176 INDIVIDUAL HAS THE RIGHT TO FILE A MOTION TO QUASH (OBJECT TO) THE ATTACHED
1177 SUBPOENA. IF YOU ELECT TO FILE A MOTION TO QUASH, YOU MUST FILE THE MOTION
1178 WITHIN 15 DAYS OF THE DATE OF THIS SUBPOENA.

1179 YOU MUST NOT RESPOND TO THIS SUBPOENA UNTIL YOU HAVE RECEIVED WRITTEN
1180 CERTIFICATION FROM THE PARTY ON WHOSE BEHALF THE SUBPOENA WAS ISSUED
1181 THAT THE TIME FOR FILING A MOTION TO QUASH HAS ELAPSED AND THAT:

1182 NO MOTION TO QUASH WAS FILED; OR

1183 ANY MOTION TO QUASH HAS BEEN RESOLVED BY THE COURT OR THE
1184 ADMINISTRATIVE AGENCY AND THE DISCLOSURES SOUGHT ARE CONSISTENT WITH
1185 SUCH RESOLUTION.

1186 IF YOU RECEIVE NOTICE THAT THE INDIVIDUAL WHOSE HEALTH RECORDS ARE
1187 BEING REQUESTED HAS FILED A MOTION TO QUASH THIS SUBPOENA, OR IF YOU FILE A
1188 MOTION TO QUASH THIS SUBPOENA, YOU MUST SEND THE HEALTH RECORDS ONLY TO
1189 THE CLERK OF THE COURT OR ADMINISTRATIVE AGENCY THAT ISSUED THE SUBPOENA
1190 OR IN WHICH THE ACTION IS PENDING AS SHOWN ON THE SUBPOENA USING THE
1191 FOLLOWING PROCEDURE:

1192 PLACE THE HEALTH RECORDS IN A SEALED ENVELOPE AND ATTACH TO THE SEALED
1193 ENVELOPE A COVER LETTER TO THE CLERK OF COURT OR ADMINISTRATIVE AGENCY
1194 WHICH STATES THAT CONFIDENTIAL HEALTH RECORDS ARE ENCLOSED AND ARE TO BE
1195 HELD UNDER SEAL PENDING A RULING ON THE MOTION TO QUASH THE SUBPOENA.
1196 THE SEALED ENVELOPE AND THE COVER LETTER SHALL BE PLACED IN AN OUTER
1197 ENVELOPE OR PACKAGE FOR TRANSMITTAL TO THE COURT OR ADMINISTRATIVE
1198 AGENCY.

1199 3. Upon receiving a valid subpoena duces tecum for health records, health care entities shall have the
1200 duty to respond to the subpoena in accordance with the provisions of subdivisions 4, 5, 6, 7, and 8.

1201 4. Except to deliver to a clerk of the court or administrative agency subpoenaed health records in a
1202 sealed envelope as set forth, health care entities shall not respond to a subpoena duces tecum for such
1203 health records until they have received a certification as set forth in subdivision 5 or 8 from the party on
1204 whose behalf the subpoena duces tecum was issued.

1205 If the health care entity has actual receipt of notice that a motion to quash the subpoena has been
1206 filed or if the health care entity files a motion to quash the subpoena for health records, then the health
1207 care entity shall produce the health records, in a securely sealed envelope, to the clerk of the court or
1208 administrative agency issuing the subpoena or in whose court or administrative agency the action is
1209 pending. The court or administrative agency shall place the health records under seal until a
1210 determination is made regarding the motion to quash. The securely sealed envelope shall only be opened
1211 on order of the judge or administrative agency. In the event the court or administrative agency grants
1212 the motion to quash, the health records shall be returned to the health care entity in the same sealed
1213 envelope in which they were delivered to the court or administrative agency. In the event that a judge or
1214 administrative agency orders the sealed envelope to be opened to review the health records in camera, a
1215 copy of the order shall accompany any health records returned to the health care entity. The health
1216 records returned to the health care entity shall be in a securely sealed envelope.

1217 5. If no motion to quash is filed within 15 days of the date of the request or of the attorney-issued
1218 subpoena, the party on whose behalf the subpoena was issued shall have the duty to certify to the
1219 subpoenaed health care entity that the time for filing a motion to quash has elapsed and that no motion
1220 to quash was filed. Any health care entity receiving such certification shall have the duty to comply
1221 with the subpoena duces tecum by returning the specified health records by either the return date on the
1222 subpoena or five days after receipt of the certification, whichever is later.

1223 6. In the event that the individual whose health records are being sought files a motion to quash the
1224 subpoena, the court or administrative agency shall decide whether good cause has been shown by the
1225 discovering party to compel disclosure of the individual's health records over the individual's objections.

1226 In determining whether good cause has been shown, the court or administrative agency shall consider (i)
1227 the particular purpose for which the information was collected; (ii) the degree to which the disclosure of
1228 the records would embarrass, injure, or invade the privacy of the individual; (iii) the effect of the
1229 disclosure on the individual's future health care; (iv) the importance of the information to the lawsuit or
1230 proceeding; and (v) any other relevant factor.

1231 7. Concurrent with the court or administrative agency's resolution of a motion to quash, if
1232 subpoenaed health records have been submitted by a health care entity to the court or administrative
1233 agency in a sealed envelope, the court or administrative agency shall: (i) upon determining that no
1234 submitted health records should be disclosed, return all submitted health records to the health care entity
1235 in a sealed envelope; (ii) upon determining that all submitted health records should be disclosed, provide
1236 all the submitted health records to the party on whose behalf the subpoena was issued; or (iii) upon
1237 determining that only a portion of the submitted health records should be disclosed, provide such portion
1238 to the party on whose behalf the subpoena was issued and return the remaining health records to the
1239 health care entity in a sealed envelope.

1240 8. Following the court or administrative agency's resolution of a motion to quash, the party on whose
1241 behalf the subpoena duces tecum was issued shall have the duty to certify in writing to the subpoenaed
1242 health care entity a statement of one of the following:

1243 a. All filed motions to quash have been resolved by the court or administrative agency and the
1244 disclosures sought in the subpoena duces tecum are consistent with such resolution; and, therefore, the
1245 health records previously delivered in a sealed envelope to the clerk of the court or administrative
1246 agency will not be returned to the health care entity;

1247 b. All filed motions to quash have been resolved by the court or administrative agency and the
1248 disclosures sought in the subpoena duces tecum are consistent with such resolution and that, since no
1249 health records have previously been delivered to the court or administrative agency by the health care
1250 entity, the health care entity shall comply with the subpoena duces tecum by returning the health records
1251 designated in the subpoena by the return date on the subpoena or five days after receipt of certification,
1252 whichever is later;

1253 c. All filed motions to quash have been resolved by the court or administrative agency and the
1254 disclosures sought in the subpoena duces tecum are not consistent with such resolution; therefore, no
1255 health records shall be disclosed and all health records previously delivered in a sealed envelope to the
1256 clerk of the court or administrative agency will be returned to the health care entity;

1257 d. All filed motions to quash have been resolved by the court or administrative agency and the
1258 disclosures sought in the subpoena duces tecum are not consistent with such resolution and that only
1259 limited disclosure has been authorized. The certification shall state that only the portion of the health
1260 records as set forth in the certification, consistent with the court or administrative agency's ruling, shall
1261 be disclosed. The certification shall also state that health records that were previously delivered to the
1262 court or administrative agency for which disclosure has been authorized will not be returned to the
1263 health care entity; however, all health records for which disclosure has not been authorized will be
1264 returned to the health care entity; or

1265 e. All filed motions to quash have been resolved by the court or administrative agency and the
1266 disclosures sought in the subpoena duces tecum are not consistent with such resolution and, since no
1267 health records have previously been delivered to the court or administrative agency by the health care
1268 entity, the health care entity shall return only those health records specified in the certification,
1269 consistent with the court or administrative agency's ruling, by the return date on the subpoena or five
1270 days after receipt of the certification, whichever is later.

1271 A copy of the court or administrative agency's ruling shall accompany any certification made
1272 pursuant to this subdivision.

1273 9. The provisions of this subsection have no application to subpoenas for health records requested
1274 under § 8.01-413, or issued by a duly authorized administrative agency conducting an investigation,
1275 audit, review or proceedings regarding a health care entity's conduct.

1276 The provisions of this subsection shall apply to subpoenas for the health records of both minors and
1277 adults.

1278 Nothing in this subsection shall have any effect on the existing authority of a court or administrative
1279 agency to issue a protective order regarding health records, including, but not limited to, ordering the
1280 return of health records to a health care entity, after the period for filing a motion to quash has passed.

1281 A subpoena for substance abuse records must conform to the requirements of federal law found in 42
1282 C.F.R. Part 2, Subpart E.

1283 I. Health care entities may testify about the health records of an individual in compliance with
1284 §§ 8.01-399 and 8.01-400.2.

1285 J. If an individual requests a copy of his health record from a health care entity, the health care
1286 entity may impose a reasonable cost-based fee, which shall include only the cost of supplies for and

1287 labor of copying the requested information, postage when the individual requests that such information
1288 be mailed, and preparation of an explanation or summary of such information as agreed to by the
1289 individual. For the purposes of this section, "individual" shall subsume a person with authority to act on
1290 behalf of the individual who is the subject of the health record in making decisions related to his health
1291 care.

1292 § 32.1-283. Investigation of deaths; obtaining consent to removal of organs, etc.; fees.

1293 A. Upon the death of any person from trauma, injury, violence, poisoning, accident, suicide or
1294 homicide, or suddenly when in apparent good health, or when unattended by a physician, or in jail,
1295 prison, other correctional institution or in police custody, or who is a patient or resident of a state
1296 mental health or mental retardation facility, or suddenly as an apparent result of fire, or in any
1297 suspicious, unusual or unnatural manner, or the sudden death of any infant less than eighteen months of
1298 age whose death is suspected to be attributable to Sudden Infant Death Syndrome (SIDS), the medical
1299 examiner of the county or city in which death occurs shall be notified by the physician in attendance,
1300 hospital, law-enforcement officer, funeral director or any other person having knowledge of such death.
1301 Good faith efforts shall be made by such person or institution having custody of the dead body to
1302 identify and to notify the next of kin of the decedent. Notification shall include informing the person
1303 presumed to be the next of kin that he has a right to have identification of the decedent confirmed
1304 without due delay and without being held financially responsible for any procedures performed for the
1305 purpose of the identification. Identity of the next of kin, if determined, shall be provided to the Chief
1306 Medical Examiner upon transfer of the dead body.

1307 B. Upon being notified of a death as provided in subsection A, the medical examiner shall take
1308 charge of the dead body, make an investigation into the cause and manner of death, reduce his findings
1309 to writing, and promptly make a full report to the Chief Medical Examiner. In order to facilitate his
1310 investigation, the medical examiner is authorized to inspect and copy the pertinent medical records of
1311 the decedent whose death he is investigating. Full directions as to the nature, character and extent of the
1312 investigation to be made in such cases shall be furnished each medical examiner by the Chief Medical
1313 Examiner, together with appropriate forms for the required reports and instructions for their use. The
1314 facilities and personnel under the Chief Medical Examiner shall be made available to medical examiners
1315 in such investigations. Reports and findings of the Medical Examiner shall be confidential and shall not
1316 under any circumstance be disclosed or made available for discovery pursuant to a court subpoena or
1317 otherwise, except as provided in this chapter. Nothing in this subsection shall prohibit the Chief Medical
1318 Examiner from releasing the cause or manner of death, or prohibit disclosure of reports or findings to
1319 the parties in a criminal case.

1320 C. A copy of each report pursuant to this section shall be delivered to the appropriate attorney for
1321 the Commonwealth and to the appropriate law-enforcement agency investigating the death. A copy of
1322 any such report regarding the death of a victim of a traffic accident shall be furnished upon request to
1323 the State Police and the Highway Safety Commission. In addition, a copy of any autopsy report
1324 concerning a patient or resident of a state mental health or mental retardation facility shall be delivered
1325 to the Commissioner of Behavioral Health and Developmental Services and to the *State* Inspector
1326 General for Behavioral Health and Developmental Services. A copy of any autopsy report concerning a
1327 prisoner committed to the custody of the Director of the Department of Corrections shall, upon request
1328 of the Director of the Department of Corrections, be delivered to the Director of the Department of
1329 Corrections. A copy of any autopsy report concerning a prisoner committed to any local correctional
1330 facility shall be delivered to the local sheriff or superintendent. Upon request, the Chief Medical
1331 Examiner shall release such autopsy report to the decedent's attending physician and to the personal
1332 representative or executor of the decedent or, if no personal representative or executor is appointed, then
1333 at the discretion of the Chief Medical Examiner, to the following persons in the following order of
1334 priority: (i) the spouse of the decedent, (ii) an adult son or daughter of the decedent, (iii) either parent
1335 of the decedent, (iv) an adult sibling of the decedent, (v) any other adult relative of the decedent in
1336 order of blood relationship, or (vi) any appropriate health facility quality assurance program.

1337 D. For each investigation under this article, including the making of the required reports, the medical
1338 examiner shall receive a fee established by the Board within the limitations of appropriations for the
1339 purpose. Such fee shall be paid by the Commonwealth, if the deceased is not a legal resident of the
1340 county or city in which his death occurred. In the event the deceased is a legal resident of the county or
1341 city in which his death occurred, such county or city shall be responsible for the fee up to \$20. If the
1342 deceased is a patient or resident of a state mental health or mental retardation facility, the fee shall be
1343 paid by the Department of Behavioral Health and Developmental Services.

1344 E. Nothing herein shall be construed to interfere with the autopsy procedure or with the routine
1345 obtaining of consent for removal of organs as conducted by surgical teams or others.

1346 § 58.1-202.2. Public-private partnerships; Public Private Partnership Oversight Committee.

1347 A. The Tax Commissioner is hereby authorized through the Department of General Services in
1348 accordance with the Virginia Public Procurement Act to enter into public-private partnership contracts to

1349 finance agency technology needs. The Tax Commissioner may issue a request for information to seek
 1350 out potential private partners interested in providing programs pursuant to an agreement under this
 1351 section. The compensation for such services shall be computed with reference to and paid from the
 1352 increased revenue attributable to the successful implementation of the technology program for the period
 1353 specified in the contract.

1354 B. The Public Private Partnership Oversight Committee, hereinafter referred to as the "Committee" is
 1355 established as an advisory committee in the executive branch of state government to review and approve
 1356 the terms of contracts under this section relating to the measurement of the revenue attributable to the
 1357 technology program. The Committee shall consist of five members as follows: one legislative employee
 1358 appointed by the Senate Committee on Rules after the consideration of the recommendation of the
 1359 President pro tempore of the Senate, if any; one legislative employee appointed by the Speaker of the
 1360 House of Delegates; and the State Comptroller, the Director of the Department of Planning and Budget,
 1361 and the State ~~Internal Auditor~~ *Inspector General*, as ex officio voting members. All members shall be
 1362 citizens of the Commonwealth.

1363 Ex officio members shall serve terms coincident with their terms of office. Legislative employee
 1364 members shall be appointed for a term of two years and may be reappointed for successive terms.
