10	Be it enacted by the General Assembly of Virginia:
11	1. That § 37.2-500 of the Code of Virginia is amended and reenacted as follows:
12	§ 37.2-500. Purpose; community services board; services to be provided.
13	The Department, for the purposes of establishing, maintaining, and promoting the development of
14	mental health, mental retardation, and substance abuse services in the Commonwealth, may provide
15	funds to assist any city or county or any combinations of cities or counties or cities and counties in the
16	provision of these services. Every county or city shall establish a community services board by itself or
17	in any combination with other cities and counties, unless it establishes a behavioral health authority
18	pursuant to Chapter 6 (§ 37.2-600 et seq.) of this title. Every county or city or any combination of cities
19	and counties that has established a community services board, in consultation with that board, shall
20	designate it as an operating community services board, an administrative policy community services
21	board or a local government department with a policy-advisory community services board. The
22	governing body of each city or county that established the community services board may change this
23	designation at any time by ordinance. In the case of a community services board established by more
24	than one city or county, the decision to change this designation shall be the unanimous decision of all
25	governing bodies.
26 27	The core of services provided by community services boards within the cities and counties that they
27 28	serve shall include emergency services and, subject to the availability of funds appropriated for them,
28 29	case management services. The core of services may include a comprehensive system of inpatient, outpatient, day support, residential, prevention, early intervention, and other appropriate mental health,
29 30	mental retardation, and substance abuse services necessary to provide individualized services and
30 31	supports to persons with mental illnesses, mental retardation, or substance abuse.
51	supports to persons with mental milesses, mental related ton, or substance abuse.

Every community services board shall provide to any person seeking substance abuse treatment
 services through the community services board, information about the full range of substance abuse
 treatment services, including medication assisted treatment, that are available through the community
 services board or other service providers in the community, and that are appropriate for a person
 seeking substance abuse treatment services.

In order to provide comprehensive mental health, mental retardation, and substance abuse services
within a continuum of care, the community services board shall function as the single point of entry into
publicly funded mental health, mental retardation, and substance abuse services.
