SENATE BILL NO. 753

Offered January 12, 2011

Prefiled November 17, 2010

A BILL to amend and reenact §§ 58.1-3701 and 58.1-3703.1 of the Code of Virginia, relating to the administrative appeals and advisory opinions processes for the local BPOL tax.

Patrons—Saslaw; Delegate: Landes

Referred to Committee on Finance

Be it enacted by the General Assembly of Virginia:

1. That §§ 58.1-3701 and 58.1-3703.1 of the Code of Virginia are amended and reenacted as follows:

§ 58.1-3701. Department to promulgate guidelines.

The Department of Taxation shall promulgate guidelines for the use of local governments in administering the taxes imposed under the authority of this chapter. In preparing such guidelines, the Department shall not be subject to the provisions of the Administrative Process Act (§ 2.2-4000 et seq.) for guidelines promulgated on or before July 1, 2001, but shall cooperate with and seek the counsel of local officials and interested groups and shall not promulgate such guidelines without first conducting a public hearing. Such guidelines shall be updated during the 1994 taxable year and available for distribution to local governments on July 1, 1995. Thereafter, the guidelines shall be updated triennially. After July 1, 2001, the guidelines shall be subject to the Administrative Process Act and accorded the weight of a regulation under § 58.1-205.

The Tax Commissioner shall have the authority to issue advisory written opinions in specific cases to interpret the provisions of this chapter and the guidelines issued pursuant to this section; however, the Tax Commissioner shall not be required to interpret any local ordinance. *The Tax Commissioner shall issue the advisory written opinion within 90 days of receipt of the opinion request, unless the requester of the opinion is notified that a longer period will be required. The Tax Commissioner shall notify the requester of the reason necessitating the longer period of time, and such longer period of time shall not exceed 90 days from the date of such notice with no additional extension of time allowed.* The guidelines and opinions issued pursuant to this section shall not be applicable as an interpretation of any other tax law.

§ 58.1-3703.1. Uniform ordinance provisions.

A. Every ordinance levying a license tax pursuant to this chapter shall include provisions substantially similar to this subsection. As they apply to license taxes, the provisions required by this section shall override any limitations or requirements in Chapter 39 (§ 58.1-3900 et seq.) of this title to the extent that they are in conflict.

1. License requirement. Every person shall apply for a license for each business or profession when engaging in a business in this jurisdiction if (i) the person has a definite place of business in this jurisdiction; (ii) there is no definite place of business anywhere and the person resides in this jurisdiction; or (iii) there is no definite place of business in this jurisdiction but the person operates amusement machines or is classified as an itinerant merchant, peddler, carnival, circus, contractor subject to § 58.1-3715, or public service corporation. A separate license shall be required for each definite place of business and for each business. A person engaged in two or more businesses or professions carried on at the same place of business may elect to obtain one license for all such businesses and professions if all of the following criteria are satisfied: (a) each business or profession is subject to licensure at the location and has satisfied any requirements imposed by state law or other provisions of the ordinances of this jurisdiction; (b) all of the businesses or professions are subject to the same tax rate, or, if subject to different tax rates, the licensee agrees to be taxed on all businesses and professions at the highest rate; and (c) the taxpayer agrees to supply such information as the assessor may require concerning the nature of the several businesses and their gross receipts.

Notwithstanding the foregoing, the governing body of any county, city or town with a population greater than 50,000 may waive the license requirements provided herein for businesses with gross receipts of less than \$100,000.

2. Due dates and penalties.

a. Each person subject to a license tax shall apply for a license prior to beginning business if he was not subject to licensure in this jurisdiction on or before January 1 of the license year, or no later than March 1 of the license year if he had been issued a license for the preceding year. Any locality is authorized to adopt a later application date that is on or before May 1 of the license year. The

59 application shall be on forms prescribed by the assessing official.

60 b. The tax shall be paid with the application in the case of any license not based on gross receipts. If
61 the tax is measured by the gross receipts of the business, the tax shall be paid on or before the locality's
62 fixed due date for filing license applications or a later date, including installment payment dates, or 30
63 or more days after beginning business, at the locality's option.

64 c. The assessing official may grant an extension of time in which to file an application for a license,
65 for reasonable cause. The extension may be conditioned upon the timely payment of a reasonable
66 estimate of the appropriate tax; the tax is then subject to adjustment to the correct tax at the end of the
67 extension, together with interest from the due date until the date paid and, if the estimate submitted with
68 the extension is found to be unreasonable under the circumstances, with a penalty of 10 percent of the
69 portion paid after the due date.

70 d. A penalty of 10 percent of the tax may be imposed upon the failure to file an application or the
71 failure to pay the tax by the appropriate due date. Only the late filing penalty shall be imposed by the
72 assessing official if both the application and payment are late; however, both penalties may be assessed
73 if the assessing official determines that the taxpayer has a history of noncompliance. In the case of an
74 assessment of additional tax made by the assessing official, if the application and, if applicable, the
75 return were made in good faith and the understatement of the tax was not due to any fraud, reckless or
76 intentional disregard of the law by the taxpayer, there shall be no late payment penalty assessed with the
77 additional tax. If any assessment of tax by the assessing official is not paid within 30 days, the treasurer
78 or other collecting official may impose a 10 percent late payment penalty. If the failure to file or pay
79 was not the fault of the taxpayer, the penalties shall not be imposed, or if imposed, shall be abated by
80 the official who assessed them. In order to demonstrate lack of fault, the taxpayer must show that he
81 acted responsibly and that the failure was due to events beyond his control.

82 "Acted responsibly" means that: (i) the taxpayer exercised the level of reasonable care that a prudent
83 person would exercise under the circumstances in determining the filing obligations for the business and
84 (ii) the taxpayer undertook significant steps to avoid or mitigate the failure, such as requesting
85 appropriate extensions (where applicable), attempting to prevent a foreseeable impediment, acting to
86 remove an impediment once it occurred, and promptly rectifying a failure once the impediment was
87 removed or the failure discovered.

88 "Events beyond the taxpayer's control" include, but are not limited to, the unavailability of records
89 due to fire or other casualty; the unavoidable absence (e.g., due to death or serious illness) of the person
90 with the sole responsibility for tax compliance; or the taxpayer's reasonable reliance in good faith upon
91 erroneous written information from the assessing official who was aware of the relevant facts relating to
92 the taxpayer's business when he provided the erroneous information.

93 e. Interest shall be charged on the late payment of the tax from the due date until the date paid
94 without regard to fault or other reason for the late payment. Whenever an assessment of additional or
95 omitted tax by the assessing official is found to be erroneous, all interest and any penalties charged and
96 collected on the amount of the assessment found to be erroneous shall be refunded together with interest
97 on the refund from the date of payment or the due date, whichever is later. Interest shall be paid on the
98 refund of any BPOL tax from the date of payment or due date, whichever is later, whether attributable
99 to an amended return or other reason. Interest on any refund shall be paid at the same rate charged
100 under § 58.1-3916.

101 No interest shall accrue on an adjustment of estimated tax liability to actual liability at the conclusion
102 of a base year. No interest shall be paid on a refund or charged on a late payment, provided the refund
103 or the late payment is made not more than 30 days from the date of the payment that created the refund
104 or the due date of the tax, whichever is later.

105 3. Situs of gross receipts.

106 a. General rule. Whenever the tax imposed by this ordinance is measured by gross receipts, the gross
107 receipts included in the taxable measure shall be only those gross receipts attributed to the exercise of a
108 privilege subject to licensure at a definite place of business within this jurisdiction. In the case of
109 activities conducted outside of a definite place of business, such as during a visit to a customer location,
110 the gross receipts shall be attributed to the definite place of business from which such activities are
111 initiated, directed, or controlled. The situs of gross receipts for different classifications of business shall
112 be attributed to one or more definite places of business or offices as follows:

113 (1) The gross receipts of a contractor shall be attributed to the definite place of business at which his
114 services are performed, or if his services are not performed at any definite place of business, then the
115 definite place of business from which his services are directed or controlled, unless the contractor is
116 subject to the provisions of § 58.1-3715;

117 (2) The gross receipts of a retailer or wholesaler shall be attributed to the definite place of business
118 at which sales solicitation activities occur, or if sales solicitation activities do not occur at any definite
119 place of business, then the definite place of business from which sales solicitation activities are directed
120 or controlled; however, a wholesaler or distribution house subject to a license tax measured by purchases

shall determine the situs of its purchases by the definite place of business at which or from which deliveries of the purchased goods, wares and merchandise are made to customers. Any wholesaler who is subject to license tax in two or more localities and who is subject to multiple taxation because the localities use different measures, may apply to the Department of Taxation for a determination as to the proper measure of purchases and gross receipts subject to license tax in each locality;

(3) The gross receipts of a business renting tangible personal property shall be attributed to the definite place of business from which the tangible personal property is rented or, if the property is not rented from any definite place of business, then to the definite place of business at which the rental of such property is managed; and

(4) The gross receipts from the performance of services shall be attributed to the definite place of business at which the services are performed or, if not performed at any definite place of business, then to the definite place of business from which the services are directed or controlled.

b. Apportionment. If the licensee has more than one definite place of business and it is impractical or impossible to determine to which definite place of business gross receipts should be attributed under the general rule, the gross receipts of the business shall be apportioned between the definite places of businesses on the basis of payroll. Gross receipts shall not be apportioned to a definite place of business unless some activities under the applicable general rule occurred at, or were controlled from, such definite place of business. Gross receipts attributable to a definite place of business in another jurisdiction shall not be attributed to this jurisdiction solely because the other jurisdiction does not impose a tax on the gross receipts attributable to the definite place of business in such other jurisdiction.

c. Agreements. The assessor may enter into agreements with any other political subdivision of Virginia concerning the manner in which gross receipts shall be apportioned among definite places of business. However, the sum of the gross receipts apportioned by the agreement shall not exceed the total gross receipts attributable to all of the definite places of business affected by the agreement. Upon being notified by a taxpayer that its method of attributing gross receipts is fundamentally inconsistent with the method of one or more political subdivisions in which the taxpayer is licensed to engage in business and that the difference has, or is likely to, result in taxes on more than 100 percent of its gross receipts from all locations in the affected jurisdictions, the assessor shall make a good faith effort to reach an apportionment agreement with the other political subdivisions involved. If an agreement cannot be reached, either the assessor or taxpayer may seek an advisory opinion from the Department of Taxation pursuant to § 58.1-3701; notice of the request shall be given to the other party. Notwithstanding the provisions of § 58.1-3993, when a taxpayer has demonstrated to a court that two or more political subdivisions of Virginia have assessed taxes on gross receipts that may create a double assessment within the meaning of § 58.1-3986, the court shall enter such orders pending resolution of the litigation as may be necessary to ensure that the taxpayer is not required to pay multiple assessments even though it is not then known which assessment is correct and which is erroneous.

4. Limitations and extensions.

a. Where, before the expiration of the time prescribed for the assessment of any license tax imposed pursuant to this ordinance, both the assessing official and the taxpayer have consented in writing to its assessment after such time, the tax may be assessed at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

b. Notwithstanding § 58.1-3903, the assessing official shall assess the local license tax omitted because of fraud or failure to apply for a license for the current license year and the six preceding license years.

c. The period for collecting any local license tax shall not expire prior to the period specified in § 58.1-3940, two years after the date of assessment if the period for assessment has been extended pursuant to this subdivision of the ordinance, two years after the final determination of an appeal for which collection has been stayed pursuant to subdivision 5 b or 5 d of this ordinance, or two years after the final decision in a court application pursuant to § 58.1-3984 or a similar law for which collection has been stayed, whichever is later.

5. Administrative appeals to commissioner of the revenue or other assessing official.

a. Definitions. For purposes of this section:

"Amount in dispute," when used with respect to taxes due or assessed, means the amount specifically identified in the administrative appeal or application for judicial review as disputed by the party filing such appeal or application.

"Appealable event" means an increase in the assessment of a local license tax payable by a taxpayer, the denial of a refund, or the assessment of a local license tax where none previously was assessed, arising out of the local assessing official's (i) examination of records, financial statements, books of account, or other information for the purpose of determining the correctness of an assessment; (ii) determination regarding the rate or classification applicable to the licensable business; (iii) assessment of

182 a local license tax when no return has been filed by the taxpayer; or (iv) denial of an application for
183 correction of erroneous assessment attendant to the filing of an amended application for license.

184 "Frivolous" means a finding, based on specific facts, that the party asserting the appeal is unlikely to
185 prevail upon the merits because the appeal is (i) not well grounded in fact; (ii) not warranted by existing
186 law or a good faith argument for the extension, modification, or reversal of existing law; (iii) interposed
187 for an improper purpose, such as to harass, to cause unnecessary delay in the payment of tax or a
188 refund, or to create needless cost from the litigation; or (iv) otherwise frivolous.

189 "Jeopardized by delay" means a finding, based upon specific facts, that a taxpayer designs to (i)
190 depart quickly from the locality; (ii) remove his property therefrom; (iii) conceal himself or his property
191 therein; or (iv) do any other act tending to prejudice, or to render wholly or partially ineffectual,
192 proceedings to collect the tax for the period in question.

193 b. Filing and contents of administrative appeal. Any person assessed with a local license tax as a
194 result of an appealable event as defined in this section may file an administrative appeal of the
195 assessment within one year from the last day of the tax year for which such assessment is made, or
196 within one year from the date of the appealable event, whichever is later, with the commissioner of the
197 revenue or other local assessing official. The appeal must be filed in good faith and sufficiently identify
198 the taxpayer, the tax periods covered by the challenged assessments, the amount in dispute, the remedy
199 sought, each alleged error in the assessment, the grounds upon which the taxpayer relies, and any other
200 facts relevant to the taxpayer's contention. The assessor may hold a conference with the taxpayer if
201 requested by the taxpayer, or require submission of additional information and documents, an audit or
202 further audit, or other evidence deemed necessary for a proper and equitable determination of the appeal.
203 The assessment placed at issue in the appeal shall be deemed prima facie correct. The assessor shall
204 undertake a full review of the taxpayer's claims and issue a written determination to the taxpayer setting
205 forth the facts and arguments in support of his decision.

206 c. Notice of right of appeal and procedures. Every assessment made by a commissioner of the
207 revenue or other assessing official pursuant to an appealable event shall include or be accompanied by a
208 written explanation of the taxpayer's right to file an administrative appeal and the specific procedures to
209 be followed in the jurisdiction, the name and address to which the appeal should be directed, an
210 explanation of the required content of the appeal, and the deadline for filing the appeal.

211 d. Suspension of collection activity during appeal. Provided a timely and complete administrative
212 appeal is filed, collection activity with respect to the amount in dispute shall be suspended until a final
213 determination is issued by the commissioner of the revenue or other assessing official, unless the
214 treasurer or other official responsible for the collection of such tax (i) determines that collection would
215 be jeopardized by delay as defined in this section; (ii) is advised by the commissioner of the revenue or
216 other assessing official that the taxpayer has not responded to a request for relevant information after a
217 reasonable time; or (iii) is advised by the commissioner of the revenue or other assessing official that
218 the appeal is frivolous as defined in this section. Interest shall accrue in accordance with the provisions
219 of subdivision 2 e of this subsection, but no further penalty shall be imposed while collection action is
220 suspended.

221 e. Procedure in event of nondecision. Any taxpayer whose administrative appeal to the commissioner
222 of the revenue or other assessing official pursuant to the provisions of subdivision 5 of this subsection
223 has been pending for more than one year without the issuance of a final determination may, upon not
224 less than 30 days' written notice to the commissioner of the revenue or other assessing official, elect to
225 treat the appeal as denied and appeal the assessment to the Tax Commissioner in accordance with the
226 provisions of subdivision 6 of this subsection. The Tax Commissioner shall not consider an appeal filed
227 pursuant to the provisions of this subsection if he finds that the absence of a final determination on the
228 part of the commissioner of the revenue or other assessing official was caused by the willful failure or
229 refusal of the taxpayer to provide information requested and reasonably needed by the commissioner or
230 other assessing official to make his determination.

231 6. Administrative appeal to the Tax Commissioner.

232 a. Any person assessed with a local license tax as a result of a determination, upon an administrative
233 appeal to the commissioner of the revenue or other assessing official pursuant to subdivision 5 of this
234 subsection, that is adverse to the position asserted by the taxpayer in such appeal may appeal such
235 assessment to the Tax Commissioner within 90 days of the date of the determination by the
236 commissioner of the revenue or other assessing official. The appeal shall be in such form as the Tax
237 Commissioner may prescribe and the taxpayer shall serve a copy of the appeal upon the commissioner
238 of the revenue or other assessing official. The Tax Commissioner shall permit the commissioner of the
239 revenue or other assessing official to participate in the proceedings, and shall issue a determination to
240 the taxpayer within 90 days of receipt of the taxpayer's application, unless the taxpayer and the assessing
241 official are notified that a longer period will be required. *The Tax Commissioner shall notify the affected*
242 *parties of the reason necessitating the longer period of time, and such longer period of time shall not*
243 *exceed 90 days from the date of such notice with no additional extension of time allowed.* The appeal

shall proceed in the same manner as an application pursuant to § 58.1-1821, and the Tax Commissioner may issue an order correcting such assessment pursuant to § 58.1-1822.

Any request for reconsideration of the Tax Commissioner's determination or the provision of documentation for any adjustments to the same shall be submitted to the Tax Commissioner within 45 days of the date of such determination. No extension of time shall be allowed.

In ruling on a request for reconsideration, the Tax Commissioner shall be limited to reviewing matters of law, and the Tax Commissioner is hereby prohibited from considering any additional or revised facts during the reconsideration. The Tax Commissioner shall issue a ruling on the request for reconsideration or on any adjustments to the initial determination within 30 days of receipt of the request for reconsideration or the receipt of documentation for proposed adjustments. No extension of time shall be allowed.

For purposes of clause (c) of subsection A of § 58.1-3984, the Tax Commissioner shall clearly identify his final determination.

b. Suspension of collection activity during appeal. On receipt of a notice of intent to file an appeal to the Tax Commissioner under subdivision 6 a of this subsection, collection activity with respect to the amount in dispute shall be suspended until a final determination is issued by the Tax Commissioner, unless the treasurer or other official responsible for the collection of such tax (i) determines that collection would be jeopardized by delay as defined in this section; (ii) is advised by the commissioner of the revenue or other assessing official, or the Tax Commissioner, that the taxpayer has not responded to a request for relevant information after a reasonable time; or (iii) is advised by the commissioner of the revenue or other assessing official that the appeal is frivolous as defined in this section. Interest shall accrue in accordance with the provisions of subdivision 2 e of this subsection, but no further penalty shall be imposed while collection action is suspended. The requirement that collection activity be suspended shall cease unless an appeal pursuant to subdivision 6 a of this subsection is filed and served on the necessary parties within 30 days of the service of notice of intent to file such appeal.

c. Implementation of determination of Tax Commissioner. Promptly upon receipt of the final determination of the Tax Commissioner with respect to an appeal pursuant to subdivision 6 a of this subsection, the commissioner of the revenue or other assessing official shall take those steps necessary to calculate the amount of tax owed by or refund due to the taxpayer consistent with the Tax Commissioner's determination and shall provide that information to the taxpayer and to the treasurer or other official responsible for collection in accordance with the provisions of this subdivision.

(1) If the determination of the Tax Commissioner sets forth a specific amount of tax due, the commissioner of the revenue or other assessing official shall certify the amount to the treasurer or other official responsible for collection, and the treasurer or other official responsible for collection shall issue a bill to the taxpayer for such amount due, together with interest accrued and penalty, if any is authorized by this section, within 30 days of the date of the determination of the Tax Commissioner.

(2) If the determination of the Tax Commissioner sets forth a specific amount of refund due, the commissioner of the revenue or other assessing official shall certify the amount to the treasurer or other official responsible for collection, and the treasurer or other official responsible for collection shall issue a payment to the taxpayer for such amount due, together with interest accrued pursuant to this section, within 30 days of the date of the determination of the Tax Commissioner.

(3) If the determination of the Tax Commissioner does not set forth a specific amount of tax due, or otherwise requires the commissioner of the revenue or other assessing official to undertake a new or revised assessment that will result in an obligation to pay a tax that has not previously been paid in full, the commissioner of the revenue or other assessing official shall promptly commence the steps necessary to undertake such new or revised assessment, and provide the same to the taxpayer within 60 days of the date of the determination of the Tax Commissioner, or within 60 days after receipt from the taxpayer of any additional information requested or reasonably required under the determination of the Tax Commissioner, whichever is later. The commissioner of the revenue or other assessing official shall certify the new assessment to the treasurer or other official responsible for collection, and the treasurer or other official responsible for collection shall issue a bill to the taxpayer for the amount due, together with interest accrued and penalty, if any is authorized by this section, within 30 days of the date of the new assessment.

(4) If the determination of the Tax Commissioner does not set forth a specific amount of refund due, or otherwise requires the commissioner of the revenue or other assessing official to undertake a new or revised assessment that will result in an obligation on the part of the locality to make a refund of taxes previously paid, the commissioner of the revenue or other assessing official shall promptly commence the steps necessary to undertake such new or revised assessment, and provide the same to the taxpayer within 60 days of the date of the determination of the Tax Commissioner, or within 60 days after receipt from the taxpayer of any additional information requested or reasonably required under the determination of the Tax Commissioner, whichever is later. The commissioner of the revenue or other

305 assessing official shall certify the new assessment to the treasurer or other official responsible for
306 collection, and the treasurer or other official responsible for collection shall issue a refund to the
307 taxpayer for the amount of tax due, together with interest accrued, within 30 days of the date of the new
308 assessment.

309 7. Judicial review of determination of Tax Commissioner.

310 a. Judicial review. Following the issuance of a final determination of the Tax Commissioner pursuant
311 to subdivision 6 a of this subsection, the taxpayer or commissioner of the revenue or other assessing
312 official may apply to the appropriate circuit court for judicial review of the determination, or any part
313 thereof, pursuant to § 58.1-3984. In any such proceeding for judicial review of a determination of the
314 Tax Commissioner, the burden shall be on the party challenging the determination of the Tax
315 Commissioner, or any part thereof, to show that the ruling of the Tax Commissioner is erroneous with
316 respect to the part challenged. Neither the Tax Commissioner nor the Department of Taxation shall be
317 made a party to an application to correct an assessment merely because the Tax Commissioner has ruled
318 on it.

319 b. Suspension of payment of disputed amount of tax due upon taxpayer's notice of intent to initiate
320 judicial review.

321 (1) On receipt of a notice of intent to file an application for judicial review, pursuant to § 58.1-3984,
322 of a determination of the Tax Commissioner pursuant to subdivision 6 a of this subsection, and upon
323 payment of the amount of the tax that is not in dispute together with any penalty and interest then due
324 with respect to such undisputed portion of the tax, the treasurer or other collection official shall further
325 suspend collection activity while the court retains jurisdiction unless the court, upon appropriate motion
326 after notice and an opportunity to be heard, determines that (i) the taxpayer's application for judicial
327 review is frivolous, as defined in this section; (ii) collection would be jeopardized by delay, as defined
328 in this section; or (iii) suspension of collection would cause substantial economic hardship to the
329 locality. For purposes of determining whether substantial economic hardship to the locality would arise
330 from a suspension of collection activity, the court shall consider the cumulative effect of then-pending
331 appeals filed within the locality by different taxpayers that allege common claims or theories of relief.

332 (2) Upon a determination that the appeal is frivolous, that collection may be jeopardized by delay, or
333 that suspension of collection would result in substantial economic hardship to the locality, the court may
334 require the taxpayer to pay the amount in dispute or a portion thereof, or to provide surety for payment
335 of the amount in dispute in a form acceptable to the court.

336 (3) No suspension of collection activity shall be required if the application for judicial review fails to
337 identify with particularity the amount in dispute.

338 (4) The requirement that collection activity be suspended shall cease unless an application for judicial
339 review pursuant to § 58.1-3984 is filed and served on the necessary parties within 30 days of the service
340 of the notice of intent to file such application.

341 (5) The suspension of collection activity authorized by this subdivision shall not be applicable to any
342 appeal of a local license tax that is initiated by the direct filing of an action pursuant to § 58.1-3984
343 without prior exhaustion of the appeals provided by subdivisions 5 and 6 of this subsection.

344 c. Suspension of payment of disputed amount of refund due upon locality's notice of intent to initiate
345 judicial review.

346 (1) Payment of any refund determined to be due pursuant to the determination of the Tax
347 Commissioner of an appeal pursuant to subdivision 6 a of this subsection shall be suspended if the
348 locality assessing the tax serves upon the taxpayer, within 60 days of the date of the determination of
349 the Tax Commissioner, a notice of intent to file an application for judicial review of the Tax
350 Commissioner's determination pursuant to § 58.1-3984 and pays the amount of the refund not in dispute,
351 including tax and accrued interest. Payment of such refund shall remain suspended while the court
352 retains jurisdiction unless the court, upon appropriate motion after notice and an opportunity to be heard,
353 determines that the locality's application for judicial review is frivolous, as defined in this section.

354 (2) No suspension of refund activity shall be permitted if the locality's application for judicial review
355 fails to identify with particularity the amount in dispute.

356 (3) The suspension of the obligation to make a refund shall cease unless an application for judicial
357 review pursuant to § 58.1-3984 is filed and served on the necessary parties within 30 days of the service
358 of the notice of intent to file such application.

359 d. Accrual of interest on unpaid amount of tax. Interest shall accrue in accordance with the
360 provisions of subdivision 2 e of this subsection, but no further penalty shall be imposed while collection
361 action is suspended.

362 8. Rulings.

363 Any taxpayer or authorized representative of a taxpayer may request a written ruling regarding the
364 application of a local license tax to a specific situation from the commissioner of the revenue or other
365 assessing official. Any person requesting such a ruling must provide all facts relevant to the situation
366 placed at issue and may present a rationale for the basis of an interpretation of the law most favorable

367 to the taxpayer. Any misrepresentation or change in the applicable law or the factual situation as
368 presented in the ruling request shall invalidate any such ruling issued. A written ruling may be revoked
369 or amended prospectively if (i) there is a change in the law, a court decision, or the guidelines issued by
370 the Department of Taxation upon which the ruling was based or (ii) the assessor notifies the taxpayer of
371 a change in the policy or interpretation upon which the ruling was based. However, any person who acts
372 on a written ruling which later becomes invalid shall be deemed to have acted in good faith during the
373 period in which such ruling was in effect.

374 9. Record-keeping and audits. Every person who is assessable with a local license tax shall keep
375 sufficient records to enable the assessor to verify the correctness of the tax paid for the license years
376 assessable and to enable the assessor to ascertain what is the correct amount of tax that was assessable
377 for each of those years. All such records, books of accounts and other information shall be open to
378 inspection and examination by the assessor in order to allow the assessor to establish whether a
379 particular receipt is directly attributable to the taxable privilege exercised within this jurisdiction. The
380 assessor shall provide the taxpayer with the option to conduct the audit in the taxpayer's local business
381 office, if the records are maintained there. In the event the records are maintained outside this
382 jurisdiction, copies of the appropriate books and records shall be sent to the assessor's office upon
383 demand.

384 B. Transitional provisions.
