5. Summary: Claims-made liability insurance policies. Prohibits an insurer from denying coverage for a claim based on the insured's failure to notify the insurer that a claim might be made under a claims-made policy. An exception will be made if the insured's failure to notify the insurer prejudices the insurer, and if the insured understood that the claim would be made.

8. Fiscal implications: None on the State Corporation Commission

9. Specific agency or political subdivisions affected: State Corporation Commission Bureau of Insurance

10. Technical amendment necessary: No

11. Other comments: All policies have provisions requiring prompt notice of claims. These notice provisions help insurance companies adequately investigate claims. House Bill 2274 would appear to remove the prompt notice requirements under certain circumstances.
