4. Title: Carrying a handgun while under the influence of alcohol or drugs; penalty.

5. Summary: Creates a Class 1 misdemeanor for any person carrying a handgun in a public place while under the influence of alcohol or drugs and prohibits a person from obtaining a concealed handgun permit for five years following such a conviction. The prohibition applies regardless of whether the person is carrying the handgun openly or concealed with a concealed handgun permit. Current law makes it a Class 1 misdemeanor to carry a concealed handgun in a public place while under the influence of alcohol or drugs, but does not speak to openly carrying a handgun while under the influence.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary. See Item 8.

8. Fiscal Implications: Although insufficient data exists to determine the fiscal impact due to this proposal, the proposal could result in an increase in the jail population since Class 1 misdemeanor outcomes result in sentences of up to 12 months in jail (and a fine up to \$2,500). Any increase in jail population will increase costs to the state. The Commonwealth presently pays the localities \$4.00 a day for each misdemeanant or otherwise local responsible prisoner held in a jail. It also funds most of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's FY2009 Jail Cost Report (November 1, 2010), the estimated total state support for local and regional jails averaged \$33.01 per state inmate, per day in FY 2009.

9. Specific Agency or Political Subdivisions Affected: Law enforcement statewide, local and regional jails.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
