## CHAPTER 20

*An Act to amend and reenact §§ 54.1-2709, 54.1-2711.1, 54.1-2712, 54.1-2713, 54.1-2714, and 54.1-2725 of the Code of Virginia and to repeal § 54.1-2714.1 of the Code of Virginia, relating to licensure of dental faculty.*

[H 344]

Approved February 28, 2012

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 54.1-2709, 54.1-2711.1, 54.1-2712, 54.1-2713, 54.1-2714, and 54.1-2725 of the Code of Virginia are amended and reenacted as follows:**

§ 54.1-2709. License; application; qualifications; examinations.

A. No person shall practice dentistry unless he possesses a current valid license from the Board of Dentistry.

B. An application for such license shall be made to the Board in writing and shall be accompanied by satisfactory proof that the applicant (i) is of good moral character; (ii) is a graduate of an accredited dental school or college, or dental department of a university or college; (iii) has passed ~~Part I and Part II~~ *all parts* of the examination given by the Joint Commission on National Dental Examinations; (iv) has successfully completed a clinical examination acceptable to the Board; and (v) has met other qualifications as determined in regulations promulgated by the Board.

C. The Board may grant a license to practice dentistry to an applicant licensed to practice in another jurisdiction if he (i) meets the requirements of subsection B; (ii) holds a current, unrestricted license to practice dentistry in another jurisdiction in the United States and is certified to be in good standing by each jurisdiction in which he currently holds or has held a license; (iii) has not committed any act that would constitute grounds for denial as set forth in § 54.1-2706; and (iv) has been in continuous clinical practice for five out of the six years immediately preceding application for licensure pursuant to this section. Active patient care in the dental corps of the United States Armed Forces, volunteer practice in a public health clinic, or practice in an intern or residency program may be accepted by the Board to satisfy this requirement.

D. The Board shall provide for an inactive license for those dentists who hold a current, unrestricted dental license in the Commonwealth at the time of application for an inactive license and who do not wish to practice in Virginia. The Board shall promulgate such regulations as may be necessary to carry out the provisions of this section, including requirements for remedial education to activate a license.

E. The Board shall promulgate regulations requiring continuing education for any dental license renewal or reinstatement. The Board may grant extensions or exemptions from these continuing education requirements.

§ 54.1-2711.1. Temporary licenses to persons enrolled in advanced dental education programs; Board regulations.

A. Upon recommendation by the dean of the school of dentistry *or the dental program director*, the Board may issue a temporary annual license to practice dentistry to persons enrolled in advanced dental education programs; *and persons serving as dental interns, residents or post-doctoral certificate or degree candidates in hospitals or schools of dentistry that maintain dental intern, residency or post-doctoral programs accredited by the Commission on Dental Accreditation of the American Dental Association.* ~~No such license shall be issued to a dental intern or resident or post-doctoral certificate or degree candidate who has not completed successfully the academic education required for admission to examination given by the Board.~~ Such license shall expire upon the holder's graduation, withdrawal or termination from the relevant program.

B. *Temporary licenses issued pursuant to this section shall authorize the licensee to perform patient care activities associated with the program in which he is enrolled that take place only within educational facilities owned or operated by, or affiliated with, the dental school or program. Temporary licenses issued pursuant to this section shall not authorize a licensee to practice dentistry in nonaffiliated clinics or private practice settings.*

C. The Board may prescribe such regulations not in conflict with existing law and require such reports from any hospital or the school of dentistry operating an accredited advanced dental education program in the Commonwealth as may be necessary to carry out the provisions of this section.

§ 54.1-2712. Permissible practices.

The following activities shall be permissible:

1. Dental assistants or dental hygienists aiding or assisting licensed dentists, or dental assistants aiding or assisting dental hygienists under the general supervision of a dentist in accordance with regulations promulgated pursuant to § 54.1-2729.01;

2. The performance of mechanical work on inanimate objects only, for licensed dentists, by any person employed in or operating a dental laboratory;

3. Dental students who are enrolled in accredited D.D.S. or D.M.D. degree programs performing dental operations, under the direction of competent instructors (i) within a dental school or college, dental department of a university or college, or other dental facility within a university or college that is accredited by an accrediting agency recognized by the United States Department of Education; (ii) in a dental clinic operated by a nonprofit organization providing indigent care; (iii) in governmental or indigent care clinics in which the student is assigned to practice during his final academic year rotations; (iv) in a private dental office for a limited time during the student's final academic year when under the direct tutorial supervision of a licensed dentist holding appointment on the dental faculty of the school in which the student is enrolled; or (v) practicing dental hygiene in a private dental office under the direct supervision of a licensed dentist holding appointment on the dental faculty of the school in which the student is enrolled;

4. A licensed dentist from another state or country appearing as a clinician for demonstrating technical procedures before a dental society or organization, convention, or dental college, or performing his duties in connection with a specific case on which he may have been called to the Commonwealth; and

5. Dental hygiene students enrolled in an accredited dental hygiene program performing dental hygiene practices as a requisite of the program, under the direction of competent instructors, as defined by regulations of the Board of Dentistry, (i) within a dental hygiene program in a dental school or college, or department thereof, or other dental facility within a university or college that is accredited by an accrediting agency recognized by the United States Department of Education; (ii) in a dental clinic operated by a nonprofit organization providing indigent care; (iii) in a governmental or indigent care clinic in which the student is assigned to practice during his final academic year rotations; or (iv) in a private dental office for a limited time during the student's final academic year when under the direct supervision of a licensed dentist or licensed dental hygienist holding appointment on the dental faculty of the school in which the student is enrolled; and

6. A graduate of an accredited dental program or a graduate of an accredited dental hygiene program engaging in clinical practice under the supervision of a licensed faculty member, but only while participating in a continuing education course offered by a dental program or dental hygiene program accredited by the Commission on Dental Accreditation of the American Dental Association.

§ 54.1-2713. Licenses to teach dentistry; renewals.

A. Upon payment of the prescribed fee and provided that no grounds exist to deny licensure pursuant to § 54.1-2706, the Board shall may grant, without examination, a faculty license to teach dentistry in a dental program accredited by the Commission on Dental Accreditation of the American Dental Association to any applicant who (i) is meets one of the following qualifications:
