59 summons.

60 A. A summons may be issued, directed as prescribed in § 8.01-292, commanding the officer to  
61 summon any person to attend on the day and at the place that such attendance is desired, to give  
62 evidence before a court, grand jury, arbitrators, magistrate, notary, or any commissioner or other person  
63 appointed by a court or acting under its process or authority in a judicial or quasi-judicial capacity. The  
64 summons may be issued by the clerk of the court if the attendance is desired at a court or in a  
65 proceeding pending in a court. The clerk shall not impose any time restrictions limiting the right to  
66 properly request a summons up to and including the date of the proceeding.

67 If attendance is desired before a commissioner in chancery or other commissioner of a court, the  
68 summons may be issued by the clerk of the court in which the matter is pending, or by such  
69 commissioner in chancery or other commissioner.

70 If attendance is desired before a notary or other officer taking a deposition, the summons may be  
71 issued by such notary or other officer at the instance of the attorney desiring the attendance of the  
72 person sought.

73 If attendance is sought before a grand jury, the summons may be issued by the attorney for the  
74 Commonwealth, or the clerk of the court, at the instance of the attorney for the Commonwealth.

75 Except as otherwise provided in this subsection, if attendance is desired in a civil proceeding pending  
76 in a court or at a deposition in connection with such proceeding, including medical malpractice review  
77 panels, and a claim before the Workers' Compensation Commission, a summons may be issued by an  
78 attorney-at-law who is an active member of the Virginia State Bar at the time of issuance, as an officer  
79 of the court. An attorney-issued summons shall be on a form approved by the Supreme Court, signed by  
80 the attorney and shall include the attorney's address. The summons and any transmittal sheet shall be  
81 deemed to be a pleading to which the provisions of § 8.01-271.1 shall apply. A copy of the summons  
82 and, if served by a sheriff, all service of process fees, shall be mailed or delivered to the clerk's office  
83 of the court in which the case is pending or the Workers' Compensation Commission, as applicable, on  
84 the day of issuance by the attorney. The law governing summonses issued by a clerk shall apply mutatis  
85 mutandis. When an attorney-at-law transmits one or more attorney-issued subpoenas to a sheriff to be  
86 served in his jurisdiction, such subpoenas shall be accompanied by a transmittal sheet. The transmittal  
87 sheet, which may be in the form of a letter, shall contain for each subpoena: (i) the person to be served,  
88 (ii) the name of the city or county in which the subpoena is to be served, in parentheses, (iii) the style  
89 of the case in which the subpoena was issued, (iv) the court in which the case is pending, and (v) the  
90 amount of fees tendered or paid to each clerk in whose court the case is pending together with a  
91 photocopy of the payment instrument or clerk's receipt. If copies of the same transmittal sheet are used  
92 to send subpoenas to more than one sheriff for service of process, then subpoenas shall be grouped by  
93 the jurisdiction in which they are to be served. For each person to be served, an original subpoena and  
94 copy thereof shall be included. If the attorney desires a return copy of the transmittal sheet as proof of  
95 receipt, he shall also enclose an additional copy of the transmittal sheet together with an envelope  
96 addressed to the attorney with sufficient first class postage affixed. Upon receipt of such transmittal, the  
97 transmittal sheet shall be date-stamped and, if the extra copy and above-described envelope are provided,  
98 the copy shall also be date-stamped and returned to the attorney-at-law in the above-described envelope.

99 However, when such transmittal does not comply with the provisions of this section, the sheriff may  
100 promptly return such transmittal if accompanied by a short description of such noncompliance. An  
101 attorney may not issue a summons in any of the following civil proceedings: ~~(i)~~ (a) habeas corpus under  
102 Article 3 (§ 8.01-654 et seq.) of Chapter 25 of this title, ~~(ii)~~ (b) delinquency or abuse and neglect  
103 proceedings under Article 3 (§ 16.1-241 et seq.) of Chapter 11 of Title 16.1, ~~(iii)~~ (c) civil forfeiture  
104 proceedings, ~~(iv)~~ (d) habitual offender proceedings under Article 9 (§ 46.2-351 et seq.) of Chapter 3 of  
105 Title 46.2, ~~(v)~~ (e) administrative license suspension pursuant to § 46.2-391.2, and ~~(vi)~~ (f) petition for  
106 writs of mandamus or prohibition in connection with criminal proceedings. A sheriff shall not be  
107 required to serve an attorney-issued subpoena that is not issued at least five business days prior to the  
108 date that attendance is desired.

109 In other cases, if attendance is desired, the summons may be issued by the clerk of the circuit court  
110 of the county or city in which the attendance is desired.

111 A summons shall express on whose behalf, and in what case or about what matter, the witness is to  
112 attend. Failure to respond to any such summons shall be punishable by the court in which the  
113 proceeding is pending as for contempt. When any subpoena is served less than five calendar days before  
114 appearance is required, the court may, after considering all of the circumstances, refuse to enforce the  
115 subpoena for lack of adequate notice. If any subpoena is served less than five calendar days before  
116 appearance is required upon any judicial officer generally incompetent to testify pursuant to ~~§ 19.2-274~~  
117 *Rule 2:605 of the Rules of Supreme Court of Virginia*, such subpoena shall be without legal force or  
118 effect unless the subpoena has been issued by a judge.

119 B. No subpoena shall, without permission of the court first obtained, issue for the attendance of the  
120 Governor, Lieutenant Governor, or Attorney General of this Commonwealth, a judge of any court

thereof; the President or Vice President of the United States; any member of the President's Cabinet; any ambassador or consul; or any military officer on active duty holding the rank of admiral or general.

C. This section shall be deemed to authorize a summons to compel attendance of a citizen of the Commonwealth before commissioners or other persons appointed by authority of another state when the summons requires the attendance of such witness at a place not out of his county or city.

§ 16.1-69.40. Powers and duties of clerks; civil liability.

The clerk and deputy clerks shall be conservators of the peace within the territory for which the court has jurisdiction, and may, within such judicial district, issue warrants, detention orders, and other processes, original, mesne and final, both civil and criminal, commit to jail or other detention facility, or admit to bail upon recognizance, persons charged with crimes or before the court on civil petition, subject to the limitations set forth by law, and issue subpoenas for witnesses, writs of fieri facias and writs of possession, attachments and garnishments and abstracts of judgments. A record made in the performance of the clerk's official duties may be authenticated as a true copy by the clerk or by a deputy clerk without additional authentication by the judge to whom the clerk reports, notwithstanding the provisions of ~~subsection B of § 8.01-394~~ *Rule 2:1005 of the Rules of Supreme Court of Virginia*.

No clerk or deputy clerk shall issue any warrant or process based on complaint of his spouse, child, grandchild, parent, grandparent, parent-in-law, child-in-law, brother, sister, brother-in-law, sister-in-law, nephew, niece, uncle, aunt, first cousin, guardian or ward. They may take affidavits and administer oaths and affirmations, take and certify depositions in the same manner as a notary public, perform such other notarial acts as allowed under § 47.1-12, take acknowledgments to deeds or other writings for purposes of recordation, and issue all other legal processes which may be issued by the judge of such court and exercise such other powers and perform such other duties as are conferred or imposed upon them by law. No clerk or deputy clerk shall be civilly liable for providing information or assistance that is within the scope of his duties.

The clerk shall develop, implement and administer procedures necessary for the efficient operation of the clerk's office, keep the records and accounts of the court, supervise nonjudicial personnel and discharge such other duties as may be prescribed by the judge.

§ 18.2-268.3. Refusal of tests; penalties; procedures.

A. It shall be unlawful for a person who is arrested for a violation of § 18.2-266; *or* 18.2-266.1; *or* subsection B of § 18.2-272 or of a similar ordinance to unreasonably refuse to have samples of his blood or breath or both blood and breath taken for chemical tests to determine the alcohol or drug content of his blood as required by § 18.2-268.2 and any person who so unreasonably refuses is guilty of a violation of this section.

B. When a person is arrested for a violation of § 18.2-51.4, 18.2-266; *or* 18.2-266.1 *or*, subsection B of § 18.2-272 or of a similar ordinance and such person refuses to permit blood or breath or both blood and breath samples to be taken for testing as required by § 18.2-268.2, the arresting officer shall advise the person, from a form provided by the Office of the Executive Secretary of the Supreme Court, that (i) a person who operates a motor vehicle upon a highway in the Commonwealth is deemed thereby, as a condition of such operation, to have consented to have samples of his blood and breath taken for chemical tests to determine the alcohol or drug content of his blood, (ii) a finding of unreasonable refusal to consent may be admitted as evidence at a criminal trial, (iii) the unreasonable refusal to do so constitutes grounds for the revocation of the privilege of operating a motor vehicle upon the highways of the Commonwealth, (iv) the criminal penalty for unreasonable refusal within 10 years of a prior conviction for driving while intoxicated or unreasonable refusal is a Class 2 misdemeanor, and (v) the criminal penalty for unreasonable refusal within 10 years of any two prior convictions for driving while intoxicated or unreasonable refusal is a Class 1 misdemeanor. The form from which the arresting officer shall advise the person arrested shall contain a brief statement of the law requiring the taking of blood or breath samples, a statement that a finding of unreasonable refusal to consent may be admitted as evidence at a criminal trial, and the penalties for refusal. The Office of the Executive Secretary of the Supreme Court shall make the form available on the Internet and the form shall be considered an official publication of the Commonwealth for the purposes of ~~§ 8.01-388~~ *Rule 2:203 of the Rules of Supreme Court of Virginia*.

C. The arresting officer shall, under oath before the magistrate, execute the form and certify, (i) that the defendant has refused to permit blood or breath or both blood and breath samples to be taken for testing; (ii) that the officer has read the portion of the form described in subsection B to the arrested person; (iii) that the arrested person, after having had the portion of the form described in subsection B read to him, has refused to permit such sample or samples to be taken; and (iv) how many, if any, violations of this section, § 18.2-266, or any offense described in subsection E of § 18.2-270 the arrested person has been convicted of within the last 10 years. Such sworn certification shall constitute probable

182 cause for the magistrate to issue a warrant or summons charging the person with unreasonable refusal.  
183 The magistrate shall attach the executed and sworn advisement form to the warrant or summons. The  
184 warrant or summons for a first offense under this section shall be executed in the same manner as a  
185 criminal warrant or summons. If the person arrested has been taken to a medical facility for treatment or  
186 evaluation of his medical condition, the arresting officer may read the advisement form to the person at  
187 the medical facility, and issue, on the premises of the medical facility, a summons for a violation of this  
188 section in lieu of securing a warrant or summons from the magistrate. The magistrate or arresting  
189 officer, as the case may be, shall forward the executed advisement form and warrant or summons to the  
190 appropriate court.

191 D. A first violation of this section is a civil offense and subsequent violations are criminal offenses.  
192 For a first offense the court shall suspend the defendant's privilege to drive for a period of one year.  
193 This suspension period is in addition to the suspension period provided under § 46.2-391.2.

194 If a person is found to have violated this section and within 10 years prior to the date of the refusal  
195 he was found guilty of any of the following: a violation of this section, a violation of § 18.2-266, or a  
196 violation of any offense listed in subsection E of § 18.2-270, arising out of separate occurrences or  
197 incidents, he is guilty of a Class 2 misdemeanor and the court shall suspend the defendant's privilege to  
198 drive for a period of three years. This suspension period is in addition to the suspension period provided  
199 under § 46.2-391.2.

200 If a person is found guilty of a violation of this section and within 10 years prior to the date of the  
201 refusal he was found guilty of any two of the following: a violation of this section, a violation of  
202 § 18.2-266, or a violation of any offense listed in subsection E of § 18.2-270 arising out of separate  
203 occurrences or incidents, he is guilty of a Class 1 misdemeanor and the court shall suspend the  
204 defendant's privilege to drive for a period of three years. This suspension period is in addition to the  
205 suspension period provided under § 46.2-391.2.

206 § 19.2-265.5. Prosecuting misdemeanor cases without attorney.

207 Notwithstanding any of the provisions of ~~§ 19.2-265.1~~ *Rule 2:615 of the Rules of Supreme Court of*  
208 *Virginia*, whenever in a misdemeanor case neither an attorney for the Commonwealth nor any other

210 throughout the entire trial if necessary for the orderly presentation of witnesses for the prosecution.

211 § 26-17.9. Vouchers and statement of assets on hand; direct payments to account; vouchers for IRS  
212 payments.

213 A. Vouchers for disbursements and a statement of cash on hand or in a bank and all investments  
214 held at the terminal date of the account shall also be exhibited with each account. A voucher shall not  
215 be required when a disbursement, not exceeding the value of \$25, is made to a legatee under the  
216 authority of a will and such legatee refuses to take the possession or fails to present the disbursement  
217 check to a bank for payment. In such case the fiduciary shall file an affidavit stating that he has made a  
218 good faith effort to comply with the terms of the will and the provisions of this section.

219 B. A fiduciary may make payment to a beneficiary by transfer to the beneficiary's bank account with  
220 the fiduciary or by payment to an account with another bank through an automated clearinghouse, wire  
221 transfer or similar mechanism, if the beneficiary has consented in writing to such method of payment. In  
222 either case, a record or statement of the bank making such payment shall be a sufficient voucher.

223 C. In the case of payments to the Internal Revenue Service for income tax estimates or any other  
224 payments required or permitted to be made by wire transfer or similar mechanism, the fiduciary shall  
225 not be required to exhibit a receipt for such payment. A record or statement of the bank making such  
226 payment shall be a sufficient voucher.

227 D. In the case of payments of debts, taxes and expenses, a corporate fiduciary's affidavit signed by  
228 an officer familiar with the facts that describes each payment by date, payee, purpose and amount shall  
229 be a sufficient voucher for the purpose of subsection A. However, the commissioner of accounts may  
230 require that the corporate fiduciary exhibit a voucher for a specific payment.

231 E. In the event a fiduciary seeks to use a check as a voucher or receipt hereunder, (i) a copy of both  
232 sides of the check shall be sufficient or (ii) a copy of the front side of the check, and the periodic  
233 statement, from the financial institution showing the check number and amount that coincides with the  
234 copy shall be sufficient, provided such copy was made in the regular course of business in accordance  
235 with the admissibility requirements of ~~§ 8.01-391~~ *Rule 2:1005 of the Rules of Supreme Court of*  
236 *Virginia*, and provided further, that the commissioner of accounts may require a fiduciary to exhibit a  
237 proper voucher for a specific payment or for distributions to beneficiaries or distributees. However, the  
238 commissioner of accounts shall not require a fiduciary to exhibit an original check as a voucher  
239 hereunder.

480 regulations. Notwithstanding any other provision to the contrary, a health care entity shall not be  
481 required to provide records in an electronic format requested if (i) the electronic format is not  
482 reasonably available without additional cost to the health care entity, (ii) the records would be subject to  
483 modification in the format requested, or (iii) the health care entity determines that the integrity of the  
484 records could be compromised in the electronic format requested. Requests for copies of or electronic

488 disclosed; and (d) specify whether the requester would like the records in electronic format, if available,  
489 or in paper format. The health care entity shall accept a photocopy, facsimile, or other copy of the

original signed by the requestor as if it were an original. Within 15 days of receipt of a request for copies of or electronic access to health records, the health care entity shall do one of the following: (A) furnish such copies of or allow electronic access to the requested health records to any requester authorized to receive them in electronic format if so requested; (B) inform the requester if the information does not exist or cannot be found; (C) if the health care entity does not maintain a record of the information, so inform the requester and provide the name and address, if known, of the health care entity who maintains the record; or (D) deny the request (1) under subsection F, (2) on the grounds that the requester has not established his authority to receive such health records or proof of his identity, or (3) as otherwise provided by law. Procedures set forth in this section shall apply only to requests for health records not specifically governed by other provisions of state law.

F. Except as provided in subsection B of § 8.01-413, copies of or electronic access to an individual's health records shall not be furnished to such individual or anyone authorized to act on the individual's behalf when the individual's treating physician or the individual's treating clinical psychologist has made a part of the individual's record a written statement that, in the exercise of his professional judgment, the furnishing to or review by the individual of such health records would be reasonably likely to endanger the life or physical safety of the individual or another person, or that such health record makes reference to a person other than a health care provider and the access requested would be reasonably likely to cause substantial harm to such referenced person. If any health care entity denies a request for copies of or electronic access to health records based on such statement, the health care entity shall inform the individual of the individual's right to designate, in writing, at his own expense, another reviewing physician or clinical psychologist, whose licensure, training and experience relative to the individual's condition are at least equivalent to that of the physician or clinical psychologist upon whose opinion the denial is based. The designated reviewing physician or clinical psychologist shall make a judgment as to whether to make the health record available to the individual.

The health care entity denying the request shall also inform the individual of the individual's right to request in writing that such health care entity designate, at its own expense, a physician or clinical psychologist, whose licensure, training, and experience relative to the individual's condition are at least equivalent to that of the physician or clinical psychologist upon whose professional judgment the denial is based and who did not participate in the original decision to deny the health records, who shall make a judgment as to whether to make the health record available to the individual. The health care entity shall comply with the judgment of the reviewing physician or clinical psychologist. The health care entity shall permit copying and examination of the health record by such other physician or clinical psychologist designated by either the individual at his own expense or by the health care entity at its expense.

Any health record copied for review by any such designated physician or clinical psychologist shall be accompanied by a statement from the custodian of the health record that the individual's treating physician or clinical psychologist determined that the individual's review of his health record would be reasonably likely to endanger the life or physical safety of the individual or would be reasonably likely to cause substantial harm to a person referenced in the health record who is not a health care provider.

Further, nothing herein shall be construed as giving, or interpreted to bestow the right to receive copies of, or otherwise obtain access to, psychotherapy notes to any individual or any person authorized to act on his behalf.

1. Unless excepted from these provisions in subdivision 9, no party to a civil, criminal or administrative action or proceeding shall request the issuance of a subpoena duces tecum for another party's health records or cause a subpoena duces tecum to be issued by an attorney unless a copy of the request for the subpoena or a copy of the attorney-issued subpoena is provided to the other party's counsel or to the other party if pro se, simultaneously with filing the request or issuance of the subpoena. No party to an action or proceeding shall request or cause the issuance of a subpoena duces tecum for the health records of a nonparty witness unless a copy of the request for the subpoena or a copy of the attorney-issued subpoena is provided to the nonparty witness simultaneously with filing the request or issuance of the attorney-issued subpoena.

No subpoena duces tecum for health records shall set a return date earlier than 15 days from the date of the subpoena except by order of a court or administrative agency for good cause shown. When a court or administrative agency directs that health records be disclosed pursuant to a subpoena duces tecum earlier than 15 days from the date of the subpoena, a copy of the order shall accompany the subpoena.

Any party requesting a subpoena duces tecum for health records or on whose behalf the subpoena duces tecum is being issued shall have the duty to determine whether the individual whose health records are being sought is pro se or a nonparty.

In instances where health records being subpoenaed are those of a pro se party or nonparty witness, the party requesting or issuing the subpoena shall deliver to the pro se party or nonparty witness together with the copy of the request for subpoena, or a copy of the subpoena in the case of an attorney-issued subpoena, a statement informing them of their rights and remedies. The statement shall include the following language and the heading shall be in boldface capital letters:

**NOTICE TO INDIVIDUAL**

The attached document means that (insert name of party requesting or causing issuance of the subpoena) has either asked the court or administrative agency to issue a subpoena or a subpoena has been issued by the other party's attorney to your doctor, other health care providers (names of health care providers inserted here) or other health care entity (name of health care entity to be inserted here) requiring them to produce your health records. Your doctor, other health care provider or other health care entity is required to respond by providing a copy of your health records. If you elect to file a motion to quash, such motion must be filed within 15 days of the date of the request or of the attorney-issued subpoena. You may contact the clerk's office or the administrative agency to determine the requirements that must be satisfied when filing a motion to quash and you may elect to contact an attorney to represent your interest. If you elect to file a motion to quash, you must notify your doctor, other health care provider(s), or other health care entity, that you are filing the motion so that the health care provider or health care entity knows to send the health records to the clerk of court or administrative agency in a sealed envelope or package for safekeeping while your motion is decided.

2. Any party filing a request for a subpoena duces tecum or causing such a subpoena to be issued for an individual's health records shall include a Notice in the same part of the request in which the recipient of the subpoena duces tecum is directed where and when to return the health records. Such notice shall be in boldface capital letters and shall include the following language:

611 INDIVIDUAL HAS THE RIGHT TO FILE A MOTION TO QUASH (OBJECT TO) THE ATTACHED  
612 SUBPOENA. IF YOU ELECT TO FILE A MOTION TO QUASH, YOU MUST FILE THE MOTION  
613 WITHIN 15 DAYS OF THE DATE OF THIS SUBPOENA.

614 YOU MUST NOT RESPOND TO THIS SUBPOENA UNTIL YOU HAVE RECEIVED WRITTEN  
615 CERTIFICATION FROM THE PARTY ON WHOSE BEHALF THE SUBPOENA WAS ISSUED  
616 THAT THE TIME FOR FILING A MOTION TO QUASH HAS ELAPSED AND THAT:

617 NO MOTION TO QUASH WAS FILED; OR

618 ANY MOTION TO QUASH HAS BEEN RESOLVED BY THE COURT OR THE  
619 ADMINISTRATIVE AGENCY AND THE DISCLOSURES SOUGHT ARE CONSISTENT WITH  
620 SUCH RESOLUTION.

621 IF YOU RECEIVE NOTICE THAT THE INDIVIDUAL WHOSE HEALTH RECORDS ARE  
622 BEING REQUESTED HAS FILED A MOTION TO QUASH THIS SUBPOENA, OR IF YOU FILE A  
623 MOTION TO QUASH THIS SUBPOENA, YOU MUST SEND THE HEALTH RECORDS ONLY TO  
624 THE CLERK OF THE COURT OR ADMINISTRATIVE AGENCY THAT ISSUED THE SUBPOENA  
625 OR IN WHICH THE ACTION IS PENDING AS SHOWN ON THE SUBPOENA USING THE  
626 FOLLOWING PROCEDURE:

627 PLACE THE HEALTH RECORDS IN A SEALED ENVELOPE AND ATTACH TO THE SEALED  
628 ENVELOPE A COVER LETTER TO THE CLERK OF COURT OR ADMINISTRATIVE AGENCY  
629 WHICH STATES THAT CONFIDENTIAL HEALTH RECORDS ARE ENCLOSED AND ARE TO BE  
630 HELD UNDER SEAL PENDING A RULING ON THE MOTION TO QUASH THE SUBPOENA.  
631 THE SEALED ENVELOPE AND THE COVER LETTER SHALL BE PLACED IN AN OUTER  
632 ENVELOPE OR PACKAGE FOR TRANSMITTAL TO THE COURT OR ADMINISTRATIVE  
633 AGENCY.

634 3. Upon receiving a valid subpoena duces tecum for health records, health care entities shall have the  
635 duty to respond to the subpoena in accordance with the provisions of subdivisions 4, 5, 6, 7, and 8.

636 4. Except to deliver to a clerk of the court or administrative agency subpoenaed health records in a  
637 sealed envelope as set forth, health care entities shall not respond to a subpoena duces tecum for such  
638 health records until they have received a certification as set forth in subdivision 5 or 8 from the party on  
639 whose behalf the subpoena duces tecum was issued.

640 If the health care entity has actual receipt of notice that a motion to quash the subpoena has been  
641 filed or if the health care entity files a motion to quash the subpoena for health records, then the health  
642 care entity shall produce the health records, in a securely sealed envelope, to the clerk of the court or  
643 administrative agency issuing the subpoena or in whose court or administrative agency the action is  
644 pending. The court or administrative agency shall place the health records under seal until a  
645 determination is made regarding the motion to quash. The securely sealed envelope shall only be opened  
646 on order of the judge or administrative agency. In the event the court or administrative agency grants  
647 the motion to quash, the health records shall be returned to the health care entity in the same sealed  
648 envelope in which they were delivered to the court or administrative agency. In the event that a judge or  
649 administrative agency orders the sealed envelope to be opened to review the health records in camera, a  
650 copy of the order shall accompany any health records returned to the health care entity. The health  
651 records returned to the health care entity shall be in a securely sealed envelope.

652 5. If no motion to quash is filed within 15 days of the date of the request or of the attorney-issued  
653 subpoena, the party on whose behalf the subpoena was issued shall have the duty to certify to the  
654 subpoenaed health care entity that the time for filing a motion to quash has elapsed and that no motion  
655 to quash was filed. Any health care entity receiving such certification shall have the duty to comply  
656 with the subpoena duces tecum by returning the specified health records by either the return date on the  
657 subpoena or five days after receipt of the certification, whichever is later.

658 6. In the event that the individual whose health records are being sought files a motion to quash the  
659 subpoena, the court or administrative agency shall decide whether good cause has been shown by the  
660 discovering party to compel disclosure of the individual's health records over the individual's objections.  
661 In determining whether good cause has been shown, the court or administrative agency shall consider (i)  
662 the particular purpose for which the information was collected; (ii) the degree to which the disclosure of  
663 the records would embarrass, injure, or invade the privacy of the individual; (iii) the effect of the  
664 disclosure on the individual's future health care; (iv) the importance of the information to the lawsuit or  
665 proceeding; and (v) any other relevant factor.

666 7. Concurrent with the court or administrative agency's resolution of a motion to quash, if  
667 subpoenaed health records have been submitted by a health care entity to the court or administrative  
668 agency in a sealed envelope, the court or administrative agency shall: (i) upon determining that no  
669 submitted health records should be disclosed, return all submitted health records to the health care entity  
670 in a sealed envelope; (ii) upon determining that all submitted health records should be disclosed, provide

all the submitted health records to the party on whose behalf the subpoena was issued; or (iii) upon determining that only a portion of the submitted health records should be disclosed, provide such portion to the party on whose behalf the subpoena was issued and return the remaining health records to the health care entity in a sealed envelope.

8. Following the court or administrative agency's resolution of a motion to quash, the party on whose behalf the subpoena duces tecum was issued shall have the duty to certify in writing to the subpoenaed health care entity a statement of one of the following:

a. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are consistent with such resolution; and, therefore, the health records previously delivered in a sealed envelope to the clerk of the court or administrative agency will not be returned to the health care entity;

b. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are consistent with such resolution and that, since no health records have previously been delivered to the court or administrative agency by the health care entity, the health care entity shall comply with the subpoena duces tecum by returning the health records designated in the subpoena by the return date on the subpoena or five days after receipt of certification, whichever is later;

c. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution; therefore, no health records shall be disclosed and all health records previously delivered in a sealed envelope to the clerk of the court or administrative agency will be returned to the health care entity;

d. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution and that only limited disclosure has been authorized. The certification shall state that only the portion of the health records as set forth in the certification, consistent with the court or administrative agency's ruling, shall be disclosed. The certification shall also state that health records that were previously delivered to the court or administrative agency for which disclosure has been authorized will not be returned to the health care entity; however, all health records for which disclosure has not been authorized will be returned to the health care entity; or

e.
