**Be it enacted by the General Assembly of Virginia:****1. That § 24.2-310 of the Code of Virginia is amended and reenacted as follows:**

§ 24.2-310. Requirements for polling places.

A. The polling place for each precinct shall be located within the county or city and either within the precinct or within one mile of the precinct boundary. B. The governing body of each county, city, and town shall provide funds to enable the electoral board to provide adequate facilities at each polling place for the conduct of elections. Each polling place shall be located in a public building whenever practicable.
