61 D. If a person proves that he gave, distributed or possessed with intent to give or distribute synthetic
 62 cannabinoids only as an accommodation to another individual and not with intent to profit thereby from
 63 any consideration received or expected nor to induce the recipient or intended recipient of the synthetic
 64 cannabinoids to use or become addicted to or dependent upon such synthetic cannabinoids, he is guilty
 65 of a Class 1 misdemeanor. Any person who gives, distributes or possesses synthetic cannabinoids as an
 66 accommodation and not with intent to profit thereby, to an inmate of a state or local correctional facility

 73 cannabinoids, to emulate or simulate the effects of synthetic cannabinoids through chemical changes
 74 such as the addition, subtraction or rearranging of a radical or the addition, subtraction or rearranging of
 75 a substituent, shall be subject to the same criminal penalties as for synthetic cannabinoids.

76 G. Upon conviction, in addition to any other punishment, a person found guilty of a violation of this
 77 section shall be ordered by the court to make restitution, as the court deems appropriate, to any innocent
 78 property owner whose property is damaged, destroyed, or otherwise rendered unusable as a result of
 79 such synthetic cannabinoid production. This restitution may include the person's or his estate's estimated
 80 or actual expenses associated with cleanup, removal, or repair of the affected property.
