When, *in accordance with the provisions of § 22.1-360*, the person is living with ~~an individual who is defined as a parent in § 22.1-4~~ *a noncustodial parent or other person standing in loco parentis*, not solely for school purposes, pursuant to a Special Power of Attorney executed under Title 10, United States Code, § 1044b, by the custodial parent ~~while such custodial parent is deployed outside the United States as a member of the Virginia National Guard or as a member of the United States Armed Forces;~~

3. When the parents of such person are dead and the person is living with a person in loco parentis who actually resides within the school division;

4. When the parents of such person are unable to care for the person and the person is living, not solely for school purposes, with another person who resides in the school division and is either (i) the court-appointed guardian, or has legal custody, of the person or (ii) acting in loco parentis pursuant to placement of the person for adoption by a person or entity authorized to do so under § 63.2-1200;

5. When the person is living in the school division not solely for school purposes, as an emancipated minor; or

6. When the person living in the school division is a homeless child or youth, as set forth in this subdivision, who lacks a fixed, regular, and adequate nighttime residence. Such persons shall include (i) children and youths, including unaccompanied youths who are not in the physical custody of their parents, who (a) are sharing the housing of other persons due to loss of housing, economic hardship, or other causes; are living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations or in emergency, congregate, temporary, or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement; (b) are living in an institution that provides a temporary residence for the mentally ill or individuals intended to be institutionalized; (c) have a primary nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings; or (d) are living in parked cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and (ii) migratory children, as defined in the Elementary and Secondary Education Act of 1965, as amended, who are deemed homeless as they are living in circumstances set forth in clause (i) of this subdivision.

If a person resides within housing, temporary shelter, or primary nighttime residence as described in subdivision 6 that is situated in more than one school division, the person shall be deemed to reside in and shall be entitled to attend a public school within either school division. However, if a person resides in housing, temporary shelter, or primary nighttime residence as described in subdivision 6 that is located in one school division, but the property on which such housing, temporary shelter, or primary nighttime residence is located lies within more than one school division, such person shall be deemed to reside only in the single school division in which the housing, temporary shelter, or primary nighttime residence is located. Notwithstanding any such residency determination, any person residing in housing, a temporary shelter, or primary nighttime residence as described in subdivision 6 that is located in one school division, but the property on which such housing, temporary shelter, or primary nighttime residence is located lies within more than one school division, shall be deemed to reside in either school
