§ 18.2-308.2:2. Criminal history record information check required for the transfer of certain firearms.

A. Any person purchasing from a dealer a firearm as herein defined shall consent in writing, on a form to be provided by the Department of State Police, to have the dealer obtain criminal history record information. Such form shall include only the written consent; the name, birth date, gender, race, citizenship, and social security number and/or any other identification number; the number of firearms by category intended to be sold, rented, traded, or transferred; and answers by the applicant to the following questions: (i) has the applicant been convicted of a felony offense or found guilty or adjudicated delinquent as a juvenile 14 years of age or older at the time of the offense of a delinquent act that would be a felony if committed by an adult; (ii) is the applicant subject to a court order restraining the applicant from harassing, stalking, or threatening the applicant's child or intimate partner, or a child of such partner, or is the applicant subject to a protective order; and (iii) has the applicant ever been acquitted by reason of insanity and prohibited from purchasing, possessing or transporting a firearm pursuant to § 18.2-308.1:1 or any substantially similar law of any other jurisdiction, been adjudicated legally incompetent, mentally incapacitated or adjudicated an incapacitated person and prohibited from purchasing a firearm pursuant to § 18.2-308.1:2 or any substantially similar law of any other jurisdiction, or been involuntarily admitted to an inpatient facility or involuntarily ordered to outpatient mental health treatment and prohibited from purchasing a firearm pursuant to § 18.2-308.1:3 or any substantially similar law of any other jurisdiction.

B. 1. No dealer shall sell, rent, trade or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 of this subsection to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense, and other documentation of residence. Except where the photo-identification was issued by the United States Department of Defense, the other documentation of residence shall show an address identical to that shown on the photo-identification form, such as evidence of currently paid personal property tax or real estate tax, or a current (a) lease, (b) utility or telephone bill, (c) voter registration card, (d) bank check, (e) passport, (f) automobile registration, or (g) hunting or fishing license; other current identification allowed as evidence of residency by Part 178.124 of Title 27 of the Code of Federal Regulations and ATF Ruling 2001-5; or other documentation of residence determined to be acceptable by the Department of Criminal Justice Services, that corroborates that the prospective purchaser currently resides in Virginia. Where the photo-identification was issued by the Department of Defense, permanent orders assigning the purchaser to a duty post in Virginia, including the Pentagon, shall be the only other required documentation of residence. For the purposes of this section and establishment of residency for firearm purchase, residency shall be deemed to be the permanent duty post of a member of the armed forces. When the photo-identification presented to a dealer by the prospective purchaser is a driver's license or other photo-identification issued by the Department of Motor Vehicles, and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's license or other photo-identification issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective purchaser until 30 days after the date of issue of an original or duplicate driver's license unless the prospective purchaser also presents a copy of his Virginia Department of Motor Vehicles

59 to the attempted purchase.

60 In addition, no dealer shall sell, rent, trade or transfer from his inventory any assault firearm to any
61 person who is not a citizen of the United States or who is not a person lawfully admitted for permanent
62 residence. To establish citizenship or lawful admission for a permanent residence for purposes of
63 purchasing an assault firearm, a dealer shall require a prospective purchaser to present a certified birth
64 certificate or a certificate of birth abroad issued by the United States State Department, a certificate of
65 citizenship or a certificate of naturalization issued by the United States Citizenship and Immigration
66 Services, an unexpired U.S. passport, a United States citizen identification card, a current voter
67 registration card, a current selective service registration card, or an immigrant visa or other
68 documentation of status as a person lawfully admitted for permanent residence issued by the United
69 States Citizenship and Immigration Services.

70 Upon receipt of the request for a criminal history record information check, the State Police shall (1)
71 review its criminal history record information to determine if the buyer or transferee is prohibited from
72 possessing or transporting a firearm by state or federal law, (2) inform the dealer if its record indicates
73 that the buyer or transferee is so prohibited, and (3) provide the dealer with a unique reference number
74 for that inquiry.

75 2. The State Police shall provide its response to the requesting dealer during the dealer's request, or
76 by return call without delay. If the criminal history record information check indicates the prospective
77 purchaser or transferee has a disqualifying criminal record or has been acquitted by reason of insanity
78 and committed to the custody of the Commissioner of Behavioral Health and Developmental Services,
79 the State Police shall have until the end of the dealer's next business day to advise the dealer if its
80 records indicate the buyer or transferee is prohibited from possessing or transporting a firearm by state
81 or federal law. If not so advised by the end of the dealer's next business day, a dealer who has fulfilled
82 the requirements of subdivision 1 of this subsection may immediately complete the sale or transfer and
83 shall not be deemed in violation of this section with respect to such sale or transfer. In case of
84 electronic failure or other circumstances beyond the control of the State Police, the dealer shall be
85 advised immediately of the reason for such delay and be given an estimate of the length of such delay.
86 After such notification, the State Police shall, as soon as possible but in no event later than the end of
87 the dealer's next business day, inform the requesting dealer if its records indicate the buyer or transferee
88 is prohibited from possessing or transporting a firearm by state or federal law. A dealer who fulfills the
89 requirements of subdivision 1 of this subsection and is told by the State Police that a response will not
90 be available by the end of the dealer's next business day may immediately complete the sale or transfer
91 and shall not be deemed in violation of this section with respect to such sale or transfer.

92 3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer
93 than 30 days, except for multiple handgun transactions for which records shall be maintained for 12
94 months, from any dealer's request for a criminal history record information check pertaining to a buyer
95 or transferee who is not found to be prohibited from possessing and transporting a firearm under state or
96 federal law. However, the log on requests made may be maintained for a period of 12 months, and such
97 log shall consist of the name of the purchaser, the dealer identification number, the unique approval
98 number and the transaction date.

99 4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or
100 deliver the written consent form required by subsection A to the Department of State Police. The State
101 Police shall immediately initiate a search of all available criminal history record information to
102 determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal
103 law. If the search discloses information indicating that the buyer or transferee is so prohibited from
104 possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in
105 the jurisdiction where the sale or transfer occurred and the dealer without delay.

106 5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by
107 persons who are citizens of the United States or persons lawfully admitted for permanent residence but
108 residents of other states under the terms of subsections A and B upon furnishing the dealer with proof
109 of citizenship or status as a person lawfully admitted for permanent residence and one
110 photo-identification form issued by a governmental agency of the person's state of residence and one
111 other form of identification determined to be acceptable by the Department of Criminal Justice Services.

112 6. For the purposes of this subsection, the phrase "dealer's next business day" shall not include
113 December 25.

114 C. No dealer shall sell, rent, trade or transfer from his inventory any firearm, except when the
115 transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of
116 subdivision B 5 to any person who is not a resident of Virginia unless he has first obtained from the
117 Department of State Police a report indicating that a search of all available criminal history record
118 information has not disclosed that the person is prohibited from possessing or transporting a firearm
119 under state or federal law. The dealer shall obtain the required report by mailing or delivering the

written consent form required under subsection A to the State Police within 24 hours of its execution. If the dealer has complied with the provisions of this subsection and has not received the required report from the State Police within 10 days from the date the written consent form was mailed to the Department of State Police, he shall not be deemed in violation of this section for thereafter completing the sale or transfer.

D. Nothing herein shall prevent a resident of the Commonwealth, at his option, from buying, renting or receiving a firearm from a dealer in Virginia by obtaining a criminal history record information check through the dealer as provided in subsection C.

E. If any buyer or transferee is denied the right to purchase a firearm under this section, he may exercise his right of access to and review and correction of criminal history record information under § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within 30 days of such denial.

F. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history record information under false pretenses, or who willfully and intentionally disseminates or seeks to disseminate criminal history record information except as authorized in this section shall be guilty of a Class 2 misdemeanor.
