3. Committee: Passed Both Houses

4. Title: State facilities; reporting requirements of critical incidents involving consumers.

5. Summary: State facilities; reporting of critical incidents involving consumers. Requires the director of each state hospital or training center to notify the next of kin or personal representative of any consumer who is involved in a critical incident.

6. Budget Amendment Necessary: No.

7. No fiscal impact.

8. Fiscal Implications: This bill codifies an existing state facility work practice. §37.2-709, Code of Virginia, currently requires notification to the Director of the Virginia Office for Protection and Advocacy (VOPA) within 48 hours of critical incidents or deaths of consumers in state facilities. In an agreement with VOPA, state facilities notify VOPA on any incident that requires medical attention. In practice, patient Authorized Representatives (ARs) are also notified.

9. Specific Agency or Political Subdivisions Affected: Department of Behavioral Health and Developmental Services

10. Technical Amendment Necessary: No.
