8. Fiscal Implications: Many changes in this bill are technical in nature and do not have a fiscal impact. Savings are as a result of reducing trustees/members of the Virginia Museum of Natural History and the Virginia Offshore Wind Development Authority. Savings are not expected to exceed \$2,000 and may result in a reduction of revenue due to a decrease in charitable contributions provided by trustees of the Virginia Museum of Natural History. Because the net fiscal impact is so minimal, a budget amendment is not necessary.

9. Specific Agency or Political Subdivisions Affected: Virginia Asian Advisory Board, Council on Status of Women, Virginia Museum of Natural History, Virginia Offshore Wind Development Authority, Modeling and Simulation Advisory Council, and the State Emergency Medical Services Advisory Board

10. Technical Amendment Necessary: None
