

Department of Planning and Budget 2012 Fiscal Impact Statement

1. Bill Number: HB646

House of Origin ☐ Introduced ☐ Substitute ☐ Engrossed
Second House ☐ In Committee ☐ Substitute ☒ Enrolled

2. Patron: Habeeb

3. Committee: Passed both houses

4. Title: Permit applications for outdoor advertising.

5. Summary: The proposed legislation would revise the current fee structure of the Department of Transportation (VDOT) for outdoor advertising permits. The bill also eliminates the Certification Acceptance Program, which allowed an entity with five or more signs to self-inspect and certify its correspondence with the regulations in lieu of paying a permit fee.

The bill would amend application fees for permits for advertising by creating three size brackets. The bill contains a provision that reduces the fee by \$5 per application if the applicant elects to use an electronic application.

6. Budget Amendment Necessary: None. If the provisions of the bill increase revenue received by the agency, appropriation may be administratively increased.

7. Fiscal Impact Estimates: Final.
