6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Indeterminate (see Section 8)

8. Fiscal Implications: The only impact resulting from this increase in membership should be travel costs associated with attending Council meetings.

11. Other Comments: The term “Virginia universities” does not differentiate between state-supported and private higher education institutions. If the intention is for Virginia’s public higher education institutions to be represented on the Council, the word “public” should be inserted before “Virginia”.
