[S 1207]

Approved March 21, 2013

Be it enacted by the General Assembly of Virginia:

1. § 1. *The Board of Education shall approve student growth indicators by July 31, 2013. The growth indicators shall be used in the standards of accreditation of schools and in teacher evaluations.*

§ 2. *The Board of Education shall report individual school performance using a grading system that includes the standards of accreditation, state and federal accountability requirements, and student growth indicators in assigning grades. The Board, by October 1, 2014, shall (i) assign a grade from A to F to each public school in the Commonwealth; (ii) make both the system and the grade assigned to each school in the Commonwealth available to the public; and (iii) report to the General Assembly a summary of the system and the assigned grades.*

§ 3. *As used in this act, for purposes of assigning grades, "student growth" means (i) whether individual students on average fall below, meet, or exceed an expected amount of growth based on a statewide average or reference base year on state assessments or additional assessments approved by the Board; (ii) maintaining a proficient or advanced proficient performance level on state assessments; or (iii) making significant improvement within the below basic or basic level of performance on reading or mathematics assessments as determined by the Board.*
