**Be it enacted by the General Assembly of Virginia:****1. That § 15.2-7017 of the Code of Virginia is amended and reenacted as follows:**

§ 15.2-7017. Miscellaneous.

A. Any money set aside for the payment of the principal of or interest on any bonds issued by the Authority not claimed within two years from the day the principal of such bonds is due by maturity or by call for redemption shall be paid into the treasury of the Commonwealth. No interest shall accrue on such principal or interest from the day the same is due as aforesaid. The Comptroller of the Commonwealth shall keep an account of all money thus paid into the treasury, and it shall be paid to the individual copartnership, association, or corporation entitled thereto upon satisfactory proof that such individual, copartnership, association, or corporation is so entitled to such money. If the claim so presented is rejected by the Comptroller, the claimant may proceed against the Comptroller for recovery in the Circuit Court of the City of Richmond. An appeal from the judgment of the circuit court shall lie to the Supreme Court of Virginia as in actions at law, and all laws and rules relating to practice and procedure in actions at law shall apply to proceedings authorized hereunder. No such proceedings shall be filed after 10 years from the day the principal of or interest on such bonds is due as aforesaid; however, if the individual having such claim is an infant or insane person or is imprisoned at such due date, such proceedings may be filed within five years after the removal of such disability, notwithstanding the fact that such 10-year period has expired.

B. 1. The Authority may contract with the City of Richmond, the Counties of Henrico and Chesterfield, and the Department of State Police for the policing of any or all Authority facilities, and the City of Richmond, the Counties of Henrico and Chesterfield, and the Department of State Police are hereby authorized to enter into contracts with the Authority for such purpose. Police officers providing police services pursuant to such contracts shall be under the exclusive control and direction of the authority providing such officers, and shall be responsible to that authority exclusively for the performance of their duties and the exercise of their powers. The Authority shall reimburse the City of Richmond, the County of Henrico or Chesterfield, or the Commonwealth, as the case may be, in such amounts and at such time or times as shall be mutually agreed upon, for providing police service. Such officers shall be responsible for the preservation of the public peace, prevention of crime, apprehension of criminals, protection of the rights of persons and property, and enforcement of the laws of the Commonwealth and all rules and regulations of the Authority made in accordance herewith, and such officers shall have all the rights and duties of police officers as provided by the general laws of the Commonwealth. The violation of any such rule or regulation shall be punishable as follows: if such a violation would have been a violation of law if committed on any public road, street, or highway in the City of Richmond or the County of Henrico or Chesterfield, it shall be punishable in the same manner as if it had been committed on such public road, street, or highway; otherwise it shall be punishable as a Class 1 misdemeanor. All other police officers of the Commonwealth and of the City of Richmond and the Counties of Henrico and Chesterfield shall have the same powers and jurisdiction within the areas of operations agreed upon by the parties that they have beyond such limits and shall have access to all such areas at any and all times without interference for the purpose of exercising such powers and jurisdiction. For the purpose of enforcing such laws, rules, and regulations the court or courts having jurisdiction for the trial of criminal offenses committed in the City of Richmond or in the Counties of Henrico and Chesterfield within whose boundaries any crime is committed shall have jurisdiction to try any person charged with the violation of any such laws, rules, and regulations within such boundaries. A copy of the rules and regulations of the Authority, attested by the Secretary or Secretary-Treasurer of the Authority, may be admitted as evidence in lieu of the original. Any such copy purporting to be sealed and signed by such Secretary or Secretary-Treasurer may be admitted as evidence without any proof of the seal or signature, or of the official character of the person whose name is signed to it.

2. The Authority may also exercise full law-enforcement powers upon all property owned, operated, managed, leased, or maintained by or under the control of the Authority; establish and maintain a police department; and appoint and employ police officers to enforce the laws of the Commonwealth,
