## HOUSE BILL NO. 1632

AMENDMENT IN THE NATURE OF A SUBSTITUTE

(Proposed by the Senate Committee on Transportation

on February 6, 2013)

(Patron Prior to Substitute—Delegate Cosgrove)

A BILL to amend and reenact § 46.2-1571 of the Code of Virginia, relating to challenging the imposition of financial penalties on motor vehicle dealers.

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-1571 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-1571. Warranty and sales incentive obligations.

A. Each motor vehicle manufacturer, factory branch, distributor, or distributor branch shall (i) specify in writing to each of its motor vehicle dealers licensed in the Commonwealth the dealer's obligations for preparation, delivery, and warranty service on its products and (ii) compensate the dealer for warranty parts, service and diagnostic work required of the dealer by the manufacturer or distributor as follows:

15 1. Compensation of a dealer for warranty parts, service and diagnostic work shall not be less than the amounts charged by the dealer for the manufacturer's or distributor's original parts, service and 16 17 diagnostic work to retail customers for nonwarranty service, parts and diagnostic work installed or performed in the dealer's service department unless the amounts are not reasonable. Warranty parts 18 compensation shall be stated as a percentage of markup, which shall be an agreed reasonable 19 20 approximation of retail markup and which shall be uniformly applied to all of the manufacturer's or 21 distributor's parts unless otherwise provided for in this section. If the dealer and manufacturer or 22 distributor cannot agree on the warranty parts compensation markup to be paid to the dealer, the markup 23 shall be determined by an average of the dealer's retail markup on all of the manufacturer's or 24 distributor's parts as described in subdivisions 2 and 3 of this subsection.

25 2. For purposes of determining warranty parts and service compensation paid to a dealer by the manufacturer or distributor, menu-priced parts or services, group discounts, special event discounts, and special event promotions shall not be considered in determining amounts charged by the dealer to retail
28 customers. For purposes of determining labor compensation for warranty body shop repairs paid to a dealer by the manufacturer or distributor, internal and insurance-paid repairs shall not be considered in determining amounts charged by the dealer to retail customers.

31 3. Increases in dealer warranty parts and service compensation and diagnostic work compensation, pursuant to this section, shall be requested by the dealer in writing, shall be based on 100 consecutive repair orders or all repair orders over a ninety-day 90-day period, whichever occurs first and, in the case of parts, shall be stated as a percentage of markup which that shall be uniformly applied to all the manufacturer's or distributor's parts.

4. In the case of warranty parts compensation, the provisions of this subsection shall be effective only for model year 1992 and succeeding model years.

38 5. If a manufacturer or distributor furnishes a part to a dealer at no cost for use by the dealer in 39 performing work for which the manufacturer or distributor is required to compensate the dealer under this section, the manufacturer or distributor shall compensate the dealer for the part in the same manner 40 41 as warranty parts compensation, less the wholesale costs, for such part as listed in the manufacturer's 42 current price schedules. A manufacturer or distributor may pay the dealer a reasonable handling fee instead of the compensation otherwise required by this subsection for special high-performance complete 43 44 engine assemblies in limited production motor vehicles which that constitute less than five percent of model production furnished to the dealer at no cost, if the manufacturer or distributor excludes such 45 46 special high-performance complete engine assemblies in determining whether the amounts requested by 47 the dealer for warranty compensation are consistent with the amounts that the dealer charges its other retail service customers for parts used by the dealer to perform similar work. **48** 

6. In the case of service work, manufacturer original parts or parts otherwise specified by the manufacturer or distributor, and parts provided by a dealer either pursuant to an adjustment program as defined in § 59.1-207.34 or as otherwise requested by the manufacturer or distributor, the dealer shall be compensated in the same manner as for warranty service or parts.

This section does not apply to compensation for parts such as components, systems, fixtures, appliances, furnishings, accessories, and features that are designed, used, and maintained primarily for nonvehicular, residential purposes. Warranty and sales incentive audits of dealer records may be conducted by the manufacturer, factory branch, distributor, or distributor branch on a reasonable basis, and dealer claims for warranty or sales incentive compensation shall not be denied except for good cause, such as performance of nonwarranty repairs, lack of material documentation, fraud, or misrepresentation. A dealer's failure to comply with the specific requirements of the manufacturer or

60 distributor for processing the claim shall not constitute grounds for the denial of the claim or reduction 61 of the amount of compensation to the dealer as long as reasonable documentation or other evidence has been presented to substantiate the claim. The manufacturer, factory branch, distributor, or distributor 62 63 branch shall not deny a claim or reduce the amount of compensation to the dealer for warranty repairs 64 to resolve a condition discovered by the dealer during the course of a separate repair requested by the 65 customer. Claims for dealer compensation shall be paid within thirty 30 days of dealer submission or 66 within thirty 30 days of the end of an incentive program or rejected in writing for stated reasons. The manufacturer, factory branch, distributor, or distributor branch shall reserve the right to reasonable 67 periodic audits to determine the validity of all such paid claims for dealer compensation. Any 68 chargebacks for warranty parts or service compensation and service incentives shall only be for the 69 six-month period immediately following the date of the claim and, in the case of chargebacks for sales 70 71 compensation only, for the six-month period immediately following the date of claim. However, such limitations shall not be effective if a manufacturer, factory branch, distributor, or distributor branch has 72 reasonable cause to believe that a claim submitted by a dealer is intentionally false or fraudulent. For 73 74 purposes of this section, "reasonable cause" means a bona fide belief based upon evidence that the 75 material issues of fact are such that a person of ordinary caution, prudence, and judgment could believe that a claim was intentionally false or fraudulent. A dealer shall not be charged back or otherwise liable 76 for sales incentives or charges related to a motor vehicle sold by the dealer to a purchaser other than a 77 78 licensed, franchised motor vehicle dealer and subsequently exported or resold, unless the manufacturer, 79 factory branch, distributor, or distributor branch can demonstrate by a preponderance of the evidence 80 that the dealer should have known of and did not exercise due diligence in discovering the purchaser's 81 intention to export or resell the motor vehicle.

82 B. It shall be unlawful for any motor vehicle manufacturer, factory branch, distributor, or distributor 83 branch to: 84

1. Fail to perform any of its warranty obligations, including tires, with respect to a motor vehicle;

2. Fail to assume all responsibility for any liability resulting from structural or production defects;

86 3. Fail to include in written notices of factory recalls to vehicle owners and dealers the expected date 87 by which necessary parts and equipment will be available to dealers for the correction of defects;

88 4. Fail to compensate any of the motor vehicle dealers licensed in the Commonwealth for repairs 89 effected by the dealer of merchandise damaged in manufacture or transit to the dealer where the carrier 90 is designated by the manufacturer, factory branch, distributor, or distributor branch;

91 5. Fail to fully compensate its motor vehicle dealers licensed in the Commonwealth for warranty 92 parts, work, and service pursuant to subsection A either by reduction in the amount due to the dealer or 93 by separate charge, surcharge, or other imposition by which the motor vehicle manufacturer, factory 94 branch, distributor, or distributor branch seeks to recover its costs of complying with subsection A, or 95 for legal costs and expenses incurred by such dealers in connection with warranty obligations for which 96 the manufacturer, factory branch, distributor, or distributor branch is legally responsible or which the 97 manufacturer, factory branch, distributor, or distributor branch imposes upon the dealer;

98 6. Misrepresent in any way to purchasers of motor vehicles that warranties with respect to the 99 manufacture, performance, or design of the vehicle are made by the dealer, either as warrantor or 100 co-warrantor;

7. Require the dealer to make warranties to customers in any manner related to the manufacture, 101 102 performance, or design of the vehicle;

103 8. Shift or attempt to shift to the motor vehicle dealer, directly or indirectly, any liabilities of the 104 manufacturer, factory branch, distributor or distributor branch under the Virginia Motor Vehicle Warranty Enforcement Act (§ 59.1-207.9 et seq.), unless such liability results from the act or omission 105 106 by the dealer: or

107 9. Deny any dealer the right to return any part or accessory that the dealer has not sold within 12 108 months where the part or accessory was not obtained through a specific order initiated by the dealer but 109 instead was specified for, sold to and shipped to the dealer pursuant to an automated ordering system, 110 provided that such part or accessory is in the condition required for return to the manufacturer, factory 111 branch, distributor, or distributor branch, and the dealer returns the part within 30 days of it becoming eligible under this subdivision. For purposes of this subdivision, an "automated ordering system" shall be 112 a computerized system that automatically specifies parts and accessories for sale and shipment to the 113 dealer without specific order thereof initiated by the dealer. The manufacturer, factory branch, 114 distributor, or distributor branch shall not charge a restocking or handling fee for any part or accessory 115 116 being returned under this subdivision. This subdivision shall not apply if the manufacturer, factory 117 branch, distributor, or distributor branch has available to the dealer an alternate system for ordering parts 118 and accessories that provides for shipment of ordered parts and accessories to the dealer within the same 119 time frame as the dealer would receive them when ordered through the automated ordering system.

120 C. Notwithstanding the terms of any franchise, it shall be unlawful for any motor vehicle 121 manufacturer, factory branch, distributor, or distributor branch to fail to indemnify and hold harmless its

122 motor vehicle dealers against any losses or damages arising out of complaints, claims, or suits relating 123 to the manufacture, assembly, or design of motor vehicles, parts, or accessories, or other functions by 124 the manufacturer, factory branch, distributor, or distributor branch beyond the control of the dealer, 125 including, without limitation, the selection by the manufacturer, factory branch, distributor, or distributor 126 branch of parts or components for the vehicle or any damages to merchandise occurring in transit to the 127 dealer where the carrier is designated by the manufacturer, factory branch, distributor, or distributor 128 branch. The dealer shall notify the manufacturer of pending suits in which allegations are made which 129 that come within this subsection whenever reasonably practicable to do so. Every motor vehicle dealer 130 franchise issued to, amended, or renewed for motor vehicle dealers in Virginia shall be construed to 131 incorporate provisions consistent with the requirements of this subsection.

132 D. On any new motor vehicle, any uncorrected damage or any corrected damage exceeding three 133 percent of the manufacturer's or distributor's suggested retail price as defined in 15 U.S.C. §§ 1231-1233, 134 as measured by retail repair costs, must be disclosed to the dealer in writing prior to delivery. Factory 135 mechanical repair and damage to glass, tires, and bumpers are excluded from the three percent rule 136 when properly replaced by identical manufacturer's or distributor's original equipment or parts. Whenever 137 a new motor vehicle is damaged in transit, when the carrier or means of transportation is determined by 138 the manufacturer or distributor, or whenever a motor vehicle is otherwise damaged prior to delivery to 139 the new motor vehicle dealer, the new motor vehicle dealer shall:

140 1. Notify the manufacturer or distributor of the damage within three business days from the date of
141 delivery of the new motor vehicle to the new motor vehicle dealership or within the additional time
142 specified in the franchise; and

143 2. Request from the manufacturer or distributor authorization to replace the components, parts, and
144 accessories damaged or otherwise correct the damage, unless the damage to the vehicle exceeds the three
145 percent rule, in which case the dealer may reject the vehicle within three business days.

146 E. If the manufacturer or distributor refuses or fails to authorize correction of such damage within 147 ten 10 days after receipt of notification, or if the dealer rejects the vehicle because damage exceeds the 148 three percent rule, ownership of the new motor vehicle shall revert to the manufacturer or distributor, and the new motor vehicle dealer shall have no obligation, financial or otherwise, with respect to such 149 150 motor vehicle. Should either the manufacturer, distributor, or the dealer elect to correct the damage or 151 any other damage exceeding the three percent rule, full disclosure shall be made by the dealer in writing 152 to the buyer and an acknowledgement by the buyer is required. If there is less than three percent 153 damage, no disclosure is required, provided the damage has been corrected. Predelivery mechanical work 154 shall not require a disclosure. Failure to disclose any corrected damage within the knowledge of the 155 selling dealer to a new motor vehicle in excess of the three percent rule shall constitute grounds for 156 revocation of the buyer order, provided that, within thirty 30 days of purchase, the motor vehicle is 157 returned to the dealer with an accompanying written notice of the grounds for revocation. In case of 158 revocation pursuant to this section, the dealer shall accept the vehicle and refund any payments made to 159 the dealer in connection with the transaction, less a reasonable allowance for the consumer's use of the 160 vehicle as defined in § 59.1-207.11. Nothing in this section shall be construed to exempt from the provisions of this section damage to a new motor vehicle that occurs following delivery of the vehicle 161 162 to the dealer.

163 F. If there is a dispute between the manufacturer, factory branch, distributor, or distributor branch 164 and the dealer with respect to any matter referred to in subsection A, B, or C of this section, either 165 party may petition the Commissioner in writing, within thirty 30 days after either party has given 166 written notice of the dispute to the other, for a hearing. The decision of the Commissioner shall be binding on the parties, subject to rights of judicial review and appeal as provided in Chapter 40 167 168 (§ 2.2-4000 et seq.) of Title 2.2. However, nothing contained in this section shall give the Commissioner 169 any authority as to the content or interpretation of any manufacturer's or distributor's warranty. A 170 manufacturer, factory branch, distributor, or distributor branch may not collect chargebacks, fully or in 171 part, either through direct payment or by charge to the dealer's account, for warranty parts or service 172 compensation (including service incentives) or for, including service incentives, sales incentives or, other 173 sales compensation, surcharges, fees, penalties, or any financial imposition of any type arising from an 174 alleged failure of the dealer to comply with a policy of, directive from, or agreement with the 175 manufacturer, factory branch, distributor, or distributor branch until 40 days following final notice of 176 the amount charged to the dealer following all internal processes of the manufacturer, factory, factory 177 branch, distributor, or distributor branch. Within 30 days following receipt of such final notice, the 178 dealer may petition the Commissioner, in writing, for a hearing. If a dealer requests such a hearing, the manufacturer, factory branch, distributor, or distributor branch may not collect the chargeback, fully or 179 180 in part, either through direct payment or by charge to the dealer's account, until the completion of the hearing and a final decision of the Commissioner concerning the validity of the chargeback. 181
