

1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 An Act to amend the Code of Virginia by adding a section numbered 54.1-2963.2, relating to Lyme
3 disease; disclosure of information to patients.

4 [H 1933]

5 Approved

6 Be it enacted by the General Assembly of Virginia:

7 1. That the Code of Virginia is amended by adding a section numbered 54.1-2963.2 as follows:
8 § 54.1-2963.2. *Lyme disease testing information disclosure.*

9 A. Every licensee or his in-office designee who orders a laboratory test for the presence of Lyme
10 disease shall provide to the patient or his legal representative the following written information:

11 "ACCORDING TO THE CENTERS FOR DISEASE CONTROL AND PREVENTION, AS OF 2011
12 LYME DISEASE IS THE SIXTH FASTEST GROWING DISEASE IN THE UNITED STATES.

13 YOUR HEALTH CARE PROVIDER HAS ORDERED A LABORATORY TEST FOR THE PRESENCE
14 OF LYME DISEASE FOR YOU. CURRENT LABORATORY TESTING FOR LYME DISEASE CAN BE
15 PROBLEMATIC AND STANDARD LABORATORY TESTS OFTEN RESULT IN FALSE NEGATIVE AND
16 FALSE POSITIVE RESULTS, AND IF DONE TOO EARLY, YOU MAY NOT HAVE PRODUCED
17 ENOUGH ANTIBODIES TO BE CONSIDERED POSITIVE BECAUSE YOUR IMMUNE RESPONSE
18 REQUIRES TIME TO DEVELOP ANTIBODIES. IF YOU ARE TESTED FOR LYME DISEASE, AND
19 THE RESULTS ARE NEGATIVE, THIS DOES NOT NECESSARILY MEAN YOU DO NOT HAVE LYME
20 DISEASE. IF YOU CONTINUE TO EXPERIENCE SYMPTOMS, YOU SHOULD CONTACT YOUR
21 HEALTH CARE PROVIDER AND INQUIRE ABOUT THE APPROPRIATENESS OF RETESTING OR
22 ADDITIONAL TREATMENT."

23 B. Licensees shall be immune from civil liability for the provision of the written information required
24 by this section absent gross negligence or willful misconduct.

25 2. That the provisions of this act shall expire on July 1, 2018.
