3. If the Board finds there has been compliance with the required conditions, the Board shall issue a directive ordering payment of the amount of such shortfall to the claimant from the fund; provided that in no event shall such payment exceed the balance in the fund. When the fund balance is not sufficient to pay the aggregate amount of such shortfall, the Board shall direct payment shall be applied first in satisfaction of any award of reasonable fees, costs, and expenses to the receiver and second to restore the funds that were or ought to have been held in a fiduciary capacity by the subject common interest community manager. If the Board has reason to believe that there may be additional claims against the fund, the Board may withhold any payment(s) from the fund for a period of not more than one year. After such one-year period, if the aggregate of claims received exceeds the fund balance, the fund balance shall be prorated by the Board among the claimants and paid in the above payment order from the fund in proportion to the amounts of claims remaining unpaid.

4. The Director shall, subject to the limitations set forth in this subsection, pay to the claimant from the fund such amount as shall be directed by the Board upon the execution and delivery to the Director by such claimant of an assignment to the Board of the claimant's rights on its behalf and on behalf of the associations receiving distributions from the fund against the common interest community manager to the extent that such rights were satisfied from the fund.

5. The claimant shall be notified in writing of the findings of the Board. The Board's findings shall be considered a case decision as defined in § 2.2-4001, and judicial review of these findings shall be in accordance with § 2.2-4025 of the Administrative Process Act (§ 2.2-4000 et seq.).

6. Notwithstanding any other provision of law, the Board shall have the right to appeal a decision of any court that is contrary to any distribution recommended or authorized by it.

7. Upon payment by the Director to a claimant from the fund as provided in this subsection, the Board shall immediately revoke the license of the common interest community manager whose actions resulted in payment from the fund. The common interest community manager whose license was so revoked shall not be eligible to apply for a license as a common interest community manager until he

has repaid in full the amount paid from the fund on his account, plus interest at the judgment rate of interest from the date of payment from the fund.

8. Nothing contained in this subsection shall limit the authority of the Board to take disciplinary action against any common interest community manager for any violation of statute or regulation, nor shall the repayment in full by a common interest community manager of the amount paid from the fund on such common interest community manager's account nullify or modify the effect of any disciplinary proceeding against such common interest community manager for any such violation.
