189 licensed with a renewable license.

190 "Renewable license" means a license issued by the Board of Education for five years to an individual  
191 who meets the requirements specified in the Board of Education's regulations.

219 Social Services that are relevant to the specific teacher licensure routes;
- 220 3. Every person seeking initial licensure or renewal of a license shall receive professional  
221 development in instructional methods tailored to promote student academic progress and effective

- 223 4. Every person seeking licensure with an endorsement as a teacher of the blind and visually  
224 impaired shall demonstrate proficiency in reading and writing Braille.

225 E. The Board's regulations shall require that initial licensure for principals and assistant principals be  
226 contingent upon passage of an assessment as prescribed by the Board.

227 F. The Board shall establish criteria in its regulations to effectuate the substitution of experiential  
228 learning for coursework for those persons seeking initial licensure through an alternate route as defined  
229 in Board regulations.

230 G. Notwithstanding any provision of law to the contrary, the Board may provide for the issuance of  
231 a provisional license, valid for a period not to exceed three years, to any person who does not meet the  
232 requirements of this section or any other requirement for licensure imposed by law.

233 H. The Board's licensure regulations shall also provide for licensure by reciprocity:

235 license and national certification from the National Board for Professional Teaching Standards or a  
236 nationally recognized certification program approved by the Board of Education. The application for  
237 such individuals shall require evidence of such valid licensure and national certification and shall not  
238 require official student transcripts;

- 239 2. For individuals who have obtained a valid out-of-state license, with full credentials and without  
240 deficiencies, that is in force at the time the application for a Virginia license is received by the  
241 Department of Education. The individual must establish a file in the Department of Education by  
242 submitting a complete application packet, which shall include official student transcripts. An assessment  
243 of basic skills as provided in § 22.1-298.2 and service requirements shall not be imposed for these  
244 licensed individuals; however, other licensing assessments, as prescribed by the Board of Education,

shall be required; and

3. The Board may include other provisions for reciprocity in its regulations.

§ 22.1-299. License required of teachers.

No teacher shall be regularly employed by a school board or paid from public funds unless such teacher holds a license or provisional license issued by the Board of Education or a ~~three-year local eligibility license issued by a local school board pursuant to § 22.1-299.3.~~ Notwithstanding the provision in § 22.1-298.1 that the provisional license is limited to three years, if a teacher employed in Virginia under a provisional license is activated or deployed for military service within a school year (July 1-June 30), an additional year will be added to the teacher's provisional license for each school year or portion thereof the teacher is activated or deployed. The additional year or years shall be granted the following year or years after the return of the teacher from deployment or activation. ~~Local school divisions may grant similar extensions for local eligibility licenses in their discretion.~~

In accordance with regulations prescribed by the Board, a person not meeting the requirements for a license or provisional license may be employed and paid from public funds by a school board temporarily as a substitute teacher to meet an emergency.

§ 22.1-302. Written contracts required; execution of contracts; qualifications of temporarily employed teachers; rules and regulations.

A. A written contract, in a form ~~prescribed~~ *permitted* by the Board of Education's *regulations*, shall be made by the school board with each teacher employed by it, except those who are temporarily employed, before such teacher enters upon his duties. Such contract shall be signed in duplicate, with a copy thereof furnished to both parties.

A temporarily employed teacher, as used in this section, shall mean (i) one who is employed to substitute for a contracted teacher for a temporary period of time during the contracted teacher's absence; or (ii) one who is employed to fill a teacher vacancy for a period of time, but for no longer than 90 teaching days in such vacancy, unless otherwise approved by the Superintendent of Public Instruction on a case-by-case basis, during one school year.

*The standard 10-month contract shall include 200 days, including (i) a minimum of 180 teaching days or 990 instructional hours and (ii) up to 20 days for activities such as teaching, participating in professional development, planning, evaluating, completing records and reports, participating on committees or in conferences, or such other activities as may be assigned or approved by the local school board.*

B. The Board of Education shall promulgate regulations regarding temporarily employed teachers, as defined in this section, which shall provide that such teachers be at least ~~eighteen~~ 18 years of age and that they hold a high school diploma or a general educational development (GED) certificate.

*A temporarily employed teacher is not required to be licensed by the Board of Education, nor is the local school board required to enter into a written contract with a temporarily employed teacher.* However, local school boards shall establish employment qualifications for temporarily employed teachers which may exceed the Board's regulations for the employment of such teachers. School boards shall also seek to ensure that temporarily employed teachers who are engaged as long-term substitutes shall exceed baseline employment qualifications.

C. A separate contract in a form ~~prescribed~~ *permitted* by the Board of Education shall be executed by the school board with ~~such employee~~ *a teacher* who is receiving a monetary supplement for any athletic coaching or extracurricular activity sponsorship assignment. This contract shall be separate and apart from the contract for teaching.

Termination of a separate contract for any athletic coaching or extracurricular activity sponsorship assignment by either party thereto shall not constitute cause for termination of the separate teaching contract of the coach or teacher.

All such contracts shall require the party intending to terminate the coaching or extracurricular activity sponsorship contract to give reasonable notice to the other party before termination thereof shall become effective.

For the purposes of this section, "extracurricular activity sponsorship" means an assignment for which a monetary supplement is received, requiring responsibility for any student organizations, clubs, or groups, such as service clubs, academic clubs and teams, cheerleading squads, student publication and literary groups, and visual and performing arts organizations except those that are conducted in conjunction with regular classroom, curriculum, or instructional programs.

§ 22.1-303. Probationary terms of service for teachers.

A. A probationary term of service for ~~three~~ *five* years in the same school division shall be required before a teacher is issued ~~a continuing term contract for a term of three years.~~ School boards shall provide each probationary teacher except probationary teachers who have prior successful teaching experience, as determined by the local school board in a school division, a mentor teacher, as described by Board guidelines developed pursuant to § 22.1-305.1, during the first year of the probationary period,

306 to assist such probationary teacher in achieving excellence in instruction. During the probationary period,  
307 such probationary teacher shall be *formally* evaluated annually based upon the evaluation procedures  
308 developed by the employing school board for use by the division superintendent and principals in  
309 evaluating ~~instructional personnel~~ *teachers* as required by subsection C of § 22.1-295. *A teacher in his*  
310 *first year of the probationary period shall be evaluated informally at least once during the first semester*  
311 *of the school year.* The division superintendent shall consider such evaluations, among other things, in  
312 making any recommendations to the school board regarding the nonrenewal of such probationary  
313 teacher's contract as provided in § 22.1-305.

314 If the teacher's performance evaluation during the probationary period is not satisfactory, the school  
315 board shall not reemploy the teacher; however, nothing contained in this subsection shall be construed to  
316 require cause, as defined in § 22.1-307, for the nonrenewal of the contract of a teacher who has not  
317 achieved ~~continuing~~ term contract status.

318 Any teacher hired on or after July 1, 2001, shall be required, as a condition of achieving ~~continuing~~  
319 term contract status, to have successfully completed training in instructional strategies and techniques for  
320 intervention for or remediation of students who fail or are at risk of failing the Standards of Learning  
321 assessments. Local school divisions shall be required to provide said training at no cost to teachers  
322 employed in their division. In the event a local school division fails to offer said training in a timely  
323 manner, no teacher will be denied ~~continuing~~ term contract status for failure to obtain such training.

324 B. Once a ~~continuing~~ term contract status has been attained in a school division in the  
325 Commonwealth, another probationary period need not be served in any other school division unless such  
326 probationary period, not to exceed ~~one year~~ *two years*, is made a part of the contract of employment.  
327 Further, when a teacher has attained ~~continuing~~ term contract status in a school division in the  
328 Commonwealth, and separates from and returns to teaching service in a school division in Virginia by  
329 the beginning of the third year, such teacher shall be required to serve a probationary period not to  
330 exceed ~~one year~~ *two years*, if made a part of the contract for employment.

331 C. *A teacher who attained continuing contract status in a school division in the Commonwealth on*  
332 *or before the first day of the 2013-2014 school year need not serve a probationary period in any other*  
333 *school division unless such probationary period, not to exceed two years, is made part of the*  
334 *employment contract. Further, when a teacher who attained continuing contract status in a school*  
335 *division in the Commonwealth on or before the first day of the 2013-2014 school year separates from*  
336 *and returns to teaching service in a school division in the Commonwealth within three years, such*  
337 *teacher shall be required to serve a probationary period not to exceed two years, if made part of the*  
338 *employment contract. Any teacher who previously attained continuing contract status in a school*  
339 *division in the Commonwealth, who may be required to serve a probationary period pursuant to this*  
340 *subsection, shall not be issued a term contract upon the satisfactory completion of any probationary*  
341 *period but shall be eligible for a continuing contract.*

342 D. For the purpose of calculating the ~~three~~ *five* years of service required to attain ~~continuing~~ term  
343 contract status, at least 160 contractual teaching days during the school year shall be deemed the  
344 equivalent of one year in the first year of service by a teacher.

345 DE. Teachers holding three-year local eligibility licenses *issued prior to July 1, 2012, pursuant to*  
346 *§ 22.1-299.3* shall not be eligible for ~~continuing~~ term contract status while teaching under the authority  
347 of such license. Upon attainment of a collegiate professional or postgraduate professional license issued  
348 by the Department of Education, such teachers shall serve the ~~three-year~~ *five-year* probationary period  
349 prior to being eligible for ~~continuing~~ term contract status pursuant to this section.

350 § 22.1-304. Reemployment of teacher who has not achieved term contract status; effect of term  
351 contract; resignation of teacher; reduction in number of teachers.

352 A. If a teacher who has not achieved ~~continuing~~ term contract status *or a teacher who is in his last*  
353 *year of a term contract* receives notice of reemployment, he must accept or reject in writing within 15  
354 days of receipt of such notice. Except as provided in § 22.1-305 and except in the case of a reduction in  
355 force as provided in subsection F, written notice of nonrenewal of ~~the~~ *a probationary or term* contract  
356 must be given by the school board on or before ~~April~~ *June 15* of ~~each~~ *the* year. If no such notice is  
357 given a teacher by ~~April~~ *June 15*, the teacher shall be entitled to a contract ~~for the ensuing year or, in~~  
358 *the case of a teacher on a term contract, a term contract* in accordance with local salary stipulations  
359 including increments.

360 B. Teachers employed after completing the probationary period shall be entitled to ~~continuing~~  
361 *three-year term* contracts during good behavior and competent service ~~and prior to the age at which they~~  
362 *are eligible or required to retire except as hereinafter provided. Teachers who attained continuing*  
363 *contract status on or before the first day of the 2013-2014 school year shall be entitled to continuing*  
364 *contracts in their current school division during good behavior and competent service.* Written notice of  
365 noncontinuation of the contract by either party must be given by ~~April~~ *June 15* of each year; otherwise  
366 the contract continues in effect for the ensuing year in conformity with local salary stipulations  
367 including increments.

C. A teacher may resign after ~~April~~ June 15 of any school year with the approval of the local school board or, upon authorization by the school board, with the approval of the division superintendent. The teacher shall request release from contract at least two weeks in advance of intended date of resignation. Such request shall be in writing and shall set forth the cause of resignation.

If the division superintendent has been authorized to approve resignations, a teacher may, within one week, withdraw a request to resign. Upon the expiration of the one-week period, the division superintendent shall notify the school board of his decision to accept or reject the resignation. The school board, within two weeks, may reverse the decision of the division superintendent.

In the event that the board or the division superintendent declines to grant the request for release on the grounds of insufficient or unjustifiable cause, and the teacher breaches such contract, disciplinary action, which may include revocation of the teacher's license, may be taken pursuant to regulations prescribed by the Board of Education.

D. As soon after ~~April~~ June 15 as the school budget shall have been approved by the appropriating body, the school board shall furnish each teacher a statement confirming continuation of employment, setting forth assignment and salary.

Nothing in the ~~continuing term contract or continuing contract~~ shall be construed to authorize the school board to contract for any financial obligation beyond the period for which funds have been made available with which to meet such obligation.

E. A school board may reduce the number of teachers, whether or not such teachers have reached ~~continuing term contract or continuing contract~~ status, because of decrease in enrollment or abolition of particular subjects.

F. Within two weeks of the approval of the school budget by the appropriating body, but no later than ~~June~~ July 1, school boards shall notify all teachers who may be subject to a reduction in force due to a decrease in the school board's budget as approved by the appropriating body.

*G. If a school board implements a reduction in workforce pursuant to this section, such reduction shall not be made solely on the basis of seniority, but must include consideration of, among other things, the performance evaluations of the teachers potentially affected by the reduction in workforce.*

§ 22.1-305. Nonrenewal of contract of probationary teacher.

A. Before a division superintendent recommends to the school board nonrenewal of the contract of a teacher who has not achieved ~~continuing term contract status or of a teacher who is in the last year of his three-year term contract~~, the division superintendent shall consider, among other things, the performance evaluations for such teacher required by § 22.1-303 and shall notify the teacher of the proposed recommendation. Upon written request of the teacher within five working days after receipt of such notice, the division superintendent or his designee shall orally provide the specific reasons, if any, for such recommendation, along with supporting documentation, including such performance evaluations, to the teacher and, if requested by the teacher, to his or her representative. Within ~~ten~~ 10 days after receiving such reasons, the teacher may request, by notification in writing to the division superintendent, a conference before the division superintendent. Upon such request, the division superintendent shall set a date for the conference, which shall be within ~~thirty~~ 30 days of the request, and shall give the teacher at least ~~fifteen~~ 15 days' notice of the time and place of the conference.

B. The conference shall be before the division superintendent or his designee. No such designee shall have recommended to the division superintendent the nonrenewal of the teacher's contract. The teacher and the person or persons who recommended the nonrenewal of the teacher's contract to the division superintendent, or a representative of either or both, shall be allowed to participate in the conference, but no such representative shall be an attorney.

C. If the conference is before a designee of the division superintendent, the designee shall communicate his recommendations to the division superintendent and to the teacher.

D. The division superintendent shall notify the teacher, in writing, of his intention with respect to the recommendation within ~~ten~~ 10 days after the conference.

E. In any case in which a teacher requests a ~~conference~~ *reasons for the recommendation* as provided in this section, written notice of nonrenewal of the contract by the school board must be given *either within 10 days after the time for requesting a conference has expired and the teacher has not made a timely request for a conference or, if a conference is requested, within thirty* 30 days after the division superintendent notifies the teacher of his intention with respect to the recommendation and the provisions of § 22.1-304 requiring such notice on or before ~~April~~ June 15 shall not be applicable.

F. The conference shall be confidential and no written or oral communication of such conference shall be made to anyone other than the school board, in executive session, and employees of the school division having an interest therein; however, both the teacher and the division superintendent, upon request, may provide the reasons for the nonrenewal to a potential employer of the teacher.

G. The provisions of this section shall be inapplicable when a decrease in enrollment or the abolition of a particular subject or reduction in the number of classes offered in a particular subject causes a

reduction in the number of teachers; however, a statement to that effect shall be placed in the personnel file of each teacher whose contract is nonrenewed for any such reason.

H. The intent of this section is to provide an opportunity for a ~~probationary~~ teacher to discuss the reasons for nonrenewal with the division superintendent or his designee, and the provisions of this section are meant to be procedural only. Nothing contained herein shall be taken to require cause, as defined in § 22.1-307, for the nonrenewal of the contract of a teacher who has not achieved ~~continuing~~ term contract status *or is in the last year of a three-year term contract*, nor shall the failure of the school board or the division superintendent to comply with any time requirement herein constitute a basis for continued employment of the teacher.

A. The Board shall issue guidelines for such mentor teacher programs and shall set criteria for beginning and experienced teacher participation, including self-referral, and the qualifications and training of mentor teachers. Such guidelines shall provide that the mentor programs be administered by local school boards, with the assistance of an advisory committee made up of teachers, *principals*, and ~~administrators~~ *supervisors*, and that mentors (i) be classroom teachers who have achieved ~~continuing~~ term contract status and who work in the same building as the teachers they are assisting or be instructional personnel who are assigned solely as mentors; (ii) be assigned a limited number of teachers at any time; however, instructional personnel who are not assigned solely as mentors should not be assigned to more than four teachers at any time; and (iii) guide teachers in the program through demonstrations, observations, and consultations to promote instructional excellence.
