§ 33.1-23.03:8. Priority Transportation Fund established.

A. There is hereby created in the state treasury a special nonreverting fund to be known as the Priority Transportation Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. All funds as may be designated in the appropriation act for deposit to the Fund shall be paid into the state treasury and credited to the Fund. Such funds shall include:

1. A portion of the moneys actually collected, including penalty and interest, attributable to any increase in revenues from the taxes imposed under Chapter 22 (§ 58.1-2200 et seq.) of Title 58.1, with such increase being calculated as the difference between such tax revenues collected in the manner prescribed under Chapter 22 less such tax revenues that would have been collected using the prescribed manner in effect immediately before the effective date of Chapter 22, computed without regard to increases in the rates of taxes under Chapter 22 pursuant to enactments of the 2007 Session of the General Assembly. The portion to be deposited to the Fund shall be the moneys actually collected from such increase in revenues and allocated for highway and mass transit improvement projects as set forth in § 33.1-23.03:2, but not including any amounts that are allocated to the Commonwealth Port Fund and the Commonwealth Airport Fund under such section. There shall also be deposited into the Fund all additional federal revenues attributable to Chapter 22 (§ 58.1-2200 et seq.) of Title 58.1;

2. Beginning with the fiscal year ending June 30, 2000, and for fiscal years thereafter, all revenues that exceed the official forecast, pursuant to § 2.2-1503, for (i) the Highway Maintenance and Operating Fund and (ii) the allocation to highway and mass transit improvement projects as set forth in § 33.1-23.03:2, but not including any amounts that are allocated to the Commonwealth Port Fund and the Commonwealth Airport Fund under such section;

3. 2. All revenues deposited into the Fund pursuant to § 58.1-2531; and

4. 3. All revenues deposited into the Fund pursuant to § 58.1-638; and

4. Any other such funds as may be transferred, allocated, or appropriated.

All moneys in the Fund shall first be used for debt service payments on bonds or obligations for which the Fund is expressly required for making debt service payments, to the extent needed. The Fund shall be considered a part of the Transportation Trust Fund. Any moneys remaining in the Fund,

INTRODUCED

SB1355

59 including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall
 60 remain in the Fund. Moneys in the Fund shall be used solely for the purposes enumerated in subsection
 61 B of this section. Expenditures and disbursements from the Fund shall be made by the State Treasurer
 62 on warrants issued by the Comptroller.

63 B. The Commonwealth Transportation Board shall use the Fund to facilitate the financing of priority
 64 transportation projects throughout the Commonwealth. The Board may use the Fund either (i) by
 65 expending amounts therein on such projects directly, (ii) by payment to any authority, locality,
 66 commission or other entity for the purpose of paying the costs thereof, or (iii) by using such amounts to
 67 support, secure, or leverage financing for such projects. No expenditures from or other use of amounts
 68 in the Fund shall be considered in allocating highway maintenance and construction funds under §
 69 33.1-23.1 or apportioning Transportation Trust Fund funds under § 58.1-638, but shall be in addition
 70 thereto. The Board shall use the Fund to facilitate the financing of priority transportation projects as
 71 designated by the General Assembly; provided, however, that, at the discretion of the Commonwealth
 72 Transportation Board, funds allocated to projects within a transportation district may be allocated among
 73 projects within the same transportation district as needed to meet construction cash-flow needs.

74 C. Notwithstanding any other provision of this section, beginning July 1, 2007, no bonds, obligations,
 75 or other evidences of debt (the bonds) that expressly require as a source for debt service payments or
 76 for the repayment of such bonds the revenues of the Fund, shall be issued or entered into unless at the
 77 time of the issuance the revenues then in the Fund or reasonably anticipated to be deposited into the
 78 Fund pursuant to the law then in effect are by themselves sufficient to make 100% of the contractually
 79 required debt service payments on all such bonds, including any interest related thereto and the
 80 retirement of such bonds.

81 **§ 46.2-694. (Contingent expiration date) Fees for vehicles designed and used for transportation**
 82 **of passengers; weights used for computing fees; burden of proof.**

83 A. The annual registration fees for motor vehicles, trailers, and semitrailers designed and used for the
 84 transportation of passengers on the highways in the Commonwealth are:

85 1. ~~Thirty-three~~ *Forty-eight* dollars for each private passenger car or motor home if the passenger car
 86 or motor home weighs 4,000 pounds or less, provided that it is not used for the transportation of
 87 passengers for compensation and is not kept or used for rent or for hire, or is not operated under a lease
 88 without a chauffeur.

89 2. ~~Thirty-eight~~ *Fifty-three* dollars for each passenger car or motor home which weighs more than
 90 4,000 pounds, provided that it is not used for the transportation of passengers for compensation and is
 91 not kept or used for rent or for hire, or is not operated under a lease without a chauffeur.

92 3. Thirty cents per 100 pounds or major fraction thereof for a private motor vehicle other than a
 93 motorcycle with a normal seating capacity of more than 10 adults including the driver if the private
 94 motor vehicle is not used for the transportation of passengers for compensation and is not kept or used
 95 for rent or for hire or is not operated under a lease without a chauffeur. In no case shall the fee be less
 96 than ~~\$23~~ *\$48* if the vehicle weighs 4,000 pounds or less or ~~\$28~~ *\$53* if the vehicle weighs more than
 97 4,000 pounds.

98 4. Thirty cents per 100 pounds or major fraction thereof for a school bus. In no case shall the fee be
 99 less than \$23 if the vehicle weighs 4,000 pounds or less or \$28 if the vehicle weighs more than 4,000
 100 pounds.

101 5. Twenty-three dollars for each trailer or semitrailer designed for use as living quarters for human
 102 beings.

103 6. Thirteen dollars plus \$0.30 per 100 pounds or major fraction thereof for each motor vehicle,
 104 trailer, or semitrailer used as a common carrier of passengers, operating either intrastate or interstate.
 105 Interstate common carriers of interstate passengers may elect to be licensed and pay the fees prescribed
 106 in subdivision 7 of this subsection on submission to the Commissioner of a declaration of operations and
 107 equipment as he may prescribe. An additional \$5 shall be charged if the motor vehicle weighs more
 108 than 4,000 pounds.

109 7. Thirteen dollars plus \$0.70 per 100 pounds or major fraction thereof for each motor vehicle,
 110 trailer, or semitrailer used as a common carrier of interstate passengers if election is made to be licensed
 111 under this subsection. An additional \$5 shall be charged if the motor vehicle weighs more than 4,000
 112 pounds. In lieu of the foregoing fee of \$0.70 per 100 pounds, a motor carrier of passengers, operating
 113 two or more vehicles both within and outside the Commonwealth and registered for insurance purposes
 114 with the Surface Transportation Board of the United States Department of Transportation, Federal
 115 Highway Administration, may apply to the Commissioner for prorated registration. Upon the filing of
 116 such application, in such form as the Commissioner may prescribe, the Commissioner shall apportion the
 117 registration fees provided in this subsection so that the total registration fees to be paid for such vehicles
 118 of such carrier shall be that proportion of the total fees, if there were no apportionment, that the total
 119 number of miles traveled by such vehicles of such carrier within the Commonwealth bears to the total
 120 number of miles traveled by such vehicles within and outside the Commonwealth. Such total mileage in

121 each instance is the estimated total mileage to be traveled by such vehicles during the license year for
 122 which such fees are paid, subject to the adjustment in accordance with an audit to be made by
 123 representatives of the Commissioner at the end of such license year, the expense of such audit to be
 124 borne by the carrier being audited. Each vehicle passing into or through Virginia shall be registered and
 125 licensed in Virginia and the annual registration fee to be paid for each such vehicle shall not be less
 126 than \$33. For the purpose of determining such apportioned registration fees, only those motor vehicles,
 127 trailers, or semitrailers operated both within and outside the Commonwealth shall be subject to inclusion
 128 in determining the apportionment provided for herein.

129 8. Thirteen dollars plus \$0.80 per 100 pounds or major fraction thereof for each motor vehicle, trailer
 130 or semitrailer kept or used for rent or for hire or operated under a lease without a chauffeur for the
 131 transportation of passengers. An additional fee of \$5 shall be charged if the vehicle weighs more than
 132 4,000 pounds. This subsection does not apply to vehicles used as common carriers.

133 9. Twenty-three dollars for a taxicab or other vehicle which is kept for rent or hire operated with a
 134 chauffeur for the transportation of passengers, and which operates or should operate under permits issued
 135 by the Department as required by law. An additional fee of \$5 shall be charged if the vehicle weighs
 136 more than 4,000 pounds. This subsection does not apply to vehicles used as common carriers.

137 10. Eighteen dollars for a motorcycle, with or without a sidecar. To this fee shall be added a
 138 surcharge of \$3 which shall be distributed as provided in § 46.2-1191.

139 11. Twenty-three dollars for a bus used exclusively for transportation to and from church school, for
 140 the purpose of religious instruction, or church, for the purpose of divine worship. If the empty weight of
 141 the vehicle exceeds 4,000 pounds, the fee shall be \$28.

142 12. Thirteen dollars plus \$0.70 per 100 pounds or major fraction thereof for other passenger-carrying
 143 vehicles.

144 13. An additional fee of \$4.25 per year shall be charged and collected at the time of registration of
 145 each pickup or panel truck and each motor vehicle under subdivisions 1 through 12 of this subsection.
 146 All funds collected from \$4 of the \$4.25 fee shall be paid into the state treasury and shall be set aside
 147 as a special fund to be used only for emergency medical service purposes. The moneys in the special
 148 emergency medical services fund shall be distributed as follows:

149 a. Two percent shall be distributed to the State Department of Health to provide funding to the
 150 Virginia Association of Volunteer Rescue Squads to be used solely for the purpose of conducting
 151 volunteer recruitment, retention and training activities;

152 b. Thirty percent shall be distributed to the State Department of Health to support (i) emergency
 153 medical services training programs (excluding advanced life support classes); (ii) advanced life support
 154 training; (iii) recruitment and retention programs (all funds for such support shall be used to recruit and
 155 retain volunteer emergency medical services personnel only, including public awareness campaigns,
 156 technical assistance programs, and similar activities); (iv) emergency medical services system
 157 development, initiatives, and priorities based on needs identified by the State Emergency Medical
 158 Services Advisory Board; (v) local, regional, and statewide performance contracts for emergency medical
 159 services to meet the objectives stipulated in § 32.1-111.3; (vi) technology and radio communication
 160 enhancements; and (vii) improved emergency preparedness and response. Any funds set aside for
 161 distribution under this provision and remaining undistributed at the end of any fiscal year shall revert to
 162 the Rescue Squad Assistance Fund;

163 c. Thirty-two percent shall be distributed to the Rescue Squad Assistance Fund;

164 d. Ten percent shall be available to the State Department of Health's Office of Emergency Medical
 165 Services for use in emergency medical services; and

166 e. Twenty-six percent shall be returned by the Comptroller to the locality wherein such vehicle is
 167 registered, to provide funding for training of volunteer or salaried emergency medical service personnel
 168 of licensed, nonprofit emergency medical services agencies and for the purchase of necessary equipment
 169 and supplies for use in such locality for licensed, nonprofit emergency medical and rescue services.

170 All revenues generated by the remaining \$0.25 of the \$4.25 fee approved by the 2008 Session of the
 171 General Assembly shall be deposited into the Rescue Squad Assistance Fund and used only to pay for
 172 the costs associated with the certification and recertification training of emergency medical services
 173 personnel.

174 The Comptroller shall clearly designate on the warrant, check, or other means of transmitting these
 175 funds that such moneys are only to be used for purposes set forth in this subdivision. Such funds shall
 176 be in addition to any local appropriations and local governing bodies shall not use these funds to
 177 supplant local funds. Each local governing body shall report annually to the Board of Health on the use
 178 of the funds returned to it pursuant to this section. In any case in which the local governing body grants
 179 the funds to a regional emergency medical services council to be distributed to the licensed, nonprofit
 180 emergency medical and rescue services, the local governing body shall remain responsible for the proper
 181 use of the funds. If, at the end of any fiscal year, a report on the use of the funds returned to the

182 locality pursuant to this section for that year has not been received from a local governing body, any
 183 funds due to that local governing body for the next fiscal year shall be retained until such time as the
 184 report has been submitted to the Board.

185 B. All motor vehicles, trailers, and semitrailers registered as provided in subsection B of § 46.2-646
 186 shall pay a registration fee equal to one-twelfth of all fees required by subsection A of this section or
 187 § 46.2-697 for such motor vehicle, trailer, or semitrailer, computed to the nearest cent, multiplied by the
 188 number of months in the registration period for such motor vehicles, trailers, and semitrailers.

189 C. The manufacturer's shipping weight or scale weight shall be used for computing all fees required
 190 by this section to be based upon the weight of the vehicle.

191 D. The applicant for registration bears the burden of proof that the vehicle for which registration is
 192 sought is entitled by weight, design, and use to be registered at the fee tendered by the applicant to the
 193 Commissioner or to his authorized agent.

194 **§ 46.2-694. (Contingent effective date) Fees for vehicles designed and used for transportation of**
 195 **passengers; weights used for computing fees; burden of proof.**

196 A. The annual registration fees for motor vehicles, trailers, and semitrailers designed and used for the
 197 transportation of passengers on the highways in the Commonwealth are:

198 1. ~~Twenty-three~~ *Thirty-eight* dollars for each private passenger car or motor home if the passenger
 199 car or motor home weighs 4,000 pounds or less, provided that it is not used for the transportation of
 200 passengers for compensation and is not kept or used for rent or for hire, or is not operated under a lease
 201 without a chauffeur.

202 2. ~~Twenty-eight~~ *Forty-three* dollars for each passenger car or motor home which weighs more than
 203 4,000 pounds, provided that it is not used for the transportation of passengers for compensation and is
 204 not kept or used for rent or for hire, or is not operated under a lease without a chauffeur.

205 3. Thirty cents per 100 pounds or major fraction thereof for a private motor vehicle other than a
 206 motorcycle with a normal seating capacity of more than 10 adults including the driver if the private
 207 motor vehicle is not used for the transportation of passengers for compensation and is not kept or used
 208 for rent or for hire or is not operated under a lease without a chauffeur. In no case shall the fee be less
 209 than ~~\$23~~ *\$38* if the vehicle weighs 4,000 pounds or less or ~~\$28~~ *\$43* if the vehicle weighs more than
 210 4,000 pounds.

211 4. Thirty cents per 100 pounds or major fraction thereof for a school bus. In no case shall the fee be
 212 less than \$23 if the vehicle weighs 4,000 pounds or less or \$28 if the vehicle weighs more than 4,000
 213 pounds.

 215 beings.

216 6. Thirteen dollars plus \$0.30 per 100 pounds or major fraction thereof for each motor vehicle,
 217 trailer, or semitrailer used as a common carrier of passengers, operating either intrastate or interstate.
 218 Interstate common carriers of interstate passengers may elect to be licensed and pay the fees prescribed
 219 in subdivision 7 of this subsection on submission to the Commissioner of a declaration of operations and
 220 equipment as he may prescribe. An additional \$5 shall be charged if the motor vehicle weighs more
 221 than 4,000 pounds.

222 7. Thirteen dollars plus \$0.70 per 100 pounds or major fraction thereof for each motor vehicle,
 223 trailer, or semitrailer used as a common carrier of interstate passengers if election is made to be licensed

 226 two or more vehicles both within and outside the Commonwealth and registered for insurance purposes
 227 with the Surface Transportation Board of the United States Department of Transportation, Federal
 228 Highway Administration, may apply to the Commissioner for prorated registration. Upon the filing of
 229 such application, in such form as the Commissioner may prescribe, the Commissioner shall apportion the
 230 registration fees provided in this subsection so that the total registration fees to be paid for such vehicles
 231 of such carrier shall be that proportion of the total fees, if there were no apportionment, that the total
 232 number of miles traveled by such vehicles of such carrier within the Commonwealth bears to the total
 233 number of miles traveled by such vehicles within and outside the Commonwealth. Such total mileage in
 234 each instance is the estimated total mileage to be traveled by such vehicles during the license year for
 235 which such fees are paid, subject to the adjustment in accordance with an audit to be made by
 236 representatives of the Commissioner at the end of such license year, the expense of such audit to be
 237 borne by the carrier being audited. Each vehicle passing into or through Virginia shall be registered and
 238 licensed in Virginia and the annual registration fee to be paid for each such vehicle shall not be less
 239 than \$33. For the purpose of determining such apportioned registration fees, only those motor vehicles,
 240 trailers, or semitrailers operated both within and outside the Commonwealth shall be subject to inclusion
 241 in determining the apportionment provided for herein.

242 8. Thirteen dollars plus \$0.80 per 100 pounds or major fraction thereof for each motor vehicle, trailer
 243 or semitrailer kept or used for rent or for hire or operated under a lease without a chauffeur for the

244 transportation of passengers. An additional fee of \$5 shall be charged if the vehicle weighs more than

650 the furnishing, preparing, or serving for a consideration of any tangible personal property consumed on
651 the premises of the person furnishing, preparing, or serving such tangible personal property. A
652 transaction whereby the possession of property is transferred but the seller retains title as security for the
653 payment of the price shall be deemed a sale.

654 "Sales price" means the total amount for which tangible personal property or services are sold,
655 including any services that are a part of the sale, valued in money, whether paid in money or otherwise,
656 and includes any amount for which credit is given to the purchaser, consumer, or lessee by the dealer,
657 without any deduction therefrom on account of the cost of the property sold, the cost of materials used,
658 labor or service costs, losses or any other expenses whatsoever. "Sales price" shall not include (i) any

665 mandatory gratuity or service charge does not exceed 20% of the price of the meal. Where used articles
666 are taken in trade, or in a series of trades as a credit or part payment on the sale of new or used

667 articles, the tax levied by this chapter shall be paid on the net difference between the sales price of the
668 new or used articles and the credit for the used articles.

672 semiconductor manufacturing.

673 "Semiconductor equipment" means (i) machinery or tools or repair parts or replacements thereof; (ii)
674 the related accessories, components, pedestals, bases, or foundations used in connection with the

689 personal property" shall include (i) telephone calling cards upon their initial sale, which shall be exempt
690 from all other state and local utility taxes, and (ii) manufactured signs.

691 "Use" means the exercise of any right or power over tangible personal property incident to the
692 ownership thereof, except that it does not include the sale at retail of that property in the regular course
693 of business. The term does not include the exercise of any right or power, including use, distribution, or
694 storage, over any tangible personal property sold to a nonresident donor for delivery outside of the
695 Commonwealth to a nonresident recipient pursuant to an order placed by the donor from outside the
696 Commonwealth via mail or telephone. The term does not include any sale determined to be a gift
697 transaction, subject to tax under § 58.1-604.6.

698 "Use tax" refers to the tax imposed upon the use, consumption, distribution, and storage as herein
699 defined.

712 *collection authority legislation enacted by the Congress of the United States shall so require, the words*
713 *and terms used in this chapter related to the minimum simplification requirements shall have the same*
714 *meaning as provided in such federal legislation.*

715 **§ 58.1-603. Imposition of sales tax.**

716 There is hereby levied and imposed, in addition to all other taxes and fees of every kind now
717 imposed by law, a license or privilege tax upon every person who engages in the business of selling at
718 retail or distributing tangible personal property in this Commonwealth, or who rents or furnishes any of
719 the things or services taxable under this chapter, or who stores for use or consumption in this
720 Commonwealth any item or article of tangible personal property as defined in this chapter, or who
721 leases or rents such property within this Commonwealth, in the amount of ~~three and one-half percent~~
722 ~~through midnight on July 31, 2004, and four percent beginning on and after August 1, 2004~~ 4.8 percent:

723 1. Of the gross sales price of each item or article of tangible personal property when sold at retail or
724 distributed in this Commonwealth.

725 2. Of the gross proceeds derived from the lease or rental of tangible personal property, where the
726 lease or rental of such property is an established business, or part of an established business, or the
727 same is incidental or germane to such business.

728 3. Of the cost price of each item or article of tangible personal property stored in this

729 Commonwealth for use or consumption in this Commonwealth.

730 4. Of the gross proceeds derived from the sale or charges for rooms, lodgings or accommodations
731 furnished to transients as set out in the definition of "retail sale" in § 58.1-602.

732 5. Of the gross sales of any services ~~which~~ *that* are expressly stated as taxable within this chapter.

733 **§ 58.1-604. Imposition of use tax.**

734 There is hereby levied and imposed, in addition to all other taxes and fees now imposed by law, a
735 tax upon the use or consumption of tangible personal property in this Commonwealth, or the storage of
736 such property outside the Commonwealth for use or consumption in this Commonwealth, in the amount
737 of ~~three and one-half percent through midnight on July 31, 2004, and four percent beginning on and~~
738 ~~after August 1, 2004~~ *4.8 percent*:

739 1. Of the cost price of each item or article of tangible personal property used or consumed in this
740 Commonwealth. Tangible personal property ~~which~~ *that* has been acquired for use outside this
741 Commonwealth and subsequently becomes subject to the tax imposed hereunder shall be taxed on the
742 basis of its cost price if such property is brought within this Commonwealth for use within six months
743 of its acquisition; but if so brought within this Commonwealth six months or more after its acquisition,
744 such property shall be taxed on the basis of the current market value (but not in excess of its cost price)
745 of such property at the time of its first use within this Commonwealth. Such tax shall be based on such
746 proportion of the cost price or current market value as the duration of time of use within this
747 Commonwealth bears to the total useful life of such property (but it shall be presumed in all cases that
748 such property will remain within this Commonwealth for the remainder of its useful life unless
749 convincing evidence is provided to the contrary).

750 2. Of the cost price of each item or article of tangible personal property stored outside this
751 Commonwealth for use or consumption in this Commonwealth.

752 3. A transaction taxed under § 58.1-603 shall not also be taxed under this section, nor shall the same
753 transaction be taxed more than once under either section.

754 4. The use tax shall not apply with respect to the use of any article of tangible personal property
755 brought into this Commonwealth by a nonresident individual, visiting in Virginia, for his personal use,
756 while within this Commonwealth.

757 ~~5. The use tax shall not apply to out-of-state mail order catalog purchases totaling \$100 or less~~
758 ~~during any calendar year.~~

759 **§ 58.1-604.1. Use tax on motor vehicles, machinery, tools and equipment brought into Virginia**
760 **for use in performing contracts.**

761 In addition to the use tax levied pursuant to § 58.1-604 and notwithstanding the provisions of
762 § 58.1-611, a use tax is levied upon the storage or use of all motor vehicles, machines, machinery, tools
763 or other equipment brought, imported or caused to be brought into this Commonwealth for use in
764 constructing, building or repairing any building, highway, street, sidewalk, bridge, culvert, sewer or
765 water system, drainage or dredging system, railway system, reservoir or dam, hydraulic or power plant,
766 transmission line, tower, dock, wharf, excavation, grading, or other improvement or structure, or any
767 part thereof. The rate of tax is ~~three and one-half percent through midnight on July 31, 2004, and four~~
768 ~~percent beginning on and after August 1, 2004,~~ *4.8 percent* on all tangible personal property except
769 motor vehicles, which shall be taxed at the rate of three percent; aircraft, which shall be taxed at the
770 rate of two percent; and watercraft, which shall be taxed at the rate of two percent with a maximum tax
771 of \$1,000.

772 For purposes of this section ~~the words~~, "motor vehicle" means any vehicle which is self-propelled
773 and designed primarily for use upon the highways, any vehicle which is propelled by electric power
774 obtained from trolley wires but not operated upon rails, and any vehicle designed to run upon the
775 highways which is pulled by a self-propelled vehicle, but shall not include any implement of husbandry,
776 farm tractor, road construction or maintenance machinery or equipment, special mobile equipment or any
777 vehicle designed primarily for use in work off the highway.

778 The tax shall be computed on the basis of such proportion of the original purchase price of such
779 property as the duration of time of use in this Commonwealth bears to the total useful life thereof. For
780 purposes of this section, ~~the word~~ "use" means use, storage, consumption and "stand-by" time
781 occasioned by weather conditions, controversies or other causes. The tax shall be computed upon the
782 basis of the relative time each item of equipment is in this Commonwealth rather than upon the basis of
783 actual use. In the absence of satisfactory evidence as to the period of use intended in this
784 Commonwealth, it will be presumed that such property will remain in this Commonwealth for the
785 remainder of its useful life, which shall be determined in accordance with the experiences and practices
786 of the building and construction trades.

787 A transaction taxed under § 58.1-604, 58.1-605, 58.1-1402, 58.1-1502, 58.1-1736 or 58.1-2402 shall
788 not also be taxed under this section, nor shall the same transaction be taxed more than once under any
789 section.

790 § 58.1-605. To what extent and under what conditions cities and counties may levy local sales
791 taxes; collection thereof by Commonwealth and return of revenue to each city or county entitled
792 thereto.

793 A. No county, city or town shall impose any local general sales or use tax or any local general retail
794 sales or use tax except as authorized by this section.

795 B. The council of any city and the governing body of any county may levy a general retail sales tax
796 at the rate of one percent to provide revenue for the general fund of such city or county. Such tax shall
797 be added to the rate of the state sales tax imposed by §§ 58.1-603 and 58.1-604 and shall be subject to
798 all the provisions of this chapter and the rules and regulations published with respect thereto. No
799 discount under § 58.1-622 shall be allowed on a local sales tax.

800 C. The council of any city and the governing body of any county desiring to impose a local sales tax
801 under this section may do so by the adoption of an ordinance stating its purpose and referring to this
802 section, and providing that such ordinance shall be effective on the first day of a month at least 60 days
803 after its adoption. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so
804 that it will be received within five days after its adoption.

805 D. *Prior to any change in the rate of the local sales and use tax, the Tax Commissioner shall*
806 *provide remote sellers and single and consolidated providers with at least 30 days' notice. Any change*
807 *in the rate of local sales and use tax shall only become effective on the first day of a calendar quarter.*
808 *Failure to provide notice pursuant to this section shall require the Commonwealth and the locality to*
809 *hold the remote seller or single or consolidated provider harmless for collecting the tax at the*
810 *immediately preceding effective rate for any period of time prior to 30 days after notification is*
811 *provided.*

812 E. Any local sales tax levied under this section shall be administered and collected by the Tax
813 Commissioner in the same manner and subject to the same penalties as provided for the state sales tax.

814 ~~E.~~ F. All local sales tax moneys collected by the Tax Commissioner under this section shall be paid
815 into the state treasury to the credit of a special fund which is hereby created on the Comptroller's books
816 under the name "Collections of Local Sales Taxes." Such local sales tax moneys shall be credited to the
817 account of each particular city or county levying a local sales tax under this section. The basis of such
818 credit shall be the city or county in which the sales were made as shown by the records of the
819 Department and certified by it monthly to the Comptroller, namely, the city or county of location of
820 each place of business of every dealer paying the tax to the Commonwealth without regard to the city or
821 county of possible use by the purchasers. If a dealer has any place of business located in more than one
822 political subdivision by reason of the boundary line or lines passing through such place of business, the
823 amount of sales tax paid by such a dealer with respect to such place of business shall be treated for the
824 purposes of this section as follows: one-half shall be assignable to each political subdivision where two
825 are involved, one-third where three are involved, and one-fourth where four are involved.

826 ~~F.~~ G. As soon as practicable after the local sales tax moneys have been paid into the state treasury in
827 any month for the preceding month, the Comptroller shall draw his warrant on the Treasurer of Virginia
828 in the proper amount in favor of each city or county entitled to the monthly return of its local sales tax
829 moneys, and such payments shall be charged to the account of each such city or county under the
830 special fund created by this section. If errors are made in any such payment, or adjustments are
831 otherwise necessary, whether attributable to refunds to taxpayers, or to some other fact, the errors shall
832 be corrected and adjustments made in the payments for the next two months as follows: one-half of the
833 total adjustment shall be included in the payments for the next two months. In addition, the payment
834 shall include a refund of amounts erroneously not paid to the city or county and not previously refunded
835 during the three years preceding the discovery of the error. A correction and adjustment in payments
836 described in this subsection due to the misallocation of funds by the dealer shall be made within three
837 years of the date of the payment error.

838 ~~G.~~ H. Such payments to counties are subject to the qualification that in any county wherein is
839 situated any incorporated town constituting a special school district and operated as a separate school
840 district under a town school board of three members appointed by the town council, the county treasurer
841 shall pay into the town treasury for general governmental purposes the proper proportionate amount
842 received by him in the ratio that the school age population of such town bears to the school age
843 population of the entire county. If the school age population of any town constituting a separate school
844 district is increased by the annexation of territory since the last estimate of school age population
845 provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this
846 section, be added to the school age population of such town as shown by the last such estimate and a
847 proper reduction made in the school age population of the county or counties from which the annexed
848 territory was acquired.

849 ~~H.~~ I. One-half of such payments to counties are subject to the further qualification, other than as set
850 out in subsection ~~G~~ ~~above~~ H, that in any county wherein is situated any incorporated town not
851 constituting a separate special school district which has complied with its charter provisions providing

852 for the election of its council and mayor for a period of at least four years immediately prior to the
 853 adoption of the sales tax ordinance, the county treasurer shall pay into the town treasury of each such
 854 town for general governmental purposes the proper proportionate amount received by him in the ratio
 855 that the school age population of each such town bears to the school age population of the entire
 856 county, based on the latest estimate provided by the Weldon Cooper Center for Public Service. The
 857 preceding requirement pertaining to the time interval between compliance with election provisions and
 858 adoption of the sales tax ordinance shall not apply to a tier-city. If the school age population of any
 859 such town not constituting a separate special school district is increased by the annexation of territory or
 860 otherwise since the last estimate of school age population provided by the Weldon Cooper Center for
 861 Public Service, such increase shall, for the purposes of this section, be added to the school age
 862 population of such town as shown by the last such estimate and a proper reduction made in the school
 863 age population of the county or counties from which the annexed territory was acquired.

864 *F. J.* Notwithstanding the provisions of subsection *H I*, the board of supervisors of a county may, in
 865 its discretion, appropriate funds to any incorporated town not constituting a separate school district
 866 within such county which has not complied with the provisions of its charter relating to the elections of
 867 its council and mayor, an amount not to exceed the amount it would have received from the tax
 868 imposed by this chapter if such election had been held.

869 *J. K.* It is further provided that if any incorporated town which would otherwise be eligible to receive
 870 funds from the county treasurer under subsection *G* ~~or H of this section~~ *or I* be located in a county
 871 which does not levy a general retail sales tax under the provisions of this law, such town may levy a
 872 general retail sales tax at the rate of one percent to provide revenue for the general fund of the town,
 873 subject to all the provisions of this section generally applicable to cities and counties. Any tax levied
 874 under the authority of this subsection shall in no case continue to be levied on or after the effective date
 875 of a county ordinance imposing a general retail sales tax in the county within which such town is
 876 located.

877 **§ 58.1-606. To what extent and under what conditions cities and counties may levy local use**
 878 **tax; collection thereof by Commonwealth and return of revenues to the cities and counties.**

879 *A.* The council of any city and the governing body of any county which has levied or may hereafter
 880 levy a city or county sales tax under § 58.1-605 may levy a city or county use tax at the rate of one
 881 percent to provide revenue for the general fund of such city or county. Such tax shall be added to the
 882 rate of the state use tax imposed by this chapter and shall be subject to all the provisions of this chapter,
 883 and all amendments thereof, and the rules and regulations published with respect thereto, except that no
 884 discount under § 58.1-622 shall be allowed on a local use tax.

885 *B.* The council of any city and the governing body of any county desiring to impose a local use tax
 886 under this section may do so in the manner following:

887 1. If the city or county has previously imposed the local sales tax authorized by § 58.1-605, the local
 888 use tax may be imposed by the council or governing body by the adoption of a resolution by a majority
 889 of all the members thereof, by a recorded yea and nay vote, stating its purpose and referring to this
 890 section, and providing that the local use tax shall become effective on the first day of a month at least
 891 60 days after the adoption of the resolution. A certified copy of such resolution shall be forwarded to
 892 the Tax Commissioner so that it will be received within five days after its adoption. The resolution
 893 authorized by this paragraph may be adopted in the manner stated notwithstanding any other provision
 894 of law, including any charter provision.

895 2. If the city or county has not imposed the local sales tax authorized by § 58.1-605, the local use
 896 tax may be imposed by ordinance together with the local sales tax in the manner set out in subsections
 897 B and C of § 58.1-605.

898 *C.* Any local use tax levied under this section shall be administered and collected by the Tax
 899 Commissioner in the same manner and subject to the same penalties as provided for the state use tax.

900 *D.* *Prior to any change in the rate of the local sales and use tax, the Tax Commissioner shall*
 901 *provide remote sellers and single and consolidated providers with at least 30 days' notice. Any change*
 902 *in the rate of local sales and use tax shall only become effective on the first day of a calendar quarter.*
 903 *Failure to provide notice pursuant to this section shall require the Commonwealth and the locality to*
 904 *hold the remote seller or single or consolidated provider harmless for collecting the tax at the*
 905 *immediately preceding effective rate for any period of time prior to 30 days after notification is*
 906 *provided.*

907 *E.* The local use tax authorized by this section shall not apply to transactions to which the sales tax
 908 applies, the situs of which for state and local sales tax purposes is the city or county of location of each
 909 place of business of every dealer paying the tax to the Commonwealth without regard to the city or
 910 county of possible use by the purchasers. However, the local use tax authorized by this section shall
 911 apply to tangible personal property purchased without this Commonwealth for use or consumption
 912 within the city or county imposing the local use tax, or stored within the city or county for use or

913 consumption, where the property would have been subject to the sales tax if it had been purchased
 914 within this Commonwealth. The local use tax shall also apply to leases or rentals of tangible personal
 915 property where the place of business of the lessor is without this Commonwealth and such leases or
 916 rentals are subject to the state tax. Moreover, the local use tax shall apply in all cases in which the state
 917 use tax applies.

918 *E. F.* Out-of-state dealers who hold certificates of registration to collect the use tax from their
 919 customers for remittance to this Commonwealth shall, to the extent reasonably practicable, in filing their
 920 monthly use tax returns with the Tax Commissioner, break down their shipments into this
 921 Commonwealth by cities and counties so as to show the city or county of destination. If, however, the
 922 out-of-state dealer is unable accurately to assign any shipment to a particular city or county, the local
 923 use tax on the tangible personal property involved shall be remitted to the Commonwealth by such
 924 dealer without attempting to assign the shipment to any city or county.

925 *F. G.* Local use tax revenue shall be distributed among the cities and counties for which it is
 926 collected, respectively, as shown by the records of the Department, and the procedure shall be the same
 927 as that prescribed for distribution of local sales tax revenue under § 58.1-605. The local use tax revenue
 928 that is not accurately assignable to a particular city or county shall be distributed monthly by the
 929 appropriate state authorities among the cities and counties in this Commonwealth imposing the local use
 930 tax upon the basis of taxable retail sales in the respective cities and counties in which the local sales
 931 and use tax was in effect in the taxable month involved, as shown by the records of the Department,
 932 and computed with respect to taxable retail sales as reflected by the amounts of the local sales tax
 933 revenue distributed among such cities and counties, respectively, in the month of distribution.
 934 Notwithstanding any other provision of this section, the Tax Commissioner shall develop a uniform
 935 method to distribute local use tax. Any significant changes to the method of local use tax distribution
 936 shall be phased in over a five-year period. Distribution information shall be shared with the affected
 937 localities prior to implementation of the changes.

938 *G. H.* All local use tax revenue shall be used, applied or disbursed by the cities and counties as
 939 provided in § 58.1-605 with respect to local sales tax revenue.

940 **§ 58.1-608.3. Entitlement to certain sales tax revenues.**

960 "Public facility" means (i) any auditorium, coliseum, convention center, sports facility that is

997 B. Notwithstanding the definition of "public facility" in subsection A, a development project that
 998 meets the requirements for a "development of regional impact" set forth herein shall be deemed to be a
 999 public facility under the provisions of this section. The locality in which the public facility is located
 1000 shall be entitled to all sales tax revenues generated by transactions taking place at such public facility

 1014 by a locality that it intends to contribute infrastructure or real property as part of a public-private
 1015 partnership with the developer of a development of regional impact, the Department of Taxation shall
 1016 review the findings of the locality with respect to clauses (i) through (vi) and shall file a written report

 1027 repayment of the bonds. The State Comptroller shall remit such sales tax revenues to the municipality
 1028 on a quarterly basis, subject to such reasonable processing delays as may be required by the Department
 1029 of Taxation to calculate the actual net sales tax revenues derived from the public facility. The State
 1030 Comptroller shall make such remittances to eligible municipalities, as provided herein, notwithstanding
 1031 any provisions to the contrary in the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.). No
 1032 such remittances shall be made until construction is completed and, in the case of a renovation or
 1033 expansion, until the governing body of the municipality has certified that the renovation or expansion is
 1034 completed.

1156 D. Notwithstanding any other provision of this section, the following shall not be considered to
 1157 determine whether a person who has contracted with a commercial printer for printing in the
 1158 Commonwealth is a "dealer" and whether such person has sufficient contact with the Commonwealth to

1159 be required to register under § 58.1-613:

1160 1. The ownership or leasing by that person of tangible or intangible property located at the Virginia

1171 enjoy under the provisions of federal law or an opinion of the United States Supreme Court to require
1172 the collection of sales and use taxes by any dealer who regularly or systematically solicits sales within
1173 this Commonwealth. Furthermore, nothing contained in subsection C shall require any broadcaster,
1174 printer, outdoor advertising firm, advertising distributor, or publisher which broadcasts, publishes, or
1175 displays or distributes paid commercial advertising in this Commonwealth which is intended to be
1176 disseminated primarily to consumers located in this Commonwealth to report or impose any liability to

1179 or sellers.

1180 *F. Pursuant to any federal legislation that grants states the authority to require remote sellers to*
1181 *collect sales and use tax, the Commonwealth is authorized, as permitted by such federal legislation, to*
1182 *require collection of sales and use tax by any remote seller, or a single or consolidated provider acting*
1183 *on behalf of a remote seller. If the federal legislation has an exemption for sellers whose sales are less*
1184 *than a minimum amount, then in determining such amount, the sales made by all persons related within*
1185 *the meanings of subsections (b) and (c) of § 267 or § 707(b)(1) of the Internal Revenue Code of 1986*
1186 *shall be aggregated.*

1187 **§ 58.1-612. (Contingent effective date) Tax collectible from dealers; "dealer" defined;**
1188 **jurisdiction.**

1189 A. The tax levied by §§ 58.1-603 and 58.1-604 shall be collectible from all persons who are dealers,
1190 as hereinafter defined, and who have sufficient contact with the Commonwealth to qualify under

1194 distribution, or for storage to be used or consumed in this Commonwealth;

1195 2. Imports or causes to be imported into this Commonwealth tangible personal property from any
1196 state or foreign country, for sale at retail, for use, consumption, or distribution, or for storage to be used
1197 or consumed in this Commonwealth;

1198 3. Sells at retail, or who offers for sale at retail, or who has in his possession for sale at retail, or for

1201 4. Has sold at retail, used, consumed, distributed, or stored for use or consumption in this
1202 Commonwealth, tangible personal property and who cannot prove that the tax levied by this chapter has
1203 been paid on the sale at retail, the use, consumption, distribution, or storage of such tangible personal
1204 property;

1205 5. Leases or rents tangible personal property for a consideration, permitting the use or possession of
1206 such property without transferring title thereto;

1210 orders from persons in this Commonwealth for future delivery and whose principal refuses to register as
1211 a dealer under § 58.1-613; or

1212 8. Becomes liable to and owes this Commonwealth any amount of tax imposed by this chapter,
1213 whether he holds, or is required to hold, a certificate of registration under § 58.1-613.

1214 C. A dealer shall be deemed to have sufficient activity within the Commonwealth to require
1215 registration under § 58.1-613 if he:

1216 1. Maintains or has within this Commonwealth, directly or through an agent or subsidiary, an office,
1217 warehouse, or place of business of any nature;

1218 2. Solicits business in this Commonwealth by employees, independent contractors, agents or other
1219 representatives;

1220 3. Advertises in newspapers or other periodicals printed and published within this Commonwealth, on

1221 billboards or posters located in this Commonwealth, or through materials distributed in this
1222 Commonwealth by means other than the United States mail;

1223 4. Makes regular deliveries of tangible personal property within this Commonwealth by means other
1224 than common carrier. A person shall be deemed to be making regular deliveries hereunder if vehicles
1225 other than those operated by a common carrier enter this Commonwealth more than 12 times during a
1226 calendar year to deliver goods sold by him;

1227 5. Solicits business in this Commonwealth on a continuous, regular, seasonal, or systematic basis by

1234 7. Is owned or controlled by the same interests which own or control a business located within this
1235 Commonwealth;

1236 8. Has a franchisee or licensee operating under the same trade name in this Commonwealth if the
1237 franchisee or licensee is required to obtain a certificate of registration under § 58.1-613; or

1238 9. Owns tangible personal property that is rented or leased to a consumer in this Commonwealth, or
1239 offers tangible personal property, on approval, to consumers in this Commonwealth.

1240 D. A dealer is presumed to have sufficient activity within the Commonwealth to require registration
1241 under § 58.1-613 (unless the presumption is rebutted as provided herein) if any commonly controlled
1242 person maintains a distribution center, warehouse, fulfillment center, office, or similar location within the
1243 Commonwealth that facilitates the delivery of tangible personal property sold by the dealer to its
1244 customers. The presumption in this subsection may be rebutted by demonstrating that the activities
1245 conducted by the commonly controlled person in the Commonwealth are not significantly associated
1246 with the dealer's ability to establish or maintain a market in the Commonwealth for the dealer's sales.
1247 For purposes of this subsection, a "commonly controlled person" means any person that is a member of
1248 the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of
1249 1954, as amended or renumbered, as the dealer or any other entity that, notwithstanding its form of
1250 organization, bears the same ownership relationship to the dealer as a corporation that is a member of
1251 the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of
1252 1954, as amended or renumbered.

1253 E. Notwithstanding any other provision of this section, the following shall not be considered to
1254 determine whether a person who has contracted with a commercial printer for printing in the
1255 Commonwealth is a "dealer" and whether such person has sufficient contact with the Commonwealth to
1256 be required to register under § 58.1-613:

1257 1. The ownership or leasing by that person of tangible or intangible property located at the Virginia
1258 premises of the commercial printer which is used solely in connection with the printing contract with the
1259 person;

1260 2. The sale by that person of property of any kind printed at and shipped or distributed from the
1261 Virginia premises of the commercial printer;

1262 3. Activities in connection with the printing contract with the person performed by or on behalf of
1263 that person at the Virginia premises of the commercial printer; and

1264 4. Activities in connection with the printing contract with the person performed by the commercial
1265 printer within Virginia for or on behalf of that person.

1266 F. In addition to the jurisdictional standards contained in subsections C and D, nothing contained
1267 herein (other than subsection E) shall limit any authority which this Commonwealth may enjoy under
1268 the provisions of federal law or an opinion of the United States Supreme Court to require the collection
1269 of sales and use taxes by any dealer who regularly or systematically solicits sales within this
1270 Commonwealth. Furthermore, nothing contained in subsection C shall require any broadcaster, printer,
1271 outdoor advertising firm, advertising distributor, or publisher which broadcasts, publishes, or displays or
1272 distributes paid commercial advertising in this Commonwealth which is intended to be disseminated
1273 primarily to consumers located in this Commonwealth to report or impose any liability to pay any tax
1274 imposed under this chapter solely because such broadcaster, printer, outdoor advertising firm, advertising
1275 distributor, or publisher accepted such advertising contracts from out-of-state advertisers or sellers.

1276 G. Pursuant to any federal legislation that grants states the authority to require remote sellers to
1277 collect sales and use tax, the Commonwealth is authorized, as permitted by such federal legislation, to
1278 require collection of sales and use tax by any remote seller, or a single or consolidated provider acting
1279 on behalf of a remote seller. If the federal legislation has an exemption for sellers whose sales are less
1280 than a minimum amount, then in determining such amount, the sales made by all persons related within
1281 the meanings of subsections (b) and (c) of § 267 or § 707(b)(1) of the Internal Revenue Code of 1986

1282 *shall be aggregated.*

1283 **§ 58.1-614. Vending machine sales.**

1284 A. Notwithstanding the provisions of §§ 58.1-603 and 58.1-604, whenever a dealer makes sales of
1285 tangible personal property through vending machines, or in any other manner making collection of the
1286 tax impractical, as determined by the Tax Commissioner, such dealer shall be required to report his
1287 wholesale purchases for sale at retail from vending machines and shall be required to remit an amount
1288 based on ~~four and one-half percent through midnight on July 31, 2004, and five percent beginning on~~
1289 ~~and after August 1, 2004, 5.8 percent~~ of such wholesale purchases.

1290 B. Notwithstanding the provisions of §§ 58.1-605 and 58.1-606, dealers making sales of tangible
1291 personal property through vending machines shall report and remit the one percent local sales and use
1292 tax computed as provided in subsection A of this section.

1293 C. The provisions of subsections A and B of this section shall not be applicable to vending machine
1294 operators all of whose machines are under contract to nonprofit organizations. Such operators shall
1295 report only the gross receipts from machines selling items for more than 10 cents and shall be required
1296 to remit an amount based on a percentage of their remaining gross sales established by the Tax
1297 Commissioner to take into account the inclusion of sales tax.

1298 D. Notwithstanding any other provisions in this section, when the Tax Commissioner determines that
1299 it is impractical to collect the tax in the manner provided by those sections, such dealer shall be required
1300 to remit an amount based on a percentage of gross receipts which takes into account the inclusion of the
1301 sales tax.

1302 E. The provisions of this section shall not be applicable to any dealer who fails to maintain records
1303 satisfactory to the Tax Commissioner. A dealer making sales of tangible personal property through
1304 vending machines shall obtain a certificate of registration under § 58.1-613 in relevant form for each
1305 county or city in which he has machines.

1306 **§ 58.1-615. Returns by dealers.**

1307 A. Every dealer required to collect or pay the sales or use tax shall, on or before the twentieth day
1308 of the month following the month in which the tax shall become effective, transmit to the Tax
1309 Commissioner a return showing the gross sales, gross proceeds, or cost price, as the case may be,
1310 arising from all transactions taxable under this chapter during the preceding calendar month, and
1311 thereafter a like return shall be prepared and transmitted to the Tax Commissioner by every dealer on or
1312 before the twentieth day of each month, for the preceding calendar month. In the case of dealers
1313 regularly keeping books and accounts on the basis of an annual period which varies 52 to 53 weeks, the
1314 Tax Commissioner may make rules and regulations for reporting consistent with such accounting period.
1315 *The Tax Commissioner shall not require that more than one return per month be used or filed by any*
1316 *remote seller, single provider, or consolidated provider subject to the sales or use tax.*

1317 Notwithstanding any other provision of this chapter, a dealer may be required by the Tax
1318 Commissioner to file sales or use tax returns on an accounting period less frequent than monthly when,
1319 in the opinion of the Tax Commissioner, the administration of the taxes imposed by this chapter would
1320 be enhanced. If a dealer is required to file other than monthly, each such return shall be due on or
1321 before the twentieth day of the month following the close of the period. Each such return shall contain
1322 all information required for monthly returns.

1323 A sales or use tax return shall be filed by each registered dealer even though the dealer is not liable
1324 to remit to the Tax Commissioner any tax for the period covered by the return.

1325 B. [Expired.]

1326 C. Any return required to be filed with the Tax Commissioner under this section shall be deemed to
1327 have been filed with the Tax Commissioner on the date that such return is delivered by the dealer to the
1328 commissioner of the revenue or the treasurer for the locality in which the dealer is located and receipt is
1329 acknowledged by the commissioner of the revenue or treasurer. The commissioner of the revenue or the
1330 treasurer shall stamp such date on the return, and shall mail the return to the Tax Commissioner no later
1331 than the following business day. The commissioner of the revenue or the treasurer may collect from the
1332 dealer the cost of postage for such mailing.

1333 D. Every dealer who elects to file a consolidated sales tax return for any taxable period and who is
1334 required to remit payment by electronic funds transfer pursuant to subsection B of § 58.1-202.1
1335 beginning on and after July 1, 2010, shall file his monthly return using an electronic medium prescribed
1336 by the Tax Commissioner. A waiver of this requirement may be granted if the Tax Commissioner
1337 determines that it creates an unreasonable burden on the dealer.

1338 **§ 58.1-625. (Effective until July 1, 2017) Collection of tax.**

1339 A. The tax levied by this chapter shall be paid by the dealer, but the dealer shall separately state the
1340 amount of the tax and add such tax to the sales price or charge. Thereafter, such tax shall be a debt
1341 from the purchaser, consumer, or lessee to the dealer until paid and shall be recoverable at law in the
1342 same manner as other debts. No action at law or suit in equity under this chapter may be maintained in
1343 this Commonwealth by any dealer who is not registered under § 58.1-613 or is delinquent in the

1344 payment of the taxes imposed under this chapter.

1345 *B. Notwithstanding any exemption from taxes which any dealer now or hereafter may enjoy under*
 1346 *the Constitution or laws of this or any other state, or of the United States, such dealer shall collect such*
 1347 *tax from the purchaser, consumer, or lessee and shall pay the same over to the Tax Commissioner as*
 1348 *herein provided.*

1349 *C. Any dealer collecting the sales or use tax on transactions exempt or not taxable under this chapter*
 1350 *shall transmit to the Tax Commissioner such erroneously or illegally collected tax unless or until he can*
 1351 *affirmatively show that the tax has since been refunded to the purchaser or credited to his account.*

1352 *D. Any dealer who neglects, fails, or refuses to collect such tax upon every taxable sale, distribution,*
 1353 *lease, or storage of tangible personal property made by him, his agents, or employees shall be liable for*
 1354 *and pay the tax himself, and such dealer shall not thereafter be entitled to sue for or recover in this*
 1355 *Commonwealth any part of the purchase price or rental from the purchaser until such tax is paid.*
 1356 *Moreover, any dealer who neglects, fails, or refuses to pay or collect the tax herein provided, either by*
 1357 *himself or through his agents or employees, shall be guilty of a Class 1 misdemeanor.*

1358 *E. Notwithstanding subsection D, any remote seller, single provider, or consolidated provider who*
 1359 *has collected an incorrect amount of sales or use tax shall be relieved from liability for such additional*
 1360 *amount, including any penalty or interest, if collection of the improper amount is a result of the remote*
 1361 *seller, single provider, or consolidated provider's reasonable reliance upon information provided by the*
 1362 *Commonwealth, including, but not limited to, any information obtained from software provided by the*
 1363 *Department of Taxation pursuant to subsection B of § 58.1-601.*

1364 *F. All sums collected by a dealer as required by this chapter shall be deemed to be held in trust for*
 1365 *the Commonwealth.*

1366 Notwithstanding the foregoing provisions of this section, any dealer is authorized during the period
 1367 of time set forth in §§ 58.1-611.2 and 58.1-611.3 or subdivision 16 of § 58.1-609.1 not to collect the
 1368 tax levied by this chapter or levied under the authority granted in §§ 58.1-605 and 58.1-606 from the
 1369 purchaser, and to absorb such tax himself. A dealer electing to absorb such taxes shall be liable for
 1370 payment of such taxes to the Tax Commissioner in the same manner as he is for tax collected from a
 1371 purchaser pursuant to this section.

1372 **§ 58.1-625. (Effective July 1, 2017) Collection of tax.**

1373 *A. The tax levied by this chapter shall be paid by the dealer, but the dealer shall separately state the*
 1374 *amount of the tax and add such tax to the sales price or charge. Thereafter, such tax shall be a debt*
 1375 *from the purchaser, consumer, or lessee to the dealer until paid and shall be recoverable at law in the*
 1376 *same manner as other debts. No action at law or suit in equity under this chapter may be maintained in*
 1377 *this Commonwealth by any dealer who is not registered under § 58.1-613 or is delinquent in the*
 1378 *payment of the taxes imposed under this chapter.*

1379 *B. Notwithstanding any exemption from taxes which any dealer now or hereafter may enjoy under*
 1380 *the Constitution or laws of this or any other state, or of the United States, such dealer shall collect such*
 1381 *tax from the purchaser, consumer, or lessee and shall pay the same over to the Tax Commissioner as*
 1382 *herein provided.*

1383 *C. Any dealer collecting the sales or use tax on transactions exempt or not taxable under this chapter*
 1384 *shall transmit to the Tax Commissioner such erroneously or illegally collected tax unless or until he can*
 1385 *affirmatively show that the tax has since been refunded to the purchaser or credited to his account.*

1386 *D. Any dealer who neglects, fails, or refuses to collect such tax upon every taxable sale, distribution,*
 1387 *lease, or storage of tangible personal property made by him, his agents, or employees shall be liable for*
 1388 *and pay the tax himself, and such dealer shall not thereafter be entitled to sue for or recover in this*
 1389 *Commonwealth any part of the purchase price or rental from the purchaser until such tax is paid.*
 1390 *Moreover, any dealer who neglects, fails, or refuses to pay or collect the tax herein provided, either by*
 1391 *himself or through his agents or employees, shall be guilty of a Class 1 misdemeanor.*

1392 *E. Notwithstanding subsection D, any remote seller, single provider, or consolidated provider who*
 1393 *has collected an incorrect amount of sales or use tax shall be relieved from liability for such additional*
 1394 *amount, including any penalty or interest, if collection of the improper amount is a result of the remote*
 1395 *seller, single provider, or consolidated provider's reasonable reliance upon information provided by the*
 1396 *Commonwealth, including, but not limited to, any information obtained from software provided by the*
 1397 *Department of Taxation pursuant to subsection B of § 58.1-601.*

1398 *F. All sums collected by a dealer as required by this chapter shall be deemed to be held in trust for*
 1399 *the Commonwealth.*

1400 Notwithstanding the foregoing provisions of this section, any dealer is authorized during the period
 1401 of time set forth in § 58.1-611.2 not to collect the tax levied by this chapter or levied under the
 1402 authority granted in §§ 58.1-605 and 58.1-606 from the purchaser, and to absorb such tax himself. A
 1403 dealer electing to absorb such taxes shall be liable for payment of such taxes to the Tax Commissioner
 1404 in the same manner as he is for tax collected from a purchaser pursuant to this section.

1405 § 58.1-626. (Effective until July 1, 2017) Absorption of tax prohibited.

1406 No person shall advertise or hold out to the public, directly or indirectly, that he will absorb all or
1407 any part of the sales or use tax, or that he will relieve the purchaser, consumer, or lessee of the payment
1408 of all or any part of such tax. Any person who violates this section shall be is guilty of a Class 2
1409 misdemeanor. The prohibitions contained in this section shall not apply (i) during the time period set out
1410 in § 58.1-611.2 or subdivision ~~18 16~~ of § 58.1-609.1 or during the 14 days immediately preceding such
1411 time period for advertisements relating to sales to be made during the time period set out in

1413 or during the 14 days immediately preceding such time period for advertisements relating to sales to be
1414 made during the time period set out in § 58.1-611.3.

1415 § 58.1-635. Failure to file return; fraudulent return; civil penalties.

1416 A. When any dealer fails to make any return and pay the full amount of the tax required by this
1417 chapter, there shall be imposed, in addition to other penalties provided herein, a specific penalty to be
1418 added to the tax in the amount of six percent if the failure is for not more than one month, with an
1419 additional six percent for each additional month, or fraction thereof, during which the failure continues,
1420 not to exceed ~~thirty 30~~ percent in the aggregate. In no case, however, shall the penalty be less than ~~ten~~
1421 ~~dollars \$10~~ and such minimum penalty shall apply whether or not any tax is due for the period for
1422 which such return was required. If such failure is due to providential or other good cause shown to the
1423 satisfaction of the Tax Commissioner, such return with or without remittance may be accepted exclusive
1424 of penalties. In the case of a false or fraudulent return where willful intent exists to defraud the
1425 Commonwealth of any tax due under this chapter, or in the case of a willful failure to file a return with
1426 the intent to defraud the Commonwealth of any such tax, a specific penalty of ~~thirty 50~~ percent of the
1427 amount of the proper tax shall be assessed. All penalties and interest imposed by this chapter shall be

1429 part of the tax imposed.

1430 B. It shall be prima facie evidence of intent to defraud the Commonwealth of any tax due under this
1431 chapter when any dealer reports his gross sales, gross proceeds or cost price, as the case may be, at ~~fifty~~
1432 ~~50~~ percent or less of the actual amount.

1433 C. Interest at a rate determined in accordance with § 58.1-15, shall accrue on the tax until the same
1434 is paid, or until an assessment is made, pursuant to § 58.1-15, after which interest shall accrue as

1436 *D. Notwithstanding any other provision of this section, any remote seller, single provider, or*
1437 *consolidated provider who collects an incorrect amount of sales or use tax shall be relieved of any*
1438 *liability, including penalties and interest, if collection of the improper amount is the result of the remote*
1439 *seller, single provider, or consolidated provider's reasonable reliance on information that has been*
1440 *provided by the Commonwealth.*

1441 § 58.1-638. Disposition of state sales and use tax revenue; localities' share; Game Protection
1442 **Fund.**

1443 A. The Comptroller shall designate a specific revenue code number for all the state sales and use tax
1444 revenue collected under the preceding sections of this chapter.

1445 1. The sales and use tax revenue generated by the one-half percent sales and use tax increase enacted
1446 by the 1986 Special Session of the General Assembly shall be paid, in the manner hereinafter provided
1447 in this section, to the Transportation Trust Fund as defined in § 33.1-23.03:1. Of the funds paid to the
1448 Transportation Trust Fund, an aggregate of 4.2 percent shall be set aside as the Commonwealth Port
1449 Fund as provided in this section; an aggregate of 2.4 percent shall be set aside as the Commonwealth
1450 Airport Fund as provided in this section; and an aggregate of 14.7 percent shall be set aside as the
1451 Commonwealth Mass Transit Fund as provided in this section. The Fund's share of such net revenue
1452 shall be computed as an estimate of the net revenue to be received into the state treasury each month,
1453 and such estimated payment shall be adjusted for the actual net revenue received in the preceding
1454 month. All payments shall be made to the Fund on the last day of each month.

1455 2. There is hereby created in the Department of the Treasury a special nonreverting fund which shall
1456 be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Port Fund.

1457 a. The Commonwealth Port Fund shall be established on the books of the Comptroller and the funds

1459 the Fund. Interest earned on such funds shall remain in the Fund and be credited to it. Funds may be
1460 paid to any authority, locality or commission for the purposes hereinafter specified.

1461 b. The amounts allocated pursuant to this section shall be allocated by the Commonwealth
1462 Transportation Board to the Board of Commissioners of the Virginia Port Authority to be used to
1463 support port capital needs and the preservation of existing capital needs of all ocean, river, or tributary
1464 ports within the Commonwealth.

1465 c. Commonwealth Port Fund revenue shall be allocated by the Board of Commissioners to the
1466 Virginia Port Authority in order to foster and stimulate the flow of maritime commerce through the

ports of Virginia, including but not limited to the ports of Richmond, Hopewell and Alexandria.

3. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be part of the Transportation Trust Fund and which shall be known as the Commonwealth Airport Fund. The Commonwealth Airport Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on the funds shall be credited to the Fund. The funds so allocated shall be allocated by the Commonwealth Transportation Board to the Virginia Aviation Board. The funds shall be allocated by the Virginia Aviation Board to any Virginia airport which is owned by the Commonwealth, a governmental subdivision thereof, or a private entity to which the public has access for the purposes enumerated in § 5.1-2.16, or is owned or leased by the Metropolitan Washington Airports Authority (MWAA), as follows:

Any new funds in excess of \$12.1 million which are available for allocation by the Virginia Aviation Board from the Commonwealth Transportation Fund, shall be allocated as follows: 60 percent to MWAA, up to a maximum annual amount of \$2 million, and 40 percent to air carrier airports as provided in subdivision A 3 a. Except for adjustments due to changes in enplaned passengers, no air carrier airport sponsor, excluding MWAA, shall receive less funds identified under subdivision A 3 a than it received in fiscal year 1994-1995.

Of the remaining amount:

- a. Forty percent of the funds shall be allocated to air carrier airports, except airports owned or leased by MWAA, based upon the percentage of enplanements for each airport to total enplanements at all air carrier airports, except airports owned or leased by MWAA. No air carrier airport sponsor, however, shall receive less than \$50,000 nor more than \$2 million per year from this provision.
- b. Forty percent of the funds shall be allocated by the Aviation Board for air carrier and reliever airports on a discretionary basis, except airports owned or leased by MWAA.
- c. Twenty percent of the funds shall be allocated by the Aviation Board for general aviation airports on a discretionary basis.

4. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Mass Transit Fund.

- a. The Commonwealth Mass Transit Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of the biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall be credited to the Fund. Funds may be paid to any local governing body, transportation district commission, or public service corporation for the purposes hereinafter specified.
- b. The amounts allocated pursuant to this section shall be used to support the public transportation administrative costs and the costs borne by the locality for the purchase of fuels, lubricants, tires and maintenance parts and supplies for public transportation at a state share of 80 percent in 2002 and 95 percent in 2003 and succeeding years. These amounts may be used to support up to 95 percent of the local or nonfederal share of capital project costs for public transportation and ridesharing equipment, facilities, and associated costs. Capital costs may include debt service payments on local or agency transit bonds. The term "borne by the locality" means the local share eligible for state assistance consisting of costs in excess of the sum of fares and other operating revenues plus federal assistance received by the locality.
- c. Commonwealth Mass Transit Fund revenue shall be allocated by the Commonwealth Transportation Board as follows:
 - (1) Funds for special programs, which shall include ridesharing, experimental transit, and technical assistance, shall not exceed 1.5 percent of the Fund.
 - (2) The Board may allocate these funds to any locality or planning district commission to finance up to 80 percent of the local share of all costs associated with the development, implementation, and

1528 continuation of ridesharing programs.

1529 (3) Funds allocated for experimental transit projects may be paid to any local governing body,
1530 transportation district commission, or public corporation or may be used directly by the Department of
1531 Rail and Public Transportation for the following purposes:

1533 promotion of experimental public transportation and ridesharing projects approved by the Board.

1534 (b) To finance up to 95 percent of the operating costs of experimental mass transportation and
1535 ridesharing projects approved by the Board for a period of time not to exceed 12 months.

1536 (c) To finance up to 95 percent of the cost of the development and implementation of any other
1537 project designated by the Board where the purpose of such project is to enhance the provision and use
1538 of public transportation services.

1539 d. Funds allocated for public transportation promotion and operation studies may be paid to any local
1540 governing body, planning district commission, transportation district commission, or public transit
1541 corporation, or may be used directly by the Department of Rail and Public Transportation for the
1542 following purposes and aid of public transportation services:

1543 (1) At the approval of the Board to finance a program administered by the Department of Rail and
1544 Public Transportation designed to promote the use of public transportation and ridesharing throughout
1545 Virginia.

1546 (2) To finance up to 50 percent of the local share of public transportation operations planning and
1547 technical study projects approved by the Board.

1548 e. At least 73.5 percent of the Fund shall be distributed to each transit property in the same
1549 proportion as its operating expenses bear to the total statewide operating expenses and shall be spent for
1550 the purposes specified in subdivision 4 b.

1551 f. The remaining 25 percent shall be distributed for capital purposes on the basis of 95 percent of the
1552 nonfederal share for federal projects and 95 percent of the total costs for nonfederal projects. In the
1553 event that total capital funds available under this subdivision are insufficient to fund the complete list of
1554 eligible projects, the funds shall be distributed to each transit property in the same proportion that such
1555 capital expenditure bears to the statewide total of capital projects. Prior to the annual adoption of the
1556 Six-Year Improvement Program, the Commonwealth Transportation Board may allocate up to 20 percent
1557 of the funds in the Commonwealth Mass Transit Fund designated for capital purposes to transit
1558 operating assistance if operating funds for the next fiscal year are estimated to be less than the current
1559 fiscal year's allocation, to attempt to maintain transit operations at approximately the same level as the
1560 previous fiscal year.

1561 g. There is hereby created in the Department of the Treasury a special nonreverting fund known as
1562 the Commonwealth Transit Capital Fund. The Commonwealth Transit Capital Fund shall be part of the
1563 Commonwealth Mass Transit Fund. The Commonwealth Transit Capital Fund subaccount shall be
1564 established on the books of the Comptroller and consist of such moneys as are appropriated to it by the
1565 General Assembly and of all donations, gifts, bequests, grants, endowments, and other moneys given,
1566 bequeathed, granted, or otherwise made available to the Commonwealth Transit Capital Fund. Any funds
1567 remaining in the Commonwealth Transit Capital Fund at the end of the biennium shall not revert to the
1568 general fund, but shall remain in the Commonwealth Transit Capital Fund. Interest earned on funds
1569 within the Commonwealth Transit Capital Fund shall remain in and be credited to the Commonwealth
1570 Transit Capital Fund. Proceeds of the Commonwealth Transit Capital Fund may be paid to any political
1571 subdivision, another public entity created by an act of the General Assembly, or a private entity as
1572 defined in § 56-557 and for purposes as enumerated in subdivision 4c of § 33.1-269 or expended by the
1573 Department of Rail and Public Transportation for the purposes specified in this subdivision. Revenues of
1574 the Commonwealth Transit Capital Fund shall be used to support capital expenditures involving the
1575 establishment, improvement, or expansion of public transportation services through specific projects
1576 approved by the Commonwealth Transportation Board. Projects financed by the Commonwealth Transit
1577 Capital Fund shall receive local, regional or private funding for at least 20 percent of the nonfederal
1578 share of the total project cost.

1579 5. Funds for Metro shall be paid by the Northern Virginia Transportation Commission (NVTC) to the
1580 Washington Metropolitan Area Transit Authority (WMATA) and be a credit to the Counties of
1581 Arlington and Fairfax and the Cities of Alexandria, Falls Church and Fairfax in the following manner:

1582 a. Local obligations for debt service for WMATA rail transit bonds apportioned to each locality
1583 using WMATA's capital formula shall be paid first by NVTC. NVTC shall use 95 percent state aid for
1584 these payments.

1585 b. The remaining funds shall be apportioned to reflect WMATA's allocation formulas by using the
1586 related WMATA-allocated subsidies and relative shares of local transit subsidies. Capital costs shall
1587 include 20 percent of annual local bus capital expenses. Hold harmless protections and obligations for
1588 NVTC's jurisdictions agreed to by NVTC on November 5, 1998, shall remain in effect.

1589 Appropriations from the Commonwealth Mass Transit Fund are intended to provide a stable and

1590 reliable source of revenue as defined by Public Law 96-184.

1591 B. The sales and use tax revenue generated by a one percent sales and use tax shall be distributed
1592 among the counties and cities of the Commonwealth in the manner provided in subsections C and D.

1593 C. The localities' share of the net revenue distributable under this section among the counties and
1594 cities shall be apportioned by the Comptroller and distributed among them by warrants of the
1595 Comptroller drawn on the Treasurer of Virginia as soon as practicable after the close of each month
1596 during which the net revenue was received into the state treasury. The distribution of the localities' share
1597 of such net revenue shall be computed with respect to the net revenue received into the state treasury
1598 during each month, and such distribution shall be made as soon as practicable after the close of each
1599 such month.

1600 D. The net revenue so distributable among the counties and cities shall be apportioned and
1601 distributed upon the basis of the latest yearly estimate of the population of cities and counties ages five
1602 to 19, provided by the Weldon Cooper Center for Public Service of the University of Virginia. Such
1603 population estimate produced by the Weldon Cooper Center for Public Service of the University of
1604 Virginia shall account for persons who are domiciled in orphanages or charitable institutions or who are
1605 dependents living on any federal military or naval reservation or other federal property within the school
1606 division in which the institutions or federal military or naval reservation or other federal property is
1607 located. Such population estimate produced by the Weldon Cooper Center for Public Service of the
1608 University of Virginia shall account for members of the military services who are under 20 years of age
1609 within the school division in which the parents or guardians of such persons legally reside. Such
1610 population estimate produced by the Weldon Cooper Center for Public Service of the University of
1611 Virginia shall account for individuals receiving services in state hospitals, state training centers, or
1612 mental health facilities, persons who are confined in state or federal correctional institutions, or persons
1613 who attend the Virginia School for the Deaf and the Blind within the school division in which the
1614 parents or guardians of such persons legally reside. Such population estimate produced by the Weldon
1615 Cooper Center for Public Service of the University of Virginia shall account for persons who attend
1616 institutions of higher education within the school division in which the student's parents or guardians
1617 legally reside. To such estimate, the Department of Education shall add the population of students with
1618 disabilities, ages two through four and 20 through 21, as provided to the Department of Education by
1619 school divisions. The revenue so apportionable and distributable is hereby appropriated to the several
1620 counties and cities for maintenance, operation, capital outlays, debt and interest payments, or other
