If a local governing body determines that a longer postponement is required, it may petition a three-judge panel of the Virginia Supreme Court, to include the Chief Justice as the presiding Justice,

59 for an extension. The Chief Justice shall choose the other two Justices by lot. The Court may postpone  
60 the election to a date it deems appropriate, notwithstanding the provisions of § 24.2-682, not to exceed  
61 30 days from the original date of the election.

62 Only those persons duly registered to vote as of the original date of the election shall be entitled to  
63 vote in the rescheduled election.

64 If, as a direct result of the emergency, any ballots already cast at the polling places or equipment on  
65 which ballots have been cast, or any voted absentee ballots already received by the appropriate election  
66 officials or any equipment on which absentee ballots have already been cast have been destroyed or  
67 otherwise damaged so that such ballots cannot be counted by the counting device or counted manually,  
68 the Governor (i) shall specify that such ballots or votes previously cast by machinery or paper need to  
69 be recast on or by the rescheduled election date so that they may be counted and (ii) shall direct the  
70 appropriate election officials to immediately send replacement absentee ballots to all absentee voters  
71 whose voted ballots are known to have been so destroyed or damaged. Such instructions may be issued  
72 by executive order separately from the executive order postponing the election. Any absentee ballots  
73 duly cast and received by the rescheduled election date and able to be counted shall be valid and  
74 counted when determining the results of the rescheduled election; however, if more than one absentee  
75 ballot is received from any voter, only the first absentee ballot received and able to be counted shall be  
76 counted. Any person who was duly registered to vote as of the original date of the election, and who  
77 has not voted, or who is permitted to recast their ballot due to the emergency, may vote by absentee  
78 ballot in accordance with the provisions of Chapter 7 (§ 24.2-700 et seq.) of this title in the rescheduled  
79 election. Official ballots shall not be invalidated on the basis that they contain the original election date.

80 If the postponement of the election is ordered after voting at the polls on the original election date  
81 has already commenced, all qualified voters in a precinct in which any voted ballots, voting equipment  
82 containing voted ballots or pollbooks recording who has already voted in that precinct have been  
83 destroyed or damaged as a direct result of the emergency, so that the votes cannot be counted or it  
84 cannot be determined who has already voted, shall be allowed to vote in the rescheduled election, and  
85 no votes cast at the polls on the original election date shall be counted. If the postponement of the  
86 election is ordered after voting at the polls on the original election date has already commenced and no  
87 ballots cast at the polls, voting equipment containing voted ballots or pollbooks recording who has  
88 already voted in that election in that precinct have been destroyed or damaged as a direct result of the  
89 emergency, only qualified voters who had not yet voted shall be eligible to vote on the rescheduled  
90 election day and all votes cast on the original and postponed election dates shall be counted at the close  
91 of the polls on the rescheduled election day.

92 The provisions of § 24.2-663 requiring the voiding of all ballots received from any voter who votes  
93 more than once in the same election shall not apply to ballots otherwise lawfully cast or recast pursuant  
94 to this section; however, no more than one ballot may be counted from any voter in the same election.  
95 If one ballot has already been counted, any additional ballots from the same voter shall be void and  
96 shall not be counted. The provisions of § 24.2-1004 or any other law prohibiting any voter from voting  
97 more than once in the same election, or any oath attesting to the same, shall not apply to ballots  
98 otherwise lawfully cast or recast pursuant to this section.

99 No results shall be tallied or votes counted in any postponed election before the closing of the polls  
100 on the rescheduled election date. Officers of election in unaffected areas shall count and report the  
101 results for the postponed election after the close of the polls on the rescheduled election date. The  
102 counting may take place at the precinct or another location determined by the local electoral board.

103 *B. In the event of a state of emergency declared by the Governor pursuant to Chapter 3.2*  
104 *(§ 44-146.13 et seq.) of Title 44 or declared by the President of the United States or the governor of*  
105 *another state pursuant to law and confirmed by the Governor by an executive order, or a disaster or*  
106 *emergency circumstance not constituting a declared state of emergency that directly interferes with the*  
107 *electoral process or that interferes with the right or ability of voters to travel to the polls, the Secretary*  
108 *of the State Board of Elections or the state chair of a political party may petition [ the Circuit Court for*  
109 *the City of Richmond a three-judge panel of the Virginia Supreme Court selected by the Chief Justice ]*  
110 *to extend the hours for which the polls shall be open in the affected area. The petitioning party shall*  
111 *notify all other parties authorized to make such a petition prior to filing the petition with the court.*

112 *The court may extend the hours that the polls will remain open, for a time determined by the court*  
113 *to be appropriate to address the circumstances, for any geographic area, provided that such a*  
114 *determination results in the same closing time for all precincts within each affected county, city, or*  
115 *town. When making its determination, the court may limit the affected geographic area to one county,*  
116 *city, or town only with the consent of the Secretary of the State Board of Elections and the state chairs*  
117 *of the two political parties that received the most votes in the most recent gubernatorial election. When*  
118 *making such a determination, the [ judge justices ] shall consider evidence presented by all parties*  
119 *authorized to petition the court, including which voters may be unable to vote because of the emergency.*  
120 *The court order shall also have the effect of extending all other post-election deadlines specified in this*

121 *chapter for an equivalent period of time in each affected county, city, or town. The court order shall be*  
122 *issued no later than one hour before the closing time in effect for the affected polls at that time. In no*  
123 *event shall the closing time be extended by more than three hours.*

124 *The court shall notify each affected local electoral board that the hours the polls shall be extended,*  
125 *which notice shall show the nature of the emergency, the localities affected, and the new time that the*  
126 *polls shall close.*

127 C. The State Board shall prescribe appropriate procedures to implement this section.
