4. The plan's cost-sharing requirements do not exceed the limits established under § 1302(c)(1) of the Federal Act, and if the plan is offered through the SHOP exchange, the plan's deductible does not exceed the limits established under § 1302(c)(2) of the Federal Act;

5. The health carrier offering the plan:

a. Is licensed and in good standing to offer health insurance coverage in the Commonwealth;

b. Offers at least (i) one qualified health plan at a silver level of coverage and (ii) one qualified health plan at a gold level of coverage through each component of the Exchange in which the health carrier participates, where "component" refers to the SHOP exchange and the American Health Benefit Exchange;

c. Charges the same premium rate for each qualified health plan without regard to whether the plan is offered through the Exchange or directly by the health carrier or through an agent;

d. Does not charge any cancellation fees or penalties in violation of subsection D of § 38.2-6405; and

e. Complies with the regulations developed by the Secretary under § 1311(d) of the Federal Act and such other requirements as the Exchange may establish; and

B. The Exchange shall not refuse to certify a health benefit plan as a qualified health plan (i) on the basis that the plan is a fee-for-service plan, (ii) through the imposition of premium price controls by the Exchange, or (iii) on the basis that the health benefit plan provides treatments necessary to prevent patients' deaths in circumstances that the Exchange determines are inappropriate or too costly.

C. In order to foster a competitive Exchange marketplace and consumer choice, it is presumed to be in the interest of qualified individuals and qualified employers for the Exchange to certify all health benefit plans meeting the requirements of § 1311(c) of the Federal Act for participation in the Exchange. The Exchange shall certify all health benefit plans meeting the requirements of § 1311(c) of the Federal Act for participation in the Exchange. The Exchange shall establish and publish a transparent, objective process for decertifying qualified health plans that are determined to be not in the public interest to be offered through the Exchange.

D. The Exchange shall require each health carrier seeking certification of a health benefit plan as a qualified health plan to:

1. Submit a justification for any premium increase to the Bureau before implementation of that increase. The carrier shall prominently post the information on its Internet website. The Exchange shall take this information, along with the information and the recommendations provided to the Exchange by the Bureau under § 2794(b) of the PHSA, into consideration when determining whether to allow the

552 carrier to make plans available through the Exchange;

553 2. Make available to the public in plain language, as that term is defined in § 1311(e)(3)(B) of the
554 Federal Act, and submit to the Exchange, the Secretary, and the Bureau, accurate and timely disclosure
555 of the following for such plan:

556 a. Claims payment policies and practices;

557 b. Periodic financial disclosures;

558 c. Data on enrollment;

559 d. Data on disenrollment;

560 e. Data on the number of claims that are denied;

561 f. Data on rating practices;

562 g. Information on cost sharing and payments with respect to any out-of-network coverage;

563 h. Information on enrollee and participant rights under Title I of the Federal Act; and

564 i. Other information as determined appropriate by the Secretary; and

565 3. Permit individuals to learn, in a timely manner upon the request of the individual, the amount of
566 cost sharing, including deductibles, copayments, and coinsurance, under the individual's plan or
567 coverage that such individual would be responsible for paying with respect to the furnishing of a
568 specific item or service by a participating provider. At a minimum, this information shall be made
569 available to the individual through an Internet website and through other means for individuals without
570 access to the Internet.

571 E. The Exchange shall apply the criteria of this section in a manner that assures a level playing field
572 between or among health carriers participating in the Exchange.

573 F. The provisions of this chapter that are applicable to qualified health plans shall also apply to the
574 extent applicable to qualified dental plans, except as modified (i) by regulations adopted by the
575 Commission or (ii) in accordance with the following:

576 1. A health carrier seeking certification of a dental benefit plan as a qualified dental plan shall be
577 licensed in the Commonwealth to offer dental coverage, but need not be licensed to offer other health
578 benefits;

579 2. Qualified dental plans shall be limited to dental and oral health benefits, without substantial
580 duplication of the benefits typically offered by health benefit plans without dental coverage and shall
581 include, at a minimum, the essential pediatric dental benefits prescribed by the Secretary pursuant to
582 § 1302(b)(1)(J) of the Federal Act and such other dental benefits as the Exchange may specify or the
583 Secretary may specify by regulation; and

584 3. A health carrier may jointly offer through the Exchange a qualified dental plan and a qualified
585 health plan.

586 G. The Exchange shall ensure that no qualified health plan that is sold or offered for sale through
587 the Exchange shall provide coverage for abortions, regardless of whether such coverage is provided
588 through the plan or is offered as a separate optional rider thereto. This limitation shall not apply to an
589 abortion performed (i) when the life of the mother is endangered by a physical disorder, physical
590 illness, or physical injury, including a life-endangering physical condition caused by or arising from the
591 pregnancy itself, or (ii) when the pregnancy is the result of an alleged act of rape or incest.

592 § 38.2-6408. Appeal of decertification or denial of certification.

593 A. The Exchange shall give each health carrier the opportunity to appeal a decertification decision
594 or the denial of certification as a qualified health plan.

595 B. The Exchange shall give each health carrier that appeals a decertification decision or the denial
596 of certification the opportunity for:

597 1. The submission and consideration of facts, arguments, or proposals of adjustment of the health
598 benefit plan or plans at issue; and

599 2. A hearing and a decision on the record, to the extent that the Exchange and the health carrier are
600 unable to reach agreement following the submission of the information in subdivision 1.

601 C. Any hearing held pursuant to subsection B shall be conducted by the Commission in accordance
602 with its rules of practice and procedure.

603 § 38.2-6409. Open enrollment periods.

604 Health carriers shall be permitted to utilize open enrollment periods outside of an Exchange as
605 permitted inside of an Exchange pursuant to § 1311(c)(6) of the Federal Act.

606 § 38.2-6410. Choice; risk pooling.

607 A. In accordance with § 1312(f)(2)(A) of the Federal Act, a qualified employer may either designate
608 one or more qualified health plans from which its eligible employees may choose or designate any level
609 of coverage to be made available to eligible employees through an Exchange.

610 B. In accordance with § 1312(b) of the Federal Act, a qualified individual enrolled in any qualified
611 health plan may pay any applicable premium owed by such individual to the health carrier issuing such
612 qualified health plan.

613 C. In accordance with § 1312(c) of the Federal Act:

1. A health carrier shall consider all enrollees in all health benefit plans, other than grandfathered health benefit plans, offered by such carrier in the individual market, including those enrollees who do not enroll in such plans through the American Health Benefit Exchange, members of a single risk pool; and

2. A health carrier shall consider all enrollees in all health benefit plans, other than grandfathered health benefit plans, offered by such carrier in the small group market, including those enrollees who do not enroll in such plans through the SHOP Exchange, to be members of a single risk pool.

D. In accordance with § 1312(d) of the Federal Act:

1. This section shall not prohibit:

a. A health carrier from offering outside of an Exchange a health benefit plan to a qualified individual or qualified employer; or

b. A qualified individual from enrolling in, or a qualified employer from selecting for its eligible employees, a health benefit plan offered outside of an Exchange; and

2. This section shall not limit the operation of any requirement under state law or regulation with respect to any policy or plan that is offered outside of the Exchange with respect to any requirement to offer benefits.

E. Nothing in this section shall restrict the choice of a qualified individual to enroll or not to enroll in a qualified health plan or to participate in an Exchange.

F. Nothing in this section shall compel an individual to enroll in a qualified health plan or to participate in an Exchange.

G. A qualified individual may enroll in any qualified health plan, except that in the case of a catastrophic plan described in § 1302(e) of the Federal Act, a qualified individual may enroll in the plan only if the individual is eligible to enroll in the plan under § 1302(e)(2) of the Federal Act.

H. In accordance with § 1312(e) of the Federal Act, the Exchange may allow agents:

1. To enroll qualified individuals and qualified employers in any qualified health plan or any qualified dental plan offered through the Exchange for which the individual or employer is eligible; and

2. To assist qualified individuals in applying for premium tax credits and cost-sharing reductions for qualified health plans purchased through the Exchange.

§ 38.2-6411. Funding; publication of costs.

A. The Exchange shall be authorized to fund its operations through (i) special fund revenues generated by assessment fees on all health carriers, including carriers offering plans through the Exchange and outside the Exchange, (ii) funds described in subsection I, or (iii) such funds as the General Assembly may from time to time appropriate.

B. The Exchange shall have funding from the sources described in subsection A in an amount sufficient to support its ongoing operations beginning not later than January 1, 2015.

C. Assessments on health carriers shall be reasonable and necessary to support the development, operations, and prudent cash management of the Exchange. Assessments shall be approved by the Commission prior to implementation. Any assessment approved by the Commission shall vary among health carriers that offer plans through the Exchange, health carriers only offering plans outside the Exchange, and those that do both, in a manner that reasonably allocates the costs of the operations of the Exchange among all such carriers based on the impact of their operations on the total costs of operating the Exchange. Any assessments charged to carriers are limited to the minimum amount necessary to pay for the administrative costs and expenses that have been approved in the annual budget process, after consideration of other available funding. Services performed by the Exchange on behalf of other state or federal programs shall not be funded with assessments or other fees collected from health carriers. Any unspent funding by an Exchange shall be used for future state operation of its Exchange or returned to health carriers as a credit if a state charges fees to carriers.

D. Taxes, fees or assessments used to finance the Exchange shall be clearly disclosed by the Exchange as such, including publishing the average cost of certifications, regulatory fees and any other payments required by the Exchange, and the administrative costs of the Exchange, on an Internet website to educate consumers on such costs.

E. Taxes, fees, or assessment used to finance the Exchange shall be considered a state tax or assessment as defined in § 2718(a) of the PHSA and its implementing regulations, and shall be excluded from health carrier administrative costs for the purpose of calculating medical loss ratios or rebates.

F. The Exchange shall publish the average costs of licensing, regulatory fees and any other payments required by the Exchange, and the administrative costs of the Exchange, on an Internet website to educate consumers on such costs. This information shall include information on monies lost to waste, fraud and abuse.

G. Assessments and fees shall not affect the requirement under § 1301 of the Federal Act that carriers charge the same premium rate for each qualified health plan whether offered inside or outside the Exchange.

675 H. A written report on the implementation and performance of the Exchange functions during the
676 preceding fiscal year, including, at a minimum, the manner in which funds were expended, shall be
677 made available to the public on the Internet website of the Exchange.

678 I. The Exchange is authorized to apply for and accept federal grants, other federal funds and grants
679 from nongovernmental organizations for the purposes of developing, implementing, and administering
680 the Exchange.

681 J. The Commission shall not use any special fund revenues dedicated to its other functions and
682 duties, including but not limited to, revenues from utility consumer taxes or fees from licensees regulated
683 by the Commission, or fees paid to the Clerk's Office, to fund any of the activities or operating expenses
684 of the Exchange.

685 § 38.2-6412. Procurement, contracting, and personnel.

686 A. The Commission may contract with other eligible entities and enter into memoranda of
687 understanding with other agencies of the Commonwealth to carry out any of the functions of the
688 Exchange, including agreements with other states or federal agencies to perform joint administrative
689 functions. Such contracts are not subject to the Virginia Public Procurement Act (§ 2.2-4300 et seq.).

690 B. The Exchange shall not enter into contracts with any health carrier or an affiliate of a health
691 carrier.

692 C. Employees of the Exchange shall be (i) exempt from application of the Virginia Personnel Act
693 (§ 2.2-2900 et seq.) and Chapter 30 (§ 2.2-3000 et seq.) of Title 2.2, as hereinafter amended or
694 recodified, to the same extent as other employees of the Commission, (ii) eligible for participation in the
695 Virginia Retirement System to the same extent as other similarly-situated employees of the Commission,
696 and (iii) compensated and managed in accordance with the Commission's practices and policies
697 applicable to all Commission employees.

698 § 38.2-6413. Confidentiality.

699 A. Notwithstanding any other provision of law, the records of the Exchange shall be open to public
700 inspection, except that the following information shall not be subject to disclosure: (i) the names and
701 applications of individuals and employers seeking coverage through the Exchange; (ii) individuals'
702 health information; (iii) information exchanged between the Exchange and any other state agency that is
703 subject to confidentiality agreements under contracts entered into with the Exchange, and (iv)
704 communications covered by an applicable legal or other privilege or such internal communications
705 related to the Exchange that are designated confidential in regulations promulgated by the Commission
706 to implement the provision of this chapter.

707 B. The Exchange may enter into information-sharing agreements with federal and state agencies and
708 other states' health benefit exchanges to carry out its responsibilities under this chapter, provided such
709 agreements include adequate protections with respect to the confidentiality of the information to be
710 shared and comply with all state and federal laws and regulations.

711 § 38.2-6414. Navigators.

712 A. A public or private entity or individual shall not act as a Navigator unless the Exchange has
713 certified that the entity or individual is qualified to do so. The Exchange shall certify entities to act as
714 Navigators in accordance with § 1311(i) of the Federal Act, standards developed by the Secretary and
715 the requirements of this section.

716 B. The Exchange shall not certify a public or private entity or an individual as qualified to serve as
717 a Navigator unless:

718 1. If a public or private entity, its employees or volunteers who will provide information on or enroll
719 qualified individuals in a qualified health plan have completed a course of education approved by the
720 Exchange that provides not less than 16 hours of education per biennium that is specifically related to
721 plans offered in the Exchange and the role of Navigators; or

722 2. If an individual, he has completed a course of education approved by the Exchange that requires
723 the completion of not less than 16 hours of training or education per biennium that is specifically
724 related to plans offered in the Exchange and the role of Navigators.

725 C. The Exchange shall establish a program under which it shall award grants to Navigators to carry
726 out the following duties:

727 1. Conduct public education activities to raise awareness of the availability of qualified health plans,
728 qualified dental plans, the State Medicaid Program, and FAMIS;

729 2. Distribute fair and impartial information concerning enrollment in qualified health plans, qualified
730 dental plans, the State Medicaid Program, and FAMIS, and the availability of premium tax credits
731 under § 36B of the Internal Revenue Code of 1986 and cost-sharing reductions under § 1402 of the
732 Federal Act;

5. Provide information in a manner that is culturally and linguistically appropriate to the needs of the population being served by the Exchange.

D. To be eligible to receive a grant under subsection C, a Navigator shall demonstrate to the Exchange involved that it has existing relationships, or could readily establish relationships, with employers and employees, consumers, including uninsured and underinsured consumers, or self-employed individuals likely to be qualified to enroll in a qualified health plan.

E. Navigators may include trade, industry, and professional associations, commercial fishing industry organizations, ranching and farming organizations, community and consumer-focused business development centers, other licensed insurance agents, and other entities that:

1. Are capable of carrying out the duties described in subsection C;

2. Meet the standards described in subsection F; and

3. Provide information consistent with the standards developed under subsection G.

F. The Commission shall by regulation establish standards for Navigators under this section, including provisions to ensure that any private or public entity that is selected as a navigator is qualified to engage in the navigator activities described in this section and to avoid conflicts of interest. Under such standards, a navigator shall not (i) be a carrier or (ii) receive any consideration directly or indirectly from any carrier in connection with the enrollment of any qualified individuals or eligible employees of a qualified employer in a qualified health plan.

G. The Exchange shall develop standards, consistent with any standards developed by the Secretary, to ensure that information made available by Navigators is fair, accurate, and impartial.

H. Grants to Navigators under this section shall be made from the operational funds of the Exchange and not from federal funds received by the Commonwealth to establish the Exchange.

§ 38.2-6415. Regulations.

The Commission shall promulgate regulations to implement the provisions of this chapter in accordance with the Commission's Rules of Practice and Procedure. Regulations promulgated under this section shall be consistent with applicable provisions of federal and state law.
