Albemarle County, Arlington County, Augusta County, *Goochland County*, James City County, Loudoun County, and Rockingham County may include the following additional provisions in any ordinance enacted under the authority of this article:

1. The governing body may exclude land lying in planned development, industrial or commercial zoning districts, *and service districts created [ after July 1, 2013 ] pursuant to Article 1 (§ 15.2-2400 et seq.) of Chapter 24 of Title 15.2* from assessment under the provisions of this article. ~~This~~ *As applied to zoning districts, this* provision applies only to zoning districts established prior to January 1, 1981.

2. The governing body may provide that when the zoning of the property taxed under the provisions of this article is changed to allow a more intensive nonagricultural use at the request of the owner or his agent, such property shall not be eligible for assessment and taxation under this article. This shall not apply, however, to property ~~which~~ *that* is zoned agricultural and is subsequently rezoned to a more intensive use ~~which~~ *that* is complementary to agricultural use, provided such property continues to be owned by the same owner who owned the property prior to rezoning and continues to operate the agricultural activity on the property. The roll-back tax, plus interest, shall be calculated, levied and collected from the owner of the real estate in accordance with § 58.1-3237 at the time the property is rezoned.

~~[ 3. The governing body may, but is not required to, impose roll-back taxes pursuant to § 58.1-3237 or this section on property in service districts. In applying this subdivision, the governing body shall treat all property in all service districts the same regarding imposition of roll-back taxes. ]~~
