75 "Wetlands" means both vegetated and nonvegetated wetlands.

76 "Wetlands board" or "board" means a board created pursuant to § 28.2-1303 of the Code of Virginia.

77 § 3. The following uses of and activities in wetlands are authorized if otherwise permitted by law:

78 1. The construction and maintenance of noncommercial catwalks, piers, boathouses, boat shelters,
79 fences, duckblinds, wildlife management shelters, footbridges, observation decks and shelters and other
80 similar structures, provided that such structures are so constructed on pilings as to permit the reasonably
81 unobstructed flow of the tide and preserve the natural contour of the wetlands;

82 2. The cultivation and harvesting of shellfish, and worms for bait;

83 3. Noncommercial outdoor recreational activities, including hiking, boating, trapping, hunting, fishing,
84 shellfishing, horseback riding, swimming, skeet and trap shooting, and shooting on shooting preserves,
85 provided that no structure shall be constructed except as permitted in subdivision 1 of this section;

86 4. Other outdoor recreational activities, provided they do not impair the natural functions or alter the
87 natural contour of the wetlands;

88 5. Grazing, haying, and cultivating and harvesting agricultural, forestry or horticultural products;

89 6. Conservation, repletion and research activities of the Commission, the Virginia Institute of Marine
90 Science, the Department of Game and Inland Fisheries and other conservation-related agencies;

91 7. The construction or maintenance of aids to navigation which are authorized by governmental
92 authority;

93 8. Emergency measures decreed by any duly appointed health officer of a governmental subdivision
94 acting to protect the public health;

95 9. The normal maintenance and repair of, or addition to, presently existing roads, highways, railroad
96 beds, or facilities abutting on or crossing wetlands, provided that no waterway is altered and no
97 additional wetlands are covered;

98 10. Governmental activity in wetlands ~~owned or leased by the Commonwealth or a political~~
99 ~~subdivision thereof~~; and

100 11. The normal maintenance of man-made drainage ditches, provided that no additional wetlands are
101 covered. This subdivision does not authorize the construction of any drainage ditch.

102 § 4. A. Any person who desires to use or develop any wetland within this (county, city, or
103 town), other than for the purpose of conducting the activities specified in § 3 of this ordinance, shall
104 first file an application for a permit directly with the wetlands board or with the Commission.

105 B. The permit application shall include the following: the name and address of the applicant; a
106 detailed description of the proposed activities; a map, drawn to an appropriate and uniform scale,
107 showing the area of wetlands directly affected, the location of the proposed work thereon, the area of
108 existing and proposed fill and excavation, the location, width, depth and length of any proposed channel
109 and disposal area, and the location of all existing and proposed structures, sewage collection and
110 treatment facilities, utility installations, roadways, and other related appurtenances or facilities, including
111 those on adjacent uplands; a description of the type of equipment to be used and the means of
112 equipment access to the activity site; the names and addresses of owners of record of adjacent land and
113 known claimants of water rights in or adjacent to the wetland of whom the applicant has notice; an
114 estimate of cost; the primary purpose of the project; any secondary purposes of the project, including
115 further projects; the public benefit to be derived from the proposed project; a complete description of
116 measures to be taken during and after the alteration to reduce detrimental offsite effects; the completion
117 date of the proposed work, project, or structure; and such additional materials and documentation as the
118 wetlands board may require.

119 C. A nonrefundable processing fee shall accompany each permit application. The fee shall be set by
120 the applicable governing body with due regard for the services to be rendered, including the time, skill,

and administrator's expense involved.

§ 5. All applications, maps, and documents submitted shall be open for public inspection at the office designated by the applicable governing body and specified in the advertisement for public hearing required under § 6 of this ordinance.

§ 6. Not later than sixty days after receipt of a complete application, the wetlands board shall hold a public hearing on the application. The applicant, local governing body, Commissioner, owner of record of any land adjacent to the wetlands in question, known claimants of water rights in or adjacent to the wetlands in question, the Virginia Institute of Marine Science, the Department of Game and Inland Fisheries, the Water Control Board, the Department of Transportation, and any governmental agency expressing an interest in the application shall be notified of the hearing. The board shall mail these notices not less than twenty days prior to the date set for the hearing. The wetlands board shall also cause notice of the hearing to be published at least once a week for two weeks prior to such hearing in a newspaper of general circulation in this (county, city, or town). The published notice shall specify the place or places within this (county, city, or town) where copies of the application may be examined. The costs of publication shall be paid by the applicant.

§ 7. A. Approval of a permit application shall require the affirmative vote of three members of a five-member board or four members of a seven-member board.

B. The chairman of the board, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses. Any person may testify at the public hearing. Each witness at the hearing may submit a concise written statement of his testimony. The board shall make a record of the proceeding, which shall include the application, any written statements of witnesses, a summary of statements of all witnesses, the findings and decision of the board, and the rationale for the decision.

C. The board shall make its determination within thirty days of the hearing. If the board fails to act within that time, the application shall be deemed approved. Within forty-eight hours of its determination, the board shall notify the applicant and the Commissioner of its determination. If the board fails to make a determination within the thirty-day period, it shall promptly notify the applicant and the Commission that the application is deemed approved. For purposes of this section, "act" means taking a vote on the application. If the application receives less than four affirmative votes from a seven-member board or less than three affirmative votes from a five-member board, the permit shall be denied.

D. If the board's decision is reviewed or appealed, the board shall transmit the record of its hearing to the Commissioner. Upon a final determination by the Commission, the record shall be returned to the board. The record shall be open for public inspection at the same office as was designated under § 5 of this ordinance.

§ 8. The board may require a reasonable bond or letter of credit in an amount and with surety and conditions satisfactory to it, securing to the Commonwealth compliance with the conditions and limitations set forth in the permit. The board may, after a hearing held pursuant to this ordinance, suspend or revoke a permit if the applicant has failed to comply with any of the conditions or limitations set forth in the permit or has exceeded the scope of the work described in the application. The board may, after a hearing, suspend a permit if the applicant fails to comply with the terms and conditions set forth in the application.

§ 9. In fulfilling its responsibilities under this ordinance, the board shall preserve and prevent the despoliation and destruction of wetlands within its jurisdiction while accommodating necessary economic development in a manner consistent with wetlands preservation.

§ 10. A. In deciding whether to grant, grant in modified form or deny a permit, the board shall consider the following:

1. The testimony of any person in support of or in opposition to the permit application;
2. The impact of the proposed development on the public health, safety, and welfare; and
3. The proposed development's conformance with standards prescribed in § 28.2-1308 of the Code of Virginia and guidelines promulgated pursuant to § 28.2-1301 of the Code of Virginia.

B. The board shall grant the permit if all of the following criteria are met:

1. The anticipated public and private benefit of the proposed activity exceeds its anticipated public and private detriment.
2. The proposed development conforms with the standards prescribed in § 28.2-1308 of the Code of Virginia and guidelines promulgated pursuant to § 28.2-1301 of the Code of Virginia.
3. The proposed activity does not violate the purposes and intent of this ordinance or Chapter 13 (§ 28.2-1300 et seq.) of Title 28.2 of the Code of Virginia.

C. If the board finds that any of the criteria listed in subsection B of this section are not met, the board shall deny the permit application but allow the applicant to resubmit the application in modified form.

§ 11. The permit shall be in writing, signed by the chairman of the board or his authorized representative, and notarized. A copy of the permit shall be transmitted to the Commissioner.

182 § 12. No permit shall be granted without an expiration date established by the board. Upon proper
183 application, the board may extend the permit expiration date.
184 § 13. No permit granted by a wetlands board shall in any way affect the applicable zoning and land
185 use ordinances of this (county, city, or town) or the right of any person to seek compensation
186 for any injury in fact incurred by him because of the proposed activity.
