Patron Prior to Engrossment—Senator Watkins

Referred to Committee on Finance

Be it enacted by the General Assembly of Virginia:

1. That §§ 51.1-124.30, 51.1-126.6, 51.1-144, 51.1-145, 51.1-166, 51.1-306, 51.1-601.1, 51.1-603.1, 51.1-609, 51.1-610, 51.1-1100, 51.1-1103, 51.1-1155, 51.1-1156, 51.1-1163, 51.1-1164, and 51.1-1173 of the Code of Virginia are amended and reenacted as follows:

§ 51.1-124.30. Board as trustee of funds; investments; standard of care; liability for losses.

A. The Board shall be the trustee of the funds of the Retirement System that it administers and of those resulting from the abolished system. Subject to the provisions of this chapter, the Board shall have full power to invest and reinvest such funds as authorized by law.

B. The Board shall have the power to borrow money in such amounts as may be necessary to discharge current obligations under this chapter whenever in its judgment it would be more advantageous to borrow money than to sell securities held by the Retirement System. Any debt so incurred may be evidenced by notes duly authorized by resolution of the Board, but in no case is the due date of any note or other evidence of debt to be beyond the end of the biennium succeeding the biennium in which the debt is incurred. Securities held by the Retirement System may be hypothecated by the Board as security for the payment of any debt incurred under this section.

C. The Board shall discharge its duties with respect to the Retirement System solely in the interest of the beneficiaries thereof and shall invest the assets of the Retirement System with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims. The Board shall also diversify such investments so as to minimize the risk of large losses unless under the circumstances it is clearly prudent not to do so.

D. No officer, director, or member of the Board or of any advisory committee of the Retirement System or any of its tax exempt subsidiary corporations whose actions are within the standard of care in subsection C above shall be held personally liable for losses suffered by the Retirement System on investments made under the authority of this chapter.

E. In the case of a plan administered by the Board which provides individual accounts permitting an employee or beneficiary to exercise discretion over assets in his account, if the employee or beneficiary actually exercises discretion over the assets in his account, the Board shall not be liable for any loss resulting from such employee's or beneficiary's (i) exercise of ~~control~~ discretion over the assets in his account or (ii) inaction with respect to the assets in his account that results in such assets being placed in a default investment option selected by the Board.

F. In the case of an automatic rollover of a mandatory cash-out, as that term is defined under I.R.C. § 401 (a) (31) (B) of the United States Internal Revenue Code of 1986 (including as such section is amended or renumbered, or any successor provision thereto) and regulations thereunder applicable to governmental plans, the Board shall not be liable for any loss resulting from the Board's selection of an individual retirement plan provider and investment product where the selection is made in accordance with guidelines to be adopted by the Board that are similar to the safe harbor guidelines adopted by the United States Department of Labor for this purpose.

§ 51.1-126.6. Certain employees of public school divisions.

A. The Board shall establish a defined contribution plan covering any eligible employee serving in a position designated in § 22.1-60 who elects to participate in the plan.

B. Any school board established pursuant to Article VIII, Section 7 of the Constitution of Virginia and Chapter 5 (§ 22.1-28 et seq.) of Title 22.1 is hereby authorized to make contributions to the optional retirement plan established by the Virginia Retirement System pursuant to this section for the benefit of its eligible employees who elect to participate in such a plan. Any eligible employee of such school board hired on or after the effective date of the plan shall make an irrevocable election to participate in either (i) the retirement system established by this chapter or (ii) the optional retirement plan established

ENGROSSED

SB995E

60 by the Virginia Retirement System pursuant to this section. Such election shall be made in accordance  
61 with the guidelines established by the Virginia Retirement System.

62 C. No employee of any school board who is an active member of the retirement plan established  
63 under this section shall also be an active member in the Virginia Retirement System or beneficiary  
64 thereof other than as a contingent annuitant. Such eligible employee may, however, be covered under  
65 any insurance plan established by the Board under this title for which he would have been otherwise  
66 eligible.

67 D. The contribution by the school board to such employee's defined contribution account shall be  
68 determined by the Board of Trustees of the Virginia Retirement System in consultation with its actuary.  
69 Contributions to the defined contribution account and all earnings thereon shall be credited to an account  
70 to be maintained for each eligible employee who elects to participate. Contributions by the school board  
71 to an electing employee's defined contribution account shall be in lieu of contributions to the retirement  
72 system required pursuant to § 51.1-145. *In addition, any person who becomes a member on or after July*  
73 *1, 2010, shall, pursuant to procedures established by the Board, pay member contributions on a salary*  
74 *reduction basis in accordance with § 414(h) of the Internal Revenue Code, in an amount equal to five*  
75 *percent of his creditable compensation, to the retirement plan established under this section. Each*  
76 *employee making such member contribution shall be deemed to consent and agree to any salary*  
77 *reduction for purposes of the member contribution. Such member contributions shall be in addition to*  
78 *all contributions by the school board to such employee's defined contribution account.*

79 E. If a member of the optional retirement plan maintained under this section is at any time in service  
80 as an employee in a position covered for retirement purposes under the provisions of this chapter,  
81 Chapter 2 (§ 51.1-200 et seq.), Chapter 2.1 (§ 51.1-211 et seq.), or Chapter 3 (§ 51.1-300 et seq.) of this  
82 title, his benefit payments under the optional retirement plan maintained under this section shall be  
83 suspended while so employed; provided, however, reemployment in such position shall have no effect  
84 on the payment under the optional retirement plan maintained under this section if the benefits are being  
85 paid in an annuity form under a lifetime annuity contract purchased with the member's account balance.

86 F. Effective January 1, 2014, any reference to "retirement system" or "Virginia Retirement System"  
87 in this section, as the context requires, shall mean the hybrid retirement program described in  
88 § 51.1-169. The Virginia Retirement System shall develop policies and procedures for the administration  
89 of such plan in accordance with existing and future federal and state policies, regulations, and statutes  
90 governing the administration of such plans.

91 **§ 51.1-144. Member contributions.**

92 A. Each member shall contribute five percent of his creditable compensation for each pay period for  
93 which he receives compensation.

94 The employer shall deduct the contribution payable by the member. Every employee accepting  
95 employment shall be deemed to consent and agree to any deductions from his compensation required by  
96 this chapter.

97 B. In determining the creditable compensation of a member in a payroll period, the Board may  
98 consider the rate of compensation payable to the member on the date of entry or removal of his name  
99 from the payroll as having been received throughout the month if service for the month is creditable. If  
100 service for the month is not creditable, the Board may consider any compensation payable during the  
101 month as not being creditable compensation.

102 C. The minimum compensation provided by law for any member shall be reduced by the deduction  
103 required by this section. Except for any benefits provided by this chapter, payment of compensation  
104 minus the deductions shall be a full and complete discharge of all claims for services rendered by the  
105 member during the period covered by the payment.

106 D. No deduction shall be made from any member's compensation if the employer's contribution is in  
107 default.

108 E. The Board may modify the method of collecting the contributions of members so that the  
109 employer may retain the amounts deducted from members' salaries and have a corresponding amount  
110 deducted from state funds otherwise payable to the employer.

111 F. 1. ~~Except~~ *Only* as provided in subdivisions 3 and 4, *may* any employer ~~may~~ elect to pay an  
112 equivalent amount in lieu of ~~all~~ *any* member contributions required of its employees. Such payments  
113 shall be credited to the members' contribution account. These contributions shall not be considered  
114 wages for purposes of Chapter 7 (§ 51.1-700 et seq.), nor shall they be considered to be salary for  
115 purposes of this chapter.

116 2. A person who becomes a member on or after July 1, 2010, shall be required to pay member  
117 contributions on a salary reduction basis in accordance with § 414(h) of the Internal Revenue Code in  
118 the amount of five percent of creditable compensation if the person is (i) a member covered by the  
119 defined benefit plan established under this chapter, (ii) a member of the State Police Officers' Retirement  
120 System under Chapter 2 (§ 51.1-200 et seq.), (iii) a member of the Virginia Law Officers' Retirement  
121 System under Chapter 2.1 (§ 51.1-211 et seq.), (iv) a member of the Judicial Retirement System under

Chapter 3 (§ 51.1-300 et seq.), or (v) earning the benefits permitted by § 51.1-138.

3. A member who is an employee of a county, city, town, or other local employer other than a local public school board, regardless of whether the member is a person who becomes a member on or after July 1, 2010, shall be required to pay member contributions on a salary reduction basis in accordance with § 414(h) of the Internal Revenue Code in the amount of five percent of creditable compensation as follows: (i) any member who commences or recommences employment on or after July 1, 2012, shall be required to contribute five percent of his creditable compensation upon commencing or recommencing employment and (ii) members in service on June 30, 2012, shall be required to contribute five percent of their creditable compensation no later than July 1, 2016. Such member described in subdivision (ii) shall contribute a minimum of an additional one percent of his creditable compensation beginning on each July 1 of 2012, 2013, 2014, 2015, and 2016, or until the member's contribution equals five percent of creditable compensation, but the county, city, town, or other local employer other than a local public school board may elect to require members to contribute more than an additional one percent each year, in whole percentages. In no case shall a member be required to contribute more than five percent of his creditable compensation for each pay period for which he receives compensation. No county, city, town, or other local employer other than a local public school board shall be allowed to elect to pay any amount of member contributions except to pay the difference between five percent and the employee contribution during the phase-in period described in this subdivision for a member who was in service on June 30, 2012.

4. A member who is an employee of a local public school board, regardless of whether the member is a person who becomes a member on or after July 1, 2010, shall be required to pay member contributions on a salary reduction basis in accordance with § 414(h) of the Internal Revenue Code in the amount of five percent of creditable compensation as follows: (i) any member who commences or recommences employment on or after July 1, 2012, shall be required to contribute five percent of his creditable compensation upon commencing or recommencing employment and (ii) members in service on June 30, 2012, shall be required to contribute five percent of their creditable compensation no later than July 1, 2016. Such member described in subdivision (ii) shall contribute a minimum of an additional one percent of his creditable compensation beginning on each July 1 of 2012, 2013, 2014, 2015, and 2016, or until the member's contribution equals five percent of creditable compensation, but the local public school board employer may elect to require members to contribute more than an additional one percent each year, in whole percentages. In no case shall a member be required to contribute more than five percent of his creditable compensation for each pay period for which he receives compensation. No local public school board employer shall be allowed to elect to pay any amount of member contributions except to pay the difference between five percent and the employee contribution during the phase-in period described in this subdivision for a member who was in service on June 30, 2012.

~~5. Notwithstanding any other provision of this section or other law, only those employers who were paying member contributions as of February 1, 2010, may pay member contributions. The provisions of this subdivision shall not apply to a county, city, town, local public school board, or other local employer.~~

G. The Board may develop procedures to effect the transfer of member contributions paid by employers on or after July 1, 1980, and accrued interest on those contributions, to the member contribution account of the member, if such contributions have been previously deposited into the retirement allowance account of the employer.

**§ 51.1-145. Employer contributions.**

A. The total annual employer contribution for each employer, expressed as a percentage of the annual membership payroll, shall be determined in a manner so as to remain relatively level from year to year. Each employer shall contribute an amount equal to the sum of the normal contribution, any accrued liability contribution, and any supplementary contribution. The contribution rates for each employer shall be determined after each valuation and shall remain in effect until a new valuation is made. All contribution rates shall be computed in accordance with recognized actuarial principles on the basis of methods and assumptions approved by the Board.

B. The normal employer contribution for any period shall be determined as a percentage, equal to the normal contribution rate, of the total covered compensation of the members employed during the period.

C. The normal contribution rate for any employer shall be determined as the percentage represented by the ratio of (i) the annual normal cost to provide the benefits of the retirement system with respect to members employed by the employer in excess of the members' contributions to (ii) the total annual compensation of the members.

D. The accrued liability contribution for any employer for any period shall be determined as a percentage, equal to the accrued liability contribution rate, of the total compensation of the members during the period.

183 E. The accrued liability contribution rate for any employer shall be a percentage of the total annual  
184 compensation of the members, determined so that a continuation of annual contributions by the  
185 employer at the same percentage of total annual compensation over a period of 40 years will be  
186 sufficient to amortize the unfunded accrued liability with respect to the employer.

187 F. The unfunded accrued liability with respect to any employer as of any valuation date shall be  
188 determined as the excess of (i) the then present value of the benefits to be provided under the retirement  
189 system in the future to members and former members over (ii) the sum of the assets of the retirement  
190 system then currently in the members' contribution account and in the employer's retirement allowance  
191 account, plus the then present value of the stipulated contributions to be made in the future by the  
192 members, plus the then present value of the normal contributions expected to be made in the future by  
193 the employer.

194 G. The supplementary contribution for any employer for any period shall be determined as a  
195 percentage, equal to the supplementary contribution rate, of the total compensation of the members  
196 employed during the period.

197 H. Until July 1, 1997, the supplementary contribution rate for any employer shall be determined as  
198 the percentage represented by the ratio of (i) the average annual amount of post-retirement supplements,  
199 as provided for in this chapter, which is anticipated to become payable during the period to which the  
200 rate will be applicable with respect to former members to (ii) the total annual compensation of the  
201 members.

202 I. The Board shall certify to each employer the applicable contribution rate and any changes in the  
203 rate.

204 J. The employer contribution for the year shall be increased to the extent necessary to overcome any  
205 insufficiency if the contributions for any employer, when combined with the amount of the retirement  
206 allowance account of the employer, are insufficient to provide the benefits payable during the year.

207 K. The appropriation bill which is submitted to the General Assembly by the Governor prior to each  
208 regular session that begins in an even-numbered year shall include the contributions which will become  
209 due and payable to the retirement allowance account from the state treasury during the following  
210 biennium. The amount of the contributions shall be based on the contribution rates certified by the  
211 Board pursuant to subsection I of this section that are applicable to the Commonwealth as an employer  
212 and the anticipated compensation during the biennium of the members of the retirement system on  
213 behalf of whom the Commonwealth is the employer.

214 K1. The General Assembly shall set contribution rates that are at least equal to the following  
215 percentage of the contribution rates certified by the Board pursuant to subsection I:

216 1. For members who are state employees as defined in § 51.1-124.3 and who are participating in a  
217 retirement plan established pursuant to Chapter 1 (§ 51.1-124.1 et seq.), (i) 67.02 percent for fiscal years  
218 beginning July 1, 2012, and July 1, 2013, (ii) 78.02 percent for fiscal years beginning July 1, 2014, and  
219 July 1, 2015, (iii) 89.01 percent for fiscal years beginning July 1, 2016, and July 1, 2017, and (iv) 100  
220 percent for fiscal years beginning on or after July 1, 2018;

221 2. For members who are teachers as defined in § 51.1-124.3 and who are participating in a retirement  
222 plan established pursuant to Chapter 1 (§ 51.1-124.1 et seq.), (i) 69.53 percent for fiscal years beginning  
223 July 1, 2012, and July 1, 2013, (ii) 79.69 percent for fiscal years beginning July 1, 2014, and July 1,  
224 2015, (iii) 89.84 percent for fiscal years beginning July 1, 2016, and July 1, 2017, and (iv) 100 percent  
225 for fiscal years beginning on or after July 1, 2018;

226 3. For members participating in a retirement plan established pursuant to Chapter 2 (§ 51.1-200 et  
227 seq.), (i) 75.84 percent for fiscal years beginning July 1, 2012, and July 1, 2013, (ii) 83.90 percent for  
228 fiscal years beginning July 1, 2014, and July 1, 2015, (iii) 91.95 percent for fiscal years beginning July  
229 1, 2016, and July 1, 2017, and (iv) 100 percent for fiscal years beginning on or after July 1, 2018;

230 4. For members participating in a retirement plan established pursuant to Chapter 2.1 (§ 51.1-211 et  
231 seq.), (i) 75.82 percent for fiscal years beginning July 1, 2012, and July 1, 2013, (ii) 83.88 percent for  
232 fiscal years beginning July 1, 2014, and July 1, 2015, (iii) 91.94 percent for fiscal years beginning July  
233 1, 2016, and July 1, 2017, and (iv) 100 percent for fiscal years beginning on or after July 1, 2018; and

234 5. For members participating in a retirement plan established pursuant to Chapter 3 (§ 51.1-300 et  
235 seq.), (i) 83.98 percent for fiscal years beginning July 1, 2012, and July 1, 2013, (ii) 89.32 percent for  
236 fiscal years beginning July 1, 2014, and July 1, 2015, (iii) 94.66 percent for fiscal years beginning July  
237 1, 2016, and July 1, 2017, and (iv) 100 percent for fiscal years beginning on or after July 1, 2018.

238 L. In the case of all teachers whose compensation is paid exclusively out of funds derived from local  
239 revenues and appropriations from the general fund of the state treasury, the Commonwealth shall  
240 contribute to the extent specified in the appropriations act. In the case of any teacher whose  
241 compensation is paid out of funds derived in whole or in part from any special fund or from a  
242 contributor other than the Commonwealth or a political subdivision thereof, contributions shall be paid  
243 out of the special fund or by the other contributor in proportion to that part of the compensation derived  
244 therefrom. In the case of all state employees whose compensation is paid exclusively by the

245 Commonwealth out of the general fund of the state treasury, the Commonwealth shall be the sole  
 246 contributor, and all contributions shall be paid out of the general fund. In the case of a state employee  
 247 whose compensation is paid in whole or in part out of any special fund or by any contributor other than  
 248 the Commonwealth, contributions on behalf of the employee shall be paid out of the special fund or by  
 249 the other contributor in proportion to that part of the employee's compensation derived therefrom. The  
 250 governing body of each political subdivision is hereby authorized to make appropriations from the funds  
 251 of the political subdivision necessary to pay its proportionate share of contributions on behalf of every  
 252 state employee whose compensation is paid in part by the political subdivision. In the case of each  
 253 person who has elected to remain a member of a local retirement system, the Commonwealth shall  
 254 reimburse the local employer an amount equal to the product of the compensation of the person and the  
 255 employer contribution rate as used to determine the employer contribution for state employees under this  
 256 section. Each employer shall keep such records and periodically furnish such information as the Board  
 257 may require and shall inform new employees of their duties and obligations in connection with the  
 258 retirement system.

259 M. The employer contribution rate established for each employer may include the cost to administer  
 260 any defined contribution plan administered by the Virginia Retirement System and available to the  
 261 employer. The portion of such contribution designated to cover administrative costs of the defined  
 262 contribution plans shall not be deposited into the trust fund established for the defined benefit plans but  
 263 shall be separately accounted for and used solely to defray the administrative costs associated with the  
 264 various defined contributions plans. This provision shall supplement the authority of the Board under  
 265 §§ 51.1-124.22 and 51.1-602 to charge and collect administrative fees to employers whose employees  
 266 have available the various defined contribution plans administered by the Virginia Retirement System.

267 N. Notwithstanding the foregoing, the total employer contribution for each employer, *authorized to*  
 268 *participate in the hybrid retirement program described in § 51.1-169 for any period*, expressed as a  
 269 percentage of the employer's payroll for such period, shall be established as the contribution rate payable  
 270 by such employer with respect to its employees enrolled in the defined benefit plan established under  
 271 this chapter. The employer's contribution shall be first applied to the defined contribution component of  
 272 the hybrid retirement program described in § 51.1-169, and the remainder shall be deposited in the  
 273 employer's retirement allowance account. Institutions of higher education shall also pay contributions to  
 274 the employer's retirement allowance account in amounts representing the difference between the  
 275 contribution rate payable with respect to employees enrolled in the defined benefit plan under this  
 276 chapter and the employer contributions paid to any optional retirement plan it offers on behalf of any of  
 277 its nonfaculty Covered Employees, as described in Article 6 (§ 23-38.114 et seq.) of Chapter 4.10 of  
 278 Title 23. The employer contribution rate established for each employer may include the annual rate of  
 279 contribution payable to *by* such employer with respect to employees enrolled in the optional defined  
 280 contribution retirement plans established under §§ 51.1-126, 51.1-126.1, 51.1-126.3, and 51.1-126.4.

281 **§ 51.1-166. Post-retirement supplements generally.**

282 A. In addition to the allowances payable under this title, post-retirement supplements shall be payable  
 283 to the recipients of such allowances. Supplements shall be subject to the same conditions of payment as  
 284 are allowances.

285 B. The amounts of the post-retirement supplements shall be determined as percentages of the  
 286 allowances supplemented hereby. The percentages shall be determined annually by reference to the  
 287 increase in the United States Average Consumer Price Index for all items, all urban consumers (CPI-U),  
 288 as published by the Bureau of Labor Statistics of the United States Department of Labor. The  
 289 percentages shall be based on monthly averages and shall be the difference between (i) the average for  
 290 the calendar year just ended and (ii) the average for the most recent calendar year used in the  
 291 determination of the post-retirement supplements currently being paid. The annual increase, if any, in the  
 292 CPI-U shall be considered only to the extent of the first two percent plus one-half of the next two  
 293 percent of any additional increase, or a maximum increase in the post-retirement supplement of three  
 294 percent in any given year. However, for anyone who (a) is not a person who becomes a member on or  
 295 after July 1, 2010, and (b) has at least 60 months of creditable service as of January 1, 2013, the  
 296 applicable annual increase, if any, in the CPI-U shall be considered only to the extent of the first three  
 297 percent plus one-half of the next four percent of any additional increase, or a maximum increase in the  
 298 post-retirement supplement of five percent in any given year. If the difference in the percentages  
 299 determined above is zero or less, the post-retirement supplements shall either not commence or shall  
 300 continue unchanged until such time as an annual determination results in a difference in the percentages  
 301 that are greater than zero.

302 Contribution rates for all employers shall include an amount equal to 100 percent of the total annual  
 303 amount necessary to fund all post-retirement supplements. All contribution rates shall be computed in  
 304 accordance with recognized actuarial principles on the basis of methods and assumptions approved by  
 305 the Board.

306 C. There shall be no change in the amount of any post-retirement supplement between determination  
307 dates except as necessary to reflect changes in the amount of the allowance being supplemented. The  
308 post-retirement supplement shall remain a constant percentage of the respective allowance being  
309 supplemented. No new post-retirement supplement shall be commenced except as of a determination  
310 date. The post-retirement supplement determined as of any determination dates shall become effective at  
311 the beginning of the fiscal year and shall be in lieu of any post-retirement supplements previously  
312 payable, which shall thereupon be terminated.

313 D. 1. Any recipient of an allowance which initially commenced on or prior to January 1, 1990, shall  
314 be entitled to post-retirement supplements effective July 1, 1991.

315 2. A person who is the recipient of an allowance pursuant to § 2.2-3204, subsection Q of Item 469  
316 of Chapter 890 of the Acts of Assembly of 2011, or § 51.1-155.1, 51.1-155.2, 51.1-157, 51.1-162,  
317 51.1-207, 51.1-218, 51.1-308, 51.1-1117, ~~or~~ 51.1-1128, *51.1-1161, or 51.1-1169* must receive that  
318 allowance for one full calendar year before being entitled to post-retirement supplements.

319 3. Any person who, as of January 1, 2013, (i) is the recipient of an allowance under this title or (ii)  
320 would otherwise be eligible for an unreduced allowance under the applicable chapter within five years,  
321 including a person described in clause (ii) who commences an unreduced allowance on or after January  
322 1, 2013, must receive that allowance for one full calendar year before being entitled to post-retirement  
323 supplements.

324 4. Any other person who has less than 20 years of creditable service must receive that allowance for  
325 one full calendar year after the date he would otherwise have been eligible for an unreduced allowance  
326 under the applicable chapter before being entitled to post-retirement supplements.

327 **§ 51.1-306. Service retirement allowance.**

328 A. Retirement allowance. - A member shall receive an annual retirement allowance, payable for life  
329 as follows:

330 1. Normal retirement. - The allowance shall equal 1.70 percent of his average final compensation  
331 multiplied by the amount of creditable service. The allowance shall not exceed 78 percent of the average  
332 final compensation of the member. Notwithstanding the foregoing, for a member appointed or elected to  
333 an original term commencing on or after January 1, 2013, the allowance shall equal *the sum of (a) 1.65*  
334 *percent of his average final compensation multiplied by the amount of his creditable service performed*  
335 *or purchased on or after January 1, 2013, and (b) 1.70 percent of his average final compensation*  
336 *multiplied by the amount of all other creditable service.*

337 For retirements between October 1, 1994, and December 31, 1998, any judge who is a member or  
338 beneficiary of a retirement system administered by the Board shall receive an additional retirement  
339 allowance equal to three percent of the service retirement allowance payable under this section. Average  
340 final compensation attributable to service as Governor, Lieutenant Governor, Attorney General, or  
341 member of the General Assembly shall not be included in computing this additional retirement  
342 allowance.

343 2. Early retirement. - The allowance shall be determined in the same manner as for normal retirement  
344 with creditable service and average final compensation being determined as of the date of actual  
345 retirement. If the member has not attained his sixtieth birthday or has less than 30 years of service, the  
346 amount of the retirement allowance shall be reduced on an actuarial equivalent basis for the period by  
347 which the actual retirement date precedes the earlier of (i) his normal retirement date or (ii) the first date  
348 on or after his sixtieth birthday on which he would have completed a total of 30 years of creditable  
349 service.

350 B. Normal and early retirement guarantees. - Any member who was a member of one of the previous  
351 systems immediately prior to July 1, 1970, and who would have been eligible for retirement benefits  
352 thereunder shall be guaranteed a minimum retirement allowance no less than that for which he would  
353 have qualified had he continued to participate therein.

354 C. Determination of retirement allowance. - For the purposes of subsection B of this section, the  
355 retirement allowance shall be determined on the assumption that the retirement allowance is payable to  
356 the member alone and that no optional retirement allowance is elected.

357 D. Beneficiary serving in position covered by this title. - If a beneficiary of a service retirement  
358 allowance under this chapter or under any of the previous systems is at any time in service as an  
359 employee in a position covered for retirement purposes under the provisions of this or any chapter other  
360 than Chapter 7 (§ 51.1-700 et seq.) of this title, his retirement allowance shall cease while so employed.

361 **§ 51.1-601.1. Participation in plan by certain employees.**

362 All employees of the Commonwealth and its agencies commencing employment or who are  
363 reemployed on or after January 1, 2008, in a position covered by the Virginia Retirement System, and

365 Revenue Code of 1986, as amended, or (ii) *do not participate in the hybrid retirement program*  
366 *described in § 51.1-169*, shall participate in the plan described in § 51.1-602, unless such employee  
367 elects, in a manner prescribed by the Board, not to participate in such plan. The amount of the deferral

368 for any such employee participating in the plan shall equal, on a semimonthly basis, \$20 of otherwise  
369 payable compensation, unless the employee elects to defer a different amount.

371 **of Virginia Retirement System.**

372 A. The Virginia Retirement System may enter into an agreement with any political subdivision of the  
373 Commonwealth to permit participation by the political subdivision's employees in the deferred  
374 compensation plan established and administered by the Board pursuant to § 51.1-602, except that  
375 political subdivisions of the Commonwealth otherwise participating in the retirement system pursuant to  
376 Article 5 (§ 51.1-130 et seq.) of Chapter 1 shall participate in the deferred compensation plan established  
377 and administered by the Board pursuant to § 51.1-602 to the extent necessary to provide benefits under  
378 the hybrid retirement program described in § 51.1-169.

379 B. The political subdivision may provide in the agreement that its employees who (i) commence  
380 employment or reemployment on or after a specified date occurring on or after the effective date of this  
381 provision in the agreement, (ii) *are not participating in the hybrid retirement program described in*  
382 *§ 51.1-169*, and (iii) ~~who~~ have not affirmatively elected to participate in the plan described in § 51.1-602  
383 or a plan established by such political subdivision pursuant to § 403(b) of the Internal Revenue Code of  
384 1986, as amended, shall participate in either such plan described in § 51.1-602 or a 403(b) plan, as  
385 determined by the political subdivision, unless such employee elects, in a manner prescribed by the  
386 Board, not to participate in such plan. The amount of the deferral for any such employee participating in  
387 the plan shall equal, on a semimonthly basis, \$20 of otherwise payable compensation, unless the  
388 employee elects to defer a greater amount.

389 **§ 51.1-609. Contributions on behalf of qualified participants.**

390 A. A participating employer or, on behalf of the Commonwealth, the Department of Accounts or any  
391 agency of the Commonwealth not covered under the central payroll system, shall transfer funds from its  
392 appropriations to the private corporation or institution designated to hold investments under the plan or  
393 plans adopted or established by the participating employer pursuant to § 401 (a) or § 403 (b) of the  
394 Internal Revenue Code of 1986, as amended. The funds shall be held, administered and invested as  
395 provided for in the applicable document adopted for the administration of such contributions.

396 B. The amount credited on behalf of a qualified participant pursuant to this section shall not exceed,  
397 on a semimonthly basis, the lesser of fifty dollars or fifty percent of the amount that the qualified  
398 participant voluntarily contributes to the deferred compensation plan established under this chapter or to  
399 a plan established pursuant to § 403 (b) of the Internal Revenue Code of 1986, as amended, unless  
400 otherwise determined by the General Assembly through the appropriations process. The amount credited  
401 pursuant to this section on behalf of a qualified participant who is an employee of a participating  
402 employer other than the Commonwealth shall be a discretionary amount determined by the participating  
403 employer's governing body from time to time.

404 *C. No amount shall be credited pursuant to subsection B on behalf of a qualified participant who is*  
405 *participating in the hybrid retirement program described in § 51.1-169 if the qualified participant has*  
406 *not contributed the maximum amount of voluntary contributions under subdivision C 2 of § 51.1-169.*

407 **§ 51.1-610. Local cash match plans.**

408 A. Any county, municipality, authority, or other political subdivision of the Commonwealth may by  
409 ordinance or resolution adopt and establish for itself and its employees a cash match plan. Any such  
410 cash match plan may include constitutional officers and their employees. The ordinance or resolution  
411 adopting or establishing such plan shall create or designate an appropriate board or officer to administer  
412 the plan, and shall confer upon such board or officer the authority to do all things by way of  
413 supervision, administration, and implementation of the plan, including the power to contract with private  
414 corporations or institutions for services in connection therewith.

415 B. If it deems it advisable, any county, municipality, authority, or other political subdivision of the  
416 Commonwealth, which by ordinance or resolution adopts and establishes for itself and its employees a  
417 cash match plan, may create a trust or other special fund for the segregation of the funds or assets  
418 resulting from contributions.

419 *C. No amount shall be credited pursuant to any cash match plan created pursuant to this section on*  
420 *behalf of a qualified participant who is participating in the hybrid retirement program described in*  
421 *§ 51.1-169 if the qualified participant has not contributed the maximum amount of voluntary*  
422 *contributions under subdivision C 2 of § 51.1-169.*

469 **§ 51.1-1103. Participation in the program.**

470 A. All prior elections to participate in the program shall be irrevocable.

471 B. 1. Except for eligible employees who are employed by an institution of higher education in a  
472 faculty position performing teaching, research or administrative duties, all eligible employees  
473 commencing employment or who are reemployed on or after January 1, 1999, shall participate in the  
474 program. The effective date of participation in the program for such employees shall be their first day of  
475 employment.

476 2. Except for such employees of an institution of higher education, all eligible employees not  
477 participating in the program prior to October 1, 2002, shall participate in the program effective January

483 Commonwealth *except that any such employee who elects to participate in the hybrid retirement*  
484 *program described in § 51.1-169 shall participate in the program.*

485 C. Any eligible employee who is employed by an institution of higher education in a faculty position  
486 performing teaching, research or administrative duties may elect to participate in the program established  
487 under this chapter or under an existing program provided by the institution. Any eligible employee who  
488 is (i) employed by an institution of higher education in a faculty position performing teaching, research  
489 or administrative duties prior to October 1, 2002, and (ii) not participating in the program, shall  
490 participate in the program established under this chapter effective January 10, 2003, unless such

591 employee elects not to participate in the manner provided in subdivision B 2. Any eligible employee of  
 592 an institution of higher education in a faculty position performing teaching, research or administrative  
 593 duties employed or reemployed on or after October 1, 2002, shall participate in the program unless such  
 594 employee elects not to participate in the program, in writing and on such forms as prescribed by the  
 595 Retirement System, within 60 days from the time of entry upon the performance of his duties. The  
 596 effective date of participation in the program for such employee shall be the first day following the  
 597 expiration of such 60-day period or January 10, 2003, whichever is later.

598 Any eligible employee under this subsection shall participate in the sickness and disability program  
 599 established by his institution of higher education until such time as the employee participates in the  
 600 program established under this chapter. If the institution of higher education has not established its own  
 601 sickness and disability program, such eligible employee shall participate in the program established  
 602 under this chapter effective on his first day of employment.

603 An election not to participate in the program established under this chapter shall be irrevocable and  
 604 such employee shall be ineligible to participate in the program for the period of his continued  
 605 employment by the Commonwealth.

606 D. Notwithstanding any provision to the contrary, no participating employee commencing  
 607 employment or reemployment on or after July 1, 2009, shall receive benefits under Article 3 of this  
 608 Chapter (Nonwork Related Disability Benefits) until the participating employee completes one  
 609 continuous year of active employment or reemployment.

610 E. The provisions of this subsection shall apply to any eligible employee who participates in the  
 611 program under the provisions of subdivision B 2 or subsection C. Any eligible employee, including a  
 612 person employed by an institution of higher education in a faculty position performing teaching, research  
 613 or administrative duties, who (i) is a member of the Retirement System, and (ii) commenced  
 614 employment or was reemployed prior to January 1, 1999, shall have his sick leave balances, as of the  
 615 effective date of coverage in the program, converted to disability credits, as provided in subsection F.

616 F. Any eligible employee converting his sick leave balance as provided in subsection E shall receive  
 617 one hour of disability credit for each hour of sick leave. Disability credits shall be used to continue  
 618 periods for which the participating employee receives income replacement during periods of short-term  
 619 and long-term disability at 100 percent of creditable compensation. Disability credits shall be reduced by  
 620 one day for each day that the participating employee receives short-term or long-term disability benefits.

621 G. Upon retiring directly from state service and receiving an immediate annuity, the eligible  
 622 employee's unused disability credits shall be converted to service credit under the Retirement System at  
 623 the rate of one month of service for each 173 hours of disability credits, rounded to the next highest  
 624 month, unless the employee elects to be paid for the balance of such disability credits under the same  
 625 terms and subject to the same conditions as are in effect for the payment of sick leave benefits in the  
 626 employee's agency on December 31, 1998. Upon leaving state service under any other circumstances,  
 627 the employee shall be paid for the balance of such disability credits under the same terms and subject to  
 628 the same conditions as are in effect for the payment of sick leave benefits in the employee's agency on  
 629 December 31, 1998, unless he elects to have such credits converted to service credit under the  
 630 Retirement System at the rate of one month of service for each 173 hours of disability credits, rounded  
 631 to the next highest month. Upon entry into long-term disability, the employee may be paid for the  
 632 balance of such disability credits under the same terms and subject to the same conditions in effect for  
 633 payment of sick leave benefits in the employee's agency as of December 31, 1998.

634 H. Eligibility for participation in the program shall terminate upon the earliest to occur of an  
 635 employee's (i) termination of employment, (ii) death, or (iii) retirement from service. Eligibility for  
 636 participation in the program shall be suspended during periods that an employee is placed on nonpay  
 637 status, including leave without pay, if such nonpay status is due to suspension pending investigation or  
 638 outcome of employment-related court or disciplinary action.

639 **§ 51.1-1155. Short-term disability benefit.**

640 A. Except as provided in subsection B of § 51.1-1153, short-term disability benefits for participating  
 641 employees shall commence upon the expiration of a seven-calendar-day waiting period. The waiting  
 642 period shall commence the first day of a disability or of maternity leave. If an employee returns to work  
 643 for one day or less during the seven-calendar-day waiting period but cannot continue to work, the  
 644 periods worked shall not be considered to have interrupted the seven-calendar-day waiting period.  
 645 Additionally, the seven-calendar-day waiting period shall not be considered to be interrupted if the  
 646 employee works 20 hours or less during the waiting period. Short-term disability benefits payable as the  
 647 result of a catastrophic disability *or major chronic condition* shall not require a waiting period.

648 B. Except as provided in § 51.1-1171, short-term disability coverage shall provide income  
 649 replacement for (i) 60 percent of a participating employee's creditable compensation for the first 60  
 650 months of continuous participation in the program and (ii) thereafter, a percentage of a participating  
 651 employee's creditable compensation during the periods specified below, based on the number of months

552 of continuous participation in the program attained by an employee who is disabled, on maternity leave,  
 553 or takes periodic absences due to a major chronic condition, as determined by the Board or its designee,  
 554 as follows:

555	Work Days of 100%	Work Days of 80%	Work Days of 60%
556	Replacement	Replacement	Replacement
557	of Creditable	of Creditable	of Creditable
558	Compensation	Compensation	Compensation
559	Participation		
560	60-119	25	75
561	120-179	25	50
562	180 or more	25	75

563 C. Creditable compensation during periods an employee receives short-term disability benefits shall  
 564 include salary increases awarded during the period covered by short-term disability benefits.

565 D. Short-term disability benefits shall be payable only during periods of (i) total disability, (ii) partial  
 566 disability, or (iii) maternity leave, or (iv) periodic absences due to a major chronic condition as defined  
 567 by the Board or its designee.

568 **§ 51.1-1156. Successive periods of short-term disability.**

569 A. A participating employee's disability, which is related or due to the same cause or causes as a  
 570 prior disability for which short-term disability benefits were paid, shall be deemed to be a continuation  
 571 of the prior disability if the employee returns to his position on an active employment basis for less than  
 572 45 consecutive calendar days. If a participating employee, after receiving short-term disability benefits,  
 573 immediately returns to work for less than 45 consecutive calendar days and cannot continue to work, the  
 574 days worked shall be deemed to have interrupted the short-term disability benefits period, and such days  
 575 worked shall not be counted for purposes of determining the maximum period for which the  
 576 participating employee is eligible to receive short-term disability benefits. Days of work arranged  
 577 pursuant to vocational, rehabilitation, or return-to-work programs shall not be counted in determining the  
 578 duration of the period of the employee's return to work.

579 B. If a participating employee returns to his position on an active employment basis for 45  
 580 consecutive calendar days or longer, any succeeding period of disability shall constitute a new period of  
 581 short-term disability.

582 C. The period of 45 days referred to in subsections A and B shall be consecutive calendar days that  
 583 the participating employee is (i) actively at work and (ii) fully released to return to work full time, full  
 584 duty. *The Retirement System shall develop policies and procedures to administer the effects of the*  
 585 *45-day period in connection with participants who are deemed to have a major chronic condition.*

586 **§ 51.1-1163. Supplemental short-term disability benefit.**

587 A. Payments of supplemental short-term disability benefits payable under this article shall be reduced  
 588 by an amount equal to any benefits paid to the employee under the Act, or which the employee is  
 589 entitled to receive under the Act, excluding any payments for medical, legal or rehabilitation expenses.

590 B. Supplemental short-term disability benefits for participating employees shall commence upon the  
 591 expiration of a seven-calendar-day waiting period. The waiting period shall commence the first day of a  
 592 disability. If an employee returns to work for one day or less during the seven calendar days following  
 593 the commencement of a disability but cannot continue to work, the periods worked shall not be  
 594 considered to have interrupted the seven-calendar-day waiting period. Additionally, the  
 595 seven-calendar-day waiting period shall not be considered to be interrupted if the employee works 20  
 596 hours or less during the waiting period. Short-term disability benefits payable as the result of a  
 597 catastrophic disability or major chronic condition shall not require any waiting period.

598 C. Except as provided in § 51.1-1171, supplemental short-term disability coverage shall provide  
 599 income replacement for (i) 60 percent of a participating employee's creditable compensation for the first  
 600 60 months of continuous participation in the program and (ii) thereafter, a percentage of a participating  
 601 employee's creditable compensation during the periods specified below, based on the number of months  
 602 of continuous participation in the program attained by an employee who is disabled, on maternity leave,  
 603 or takes periodic absences due to a major chronic condition, as determined by the Board or its designee,  
 604 as follows:

605	Work Days of 100%	Work Days of 80%	Work Days of 60%
606	Replacement	Replacement	Replacement
607	of Creditable	of Creditable	of Creditable
608	Compensation	Compensation	Compensation
609	Participation		
610	60 to 119	85	15
611	120 or more	85	0

612 D. Creditable compensation during periods an employee receives supplemental short-term disability  
613 benefits shall include salary increases awarded during the period of short-term disability coverage.

614 E. Supplemental short-term disability benefits shall be payable only during periods of total disability,  
615 ~~or~~ partial disability, *or periodic absences due to a major chronic condition as defined by the Board or*  
616 *its designee.*

617 **§ 51.1-1164. Successive periods of short-term disability.**

618 A. A participating employee's disability, which is related or due to the same cause or causes as a  
619 prior disability for which supplemental short-term disability benefits were paid, shall be deemed to be a  
620 continuation of the prior disability if the employee (i) is eligible for benefits payable under the Act,  
621 whether or not he is receiving such benefits, and (ii) returns to his position on an active employment  
622 basis for less than 45 consecutive calendar days. If a participating employee, after receiving short-term  
623 disability benefits, immediately returns to work for less than 45 consecutive calendar days and cannot  
624 continue to work, the days worked shall be deemed to have interrupted the short-term disability benefits  
625 period, and such days worked shall not be counted for purposes of determining the maximum period for  
626 which the participating employee is eligible to receive short-term disability benefits. Days of work  
627 arranged pursuant to vocational, rehabilitation, or return-to-work programs shall not be counted in  
628 determining the duration of the period of the employee's return to work.

629 B. If a participating employee returns to his position on an active employment basis for 45  
630 consecutive calendar days or longer, any succeeding period of disability shall constitute a new period of  
631 short-term disability.

632 C. The period of 45 days referred to in subsections A and B shall be consecutive calendar days that
