4. Title: General Assembly; consideration of the conference committee report on the biennial budget or general appropriation act

5. Summary: As introduced, this bill would have provided that no legislative action shall be taken on the conference committee report on the biennial budget until the conference committee report has been posted on the General Assembly's website for at least 72 hours. As amended and engrossed, this required time period is reduced from 72 to 48 hours.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Indeterminate.

8. Fiscal Implications: The General Assembly currently posts the conference committee report on its website on the day of the report's initial release. In order to allow at least 48 hours between posting and legislative action, additional costs may be incurred if the 48-hour period results in a need to extend the session beyond the scheduled sine die. The bill in its original form would have required this time period to be 72 hours.

9. Specific Agency or Political Subdivisions Affected: The Virginia General Assembly and the Division of Legislative Automated Services.
