**8. Fiscal Implications:** The State Board of Elections (SBE) indicates that this legislation has been amended so that it takes effect only upon condition that an appropriation is made during the 2014 General Assembly Session to fund a voter outreach or public information program to educate voters about the changes to the voter ID requirements.

From an election administration standpoint, a budget amendment is not necessary to successfully implement this legislation. However, SBE believes it can conduct an outreach campaign utilizing in-house staffing resources for approximately \$100,000 in FY2015. The number of voters utilizing these IDs is very small and therefore a brief and targeted PR campaign in the months immediately leading up to the November 2014 General Election will be sufficient to adequately educate voters about the changes to the ID laws.
