

VIRGINIA ACTS OF ASSEMBLY -- 2014 SESSION

CHAPTER 54

An Act to amend and reenact § 46.2-1025 of the Code of Virginia, relating to amber warning lights on vehicle used to transport petroleum or propane products.

[H 123]

Approved March 3, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-1025 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-1025. Flashing amber, purple, or green warning lights.

A. The following vehicles may be equipped with flashing, blinking, or alternating amber warning lights of types approved by the Superintendent:

1. Vehicles used for the principal purpose of towing or servicing disabled vehicles;
2. Vehicles used in constructing, maintaining, and repairing highways or utilities on or along public highways;
3. Vehicles used for the principal purpose of removing hazardous or polluting substances from state waters and drainage areas on or along public highways, or state vehicles used to perform other state-required environmental activities, provided that the amber lights are not lit while the vehicle is in motion;
4. Vehicles used for servicing automatic teller machines, provided the amber lights are not lit while the vehicle is in motion;
5. Vehicles used in refuse collection, provided the amber lights are lit only when the vehicles are engaged in refuse collection operations;
6. Vehicles used by individuals for emergency snow-removal purposes;
7. Hi-rail vehicles, provided the amber lights are lit only when the vehicles are operated on railroad rails;
8. Fire apparatus, ambulances, and rescue and life-saving vehicles, provided the amber lights are used in addition to lights permitted under § 46.2-1023 and are so mounted or installed as to be visible from behind the vehicle;
9. Vehicles owned and used by businesses providing security services, provided the amber lights are not lit while the vehicle is being operated on a public highway;
10. Vehicles used to collect and deliver the United States mail, provided the amber lights are lit only when the vehicle is actually engaged in such collection or delivery;
11. Vehicles used to transport petroleum *or propane* products, provided the amber light is mounted on the rear of the vehicle and is lit ~~only~~ *when parked while making a delivery of petroleum or propane products*, or when the vehicle's back-up lights are lit and its device producing an audible signal when the vehicle is operated in reverse gear, as provided for in § 46.2-1175.1, is in operation;
12. Vehicles used by law-enforcement agency personnel in the enforcement of laws governing motor vehicle parking;
13. Government-owned law-enforcement vehicles, provided the lights are used for the purpose of giving directional warning to vehicular traffic to move one direction or another and are not lit while the vehicle is in motion;
14. Chase vehicles when used to unload a hot air balloon or used to load a hot air balloon after landing, provided the amber lights are not lit while the vehicle is in motion;
15. Vehicles used for farm, agricultural, or horticultural purposes, or any farm tractor;
16. Vehicles owned and used by construction companies operating under Virginia contractors licenses;
17. Vehicles used to lead or provide escorts for bicycle races authorized by the Department of Transportation or the locality in which the race is being conducted;
18. Vehicles used by radio or television stations for remote broadcasts, provided that the amber lights are not lit while the vehicle is in motion;
19. Vehicles used by municipal safety officers in the performance of their official duties. For the purpose of this subdivision, "municipal safety officers" means municipal employees responsible for managing municipal safety programs and ensuring municipal compliance with safety and environmental regulatory mandates;
20. Vehicles used as pace cars, security vehicles, or fire-fighting vehicles by any speedway or motor vehicle race track, provided that the amber lights are not lit while the vehicle is being operated on a public highway;
21. Vehicles used in patrol work by members of neighborhood watch groups approved by the chief law-enforcement officer of the locality in their assigned neighborhood watch program area, provided that

the vehicles are clearly identified as neighborhood watch vehicles, and the amber lights are not lit while the vehicle is in motion; and

22. Vehicles that are not tow trucks as defined in § 46.2-100, but are owned or controlled by a towing and recovery business, provided that the amber lights are lit only when the vehicle is being used at a towing and recovery site.

B. Except as otherwise provided in this section, such amber lights shall be lit only when performing the functions which qualify them to be equipped with such lights.

C. Vehicles used to lead or provide escorts for funeral processions may use either amber warning lights or purple warning lights, but amber warning lights and purple warning lights shall not simultaneously be used on the same vehicle. The Superintendent of State Police shall develop standards and specifications for purple lights authorized in this subsection.

D. Vehicles used by police, fire-fighting, or rescue personnel as command centers at the scene of incidents may be equipped with and use green warning lights of a type approved by the Superintendent. Such lights shall not be activated while the vehicle is operating upon the highway.
