HOUSE BILL NO. 129

Offered January 8, 2014

Prefiled December 18, 2013

A BILL to amend and reenact § 18.2-85 of the Code of Virginia, relating to explosive material; method of ignition.

Patron—Bell, Richard P.

Referred to Committee for Courts of Justice

Be it enacted by the General Assembly of Virginia:**1. That § 18.2-85 of the Code of Virginia is amended and reenacted as follows:****§ 18.2-85. Manufacture, possession, use, etc., of fire bombs or explosive materials or devices; penalties.**

For the purpose of this section:

"Device" means any instrument, apparatus or contrivance, including its component parts, that is capable of producing or intended to produce an explosion but shall not include fireworks as defined in § 27-95.

"Explosive material" means any chemical compound, mechanical mixture or device that is commonly used or can be used for the purpose of producing an explosion and which contains any oxidizing and combusive agents or other ingredients in such proportions, quantities or packaging that an ignition by fire, friction, concussion, percussion, detonation, *or high impact velocity* or by any part of the compound or mixture may cause a sudden generation of highly heated gases. These materials include, but are not limited to, gunpowder, powders for blasting, high explosives, blasting materials, fuses (other than electric circuit breakers), detonators, and other detonating agents and smokeless powder.

"Fire bomb" means any container of a flammable material such as gasoline, kerosene, fuel oil, or other chemical compound, having a wick composed of any material or a device or other substance which, if set or ignited, is capable of igniting such flammable material or chemical compound but does not include a similar device commercially manufactured and used solely for the purpose of illumination or cooking.

"Hoax explosive device" means any device which by its design, construction, content or characteristics appears to be or to contain a bomb or other destructive device or explosive but which is an imitation of any such device or explosive.

Any person who (i) possesses materials with which fire bombs or explosive materials or devices can be made with the intent to manufacture fire bombs or explosive materials or devices or, (ii) manufactures, transports, distributes, possesses or uses a fire bomb or explosive materials or devices ~~shall be~~ *is* guilty of a Class 5 felony. Any person who constructs, uses, places, sends, or causes to be sent any hoax explosive device so as to intentionally cause another person to believe that such device is a bomb or explosive ~~shall be~~ *is* guilty of a Class 6 felony.

Nothing in this section shall prohibit the authorized manufacture, transportation, distribution, use or possession of any material, substance, or device by a member of the armed forces of the United States, fire fighters or law-enforcement officers, nor shall it prohibit the manufacture, transportation, distribution, use or possession of any material, substance or device to be used solely for scientific research, educational purposes or for any lawful purpose, subject to the provisions of §§ 27-97 and 27-97.2.

2. That the provisions of this act may result in a net increase in periods of imprisonment or commitment. Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation cannot be determined for periods of imprisonment in state adult correctional facilities; therefore, Chapter 806 of the Acts of Assembly of 2013 requires the Virginia Criminal Sentencing Commission to assign a minimum fiscal impact of \$50,000. Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation cannot be determined for periods of commitment to the custody of the Department of Juvenile Justice.
