

14102504D

HOUSE BILL NO. 213

Offered January 8, 2014

Prefiled December 27, 2013

A *BILL to amend the Code of Virginia by adding in Title 33.1 a chapter numbered 10.3, consisting of sections numbered 33.1-391.16 and 33.1-391.17, relating to Salem Highway Construction District transportation funding.*

Patron—Marshall, D.W.

Referred to Committee on Appropriations

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Title 33.1 a chapter numbered 10.3, consisting of sections numbered 33.1-391.16 and 33.1-391.17, as follows:

CHAPTER 10.3.**SALEM HIGHWAY CONSTRUCTION DISTRICT TRANSPORTATION FUNDING.****§ 33.1-391.16. Salem Highway Construction District Transportation Revenue Fund established.**

A. There is hereby created in the state treasury a special nonreverting fund to be known as the Salem Highway Construction District Transportation Revenue Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund.

B. Moneys in the Fund shall be allocated as follows:

1. Fifty percent for construction and maintenance of I-73 in the Salem Highway Construction District. I-73 construction shall begin in Henry County and use the existing Route 58 bypass.

2. Fifty percent for construction and maintenance of I-81 in the Salem Highway Construction District.

§ 33.1-391.17. Revenues attributable to a portion of state tax revenues deposited into the Salem Highway Construction District Transportation Revenue Fund.

A. As used in this section, unless the context requires a different meaning:

"Base number of cargo containers" means the cargo containers in the first fiscal year, whole or partial, that the Port is operating. If such first year is less than 12 months, then the base number of cargo containers shall be prorated for a full 12 months.

"Cargo container" means the number of cargo containers loaded onto or unloaded at the Port for commerce in a fiscal year, measured in 20-foot-equivalent units.

"Fund" means the Salem Highway Construction District Transportation Revenue Fund established pursuant to § 33.1-391.16.

"Net revenues" means the gross revenues less the applicable portion of any refunds.

"Port" means the Inland Port in Montgomery County when it is constructed and operating.

"State tax revenues" means the net revenues collected from the (i) state sales tax pursuant to Chapter 6 (§ 58.1-600 et seq.) of Title 58.1, (ii) individual income tax pursuant to Chapter 3 (§ 58.1-300 et seq.) of Title 58.1, (iii) corporate income tax pursuant to Chapter 3 (§ 58.1-300 et seq.) of Title 58.1, and (iv) insurance license tax pursuant to Chapter 25 (§ 58.1-2500 et seq.) of Title 58.1.

B. 1. By the last day of September following the first fiscal year that the Port is operating, there shall be deposited into the Fund 10 percent of state tax revenues attributable to economic activity generated or facilitated by the Port in the first fiscal year that the Port is operating, as determined by the Secretary of Finance, in consultation with the Secretary of Transportation. The Secretary of Finance shall provide a written certification of such amount to the Comptroller by August 31.

2. For the fiscal year following the first fiscal year in which the Port begins operating, and for each fiscal year thereafter, there shall be deposited into the Fund a portion of the growth in state taxes attributable to economic activity generated or facilitated by the Port. The amount deposited into the Fund in each fiscal year shall be determined using the following revenue ratio: state tax revenues attributable to economic activity generated or facilitated by the port divided by base number of cargo containers.

The General Assembly intends for the revenue ratio to be a measure of the state revenues attributable to economic activity of the port on a per-cargo-container basis.

3. For each fiscal year following the first fiscal year that the Port is operating, the amount deposited to the Fund shall be computed by:

a. First, multiplying the revenue ratio by the increase in cargo in the most recently ended fiscal year

INTRODUCED

HB213

59 over the number of cargo containers in the fiscal year immediately preceding; and

60 b. Second, multiplying the product of subdivision a by 30 percent (0.30).

61 C. The Secretary of Finance, in consultation with the Secretary of Transportation, shall determine
62 the revenue ratio. In determining the numerator of the revenue ratio or the state tax revenues
63 attributable to economic activity generated or facilitated by the Port, the Secretary shall include state
64 tax revenues from (i) Port operations, including but not limited to revenues from truck and rail
65 transportation, insurance, warehousing, and storage; (ii) the production in Virginia of goods carried
66 from the Port for export; (iii) imports sold to citizens of the Commonwealth or used as inputs by
67 businesses located in the Commonwealth or by Virginia state and local governmental entities; and (iv)
68 employee compensation, fuel costs, business and professional services, power, and communications
69 relating to the factors set forth in clauses (i), (ii), and (iii). The Secretary shall determine the revenue
70 ratio no later than January 1, 2015, and shall promptly report the same to the Chairmen of the House
71 Committee on Appropriations, House Committee on Finance, and Senate Committee on Finance.

72 D. The Secretary of Finance, in consultation with the Secretary of Transportation, shall determine
73 the amount to be deposited into the Fund in each fiscal year in accordance with the provisions of this
74 section. The Secretary of Finance shall provide a written certification of the same to the Comptroller by
75 August 31 each year. The Comptroller shall then deposit such amount into the Fund by making four
76 equal deposits into the Fund on September 15, December 15, March 15, and June 15.

77 E. Notwithstanding any other provision of this section, the amount deposited into the Fund pursuant
78 to this section shall not exceed \$50 million in any fiscal year.

79 2. That the revenues generated by the provisions of this act shall not be used to calculate or
80 reduce the share of local, federal, and state revenues otherwise available to any locality. Further,
81 such revenues and moneys shall not be included in any computation of, or formula for, a locality's
82 ability to pay for public education, upon which appropriations of state revenues to local
83 governments for public education are determined.

84 3. That each county or city that receives revenue from, or receives benefits from, revenue
85 appropriated pursuant to the provisions of this act shall for each fiscal year in which it receives
86 such revenue or benefits expend or disburse for transportation purposes an amount (computed
87 without regard to any revenues generated in the fiscal year from such taxes) that is at least equal
88 to the total amount expended or disbursed for transportation purposes by the county or city in its
89 fiscal year that began in calendar year 2013.

90 4. That should any portion of this act be held unconstitutional by a court of competent
91 jurisdiction, the remaining portions of this act shall remain in effect.
