A. It shall be unlawful for a person who is arrested for a violation of § 18.2-266, 18.2-266.1, or subsection B of § 18.2-272 or of a similar ordinance to unreasonably refuse to have samples of his blood or breath or both blood and breath taken for chemical tests to determine the alcohol or drug content of his blood as required by § 18.2-268.2 and any person who so unreasonably refuses is guilty of a violation of this section.

The form from which the arresting officer shall advise the person arrested shall contain a brief statement of the law requiring the taking of blood or breath samples, a statement that a finding of unreasonable refusal to consent may be admitted as evidence at a criminal trial, and the penalties for refusal. The Office of the Executive Secretary of the Supreme Court shall make the form available on the Internet and the form shall be considered an official publication of the Commonwealth for the purposes of § 8.01-388. *After advising the person arrested, from the form, of the consequences of refusing to permit blood or breath or both blood and breath samples to be taken for testing, the arresting officer shall give the person arrested another opportunity to permit blood or breath or both blood and breath samples to be taken for testing.*

C. ~~The~~ Upon refusal by the defendant to permit blood or breath or both blood and breath samples to be taken for testing as required by § 18.2-286.2, the arresting officer shall, under oath before the magistrate, execute the form and certify, (i) that the defendant has refused to permit blood or breath or both blood and breath samples to be taken for testing; (ii) that the officer has read the portion of the form described in subsection B to the arrested person; (iii) that the arrested person, after having had the portion of the form described in subsection B read to him, has refused *all requests* to permit such sample or samples to be taken; and (iv) how many, if any, violations of this section, § 18.2-266, or any offense described in subsection E of § 18.2-270 the arrested person has been convicted of within the last 10 years. Such sworn certification shall constitute probable cause for the magistrate to issue a warrant or summons charging the person with unreasonable refusal. The magistrate shall attach the executed and sworn advisement form to the warrant or summons. The warrant or summons for a first offense under this section shall be executed in the same manner as a criminal warrant or summons. If the person arrested has been taken to a medical facility for treatment or evaluation of his medical condition, the arresting officer may read the advisement form to the person at the medical facility, and issue, on the premises of the medical facility, a summons for a violation of this section in lieu of securing a warrant or summons from the magistrate. The magistrate or arresting officer, as the case may be, shall forward the executed advisement form and warrant or summons to the appropriate court.

D. A first violation of this section is a civil offense and subsequent violations are criminal offenses. For a first offense the court shall suspend the defendant's privilege to drive for a period of one year. This suspension period is in addition to the suspension period provided under § 46.2-391.2.
