Referred to Committee on Education**Be it enacted by the General Assembly of Virginia:****1. That § 22.-212.14 of the Code of Virginia is amended and reenacted as follows:****§ 22.1-212.14. Funding of public charter schools; services provided.**

A. For the purposes of this article, students enrolled in a public charter school shall be included in the average daily membership of the relevant school division and shall be reported in fall membership for purposes of calculating the state and local shares required to fund the Standards of Quality.

B. Insofar as constitutionally valid, a local school board or, in the case of a regional public charter school, the relevant school boards may establish by contract an agreement stating the conditions for funding the public charter school, including funding for the educational program to be provided by a residential charter school for at-risk students. In accordance with subsection D, the per pupil funding provided to the charter school by the local school board or, in the case of a regional public charter school, the relevant school boards, shall be negotiated in the charter agreement ~~and~~, shall be commensurate with the average school-based costs of educating the students in the existing schools in the division or divisions unless the cost of operating the charter school is less than that average school-based cost, *shall be paid to the public charter school by the local school board in a lump sum payment, and shall not be paid to the public charter school on a categorical basis.*

C. Services provided the public charter school by the local school board or the relevant school boards, in the case of regional public charter schools, may include food services; custodial and maintenance services; curriculum, media, and library services; warehousing and merchandising; and such other services not prohibited by the provisions of this article or state and federal laws.

D. Funding and service agreements between local school boards and public charter schools shall not provide a financial incentive or constitute a financial disincentive to the establishment of a public charter school, including any regional public charter school.

E. Any educational and related fees collected from students enrolled at a public charter school shall be credited to the account of such public charter school established by the relevant local school board.

F. Notwithstanding any other provision of law, the proportionate share of state and federal resources allocated for students with disabilities and school personnel assigned to special education programs shall be directed to public charter schools enrolling such students. The proportionate share of moneys allocated under other federal or state categorical aid programs shall be directed to public charter schools serving students eligible for such aid.

G. The management committee of a public charter school is authorized to accept gifts, donations, or grants of any kind made to the public charter school and to spend such funds in accordance with the conditions prescribed by the donor. However, no gift, donation, or grant shall be accepted by the management committee of a public charter school if the conditions for such funds are contrary to law or the terms of the agreement between the local school board and the public charter school or, in the case of a regional public charter school, the relevant school boards and the regional public charter school.

H. The Department of Education shall provide technical assistance to local school boards relating to receipt, review, and ruling upon applications for public charter schools.
