Be it enacted by the General Assembly of Virginia:

1. That § 23-7.4:1 of the Code of Virginia is amended and reenacted as follows:

A. There is hereby established the Virginia Military Survivors and Dependents Education Program. Qualified survivors and dependents of military service members, who have been admitted to any public institution of higher education or other public accredited postsecondary institution granting a degree, diploma, or certificate in the Commonwealth of Virginia, upon certification to the Commissioner of the Department of Veterans Services of eligibility under this subsection, shall be admitted free of tuition and all required fees.

The Virginia Military Survivors and Dependents Education Program shall be implemented pursuant to the following:

1. For the purposes of this subsection, "qualified survivors and dependents" means the spouse or a child between the ages of 16 and 29 of a military service member who, while serving as an active duty member in the United States Armed Forces, United States Armed Forces Reserves, the Virginia National Guard, or Virginia National Guard Reserve, during military operations against terrorism, on a peacekeeping mission, as a result of a terrorist act, or in any armed conflict subsequent to December 6, 1941, was killed or is missing in action or is a prisoner of war, or of a veteran who, due to such service, has been rated by the United States Department of Veterans Affairs as totally and permanently disabled or at least 90% disabled, and has been discharged or released under conditions other than dishonorable. However, the Commissioner of the Department of Veterans Services may certify dependents above the age of 29 in those cases in which extenuating circumstances prevented the dependent child from using his benefits before the age of 30.

2. Such qualified survivors and dependents shall be eligible for the benefits conferred by this subsection if the military service member who was killed, is missing in action, is a prisoner of war, or is disabled (i) was a bona fide domiciliary of Virginia at the time of entering such active military service or called to active duty as a member of the Armed Forces Reserves or Virginia National Guard Reserve; (ii) is and has been a bona fide domiciliary of Virginia for at least five years immediately prior to, *or has had a physical presence in Virginia for at least five years immediately prior to*, the date on which the admission application was submitted by or on behalf of such qualified survivor or dependent for admission to such institution of higher education or other public accredited postsecondary institution; (iii) if deceased, was a bona fide domiciliary of Virginia on the date of his death and had been a bona fide domiciliary of Virginia for at least five years immediately prior to his death *or had a physical presence in Virginia on the date of his death and has had a physical presence in Virginia for at least five years immediately prior to his death*; (iv) in the case of a qualified child, is deceased and the surviving parent had been, at some time previous to marrying the deceased parent, a bona fide domiciliary of Virginia for at least five years or is and has been a bona fide domiciliary of Virginia for at least five years immediately prior to *or has had a physical presence in Virginia for at least five years immediately prior to* the date on which the admission application was submitted by or on behalf of such child; or (v) in the case of a qualified spouse, is deceased and the surviving spouse had been, at some time previous to marrying the deceased spouse, a bona fide domiciliary of Virginia for at least five years or is and has been a bona fide domiciliary of Virginia for at least five years *or has had a physical presence in Virginia for at least five years* prior to the date on which the admission application was submitted by such qualified spouse.

The State Council of Higher Education for Virginia shall be responsible for disbursing to the institutions the funds appropriated or otherwise made available by the Commonwealth of Virginia to support the Virginia Military Survivors and Dependents Education Fund and shall report to the Commissioner of the Department of Veterans Services the beneficiaries' completion rate.

The Department of Veterans Services shall coordinate with the United States Department of Veterans Affairs to identify veterans and qualified survivors and dependents. The Commissioner of the Department of Veterans Services shall report annually to the Governor and the General Assembly as to the agency's policies and strategies relating to dissemination of information about the Program. The institution shall determine the eligibility of the applicant for these benefits and shall also ascertain that the recipients are in attendance and are making satisfactory progress. The amounts payable for tuition, institutional charges and required fees, and books and supplies for the applicants shall be waived by the institution accepting the students.

C. For the purposes of subsection B, user fees, such as room and board charges, shall not be included in this authorization to waive tuition and fees. However, all required educational and auxiliary fees shall be waived along with tuition.
