Referred to Committee on Transportation

Be it enacted by the General Assembly of Virginia:**1. That § 46.2-323 of the Code of Virginia is amended and reenacted as follows:****§ 46.2-323. Application for driver's license; proof of completion of driver education program; penalty.**

A. Every application for a driver's license, temporary driver's permit, learner's permit, or motorcycle learner's permit shall be made on a form prescribed by the Department and the applicant shall write his usual signature in ink in the space provided on the form. The form shall include notice to the applicant of the duty to register with the Department of State Police as provided in Chapter 9 (§ 9.1-900 et seq.) of Title 9.1, if the applicant has been convicted of an offense for which registration with the Sex Offender and Crimes Against Minors Registry is required.

B. Every application shall state the full legal name, year, month, and date of birth, social security number, sex, and residence address of the applicant; whether or not the applicant has previously been licensed as a driver and, if so, when and by what state, and whether or not his license has ever been suspended or revoked and, if so, the date of and reason for such suspension or revocation. The Department, as a condition for the issuance of any driver's license, temporary driver's permit, learner's permit, or motorcycle learner's permit shall require the surrender of any driver's license or, in the case of a motorcycle learner's permit, a motorcycle license issued by another state and held by the applicant. The applicant shall also answer any questions on the application form or otherwise propounded by the Department incidental to the examination. The applicant may also be required to present proof of identity, residency, and social security number or non-work authorized status, if required to appear in person before the Department to apply.

Notwithstanding any contrary provisions of this section, if an applicant for a driver's license states in writing that he has a bona fide religious objection to the use of his social security number for any reason other than social purposes, certifies that he does not allow his social security number to be used for any purpose other than for social security taxes and benefits, and otherwise qualifies for a driver's license, then the Commissioner shall grant that applicant a driver's license. However, should the Commissioner have reasonable cause to question whether the applicant is, in fact, who he claims to be, then the Commissioner may use such other forms of identification as necessary, including biometric identification.

The Commissioner shall require that each application include a certification statement to be signed by the applicant under penalty of perjury, certifying that the information presented on the application is true and correct.

If the applicant fails or refuses to sign the certification statement, the Department shall not issue the applicant a driver's license, temporary driver's permit, learner's permit or motorcycle learner's permit.

Any applicant who knowingly makes a false certification or supplies false or fictitious evidence shall be punished as provided in § 46.2-348.

C. Every application for a driver's license shall include a photograph of the applicant supplied under arrangements made by the Department. The photograph shall be processed by the Department so that the photograph can be made part of the issued license.

D. Notwithstanding the provisions of § 46.2-334, every applicant for a driver's license who is under 19 years of age shall furnish the Department with satisfactory proof of his successful completion of a driver education program approved by the State Department of Education.

E. Every application for a driver's license submitted by a person less than 18 years old and attending a public school in the Commonwealth shall be accompanied by a document, signed by the applicant's parent or legal guardian, authorizing the principal, or his designee, of the school attended by the applicant to notify the juvenile and domestic relations district court within whose jurisdiction the minor resides when the applicant has had 10 or more unexcused absences from school on consecutive school days.

F. The Department shall electronically transmit application information to the Department of State
